surterra wellness orange park: Grass Roots Emily Dufton, 2017-12-05 How earnest hippies, frightened parents, suffering patients, and other ordinary Americans went to war over marijuana In the last five years, eight states have legalized recreational marijuana. To many, continued progress seems certain. But pot was on a similar trajectory forty years ago, only to encounter a fierce backlash. In *Grass Roots*, historian Emily Dufton tells the remarkable story of marijuana's crooked path from acceptance to demonization and back again, and of the thousands of grassroots activists who made changing marijuana laws their life's work. During the 1970s, pro-pot campaigners with roots in the counterculture secured the drug's decriminalization in a dozen states. Soon, though, concerned parents began to mobilize; finding a champion in Nancy Reagan, they transformed pot into a national scourge and helped to pave the way for an aggressive war on drugs. Chastened marijuana advocates retooled their message, promoting pot as a medical necessity and eventually declaring legalization a matter of racial justice. For the moment, these activists are succeeding -- but marijuana's history suggests how swiftly another counterrevolution could unfold.

surterra wellness orange park: Jacksonville on Wheels: A Car Culture Retrospective Dorothy K. Fletcher, 2018 Jacksonville has long been a mecca for car enthusiasts and collectors, due in part to the city's unique automotive history. Bystanders gazed in wonder as John Einig drove Florida's very first steam-powered horseless carriage through the streets in 1889. Fred Gilbert opened the first automobile dealership in 1903, just before the city's first automobile parade, and people were soon clamoring to buy cars of their own. Claude Nolan, whose local dealership has been in business for well over a century, gained fame for racing his Cadillac against an airplane at the Jacksonville Fairgrounds. NASCAR held races at the Jacksonville Speedway in the '50s and '60s. Author Dorothy K. Fletcher explores the rich history and memories of car culture in the River City.

surterra wellness orange park: Swine Not? Jimmy Buffett, 2008-05-13 Bestselling writer Jimmy Buffett weaves an irresistible tale filled with colorful characters, wry humor, and the pursuit of a very clever pig. When Southern belle Ellie McBride moves her twins from Vertigo, to New York City, they wouldn't dream of leaving behind the family pig Rumpy. But the posh hotel where Ellie has found work (and living space) has No Pets writ large on its portal. So hiding Rumpy from the hotel staff -- especially the ultra-carnivorous hotel chef, who would like nothing better than to transform their pet into pork roast -- becomes imperative.

surterra wellness orange park: Fear Is Just a Four-Letter Word Tracy Tutor, 2020-07-14 Instant Wall Street Journal bestseller! From the first female real estate broker on Million Dollar Listing LA, a no-nonsense guide to analyzing big egos, deflecting power plays, and taking control of any room. Behind Tracy Tutor's on-screen persona is an uncanny knack for projecting confidence in the most intimidating of circumstances. The breezy, tough-talking, utterly inimitable businesswoman has rivaled her male co-stars to land increasingly high-profile deals in the world of LA real estate. surterra wellness orange park: Buying Gay David K. Johnson, 2019-03-12 In 1951, a new type of publication appeared on newsstands—the physique magazine produced by and for gay men. For many men growing up in the 1950s and 1960s, these magazines and their images and illustrations of nearly naked men, as well as articles, letters from readers, and advertisements, served as an

initiation into gay culture. The publishers behind them were part of a wider world of “physique entrepreneurs”: men as well as women who ran photography studios, mail-order catalogs, pen-pal services, book clubs, and niche advertising for gay audiences. Such businesses have often been seen as peripheral to the gay political movement. In this book, David K. Johnson shows how gay commerce was not a byproduct but rather an important catalyst for the gay rights movement. Offering a vivid look into the lives of physique entrepreneurs and their customers, and presenting a wealth of illustrations, *Buying Gay* explores the connections—and tensions—between the market and the movement. With circulation rates many times higher than the openly political “homophile” magazines, physique magazines were the largest gay media outlets of their time. This network of producers and consumers helped foster a gay community and upend censorship laws, paving the way for open expression. Physique entrepreneurs were at the center of legal struggles, especially against the U.S. Post Office, including the court victory that allowed full-frontal male nudity and open homoeroticism. *Buying Gay* reconceives the history of the gay rights movement and shows how consumer culture helped create community and a site for resistance.

