Surterra Wellness Winter Haven: Your Guide to a Healthier, Happier You

Are you looking for a reliable and reputable source for high-quality CBD and cannabis products in the Winter Haven area? If so, you've come to the right place. This comprehensive guide dives deep into Surterra Wellness Winter Haven, exploring its products, services, location, customer reviews, and more. We'll help you understand what sets Surterra apart and whether it's the right choice for your wellness journey. Get ready to discover everything you need to know about Surterra Wellness Winter Haven.

Understanding Surterra Wellness: A Company Overview

Before we delve into the specifics of the Winter Haven location, let's briefly understand Surterra Wellness as a whole. Surterra is a leading cannabis and CBD company committed to providing high-quality, safe, and effective products. They prioritize transparency in their growing and manufacturing processes, ensuring customers know exactly what's in their products. This commitment to quality and ethical practices is a key differentiator in the often-crowded cannabis market. They offer a range of products, from CBD oils and topicals to flower and concentrates, catering to diverse needs and preferences.

Surterra Wellness Winter Haven: Location and Accessibility

Finding Surterra Wellness Winter Haven is easy. [Insert Address Here - You'll need to replace this bracketed information with the actual address. Consider also including a Google Map embed here]. Their convenient location makes it accessible for residents of Winter Haven and surrounding areas. [Optional: Add information about parking, accessibility features for disabled individuals, etc.]. Knowing the precise location and accessibility features ensures a smooth and comfortable visit for all potential customers. Make sure to check their website for updated hours of operation before your visit, as these can change seasonally or due to unforeseen circumstances.

Product Range at Surterra Wellness Winter Haven: Something for Everyone

Surterra Wellness Winter Haven boasts a diverse selection of products designed to address various needs. This includes:

CBD Products: A wide array of CBD oils, tinctures, topicals (creams, lotions, balms), and edibles, offering varying concentrations of CBD to suit individual requirements. These products are generally marketed for relaxation and overall wellness.

Cannabis Flower: For those seeking the full spectrum of cannabinoids and terpenes, Surterra offers

a selection of carefully cultivated cannabis flower strains. Each strain is usually described with details on its aroma, flavor profile, and potential effects.

Concentrates: Surterra also offers concentrates, such as waxes, shatter, and oils, which provide a more potent concentration of cannabinoids. These are generally for experienced consumers and should be approached with caution.

Edibles: From gummies and chocolates to other innovative edibles, Surterra offers a delicious way to consume cannabis or CBD. Always check the dosage carefully before consuming.

Remember to always consult with a healthcare professional or a knowledgeable budtender at Surterra Wellness Winter Haven before starting any new regimen, especially if you have pre-existing health conditions or are taking other medications.

The Surterra Wellness Winter Haven Experience: Customer Reviews and Feedback

Customer experience is crucial, and Surterra strives to create a welcoming and informative environment. Online reviews can provide valuable insights. [Here, you need to incorporate real, verified customer reviews. Pull these from reputable sources like Google Reviews, Yelp, or other relevant platforms. Use excerpts and paraphrase where necessary to avoid copyright issues. Present both positive and negative feedback to maintain objectivity]. Analyzing these reviews offers a balanced perspective on the overall customer experience at this specific location.

Beyond the Products: Services Offered at Surterra Wellness Winter Haven

Many dispensaries offer more than just products. Check if Surterra Wellness Winter Haven provides additional services such as:

Expert Consultations: Do they offer consultations with knowledgeable staff to help you choose the right products for your needs?

Educational Resources: Do they provide educational materials or workshops to help customers understand cannabis and CBD better?

Loyalty Programs: Do they have a rewards program or loyalty program for returning customers?

Online Ordering and Delivery: Does the location offer online ordering and delivery services for convenience?

Knowing these details helps you assess the complete value proposition offered by Surterra Wellness Winter Haven.

Comparing Surterra Wellness Winter Haven to Other Local Dispensaries

To make an informed decision, it's essential to compare Surterra Wellness Winter Haven with other dispensaries in the area. Consider factors like product selection, pricing, customer service, location convenience, and overall reputation. [Here, you could briefly compare Surterra to 1-2 other

prominent dispensaries in the Winter Haven area. Be factual and avoid disparaging competitors]. This comparison will help you determine whether Surterra truly offers the best fit for your needs.

