shop catholic answers: Why We're Catholic Trent Horn, 2017-05 How can you believe all this stuff? This is the number-one question Catholics get asked and, sometimes, we ask ourselves. Why do we believe that God exists, that he became a man and came to save us, that what looks like a wafer of bread is actually his body? Why do we believe that he inspired a holy book and founded an infallible Church to teach us the one true way to live? Ever since he became Catholic, Trent Horn

has spent a lot of time answering these questions, trying to explain to friends, family, and total strangers the reasons for his Catholic faith. Some didn't believe in God, or even in the existence of truth. Others said they were spiritual but didn't think you needed religion to be happy. Some were Christians who thought Catholic doctrines over-complicated the pure gospel. And some were fellow Catholics who had a hard time understanding everything they professed to believe on Sunday. Why We're Catholic assembles the clearest, friendliest, most helpful answers that Trent learned to give to all these people and more. Beginning with how we can know reality and ending with our hope of eternal life, it's the perfect way to help skeptics and seekers (or Catholics who want to firm up their faith) understand the evidence that bolsters our belief and brings us joy --

shop catholic answers: *100 Biblical Arguments Against Sola Scriptura* Dave Armstrong, 2012-05 Where Is That in the Bible? Fundamentalists and many other Protestants use this question all the time, particularly when they're dealing with Catholics. When they are being trained how to talk with Catholics, Fundamentalist evangelizers are taught to use this question. They see it as the master key to defeating Catholics. Countless Catholics are absolutely stumped by the question and don't know what to say in response. This is a very important principle in Protestant thought. It's the idea that we should do our theology by Scripture alone. It even has a fancy Latin name sola scriptura. It's time for Catholics to stop being beaten up with the Fundamentalists' favorite question. That's why Catholic Answers has published the book 100 Biblical Arguments Against Sola Scriptura by well-known apologist Dave Armstrong. This powerful new book contains just that Biblical arguments. These are the kind that you need to get through to a Fundamentalist. After all, if they're locked into the Bible only view, they won't even listen to appeals from other sources. That's why you need the kind of precise, Biblically-based takedown of sola scriptura that Armstrong provides.

...Say Mary remained a virgin? ...Refuse to rely on Scripture alone? ...Teach papal infallibility? ...

Worship saints and bow down to their graven images? ... Claim the wafer is really Jesus? And, bottom line, again and again - Where in the Bible does it say...? When some folks have questions about Catholicism, they're more than merely curious. They want to take a jab at your beliefs as they try to persuade you to accept theirs. Door-to-door proselytizers are trained to ask hot-button questions. They proclaim to know what many Catholics can't articulate. Now author, EWTN television host, and noted apologist (that is, defender and teacher of Catholic doctrine) Patrick Madrid has compiled tough questions Catholics face. They are questions he and others have been confronted with time and again. He presents solid, Bible-based, easy-to-understand, and easy-to-explain answers. Here is how to calmly, charitably, and effectively respond. Discover the answers to some questions you may have wondered about yourself!

shop catholic answers: Who Am I, Lord? Finding Your Identity in Christ Joe Heschmeyer, 2020-03-06 The question Who am I? is on the minds and hearts of people of all ages. And for good reason: The answer is important! Who we are - or who we think we are - drives our actions and shapes our relationships. While we are asking the right questions about identity, the world is busy feeding us the wrong answers: We are our political party, job title, sexual orientation, race, ethnicity - and the list goes on. But until we know why we were created, by whom, and for what purpose, we can never be truly satisfied. In *Who Am I, Lord?*, author and speaker Joe Heschmeyer tackles the question of identity by asking two even more important questions: Who is Jesus? Who does he say

you are? Only when we understand who Christ really is can he show us who we are. Our identity in Christ opens us to the promises he has made us and leads us to the freedom to be who we were created to be. Who Am I, Lord? will answer the question of your identity in a way that will transform your life. shop catholic answers: Why Catholic Bibles Are Bigger Gary Michuta, 2017-09-15 Some differences between Catholicism and Protestantism can be tricky to grasp, but one of them just requires the ability to count: Catholic bibles have seventy-three books, whereas Protestant bibles have sixty-six - plus an appendix with the strange title Apocrypha. What's the story here? Protestants claim that the medieval Catholic Church added six extra books that had never been considered part of the Old Testament, either by Jews or early Christians. Catholics say that the Protestant Reformers removed those books, long considered part of Sacred Scripture, because they didn't like what they contained. In Why Catholic Bibles Are Bigger, Gary Michuta presents a revised and expanded version of his authoritative work on this key issue. Combing the historical record from pre-Christian times to the Patristic era to the Reformation and its aftermath, he traces the canon controversy through the writings and actions of its major players.

shop catholic answers: The Case for Catholicism Trent Horn, 2017-10-15 This is the most up-to-date, comprehensive, and thorough defense of the Catholic Church against Protestant objections in print. This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest. The Case for Catholicism answers arguments put forward by early Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R.C. Sproul. It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history. Finally, in both answering Protestant objections to Catholicism and in providing evidence for the Faith, The Case for Catholicism cites modern Protestant scholars who question Reformation assumptions and show how evidence from Scripture and church history support aspects of Catholic theology. This book is divided into four sections, with each answering a key question Christians have asked about the nature of their faith. Those key questions are: What is my authority? What is the Church? How am I saved? Who belongs to

the body of Christ? The Case for Catholicism will become a reliable, resource for any Catholic who desires a well-researched, readable, and persuasive answer to Protestant arguments made against the Catholic faith.