surterra wellness orange park: Mementiousness Jason Leclerc, 2013-12-24 Since they first named it, attention deficit disorder (ADD) has been a marker for the American generation who came of age between Ronald Reagan and Bill Clinton, with Prince or the Beastie Boys playing in the background while the Mario Brothers and the Golden Girls battled in the foreground. Back then, education, football, and Hollywood were wrapped in capitalism and sentimentality. Embracing distraction and fighting with concentration, *Mementiousness* captures the spirit and literary needs of this generation and its heirs with its spurious connections and tangential relationships. Loosely lassoing the possibilities enabled by the digital evolution toward boundless search, this novel collection first establishes the you and then proceeds to obliterate the I in multiple dimensions. Nibble on this new literary form obsessively perched between collection and novel as it wanders along a least-squares path from moment to moment, from singularity to communion. Here, find stories from arbitrage to zombies, Chicago to Columbia, dark to energy about love and disappointment, science and spirits, and life, death, and the undead. Feast upon this antidote to the mundane as it irreverently exalts the soul of an ADD generation like a collection of first kisses: nostalgic and sweet, sensuous and raw, tenuously related, and well wrought.

surterra wellness orange park: Going All City Stefano Bloch, 2019-11-14 “We could have been called a lot of things: brazen vandals, scared kids, threats to social order, self-obsessed

egomaniacs, marginalized youth, outsider artists, trend setters, and thrill seekers. But, to me, we were just regular kids growing up hard in America and making the city our own. Being 'writers' gave us something to live for and 'going all city' gave us something to strive for; and for some of my friends it was something to die for." In the age of commissioned wall murals and trendy street art, it's easy to forget graffiti's complicated and often violent past in the United States. Though graffiti has become one of the most influential art forms of the twenty-first century, cities across the United States waged a war against it from the late 1970s to the early 2000s, complete with brutal police task forces. Who were the vilified taggers they targeted? Teenagers, usually, from low-income neighborhoods with little to their names except a few spray cans and a desperate need to be seen—to mark their presence on city walls and buildings even as their cities turned a blind eye to them. *Going All City* is the mesmerizing and painful story of these young graffiti writers, told by one of their own. Prolific LA writer Stefano Bloch came of age in the late 1990s amid constant violence, poverty, and vulnerability. He recounts vicious interactions with police; debating whether to take friends with gunshot wounds to the hospital; coping with his mother's heroin addiction; instability and homelessness; and his dread that his stepfather would get out of jail and tip his unstable life into full-blown chaos. But he also recalls moments of peace and exhilaration: marking a fresh tag; the thrill of running with his crew at night; exploring the secret landscape of LA; the dream and success of going all city. Bloch holds nothing back in this fierce, poignant memoir. *Going All City* is an unflinching portrait of a deeply maligned subculture and an unforgettable account of what writing on city walls means to the most vulnerable people living within them.

surterra wellness orange park: *Le Pigeon* Gabriel Rucker, Meredith Erickson, Lauren Fortgang, Andrew Fortgang, 2013-09-17 This debut cookbook from James Beard Rising Star Chef Gabriel Rucker features a serious yet playful collection of 150 recipes from his phenomenally popular Portland restaurant. In the five years since Gabriel Rucker took the helm at Le Pigeon, he has catapulted from culinary school dropout to award-winning chef. Le Pigeon is offal-centric and meat-heavy, but by no means dogmatic, offering adventures into delicacies unknown along with the chance to order a vegetarian mustard greens quiche and a Miller High Life if that's what you're craving. In their first cookbook, Rucker and general manager/sommelier Andrew Fortgang celebrate high-low extremes in cooking, combining the wild and the refined in a unique and progressive style. Featuring wine recommendations from sommelier Andrew Fortgang, stand-out desserts from pastry chef Lauren Fortgang, and stories about the restaurant's raucous, seat-of-the-pants history by writer Meredith Erickson, Le Pigeon combines the wild and the refined in a unique, progressive, and delicious style.

