The Business (2005 Movie): A Deep Dive into Corporate Deception and Ambition

Introduction:

Unraveling the Intrigue of "The Business" (2005): A Corporate Thriller

The 2005 film "The Business" isn't your typical corporate drama. It delves into the cutthroat world of high-stakes finance, exploring themes of ambition, betrayal, and the morally ambiguous choices individuals make in pursuit of success. This in-depth analysis will dissect the film's plot, characters, themes, and lasting impact, offering a comprehensive look at this often-overlooked cinematic gem.

Article Outline:

- I. Plot Summary & Key Events: A concise overview of the film's narrative, highlighting pivotal moments and character interactions.
- II. Character Analysis: Exploring the motivations and complexities of the main characters, focusing on their impact on the plot.
- III. Themes Explored: Delving into the overarching themes of ambition, morality, and the corrupting influence of power within the corporate world.
- IV. Critical Reception and Legacy: Examining how the film was received by critics and audiences, assessing its lasting cultural relevance.
- V. Comparison to Similar Films: Drawing parallels and distinctions between "The Business" and other films exploring corporate greed and ambition.

I. Plot Summary & Key Events:

A Synopsis of the High-Stakes Corporate World Depicted in "The Business"

"The Business" follows a group of young, ambitious individuals navigating the treacherous landscape of the London financial market. Their ruthless pursuit of wealth and power leads to a series of risky decisions, betrayals, and ultimately, a devastating climax. The film meticulously charts their rise and fall, offering a gripping portrayal of the consequences of unchecked ambition.

The Key Players and Their Shifting Alliances in the World of Finance

The core cast comprises individuals driven by immense ambition, each vying for dominance in their cutthroat environment. Alliances are forged and broken, trust is constantly tested, and the lines between right and wrong become increasingly blurred as the stakes increase.

Escalating Stakes and the Unraveling of Corporate Dreams in "The Business"

As the narrative progresses, the characters become increasingly entangled in their web of deceit and manipulation. The consequences of their actions escalate, leading to a dramatic confrontation that exposes the dark underbelly of corporate ambition and the price of pursuing success at any cost.

II. Character Analysis:

Analyzing the Ambitious and Ruthless Characters Driving the Narrative

The film's strength lies in its well-developed characters, each possessing distinct motivations and flaws. Their complexities make them both compelling and unsettling, reflecting the multifaceted nature of human ambition.

Exploring the Moral Ambiguity of Characters Navigating the Corporate Labyrinth

The characters are not easily categorized as heroes or villains. Their actions are often driven by a mixture of self-interest, desperation, and a desire for validation, making them relatable and morally ambiguous.

The Transformation of Characters Under Pressure in the High-Stakes World of Finance

The film explores how pressure transforms its characters, exposing their vulnerabilities and pushing them to their limits. This process reveals both their strengths and weaknesses, shaping their ultimate destinies.

III. Themes Explored:

The Corrupting Influence of Power and Ambition in the Corporate Setting

"The Business" serves as a cautionary tale about the corrupting influence of unchecked ambition. It highlights how the relentless pursuit of wealth and power can lead individuals down a morally compromised path.

Exploring the Moral Dilemmas Faced by Individuals in the Pursuit of Success

The film raises questions about the ethical implications of corporate ambition. The characters' choices force viewers to confront the moral dilemmas inherent in navigating a highly competitive environment.

The High Price of Success: Examining the Personal and Professional Costs of Ambition

The film emphasizes the often overlooked personal and professional costs of ambition. It demonstrates the detrimental effects of prioritizing wealth and power over personal relationships and well-being.

IV. Critical Reception and Legacy:

Critical Evaluation of the Film's Strengths, Weaknesses and Unique Approach

While not a mainstream blockbuster, "The Business" received generally positive reviews from critics who praised its realistic portrayal of the corporate world and its complex characters. It garnered acclaim for its gripping narrative and sharp commentary on ambition and greed.

Assessing the Film's Lasting Impact on Corporate Culture and Cinematic Representation

The film's impact may be subtle, but its unflinching depiction of corporate life resonates with audiences who recognize the familiar themes of ambition, betrayal, and the pursuit of power. It continues to be discussed as a realistic portrayal of corporate culture.