Conclusion: Making the Right Choice for Your Wellness Needs

Surterra Wellness Winter Haven presents a compelling option for individuals seeking high-quality CBD and cannabis products in the area. By understanding their product range, services, customer reviews, and location, you can make a well-informed decision. Remember to always prioritize responsible cannabis use and consult with a healthcare professional if you have any concerns. Ultimately, the best dispensary is the one that best caters to your individual needs and preferences.

FAQs

1. Does Surterra Wellness Winter Haven accept medical marijuana cards? [Answer this based on Florida's regulations and Surterra's policies. Check their website for the most accurate information].

Always consult with a healthcare professional before starting any new treatment or regimen, especially if you are pregnant, breastfeeding, or have pre-existing health conditions. The legality and regulations of cannabis vary greatly by location; ensure you are complying with all applicable laws.

surterra wellness winter haven: *Grass Roots* Emily Dufton, 2017-12-05 How earnest hippies, frightened parents, suffering patients, and other ordinary Americans went to war over marijuana In the last five years, eight states have legalized recreational marijuana. To many, continued progress seems certain. But pot was on a similar trajectory forty years ago, only to encounter a fierce backlash. In *Grass Roots*, historian Emily Dufton tells the remarkable story of marijuana's crooked path from acceptance to demonization and back again, and of the thousands of grassroots activists who made changing marijuana laws their life's work. During the 1970s, pro-pot campaigners with roots in the counterculture secured the drug's decriminalization in a dozen states. Soon, though, concerned parents began to mobilize; finding a champion in Nancy Reagan, they transformed pot into a national scourge and helped to pave the way for an aggressive war on drugs. Chastened marijuana advocates retooled their message, promoting pot as a medical necessity and eventually declaring legalization a matter of racial justice. For the moment, these activists are succeeding -- but marijuana's history suggests how swiftly another counterrevolution could unfold.

surterra wellness winter haven: *Novel Gene Therapy Approaches* Ming Wei, David Good, 2013-02-13 Gene therapy has the potential to be a tailor-made therapeutic with increased specificity and decreased side effects that can offer a cure for many disorders. The aim of this book is to provide up-to-date reviews of the rapidly growing field of gene therapy. Chapters cover a large range of topics including methods of gene delivery, and identification of targets with several papers on cancer gene therapy. If more people become aware of the true nature and potential of gene therapy, perhaps we can achieve the full benefit of such an innovative approach for the treatment of a range of diseases, including cancer.

surterra wellness winter haven: *Fear Is Just a Four-Letter Word* Tracy Tutor, 2020-07-14 Instant Wall Street Journal bestseller! From the first female real estate broker on Million Dollar Listing LA, a no-nonsense guide to analyzing big egos, deflecting power plays, and taking control of any room. Behind Tracy Tutor's on-screen persona is an uncanny knack for projecting confidence in the most intimidating of circumstances. The breezy, tough-talking, utterly inimitable businesswoman has rivaled her male co-stars to land increasingly high-profile deals in the world of LA real estate. Now, Tracy is leveraging her years of experience to write the go-to manual for any woman struggling to convince people she's in charge. If you get thrown off course by narcissistic personalities or freaked out by high-stakes situations, don't assume you're weak. When fear is running the show, you get wrapped up in your head and start missing important cues. Yes, the people you're dealing with seem scary, but they're more predictable than you think. Once you understand them, it's easy to push the right levers of influence to get what you want. Through candid, hilarious stories of her rise through a world of misogyny and cutthroat business dealings (text message screen shots from creeps included!), Tracy offers a crash course in the psychology of power dynamics and social signaling. You'll learn: What five things you should always find out about someone before you meet them How to choose the perfect outfit for an important meeting, even when dressing on a budget When and how to use humor strategically to lighten the mood and command authority This book is a must-read for any ambitious woman who wants to win her next business confrontation before she even walks into the room.

surterra wellness winter haven: *Excellent Letters For Every Occasion Excellent Letters For Every Occasion* Derek Hall,

surterra wellness winter haven: *Momentitiousness* Jason Leclerc, 2013-12-24 Since they first named it, attention deficit disorder (ADD) has been a marker for the American generation who came of age between Ronald Reagan and Bill Clinton, with Prince or the Beastie Boys playing in the background while the Mario Brothers and the Golden Girls battled in the foreground. Back then, education, football, and Hollywood were wrapped in capitalism and sentimentality. Embracing distraction and fighting with concentration, *Momentitiousness* captures the spirit and literary needs of this generation and its heirs with its spurious connections and tangential relationships. Loosely lassoing the possibilities enabled by the digital evolution toward boundless search, this novel

collection first establishes the you and then proceeds to obliterate the I in multiple dimensions. Nibble on this new literary form obsessively perched between collection and novel as it wanders along a least-squares path from moment to moment, from singularity to communion. Here, find stories from arbitrage to zombies, Chicago to Columbia, dark to energy about love and disappointment, science and spirits, and life, death, and the undead. Feast upon this antidote to the mundane as it irreverently exalts the soul of an ADD generation like a collection of first kisses: nostalgic and sweet, sensuous and raw, tenuously related, and well wrought.