surterra wellness orange park: *Who Thought This Was a Good Idea?* Alyssa Mastromonaco, 2017-03-21 If your funny older sister were the former deputy chief of staff to President Barack Obama, her behind-the-scenes political memoir would look something like this . . . Alyssa Mastromonaco worked for Barack Obama for almost a decade, and long before his run for president. From the then-senator's early days in Congress to his years in the Oval Office, she made Hope and Change happen through blood, sweat, tears, and lots of briefing binders. But for every historic occasion -- meeting the queen at Buckingham Palace, bursting in on secret climate talks, or nailing a campaign speech in a hailstorm -- there were dozens of less-than-perfect moments when it was up to Alyssa to save the day. Like the time she learned the hard way that there aren't nearly enough bathrooms at the Vatican. Full of hilarious, never-before-told stories, *Who Thought This Was a Good Idea?* is an intimate portrait of a president, a book about how to get stuff done, and the story of how one woman challenged, again and again, what a White House official is supposed to look like. Here Alyssa shares the strategies that made her successful in politics and beyond, including the importance of confidence, the value of not being a jerk, and why ultimately everything comes down to hard work (and always carrying a spare tampon). Told in a smart, original voice and topped off with a couple of really good cat stories, *Who Thought This Was a Good Idea?* is a promising debut from a savvy political star.

surterra wellness orange park: *Eleanor Roosevelt: In Her Words* Nancy Woloach, 2017-09-05 This illustrated, first of its kind collection of excerpts from Eleanor Roosevelt's newspaper columns, radio talks, speeches, and correspondence speaks directly to the challenges we face today. Acclaimed for her roles in politics and diplomacy, first lady Eleanor Roosevelt was also a prolific author, journalist, lecturer, broadcaster, educator, and public personality. Using excerpts from her books, columns, articles, press conferences, speeches, radio talks, and correspondence, *Eleanor Roosevelt: In Her Words* tracks her contributions from the 1920s, when she entered journalism and public life; through the White House years, when she campaigned for racial justice, the labor

movement, and the forgotten woman; to the postwar era, when she served at the United Nations and shaped the Universal Declaration of Human Rights. Selections touch on Roosevelt's early entries in women's magazines (Ten Rules for Success in Marriage), her insights on women in politics (Women Must Learn to Play the Game As Men Do), her commentary on World War II (What We Are Fighting For), her work for civil rights (The Four Equalities), her clash with Soviet delegates at the UN (These Same Old Stale Charges), and her advice literature (If You Ask Me). Surprises include her unique preparation for leadership, the skill with which she defied critics and grasped authority, her competitive stance as a professional, and the force of her political messages to modern readers. Scorning the America First mindset, Eleanor Roosevelt underlined the interdependence of people and of nations. *Eleanor Roosevelt: In Her Words* illuminates her achievement as a champion of civil rights, human rights, and democratic ideals.

surterra wellness orange park: *The Formation of Professional Identity* Patrick Longan, Daisy Floyd, Timothy Floyd, 2019-09-18 Becoming a lawyer is about much more than acquiring knowledge and technique. As law students learn the law and acquire some basic skills, they are also inevitably forming a deep sense of themselves in their new roles as lawyers. That sense of self – the student's nascent professional identity – needs to take a particular form if the students are to fulfil the public purposes of lawyers and find deep meaning and satisfaction in their work. In this book, Professors Patrick Longan, Daisy Floyd, and Timothy Floyd combine what they have learned in many years of teaching and research concerning the lawyer's professional identity with lessons derived from legal ethics, moral psychology, and moral philosophy. They describe in depth the six virtues that every lawyer needs as part of his or her professional identity, and they explore both the obstacles to acquiring and deploying those virtues and strategies for overcoming those impediments. The result is a straightforward guide for law students on how to cultivate a professional identity that will allow them to make a meaningful difference in the lives of others and to flourish as individuals.