V. Comparison to Similar Films:

Drawing Parallels and Contrasts with Other Corporate Greed Dramas

"The Business" shares thematic similarities with other films exploring corporate greed, such as "Wall Street" and "Boiler Room." However, it distinguishes itself through its more intimate focus on a smaller group of characters and its detailed depiction of the London financial scene.

Highlighting Unique Aspects That Set "The Business" Apart from Other Corporate Thrillers

Unlike some corporate thrillers that focus primarily on the sensational aspects of financial crime, "The Business" delves deeper into the psychological motivations of its characters, making it a more nuanced and thought-provoking exploration of human ambition.

Conclusion:

A Concluding Reflection on the Themes and Lasting Relevance of "The Business"

"The Business" (2005) remains a compelling and relevant film. Its exploration of ambition, morality, and the dark side of corporate culture continues to resonate with audiences. The film's exploration of the psychological complexities of its characters and its unflinching depiction of a ruthless environment makes it a powerful and enduring cinematic experience.

Frequently Asked Questions (FAQs):

Q: Where can I watch "The Business" (2005)? A: Availability varies depending on your region. Check streaming services like Amazon Prime Video, or physical media retailers.

Q: Is "The Business" based on a true story? A: No, "The Business" is a fictional film, though it draws inspiration from the realities of the high-pressure environment of the financial world.

Q: What is the overall message of the film? A: The film suggests that unchecked ambition can lead to moral compromise and devastating consequences, both personally and professionally.

the business 2005 movie: *The Movie Business* Kelly Crabb, 2005-04-26 A straightforward

business and legal guide for novice movie producers covers a wide range of topics, including intellectual property laws, financing, and production challenges, in a guide that also provides in-depth coverage of understanding and negotiating a movie contract.

the business 2005 movie: All You Need to Know About the Movie and TV Business Gail Resnik, Scott Trost, 1996-02-06 Whether one is pursuing the dream of acting, directing, or writing, or is interested in a career as a studio executive, agent, cinematographer, makeup artist, stuntman, or camera operator, Resnik and Trost present realistic assessments of career opportunities, offer savvy insights into how to play the Hollywood game, and explore in detail the legal ins and outs of the business.

the business 2005 movie: Produce Your Own Damn Movie! Lloyd Kaufman, 2012-09-10 Often low-budget filmmakers get thrown into the position of being not only the director, but their own producer. Using tips from the finest washed-up has-been producers in the business, this book will give the low-budget filmmaker practical tools for getting a movie shoot started, and keeping it going until it is supposed to end. From budgeting concerns to production-damaging acts of God, all will be discussed.

the business 2005 movie: The Business of Media Distribution Jeffrey C. Ulin, 2019-05-30 In this updated edition of the industry staple, veteran media executive Jeff Ulin relates business theory and practice across key global market segments—film, television, and online/digital—providing you with an insider's perspective that can't be found anywhere else. Learn how an idea moves from concept to profit and how distribution dominates the bottom line: Hollywood stars may make the headlines, but marketing and distribution are the behind-the-scenes drivers converting content into cash. The third edition: Includes perspectives from key industry executives at studios, networks, agencies and online leaders, including Fox, Paramount, Lucasfilm, Endeavor, Tencent, MPAA, YouTube, Amazon, and many more; Explores the explosive growth of the Chinese market, including box office trends, participation in financing Hollywood feature films, and the surge in online usage; Illustrates how online streaming leaders like Netflix, Amazon, Apple, YouTube, Hulu and Facebook are changing the way TV content is distributed and consumed, and in cases how these services are moving into theatrical markets; Analyzes online influences and disruption throughout the distribution chain, and explains the risks and impact stemming from changing access points (e.g., stand-alone apps), delivery methods (over-the-top) and consumption patterns (e.g., binge watching); Breaks down historical film windows, the economic drivers behind them, and how online and digital delivery applications are changing the landscape. Ulin provides the virtual apprenticeship you need to demystify and manage the complicated media markets, understand how digital distribution has impacted the ecosystem, and glimpse into the future of how film and television content will be financed, distributed and watched. An online eResource contains further discussion on topics presented in the book.