surterra wellness winter haven: *Pride Leadership* Steven Yacovelli, 2019-05-16 As a member of the LGBTQ+ Community, did you know that you naturally have some amazing leadership skills inside you, based upon your experience, that you may not be capitalizing on? Now, it's not to say that our straight brothers and sisters don't have the potential to be rock star leaders, but--through many of our shared experiences being LGBTQ+ folks--we've had the opportunity to truly develop such skills as leveraging empathy, shaping our culture, being courageous, and being authentic. These skills are some of the most sought-after leadership competencies in the workplace today ... and they're already inside you, dear LGBTQ+ professional! Based upon over twenty-five years' experience in the leadership development, change management, and diversity and inclusion consulting space, Dr. Steve Yacovelli identifies the six leadership traits--being authentic, leading with courage, having empathy, effective communication, building relationships, and influencing organizational culture--that can greatly increase any LGBTQ+ Leader's effectiveness, and ways in which you as an LGBTQ+ Leader can increase your own leadership potential through cultivating these six leadership competencies. Whether you're a seasoned senior executive or a just-starting-out shiny new leader, *Pride Leadership* is your stop to hone your natural LGBTQ+ leadership awesomeness, gather a few kernels of wisdom to immediately apply in your workplace, and amp up your leadership-self to be just that much better-er. In short: you'll be a more effective, impactful, and inclusive leader after reading this book. Oh, and you'll have a good time learning along the way, too!

surterra wellness winter haven: *Disaster Health Management* Gerry FitzGerald, Mike Tarrant, Marie Fredriksen, Peter Aitken, 2016-09-13 Disaster health is an emerging field that focuses on developing prevention, preparation, response and recovery systems for dealing with health problems that result from a disaster. As disasters worldwide differ in their nature, scope and cultural context, a thorough understanding of the fundamental tenets of sound disaster health management is essential for both students and practitioners to participate confidently and effectively in the field. *Disaster Health Management* is the first comprehensive textbook to provide a standard guide to terminology and management systems across the entire spectrum of disaster health. Authored by experienced educators, researchers and practitioners in disaster health management, this textbook provides an authoritative overview of: The conceptual basis for disaster management Systems and structures for disaster management Managing disasters through the continuum of preparedness, response and recovery The variations associated with both natural and technological disasters The strategic considerations associated with leadership, research, education and future directions. Using Australasian systems and structures as examples of generic principles which will find application globally, *Disaster Health Management* is an essential text for both undergraduate and postgraduate students, as well as for professionals involved in all aspects of disaster management.

surterra wellness winter haven: *The Oxford Companion to Spirits and Cocktails* David Wondrich, Noah Rothbaum, 2021-10-20 *The Oxford Companion to Spirits and Cocktails* presents an in-depth exploration of the world of spirits and cocktails in a ground-breaking synthesis. The Companion covers drinks, processes, and techniques around the world as well as those in the US and Europe. It provides clear explanations of the different ways that spirits are produced, including fermentation, distillation and ageing, alongside a wealth of new detail on the emergence of cocktails and cocktail bars, including entries on key cocktails and influential mixologists and cocktail bars.

surterra wellness winter haven: *Going All City* Stefano Bloch, 2019-11-14 "We could have

been called a lot of things: brazen vandals, scared kids, threats to social order, self-obsessed egomaniacs, marginalized youth, outsider artists, trend setters, and thrill seekers. But, to me, we were just regular kids growing up hard in America and making the city our own. Being 'writers' gave us something to live for and 'going all city' gave us something to strive for; and for some of my friends it was something to die for." In the age of commissioned wall murals and trendy street art, it's easy to forget graffiti's complicated and often violent past in the United States. Though graffiti has become one of the most influential art forms of the twenty-first century, cities across the United States waged a war against it from the late 1970s to the early 2000s, complete with brutal police task forces. Who were the vilified taggers they targeted? Teenagers, usually, from low-income neighborhoods with little to their names except a few spray cans and a desperate need to be seen—to mark their presence on city walls and buildings even as their cities turned a blind eye to them. *Going All City* is the mesmerizing and painful story of these young graffiti writers, told by one of their own. Prolific LA writer Stefano Bloch came of age in the late 1990s amid constant violence, poverty, and vulnerability. He recounts vicious interactions with police; debating whether to take friends with gunshot wounds to the hospital; coping with his mother's heroin addiction; instability and homelessness; and his dread that his stepfather would get out of jail and tip his unstable life into full-blown chaos. But he also recalls moments of peace and exhilaration: marking a fresh tag; the thrill of running with his crew at night; exploring the secret landscape of LA; the dream and success of going all city. Bloch holds nothing back in this fierce, poignant memoir. *Going All City* is an unflinching portrait of a deeply maligned subculture and an unforgettable account of what writing on city walls means to the most vulnerable people living within them.

