Songs From Risky Business Movie: A Soundtrack That Defined a Generation

The 1983 film "Risky Business" launched Tom Cruise to superstardom, but its impact extended far beyond the silver screen. The movie's soundtrack, a carefully curated mix of classic rock and emerging new wave, became a cultural phenomenon, influencing music tastes and solidifying its place in cinematic history. This article dives deep into the unforgettable songs that make up the "Risky Business" soundtrack, exploring their impact on the film and their lasting legacy.

Article Outline:

1. The Iconic "Old Time Rock and Roll": Examining the song's role in the film and its lasting cultural impact.
2. Other Notable Tracks: Highlighting other significant songs on the soundtrack and their contribution to the film's atmosphere.
3. The Soundtrack's Influence on 80s Music: Discussing the soundtrack's role in popularizing certain artists and genres during the 1980s.
4. The Soundtrack's Lasting Legacy: Exploring the enduring popularity of the soundtrack and its continued relevance today.
5. The Role of Music in Filmmaking: A brief discussion of how the music choices in "Risky Business" enhanced the film's narrative and mood.

1. The Iconic "Old Time Rock and Roll"

"Old Time Rock and Roll" is undeniably the most memorable song from the Risky Business soundtrack.

This classic Bob Seger track perfectly captures the carefree spirit of the film's central scene, where Tom

Cruise's character, Joel, dances exuberantly in his underwear. The song's upbeat tempo and powerful vocals perfectly complement Joel's uninhibited actions, making it an unforgettable moment in cinematic history.

The song's placement in the film was crucial to its success.

Its use wasn't just about adding a catchy tune; it underscored Joel's newfound freedom and rebellion against the constraints of his structured life. The iconic dance scene wouldn't have had the same impact without the driving energy of "Old Time Rock and Roll."

The song's popularity surged after the film's release.

A whole new generation discovered Seger's music thanks to its prominent placement in Risky Business, resulting in a renewed interest in the classic track and a significant boost in sales.

2. Other Notable Tracks on the Risky Business Soundtrack

Beyond "Old Time Rock and Roll," the Risky Business soundtrack features a diverse range of tracks.

From the smooth sounds of The Steve Miller Band's "Fly Like an Eagle" to the infectious energy of Journey's "Separate Ways (Worlds Apart)," the soundtrack showcases a compelling blend of rock and pop styles perfectly suited to the film's tone.

Tracks like "You Can't Hurry Love" by The Supremes added a touch of classic soul.

This selection highlights the director's ability to blend musical genres, creating a soundtrack that is both timeless and specific to its era.

The inclusion of songs by artists like INXS ("Don't Change") showcased emerging artists of the time.

This selection reflects the soundtrack's ability to blend established artists with up-and-coming talents, further enriching its overall impact and diversity.

The carefully curated selection of music elevated the film's emotional impact.

Each song was strategically chosen to enhance the mood and narrative progression, creating a cohesive and deeply satisfying listening experience.

3. The Soundtrack's Influence on 80s Music

The Risky Business soundtrack significantly impacted the popular music landscape of the 1980s.

Its success helped to reignite interest in classic rock and introduced a new generation to artists who might otherwise have been overlooked.

The soundtrack's popularity boosted the careers of various artists.

It created a platform for both well-established and emerging artists, allowing them to reach a much wider audience.

The film's soundtrack contributed to the broader cultural embrace of 1980s music.

This solidified the soundtrack's position as a defining feature of the era, representing the sounds and cultural attitudes of the decade.

4. The Soundtrack's Lasting Legacy

The Risky Business soundtrack remains incredibly popular today.

It continues to be enjoyed by fans of all ages, solidifying its status as a timeless classic and demonstrating the enduring power of music in film.

Its enduring popularity is a testament to the quality of the music **selections.**

The soundtrack's impact continues to be felt, proving that well-chosen music transcends generations and trends.

The soundtrack's impact transcends the film itself.

It has become a cultural artifact, often referenced in popular culture and discussed for its contributions to music history.

5. The Role of Music in Filmmaking

The Risky Business soundtrack demonstrates the powerful synergy between music and film.

The strategic use of music in the film didn't just add ambiance; it enhanced the narrative, emotions, and overall experience.

Careful music selection can amplify a film's impact.

The songs in Risky Business serve as powerful emotional cues, intensifying the audience's connection to the story and characters.

Music is a powerful storytelling tool in its own right.

The Risky Business soundtrack is a testament to how carefully chosen music can elevate a movie from good to great.

