Yorkshire Forward has led the development of three Regional Economic Strategies (RESs). Although developed by Yorkshire Forward it is felt that it is important that the RES is owned by the region and Yorkshire Forward is commended for its consultative and collaborative approach. It is important that full account is taken of the region's diversity and it will need to be ensured that this is reflected in the new Integrated Regional Strategy, but this should not mean that sub-regional concerns are put ahead of a balanced approach to the interests of the region as a whole and should not detract from Yorkshire Forward's original core economic focus. The Committee is also concerned about the impact of budget cuts and a reduction in funding on the work of Yorkshire Forward and they recommend that Yorkshire Forward's budget not be decreased further