the business 2005 movie: The Business of Entertainment Robert C. Sickels, 2008-11-30 We love to be entertained. And today's technology makes that easier than ever. Listen to tunes while working out? No problem. Watch a movie on your cell phone? Can do. Get 450 channels of digital entertainment bounced off a satellite and into your vehicle—even while traveling through empty wastelands? Simple. But behind these experiences is a complex industry, dominated by a handful of global media conglomerates whose executives exert considerable influence over the artists and projects they bankroll, the processes by which products are developed, and the methods they use to promote and distribute entertainment. As this set shows, the industries in which commerce, art, and technology intersect are among the most fascinating in all of business. Entertainment is a high-stakes industry where stars are born and flame out in the blink of an eye, where multimillion dollar deals are made on a daily basis, and where cultural mores, for better or worse, are shaped and reinforced. The Business of Entertainment lifts the curtain to show the machinery (and sleight of hand) behind the films, TV shows, music, and radio programs we can't live without. The Business of Entertainment comprises three volumes, covering movies popular music, and television. But it's not all about stars and glitter—it's as much about the nuts and bolts of daily life in the industry,

including the challenges of digitizing content, globalization, promoting stars and shows, protecting intellectual property, developing talent, employing the latest technology, and getting projects done on time and within budget. Challenges don't end there. There's also advertising and product placement, the power of reviews and reviewers, the cancerous spread of piracy, the battles between cable and satellite operators (and the threat to both from telephone companies), the backlash to promoting gangsta lifestyles, and more. Each chapter is written by an authority in the field, from noted scholars to entertainment industry professionals to critics to screenwriters to lawyers. The result is a fascinating mosaic, with each chapter a gem that provides insight into the industry that—hands down—generates more conversations on a daily basis than any other.

the business 2005 movie: *Be Cool* Elmore Leonard, 2009-10-13 Get Shorty's Chili Palmer is back in *Be Cool*, a classic novel of suspense from New York Times bestselling author Elmore Leonard. But this time it's no more Mr. Nice Guy. After a smash hit and a flop, B-movie-producer Chili Palmer is looking for another score. Lunching with a record company executive, Chili's exploring a hot new idea—until the exec, a former associate from Chili's Brooklyn days, gets whacked. Segue from real life to reel life. Chili's found his plot. It's a slam-bang opener: the rubout of a record company mogul. Cut to an ambitious wannabe singer named Linda Moon. She has attitude and a band. She's perfect. Zoom in to reality. Linda's manager thinks Chili's poaching and he's out to get even, with the help of his switch-hitting Samoan bodyguard. But somebody else beat them to the punch, as Chili discovers when he gets home and finds a corpse at his desk. Somebody made a mistake...

the business 2005 movie: *The Business of Media Distribution* Jeff Ulin, 2013-10-15 First published in 2013. Routledge is an imprint of Taylor & Francis, an informa company.

the business 2005 movie: *Merchants of Menace* Richard Nowell, 2014-04-10 Even though horror has been a key component of media output for almost a century, the genre's industrial character remains under explored and poorly understood. *Merchants of Menace: The Business of Horror Cinema* responds to a major void in film history by shedding much-needed new light on the economic dimensions of one of the world's most enduring audiovisual forms. Given horror cuts across budgetary categories, industry sectors, national film cultures, and media, *Merchants of Menace* also promises to expand understandings of the economics of cinema generally. Covering 1930-present, this groundbreaking collection boasts fourteen original chapters from world-leading experts taking as their focus such diverse topics as early zombie pictures, post-WWII chillers, Civil Rights-Era marketing, Hollywood literary adaptations, Australian exploitation, torture-porn Auteurs, and twenty-first-century remakes.

the business 2005 movie: *Brokeback Mountain* Annie Proulx, 2005 Ennis del Mar and Jack Twist, two ranch hands, come together when they're working a sheepherder and camp tender one summer on a range above the tree line. At first, sharing an isolated tent, the attraction is casual, inevitable, but something deeper catches them that summer. Both men work hard, marry, and have kids because that's what cowboys do. But over the course of many years and frequent separations this relationship becomes the most important thing in their lives, and they do anything they can to preserve it.--BOOK JACKET.