Conclusion

The "Risky Business" soundtrack is more than just a collection of songs; it's a cultural phenomenon that has endured for decades. Its impact on the film, the music industry, and popular culture is undeniable. From the iconic "Old Time Rock and Roll" to the carefully curated selection of other tracks, the soundtrack perfectly captures the spirit of the 1980s while remaining relevant and enjoyable today. The film's

soundtrack stands as a brilliant example of how music can enhance and amplify a film's narrative, solidifying its place as a cinematic classic.

Frequently Asked Questions (FAQs)

Q: Where can I listen to the Risky Business soundtrack?

A: The Risky Business soundtrack is available on most major music streaming platforms like Spotify, Apple Music, and YouTube Music, as well as for purchase on digital music stores.

Q: Are all the songs on the soundtrack from the 1980s?

A: While many are from the 1980s, the soundtrack includes a blend of 80s hits and classic rock tracks from earlier decades, reflecting a deliberate curation strategy.

Q: Did the film's success directly influence the soundtrack's popularity?

A: Yes, absolutely. The film's huge success introduced the songs to a massive audience, which exponentially increased the songs' popularity and cemented the soundtrack's place in music history.

songs from risky business movie: *Risky Business* William D. Romanowski, 2017-07-28 The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century. Rock music and its interaction with film is the subject of this significant book that re-examines and extends Serge Denisoff's pioneering observations of this relationship. Prior to Saturday Night Fever rock music had a limited role in the motion picture business. That movie's success, and the success of its soundtrack, began to change the silver screen. In 1983, with Flashdance, the situation drastically evolved and by 1984, ten soundtracks, many in the pop/rock genre, were certified platinum. Choosing which rock scores to discuss in this book was a challenging task. The authors made selections from seminal films such as The Graduate, Easy Rider, American Graffiti, Saturday Night Fever, Help!, and Dirty Dancing. However, many productions of the period are significant not because of their success, but because of their box office and record store failures. Risky Business chronicles the interaction of two major mediums of mass culture in the latter twentieth century. This book is essential for those interested in communications, popular culture, and social change.

Wikipedia contributors,

songs from risky business movie: Popular Music and the New Auteur Arved Ashby, 2013-10-30 MTV utterly changed the movies. Since music television arrived some 30 years ago, music videos have introduced filmmakers to a new creative vocabulary: speeds of events changed, and performance and mood came to dominate over traditional narrative storytelling. Popular Music and the New Auteur charts the impact of music videos on seven visionary directors: Martin Scorsese, Sofia Coppola, David Lynch, Wong Kar-Wai, the Coen brothers, Quentin Tarantino, and Wes Anderson. These filmmakers demonstrate a fresh kind of cinematic musicality by writing against pop songs rather than against script, and allowing popular music a determining role in narrative, imagery, and style. Featuring important new theoretical work by some of the most provocative writers in the area today, Popular Music and the New Auteur will be required reading for all who study film music and sound. It will be particularly relevant for readers in popular music studies, and its intervention in the ongoing debate on auteurism will make it necessary reading in film studies.

songs from risky business movie: Music in Film Pauline Reay, 2004 Music in Film: Soundtracks and Synergy discusses a broad range of films - from classical Hollywood through to American independents and European art films - and offers a brief history of the development of music in film from the silent era to the present day. In particular, this book explores how music operates as a narrative device, and also emotionally and culturally. By focusing on the increasing synergy between film and music texts, it includes an extended case study of *Magnolia* as a film script which developed from a pop song. Emphasis is also placed on the divide between the 'high culture' of the orchestral score and the 'low culture' of the pop song.

songs from risky business movie: 'Grease Is the Word' Oliver Gruner, Peter Krämer, 2019-11-22 Bringing together a group of international scholars from diverse academic backgrounds, 'Grease Is the Word' analyses the cultural phenomenon Grease. With essays covering everything from the film's production history, political representations and industrial impact to its stars and reception, the book shines a spotlight on one of Broadway's and Hollywood's biggest commercial successes. By adopting a range of perspectives and drawing on various visual, textual and archival sources, the contributors maintain a vibrant dialogue throughout, offering a timely reappraisal of a musical that continues to resonate with fans and commentators the world over.

songs from risky business movie: *The Sounds of Commerce* Jeffrey Paul Smith, 1998 A detailed historical analysis of popular music in American film, from the era of sheet music sales, to that of orchestrated pop records by Henry Mancini and Ennio Morricone in the 1960s, to the MTV-ready pop songs that occupy soundtrack CDs of today..