surterra wellness winter haven: *A Lime and a Shaker* Tad Carducci, Paul Tanguay, 2015-04-21 A delicious collection of vibrant mezcal- and tequila-based recipes from renowned drinks experts The Tippling Bros. With over fifty years of combined experience in the beverage industry, the authors of this book have put together 72 exciting recipes that go way beyond the classic margarita to celebrate Mexico's cocktail culture. Included are traditional, craft, and spicy drinks such as the Blood-Orange-Cinnamon Margarita, San Fresa Frizz, and Smokey Pablo. The authors also cover the history of tequila, explain the difference between different tequilas, and offer bonus recipes for aguas frescas, syrups, salts, and some of their favorite Mexican dishes. With color photos throughout, this is the must-have book on the subject, perfect for home cooks, bartenders, and those who just want to know more about tequila and mezcal. "A Lime and a Shaker showcases the full spectrum of flavors you can achieve when mixing with agave spirits." —Jim Meehan, author of *The PDT Cocktail Book*

surterra wellness winter haven: *It's Great to Create* Jon Burgerman, 2017-08-01 Draw, doodle, make, and have fun! There are no mistakes in this wild and wonderful world from doodle artist and illustrator Jon Burgerman. Packed with prompts for 101 unexpected art projects, *It's Great to Create* offers artists of all ages loads of fun ways to get inspired and kick-start the creative process. From drawing with your eyes closed or doodling on your clothes to putting faces on your condiments or finding colors that rhyme, every page offers a new opportunity to embrace creativity and make something awesome. This unique ebook invites readers to lower their artistic inhibitions and offers a glimpse into the mind of a truly original artist.

surterra wellness winter haven: *Who Thought This Was a Good Idea?* Alyssa Mastromonaco, 2017-03-21 If your funny older sister were the former deputy chief of staff to President Barack Obama, her behind-the-scenes political memoir would look something like this . . . Alyssa Mastromonaco worked for Barack Obama for almost a decade, and long before his run for president. From the then-senator's early days in Congress to his years in the Oval Office, she made Hope and Change happen through blood, sweat, tears, and lots of briefing binders. But for every historic occasion -- meeting the queen at Buckingham Palace, bursting in on secret climate talks, or nailing a campaign speech in a hailstorm -- there were dozens of less-than-perfect moments when it was up to Alyssa to save the day. Like the time she learned the hard way that there aren't nearly enough bathrooms at the Vatican. Full of hilarious, never-before-told stories, *Who Thought This Was a Good*

Idea? is an intimate portrait of a president, a book about how to get stuff done, and the story of how one woman challenged, again and again, what a White House official is supposed to look like. Here Alyssa shares the strategies that made her successful in politics and beyond, including the importance of confidence, the value of not being a jerk, and why ultimately everything comes down to hard work (and always carrying a spare tampon). Told in a smart, original voice and topped off with a couple of really good cat stories, *Who Thought This Was a Good Idea?* is a promising debut from a savvy political star.

surterra wellness winter haven: Disaster and Society , 2017

surterra wellness winter haven: Le Pigeon Gabriel Rucker, Meredith Erickson, Lauren Fortgang, Andrew Fortgang, 2013-09-17 This debut cookbook from James Beard Rising Star Chef Gabriel Rucker features a serious yet playful collection of 150 recipes from his phenomenally popular Portland restaurant. In the five years since Gabriel Rucker took the helm at Le Pigeon, he has catapulted from culinary school dropout to award-winning chef. Le Pigeon is offal-centric and meat-heavy, but by no means dogmatic, offering adventures into delicacies unknown along with the chance to order a vegetarian mustard greens quiche and a Miller High Life if that's what you're craving. In their first cookbook, Rucker and general manager/sommelier Andrew Fortgang celebrate high-low extremes in cooking, combining the wild and the refined in a unique and progressive style. Featuring wine recommendations from sommelier Andrew Fortgang, stand-out desserts from pastry chef Lauren Fortgang, and stories about the restaurant's raucous, seat-of-the-pants history by writer Meredith Erickson, Le Pigeon combines the wild and the refined in a unique, progressive, and delicious style.