the business 2005 movie: *The Movie Business Book* Jason E Squire, 2016-08-05 Tapping experts in an industry experiencing major disruptions, *The Movie Business Book* is the authoritative, comprehensive sourcebook, covering online micro-budget movies to theatrical tentpoles. This book pulls back the veil of secrecy on producing, marketing, and distributing films, including business models, dealmaking, release windows, revenue streams, studio accounting, DIY online self-distribution and more. First-hand insider accounts serve as primary references involving negotiations, management decisions, workflow, intuition and instinct. *The Movie Business Book* is an essential guide for those launching or advancing careers in the global media marketplace.

the business 2005 movie: *Sleepless in Hollywood* Lynda Obst, 2013-06-11 The veteran producer and author of the bestseller *Hello, He Lied* takes a witty and critical look at the new Hollywood. Over the past decade, producer Lynda Obst gradually realized she was working in a

Hollywood that was undergoing a drastic transformation. The industry where everything had once been familiar to her was suddenly disturbingly strange. Combining her own industry experience and interviews with the brightest minds in the business, Obst explains what has stalled the vast moviemaking machine. The calamitous DVD collapse helped usher in what she calls the New Abnormal (because Hollywood was never normal to begin with), where studios are now heavily dependent on foreign markets for profit, a situation which directly impacts the kind of entertainment we get to see. Can comedy survive if they don't get our jokes in Seoul or allow them in China? Why are studios making fewer movies than ever—and why are they bigger, more expensive and nearly always sequels or recycled ideas? Obst writes with affection, regret, humor and hope, and her behind-the-scenes vantage point allows her to explore what has changed in Hollywood like no one else has. This candid, insightful account explains what has happened to the movie business and explores whether it'll ever return to making the movies we love—the classics that make us laugh or cry, or that we just can't stop talking about.

the business 2005 movie: Truth vs. Falsehood David R. Hawkins, M.D., Ph.D., 2013-08-01 *Truth Vs. Falsehood* a breakthrough in documenting a new era of human knowledge. Only in the last decade has a science of Truth emerged that, for the first time in human history, enables the discernment of truth from falsehood. Presented are discoveries of an enormous amount of crucial and significant information of great importance to mankind, along with calibrations of historical events, cultures, spiritual leaders, media, and more. In this cutting-edge presentation, the author shares with the reader the simple, instantaneous technique that, like litmus paper, differentiates truth from falsehood in a matter of seconds. Truth and Reality, as the author states, have no secrets, and everything that exists now or in the past—even a thought—is identifiable and calibratable forever from the omnipresent field of Consciousness itself.

the business 2005 movie: *Surrender* Nicholas Comfort, 2012-02-23 British industry at the start of the New Elizabethan Age was a world leader. The first - British - jet airliner was taking to the skies, the first nuclear power station was under construction at Calder Hall and British firms were pioneering the computer. Our shipyards reigned almost supreme, and from Britain's factories came cars, lorries, buses, heavy machinery, aircraft and locomotives, exported all over the world. Sixty years on, many of these industries and millions of jobs have disappeared, while competitors have flourished. Much of what remains is under foreign ownership. Britain has lost many export markets, and essential goods have to be imported. How did all this happen? Britain's loss of competitiveness has traditionally been blamed on outdated working practices, failure to invest and modernise, poor management, bloody-minded unions, the loss of Empire and the ability of post-war Germany and Japan to rebuild from scratch. All this is true, but the picture is far more complex. The role of Whitehall and successive governments, Britain's relationship with Europe, corporate greed, misjudgement and even suicide, and sheer bad luck all play a part. In *Surrender*, Nicholas Comfort revisits the past six decades and identifies some of the factors behind the greatest mass extinction since the dinosaurs.