songs from risky business movie: Rock Music in American Popular Culture II Frank Hoffmann, B Lee Cooper, Wayne S Haney, Beulah B Ramirez, 2015-12-22 From "Who Put the Bomp (in the Bomp, Bomp, Bomp)?" to a list of all song titles containing the word "werewolf," Rock Music in American Popular Culture II: More Rock 'n'Roll Resources continues where 1995's Volume I left off. Using references and illustrations drawn from contemporary lyrics and supported by historical and sociological research on popular cultural subjects, this collection of insightful essays and reviews assesses the involvement of musical imagery in personal issues, in social and political matters, and in key socialization activities. From marriage and sex to public schools and youth culture, readers discover how popular culture can be used to explore American values. As Authors B. Lee Cooper and Wayne S. Haney prove that integrated popular culture is the product of commercial interaction with public interest and values rather than a random phenomena, they entertainingly and knowledgeably cover such topics as: answer songs--interchanges involving social events and lyrical commentaries as explored in response recordings horror films--translations and transformations of literary images and motion picture figures into popular song characters and tales public schools--images of formal educational practices and informal learning processes in popular song lyrics sex--suggestive tales and censorship challenges within the popular music realm war--examinations of persistent military and home front themes featured in wartime recordings Rock

Music in American Popular Culture II: More Rock 'n' Roll Resources is nontechnical, written in a clear and concise fashion, and explores each topic thoroughly, with ample discographic and bibliographic resources provided for additional research. Arranged alphabetically for quick and easy reference to specific topics, the book is equally enjoyable to read straight through. Rock music fans, teachers, popular culture professors, music instructors, public librarians, sound recording archivists, sociologists, social critics, and journalists can all learn something, as the book shows them the cross-pollination of music and social life in the United States.

songs from risky business movie: *On the Track* Fred Karlin, Rayburn Wright, 2013-07-04 On the Track offers a comprehensive guide to scoring for film and television. Covering all styles and genres, the authors, both noted film composers, cover everything from the nuts-and-bolts of timing, cuing, and recording through balancing the composer's aesthetic vision with the needs of the film itself. Unlike other books that are aimed at the person dreaming of a career, this is truly a guide that can be used by everyone from students to technically sophisticated professionals. It contains over 100 interviews with noted composers, illustrating the many technical points made through the text.

songs from risky business movie: The Oxford Handbook of Film Music Studies David Neumeyer, 2014 The Oxford Handbook of Film Music Studies gathers two dozen original essays that chart the history and current state of interdisciplinary scholarship on music in audiovisual media, focusing on four areas: history, genre and medium, analysis and criticism, and interpretation.

songs from risky business movie: *Lifelog* Ben Haller, Miriam Bass, Kathleen Hughes, 1990

songs from risky business movie: *The Oxford Handbook of Musical Theatre Screen Adaptations* Dominic McHugh, 2019-06-14 Hollywood's conversion to sound in the 1920s created an early peak in the film musical, following the immense success of *The Jazz Singer*. The opportunity to synchronize moving pictures with a soundtrack suited the musical in particular, since the heightened experience of song and dance drew attention to the novelty of the technological development. Until the near-collapse of the genre in the 1960s, the film musical enjoyed around thirty years of development, as landmarks such as *The Wizard of Oz*, *Meet Me in St Louis*, *Singin' in the Rain*, and *Gigi* showed the exciting possibilities of putting musicals on the silver screen. The Oxford Handbook of Musical Theatre Screen Adaptations traces how the genre of the stage-to-screen musical has evolved, starting with screen adaptations of operettas such as *The Desert Song* and *Rio Rita*, and looks at how the Hollywood studios in the 1930s exploited the publication of sheet music as part of their income. Numerous chapters examine specific screen adaptations in depth, including not only favorites such as *Annie* and *Kiss Me, Kate* but also some of the lesser-known titles like *Li'l Abner* and *Roberta* and problematic adaptations such as *Carousel* and *Paint Your Wagon*. Together, the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies.

songs from risky business movie: *The Video Generation, 1981-1990* Maryann Janosik, 2006 Chronicles the period in rock music often called the video age, discussing early video pop stars, punk and underground artists, new wave, heavy metal and glam-metal, women rockers, rap, humanitarian efforts, and rock music in movies. Also provides a chronology, an A-Z guide to the period, and lists of top-selling recordings, important albums, and further resources, including print works, Web sites, films, and museum collections.