surterra wellness winter haven: Eleanor Roosevelt: In Her Words Nancy Woloch, 2017-09-05 This illustrated, first of its kind collection of excerpts from Eleanor Roosevelt's newspaper columns, radio talks, speeches, and correspondence speaks directly to the challenges we face today. Acclaimed for her roles in politics and diplomacy, first lady Eleanor Roosevelt was also a prolific author, journalist, lecturer, broadcaster, educator, and public personality. Using excerpts from her books, columns, articles, press conferences, speeches, radio talks, and correspondence, *Eleanor Roosevelt: In Her Words* tracks her contributions from the 1920s, when she entered journalism and public life; through the White House years, when she campaigned for racial justice, the labor movement, and the forgotten woman; to the postwar era, when she served at the United Nations and shaped the Universal Declaration of Human Rights. Selections touch on Roosevelt's early entries in women's magazines (*Ten Rules for Success in Marriage*), her insights on women in politics (*Women Must Learn to Play the Game As Men Do*), her commentary on World War II (*What We Are Fighting For*), her work for civil rights (*The Four Equalities*), her clash with Soviet delegates at the UN (*These Same Old Stale Charges*), and her advice literature (*If You Ask Me*). Surprises include her unique preparation for leadership, the skill with which she defied critics and grasped authority, her competitive stance as a professional, and the force of her political messages to modern readers. Scorning the America First mindset, Eleanor Roosevelt underlined the interdependence of people and of nations. *Eleanor Roosevelt: In Her Words* illuminates her achievement as a champion of civil rights, human rights, and democratic ideals.

surterra wellness winter haven: Be Fierce Gretchen Carlson, 2017-10-17 A groundbreaking manifesto from journalist Gretchen Carlson about how women can protect themselves from sexual harassment in the workplace and reclaim their power against abuse or injustice. In *BE FIERCE*, Gretchen shares her own experiences, as well as powerful and moving stories from women in many different careers and fields who decided they too weren't ready to shut up and sit down. Gretchen became a voice for the voiceless. In this revealing and timely book, Gretchen shares her views on what women can do to empower and protect themselves in the workplace or on a college campus, what to say when someone makes suggestive remarks, how an employer's Human Resources department may not always be your friend, and how forced arbitration clauses in work contracts often serve to protect companies rather than employees. Her groundbreaking message encourages women to stand up and speak up in every aspect of their lives. Gretchen also discusses why this fight

will require both women and men working together to ensure that our daughters and sons will have a brighter future. BE FIERCE is a cultural movement and a motivating testament to what we can accomplish if we collectively decide to become warriors in the path for a better future. The time is now. Take back your life, your career, and your dignity. Twitter: @GretchenCarlson Facebook: @GretchenCarlson Instagram: @therealgretchencarlson A portion of each book sale will go towards Gretchen's Gift of Courage fund. Using your voice and speaking your truth is a step toward freedom. Be a 'Fierce' force because that's what it takes to change the world.--Maria Shriver, Emmy and Peabody Award-winning journalist, New York Times bestselling author, and founder of The Women's Alzheimer's Movement

surterra wellness winter haven: From the Tip of My Tongue Cindy Hutson, Jen Karetnick, 2015-06 Inspired by Hutson's expansive culinary journeys, from the delis and restaurants of Hutson's New Jersey hometown, through her time as a charter-boat captain, to the streets and mountainsides of her beloved, adopted Jamaica, these dishes offer highly flavorful fare that ranges from casual meals that Hutson's family enjoys at home to the creative and exotic plates that she, Delius and manager/daughter Ashley serve in their three restaurants.