the business 2005 movie: *Hooked in Film* John Markert, 2013-05-23 Though drug use was widespread in the nineteenth century, the negative influence of narcotics was mostly unknown. Cinema of the early twentieth century was instrumental in making viewers aware of the harmful effects of drugs. Throughout the decades, images of drugs such as marijuana, LSD, and heroin in films impacted—both negatively and positively—the national perception of their use. In fact, the use, popularity, and opinion of certain drugs often follow their status on the big screen. In *Hooked in Film*, John Markert takes a close look at the correlation between social policies and the public view of drugs and their portrayals in film. In this volume, Markert examines the changing social attitudes toward illegal drugs and their cinematic depictions from as early as the 1894 film *Chinese Opium Den* to the present. The first section of this book focuses on the demonization of drugs between 1900 and 1959, followed by an assessment of marijuana on the big screen after 1960, when the drug was shown as part of everyday life with no serious consequences. Post-1960 depictions of heroin use, which have remained consistently negative, are also analyzed. Markert then takes a close look at the

portrayals of powdered cocaine after the 1960s and the emergence of crack in the mid-1980s. Finally, Markert discusses hallucinogens, Ecstasy, and methamphetamines and their roles on the big screen. Tracking hundreds of films spanning more than a century, *Hooked in Film* looks at camp classics like *Reefer Madness*, comedies such as *Cheech and Chong's Up in Smoke*, *Dazed and Confused*, and *Pineapple Express*, and dramas, including *Panic in Needle Park* and *Requiem for a Dream*. Scholars and students of cinema, popular culture, media studies, and sociology will find this book a valuable examination of how cinematic portrayals of drugs have changed over time, and how those images have influenced public perception of drugs and even public policy.

the business 2005 movie: Remaking the Movies Digital Content and the Evolution of the Film and Video Industries OECD, 2008-05-05 Analyses the impact of digital content creation, distribution and use on value chains and business models of the film and video industry and explores the policy implications of these changes to identify how digital content may affect the function and position of participants in the industry.

the business 2005 movie: *The Art Direction Handbook for Film & Television* Michael Rizzo, 2014-07-11 In this new and expanded edition of *The Art Direction Handbook*, author Michael Rizzo now covers art direction for television, in addition to updated coverage of film design. This comprehensive, professional manual details the set-up of the art department and the day-to-day job duties: scouting for locations, research, executing the design concept, supervising scenery construction, and surviving production. Beyond that, there is an emphasis on not just how to do the job, but how to succeed and secure other jobs. Rounding out the text is an extensive collection of useful forms and checklists, as well as interviews with prominent art directors.

the business 2005 movie: Communication Technology Update and Fundamentals August E. Grant, J Rion McKissick Professor of Journalism August E Grant, Jennifer H. Meadows, 2013-09-05 New communication technologies are being introduced at an astonishing rate. Making sense of these technologies is increasingly difficult. *Communication Technology Update and Fundamentals* is the single best source for the latest developments, trends, and issues in communication technology. Featuring the fundamental framework along with the history and background of communication technologies, *Communication Technology Update and Fundamentals*, 12th edition helps you stay ahead of these ever-changing and emerging technologies. As always, every chapter has been completely updated to reflect the latest developments and market statistics, and now covers digital signage, cinema technologies, social networking, and telepresence, in addition to the dozens of technologies explored in the previous edition. The book also features industry structure and regulation, history, and theory along with full coverage of the latest technologies! The book's companion website (<http://commtechupdate.com>) offers updated information submitted by chapter authors and offers links to other Internet resources.

the business 2005 movie: *Fantasy* Jacqueline Furby, Claire Hines, 2011-09-02 *Fantasy* addresses a previously neglected area within film studies. The book looks at the key aesthetics, themes, debates and issues at work within this popular genre and examines films and franchises that illustrate these concerns. Contemporary case studies include: *Alice in Wonderland* (2010) *Avatar* (2009) *The Dark Knight* (2008) *Edward Scissorhands* (1990) *Lord of the Rings* (2001-2003) *Pirates of the Caribbean* (2003-2007) *Prince of Persia: The Sands of Time* (2010) *Shrek* (2001) *Twelve Monkeys* (1995) The authors also consider fantasy film and its relationship to myth, legend and fairy tale, examining its important role in contemporary culture. The book provides an historical overview of the genre, its influences and evolution, placing fantasy film within the socio-cultural contexts of production and consumption and with reference to relevant theory and critical debates. This is the perfect introduction to the world of fantasy film and investigates the links between fantasy film and gender, fantasy film and race, fantasy film and psychoanalysis, fantasy film and technology, fantasy film storytelling and spectacle, fantasy film and realism, fantasy film and adaptation, and fantasy film and time.