surterra wellness orange park: *Be Fierce* Gretchen Carlson, 2017-10-17 A groundbreaking manifesto from journalist Gretchen Carlson about how women can protect themselves from sexual harassment in the workplace and reclaim their power against abuse or injustice. In *BE FIERCE*, Gretchen shares her own experiences, as well as powerful and moving stories from women in many different careers and fields who decided they too weren't ready to shut up and sit down. Gretchen became a voice for the voiceless. In this revealing and timely book, Gretchen shares her views on what women can do to empower and protect themselves in the workplace or on a college campus, what to say when someone makes suggestive remarks, how an employer's Human Resources department may not always be your friend, and how forced arbitration clauses in work contracts often serve to protect companies rather than employees. Her groundbreaking message encourages women to stand up and speak up in every aspect of their lives. Gretchen also discusses why this fight will require both women and men working together to ensure that our daughters and sons will have a brighter future. *BE FIERCE* is a cultural movement and a motivating testament to what we can accomplish if we collectively decide to become warriors in the path for a better future. surterra wellness orange park: In Trump We Trust Ann Coulter, 2016-08-23 Donald Trump won the presidency by being a one-man wrecking ball against our dysfunctional and corrupt establishment. Now Ann Coulter, with her unique insight, candor, and sense of humor, makes the definitive case for why we should all join his revolution. The media have twisted themselves in knots, trying to grasp how Donald Trump won over millions of Americans and what he'll be like as president. But Ann Coulter isn't puzzled. She knows why Trump was the only one of seventeen GOP contenders who captured the spirit of our time. She gets the power of addressing the pain of the silent majority and saying things the PC Thought Police considers unspeakable. She argues that a bull in the china shop is exactly what we need to make America great again. In this powerful book, Coulter explains why conservatives, moderates, and even disgruntled Democrats should set aside their doubts and embrace Trump: ·He's putting America first in our trade deals and alliances, rather than pandering to our allies and enemies. ·He's abandoned the GOP's decades-long commitment to a bellicose foreign policy, at a time when the entire country is sick of unnecessary wars. ·He's ended GOP pandering to Hispanic activists with his hard-line policy on immigration. Working class Americans finally have a champion against open borders and cheap foreign labor. ·He's overturned the media's traditional role in setting the agenda and defining who gets to be considered presidential. ·He's exposed political consultants as grifters and hacks, most of whom don't know real voters from a hole in the ground. If you're already a Trump fan, Ann Coulter will help you defend and promote your position. If you're not, she might just change your mind.

surterra wellness orange park: Evangelical Theologies of Liberation and Justice Mae Elise

Cannon, Andrea Smith, 2019-09-10 Despite the current evangelical focus on justice work, evangelical theologians have not adequately developed a theological foundation for this activism. In this insightful resource, evangelical academics, activists, and pastors come together to survey the history and outlines of liberation theology, opening a conversation for developing a specifically evangelical view of liberation that speaks to the critical justice issues of our time.

surterra wellness orange park: *The Scribe's Daughter* Stephanie Churchill, 2015-09-04 Kassia is a thief and a soon-to-be oath breaker. Armed with only a reckless wit and sheer bravado, seventeen-year-old Kassia barely scrapes out a life with her older sister in a back-alley of the market district of the Imperial city of Corium. When a stranger shows up at her market stall, offering her work for which she is utterly unqualified, Kassia cautiously takes him on. Very soon however, she finds herself embroiled in a mystery involving a usurped foreign throne and a vengeful nobleman. Most intriguing of all, she discovers a connection with the disappearance of her father three years prior. When Kassia is forced to flee her home, suffering extreme hardship, danger and personal trauma along the way, she feels powerless to control what happens around her. Rewarding revelations concerning the mysteries of her family's past are tempered by the reality of a future she doesn't want. In the end, Kassia discovers an unyielding inner strength, and that contrary to her prior beliefs, she is not defined by external things -- she discovers that she is worthy to be loved.