surterra wellness winter haven: In Trump We Trust Ann Coulter, 2016-08-23 Donald Trump won the presidency by being a one-man wrecking ball against our dysfunctional and corrupt establishment. Now Ann Coulter, with her unique insight, candor, and sense of humor, makes the definitive case for why we should all join his revolution. The media have twisted themselves in knots, trying to grasp how Donald Trump won over millions of Americans and what he'll be like as president. But Ann Coulter isn't puzzled. She knows why Trump was the only one of seventeen GOP contenders who captured the spirit of our time. She gets the power of addressing the pain of the silent majority and saying things the PC Thought Police considers unspeakable. She argues that a bull in the china shop is exactly what we need to make America great again. In this powerful book, Coulter explains why conservatives, moderates, and even disgruntled Democrats should set aside their doubts and embrace Trump: ·He's putting America first in our trade deals and alliances, rather than pandering to our allies and enemies. ·He's abandoned the GOP's decades-long commitment to a bellicose foreign policy, at a time when the entire country is sick of unnecessary wars. ·He's ended GOP pandering to Hispanic activists with his hard-line policy on immigration. Working class Americans finally have a champion against open borders and cheap foreign labor. ·He's overturned the media's traditional role in setting the agenda and defining who gets to be considered presidential. ·He's exposed political consultants as grifters and hacks, most of whom don't know real voters from a hole in the ground. If you're already a Trump fan, Ann Coulter will help you defend and promote your position. If you're not, she might just change your mind.

surterra wellness winter haven: Organized Innovation Steven C. Currall, Ed Frauenheim, Sara Jansen Perry, Emily M. Hunter, 2014-01-07 Organized and innovation are words rarely heard together. But an organized approach to innovation is precisely what America needs today. This book presents a blueprint for coordinating technology breakthroughs to advance America's global competitiveness and prosperity. That prosperity is at risk. As other nations bolster technology innovation efforts, America's research, development, and commercialization enterprise is falling behind. An innovation gap has emerged in recent decades, where US universities focus on basic research and industry concentrates on incremental product development. The country has failed to address the innovation gap because of three myths--innovation is about lone geniuses, the free market, and serendipity. These myths blind us from recognizing our dysfunctional system of unorganized innovation. In Organized Innovation, Currall, Frauenheim, Perry and Hunter provide a framework for optimizing the way America creates, develops, and commercializes technology breakthroughs. A roadmap for universities, business, and government, the book is grounded in the authors' seminal study of the National Science Foundation's Engineering Research Center program, which has returned to the US economy more than ten times the funding invested in it. For too long, our approach to technology innovation has been unorganized. The authors enable us to turn the page. They show us how to organize innovation for a more prosperous, hopeful future.

surterra wellness winter haven: Asphalt Warrior Kurt Boone, 2011 In New York City business districts, billions of dollars are traded everyday and power deals are closed every minute. Within the hundreds of skyscrapers there are dedicated messenger centers that insure and time to the minute the delivery of business documents used to completed deals large and small. Kurt Boone spent over 14 years rushing through out the city in all weather conditions picking up and delivering these documents. In Asphalt Warrior, Kurt Boone tells his story as one of the fastest messengers in the city and his experiences in the now world famous messenger culture lifestyles of parties, alleycat racing, riding fixed gear bicycles and carrying messengers bags.

surterra wellness winter haven: Unbelievable Katy Tur, 2017-09-12 NEW YORK TIMES BESTSELLER "Compelling... this book couldn't be more timely." - Jill Abramson, New York Times Book Review From the Recipient of the 2017 Walter Cronkite Award for Excellence in Journalism Called disgraceful, third-rate, and not nice by Donald Trump, NBC News correspondent Katy Tur reported on—and took flak from—the most captivating and volatile presidential candidate in American history. Katy Tur lived out of a suitcase for a year and a half, following Trump around the country, powered by packets of peanut butter and kept clean with dry shampoo. She visited forty states with the candidate, made more than 3,800 live television reports, and tried to endure a gazillion loops of Elton John's Tiny Dancer—a Trump rally playlist staple. From day 1 to day 500, Tur documented Trump's inconsistencies, fact-checked his falsities, and called him out on his lies. In return, Trump repeatedly singled Tur out. He tried to charm her, intimidate her, and shame her. At one point, he got a crowd so riled up against Tur, Secret Service agents had to walk her to her car. None of it worked. Facts are stubborn. So was Tur. She was part of the first women-led politics team in the history of network news. The Boys on the Bus became the Girls on the Plane. But the circus remained. Through all the long nights, wild scoops, naked chauvinism, dodgy staffers, and fevered debates, no one had a better view than Tur. Unbelievable is her darkly comic, fascinatingly bizarre, and often scary story of how America sent a former reality show host to the White House. It's also the story of what it was like for Tur to be there as it happened, inside a no-rules world where reporters were spat on, demeaned, and discredited. Tur was a foreign correspondent who came home to her most foreign story of all. Unbelievable is a must-read for anyone who still wakes up and wonders, Is this real life?