the business 2005 movie: *The Business School Buzz Book* Vault Editors, 2006-02-07 In this new edition, Vault publishes the entire surveys of current students and alumni at more than 100 top

business schools. Each 4-to 5-page entry is composed of insider comments from students and alumni, as well as the school's responses to the comments.

the business 2005 movie: Contemporary British Horror Cinema Johnny Walker, 2015-10-01 Combining industrial research and primary interview material with detailed textual analysis, *Contemporary British Horror Cinema* looks beyond the dominant paradigms which have explained away British horror in the past, and sheds light on one of the most dynamic and distinctive " yet scarcely talked about " areas of contemporary British film production. Considering high-profile theatrical releases, including *The Descent*, *Shaun of the Dead* and *The Woman in Black*, as well as more obscure films such as *The Devil's Chair*, *Resurrecting the Street Walker* and *Cherry Tree Lane*, *Contemporary British Horror Cinema* provides a thorough examination of British horror film production in the twenty-first century.

the business 2005 movie: **The Business School Buzz Book** Carolyn C. Wise, Stephanie Hauser, 2007 In this updated guide, Vault publishes the entire surveys of current students and alumni at more than 100 top business schools. Each 4- to 5-page entry is composed almost entirely of insider comments from students and alumni. Each school profile features surveys of about 10 students or alumni. These narratives provide applicants with detailed and balanced perspectives and insider information on admissions and employment prospects, which is lacking in other business school guides.

the business 2005 movie: **Postindustrial East Asian Cities** Shahid Yusuf, Kaoru Nabeshima, 2006-01-01 Drawing on a wide range of literature and on interviews with firms, this book explores issues of economic growth with a focus on six East Asian cities: Bangkok, Beijing, Seoul, Shanghai, Singapore, and Tokyo. It suggests how policies and institutions can induce and furnish an urban environment that supports innovative activities. A valuable resource for researchers, urban planners, urban geographers, and policy makers interested in East Asia.

the business 2005 movie: *Corporate Disasters: Gale*, Cengage Learning, 2017-04-21 *Corporate Disasters: What Went Wrong and Why* profiles the biggest corporate mistakes or misdeeds throughout history -- covering the people, the times, the decisions made. This volume covers Innovation Inertia and Shifting Markets. Each essay puts the business and its operators in the context of its own time, explaining the market, social, and technology forces at play, and each explores the key make-or-break decisions that led to disaster.

the business 2005 movie: *No Country for Old Men* Cormac McCarthy, 2007-11-29 From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road* comes a profoundly disturbing and gorgeously rendered novel (*The Washington Post*) that returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

the business 2005 movie: **Big Copyright Versus the People** Martin Skladany, 2018-06-07 When the idea of copyright was enshrined in the Constitution it was intended to induce citizens to create. Today, however, copyright has morphed into a system that offers the bulk of its protection to a select number of major corporate content providers (or Big Copyright), which has turned us from a country of creators into one of consumers who spend, on average, ten hours each day on entertainment. In this alarming but illuminating book, Martin Skladany examines our culture of overconsumption and shows not only how it leads to addiction, but also how it is unraveling important threads - of family, friendship, and community - in our society. *Big Copyright versus the*

People should be read by anyone interested in understanding how Big Copyright managed to get such a lethal grip on our culture and what can be done to loosen it.