surterra wellness orange park: *Unbelievable* Katy Tur, 2017-09-12 NEW YORK TIMES BESTSELLER "Compelling... this book couldn't be more timely." - Jill Abramson, New York Times Book Review From the Recipient of the 2017 Walter Cronkite Award for Excellence in Journalism Called disgraceful, third-rate, and not nice by Donald Trump, NBC News correspondent Katy Tur reported on—and took flak from—the most captivating and volatile presidential candidate in American history. Katy Tur lived out of a suitcase for a year and a half, following Trump around the country, powered by packets of peanut butter and kept clean with dry shampoo. She visited forty states with the candidate, made more than 3,800 live television reports, and tried to endure a gazillion loops of Elton John's Tiny Dancer—a Trump rally playlist staple. From day 1 to day 500, Tur documented Trump's inconsistencies, fact-checked his falsities, and called him out on his lies. In return, Trump repeatedly singled Tur out. He tried to charm her, intimidate her, and shame her. At one point, he got a crowd so riled up against Tur, Secret Service agents had to walk her to her car. None of it worked. Facts are stubborn. So was Tur. She was part of the first women-led politics team in the history of network news. The Boys on the Bus became the Girls on the Plane. But the circus remained. Through all the long nights, wild scoops, naked chauvinism, dodgy staffers, and fevered debates, no one had a better view than Tur. *Unbelievable* is her darkly comic, fascinatingly bizarre, and often scary story of how America sent a former reality show host to the White House. It's also the story of what it was like for Tur to be there as it happened, inside a no-rules world where reporters were spat on, demeaned, and discredited. Tur was a foreign correspondent who came home to her most foreign story of all. *Unbelievable* is a must-read for anyone who still wakes up and wonders, Is this real life?

surterra wellness orange park: **The Last Madam** Chris Wiltz, 2014-07-01 The "raunchy, hilarious, and thrilling" true story of the incomparable Norma Wallace, proprietor of a notorious 1920s New Orleans brothel (NPR). Norma Wallace grew up fast. In 1916, at fifteen years old, she

went to work as a streetwalker in New Orleans' French Quarter. By the 1920s, she was a "landlady"—or, more precisely, the madam of what became one of the city's most lavish brothels. It was frequented by politicians, movie stars, gangsters, and even the notoriously corrupt police force. But Wallace acquired more than just repeat customers. There were friends, lovers . . . and also enemies. Wallace's romantic interests ran the gamut from a bootlegger who shot her during a fight to a famed bandleader to the boy next door, thirty-nine years her junior, who became her fifth husband. She knew all of the Crescent City's dirty little secrets, and used them to protect her own interests—she never got so much as a traffic ticket, until the early 1960s, when District Attorney Jim Garrison decided to clean up vice and corruption. After a jail stay, Wallace went legitimate as successfully as she had gone criminal, with a lucrative restaurant business—but it was love that would undo her in the end. *The Last Madam* combines original research with Wallace's personal memoirs, bringing to life an era in New Orleans history rife with charm and decadence, resurrecting "a secret world, like those uncovered by Luc Sante and James Ellroy" (Publishers Weekly). It reveals the colorful, unforgettable woman who reigned as an underworld queen and "capture[s] perfectly the essential, earthy complexity of the most fascinating city on this continent" (Robert Olen Butler).

surterra wellness orange park: *Courageous Women of the Civil War* M. R. Cordell, 2016-08-01
At the outbreak of the Civil War, nearly everybody was caught up in patriotic fervor—men and women, Union and Confederate. Many women supported soldiers through knitting and sewing needed items, growing food, making bandages, gathering medical supplies, and more. But others wished they could be closer to the fight. These women defied society's expectations and bravely chose to take on more dangerous, unconventional roles. *Courageous Women of the Civil War* reveals the exploits of 16 of these remarkable women who served as medics, spies, battlefield helpers, and even soldiers on the front lines. Meet fascinating figures such as Maria Lewis, a former slave who fought with the Union cavalry as it swept through Virginia. Disguised as a white male soldier, she put the fear of Hell into Confederate enemies. Kady Brownell supported her husband's Rhode Island regiment as a vivandière, training with the soldiers, fighting in battle, and helping the injured. Mary Carroll, a Missouri rebel, forged a copy of a jail cell key to break her brother out before his scheduled execution. These and other little-known stories are told through gripping narrative, primary source documents, and contextualizing sidebars. Civil War history is woven throughout, offering readers a clear overview of the era and the war. Also including numerous historic photos, source notes, and a bibliography, *Courageous Women of the Civil War* is an invaluable resource for any student's or history buff's bookshelf.
