He and his mother were in the clutches of poverty. This affected his upbringing. The neighbours sent him to school mainly to protect their children. In order to pay the school fees, he had to work till midnight in a nearby cinema theatre and this led him into bad ways. However, because of his extraordinary memory, he could secure first rank till the tenth standard. His proficiency in Sanskrit helped him get the much needed financial scholarship and eventually, he became an honours graduate, completed the L.L.B. and L.L.M. examinations with merit, and became a professor. His thirst to become virtuous and his quest for a Guru brought him to Bhagawan Sri Sathya Sai Baba. He had the coveted Padanamaskar and Bhagawan's one deep look into his eyes transformed him miraculously. By providence, someone suggested to him to apply for the post of a visiting professor, in Baba's college at Puttaparthi and he applied. This book is the stream of the questions that have evoked answers from Bhagawan Sri Sathya Sai Baba. Among the tasks that Bhagawan has assumed while incarnating, He has declared as basic the one,

which He calls, "The clarification and purification of the religious scriptures of mankind." Every Vahini emanating from Him has done this service to some aspect or other of the spiritual uplift of man. This Vahini is one of the earliest in the series, since it seeks to elucidate the fundamental concepts and precepts of religion, especially the technical words and expressions that seek to concretise them. Hitherto published as an Appendix to a single Vahini, the Gita Vahini, it is now placed in the hands of seekers as a key publication, helpful for readers of all the Vahinis.