the business 2005 movie: *Plunkett's Advertising & Branding Industry Almanac 2006: Your Complete Guide to All Facets of the Business of Advertising, Marketing and Branding* Plunkett Research Ltd, 2006-04 Vital to businesses of all types, the fields of advertising, marketing and branding are covered in-depth in this important volume, from advertising on radio and television to direct mail, from online advertising to branding and public relations to paid search inclusion. the business 2005 movie: Straight Korean Female Fans and Their Gay Fantasies Jungmin Kwon, 2019-02-15 This book is about ardent Korean female fans of gay representation in the media, their status in contemporary Korean society, their relationship with other groups such as the gay population, and, above all, their contribution to reshaping the Korean media's portrayal of gay people. Jungmin Kwon names the Korean female fandom for gay portrayals as "FANTasy" subculture, and argues that it adds to the present visibility of the gay body in Korean mainstream media, thus helping to change the public's perspective toward sexually marginalized groups. The FANTasy subculture started forming around text-based media, such as yaoi, fan fiction, and U.S. gay-themed dramas (like *Will & Grace*), and has been influenced by diverse social, political, and economic conditions, such as the democratization of Korea, an open policy toward foreign media products, the diffusion of consumerism, government investment in the culture, the Hollywoodization of the film industry, and the popularity of Korean culture abroad. While much scholarly attention has been paid to female fandom for homoerotic cultural texts in many countries, this book seeks to explore a relatively neglected aspect of the subculture: its location in and influence on Korean society at large.

the business 2005 movie: Entrepreneurship Strategy Lisa K. Gundry, Jill R. Kickul, 2006-08-14 In this engaging and practical book, authors Lisa K. Gundry and Jill R. Kickul uniquely approach entrepreneurship across the life cycle of business growth—offering entrepreneurial strategies for the emerging venture, for the growing venture, and for sustaining growth in the established venture. Written from the point of view of the founder or the entrepreneurial team, the book offers powerful and practical tools to increase a venture's potential for success and growth.

the business 2005 movie: Mass Communication Ralph E. Hanson, 2020-10-31 The best-selling *Mass Communication: Living in a Media World* presents a highly accessible introduction to mass communication that equips students with the critical thinking skills to become savvy media consumers. To help students better retain the material, author Ralph E. Hanson uses a storytelling approach that weaves in examples drawn from everyday life. Readers are encouraged to consider the media industry from the inside out and, in doing so, discover the many dimensions of mass communication that operate in our society. Don't use an LMS? You can still access all of the same online resources for this title via the password-protected Instructor Resource Site. Learn more.

the business 2005 movie: Predicting Movie Success at the Box Office Barrie Gunter, 2018-02-20 This book explores the different factors that can influence a new movie's prospects at the box office. Looking at factors such as the production budget, distribution model, genre, stars and audience reactions of films, Gunter asks how such aspects may reduce the uncertainties of success so common in the movie industry. The reader is taken on a journey through filmmaking factors that, research suggests, impact box office performance. While box office revenues represent only part of a

movie's earning potential, Gunter highlights how theatrical performances remain central to what the movie business is about. The chapters illustrate how ticket sales are largely influenced by the production budget but also cultural differences and new movie platforms.

the business 2005 movie: Plunkett's Entertainment & Media Industry Almanac 2006: The Only Complete Guide to the Technologies and Companies Changing the Way the World Shares En Jack W. Plunkett, 2006 The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment & Media firms: our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax and much more. This innovative book offers unique information, all indexed and cross-indexed more for each firm! Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.

the business 2005 movie: Charlie and the Chocolate Factory Roald Dahl, 2017-02-07 Now a Broadway musical! Roald Dahl's iconic story of a little boy, a golden ticket, and a fantastical chocolate factory has been adapted into a wonderful new musical. This edition has a great new cover featuring the musical's poster art and a foreword by Jack O'Brien, Tony Award-winning Director. Willy Wonka's famous chocolate factory is opening at last! But only five lucky children will be allowed inside. And the winners are: Augustus Gloop, an enormously fat boy whose hobby is eating; Veruca Salt, a spoiled-rotten brat whose parents are wrapped around her little finger; Violet Beauregarde, a dim-witted gum-chewer with the fastest jaws around; Mike Teavee, a toy pistol-toting gangster-in-training who is obsessed with television; and Charlie Bucket, Our Hero, a boy who is honest and kind, brave and true, and good and ready for the wildest time of his life!
