Waking Theodore Roethke Analysis: Unpacking the Imagery and Themes of a Masterful Poem

Introduction:

Theodore Roethke's "Waking" is more than just a poem; it's a visceral experience. Its potent imagery and evocative language transport the reader into the speaker's consciousness, leaving a lasting impression long after the last line is read. This in-depth analysis will delve into the poem's intricate structure, exploring its central themes, symbolic elements, and masterful use of language. We'll unravel the poem's mysteries, examining its biographical context and uncovering the deeper meaning behind Roethke's evocative descriptions of the natural world and the human experience. Prepare to embark on a journey into the heart of one of the 20th century's most compelling poems.

I. The Poem's Structure and Form:

"Waking" is a deceptively simple poem. Its structure, seemingly straightforward, belies its profound complexity. The poem's free verse form mirrors the fluidity of the speaker's consciousness, reflecting the chaotic yet organic nature of waking. The absence of a strict rhyme scheme contributes to this sense of natural unfolding, allowing the reader to experience the awakening process as a continuous flow of thought and sensation. The poem's movement, from the initial stillness of sleep to the gradual emergence into consciousness, is mirrored in its unfolding stanzas. Note the shift from internal imagery to external observations as the poem progresses. The careful progression of imagery creates a sense of gradual awakening, almost mirroring the physiological process itself. The poem's structure, therefore, is not merely decorative; it's integral to its meaning.

II. Key Imagery and Symbolism:

Roethke masterfully employs imagery throughout "Waking." The poem's central metaphor, the "green leaves," symbolizes rebirth, renewal, and the burgeoning vitality of life. These leaves are not static; they are "in the yellow wood," suggesting a transition between seasons and stages of life. The "yellow wood" itself could symbolize a period of uncertainty or decay preceding renewal. The poem's frequent use of nature imagery – the "yellow wood," "the birds," "the green leaves," "the open hand"— creates a powerful connection between the natural world and the speaker's internal state. This connection emphasizes the cyclical nature of life and the constant interplay between destruction and renewal. The "open hand" is a particularly powerful image, potentially symbolizing openness to experience, acceptance, or perhaps even surrender to the forces of nature. The poem subtly invites multiple interpretations, allowing the reader to engage actively with the text.

III. Exploring the Themes of Renewal and Rebirth:

A central theme in "Waking" is the continuous cycle of death and rebirth inherent in nature and life itself. The poem's progression from darkness to light, from stillness to activity, mirrors the cyclical pattern of life, death, and renewal. The "green leaves" emerging from the "yellow wood" symbolize this renewal, highlighting the persistence of life even in the face of decay. The speaker's journey from slumber to wakefulness is not simply a physical transition; it's a metaphorical representation of this cyclical process, suggesting that death and rebirth are not isolated events but integral components of a continuous cycle. The poem subtly implies that even the darkest periods can give way to renewal and fresh beginnings.

IV. The Role of Sensory Detail and Language:

Roethke's skillful use of sensory details immerses the reader in the speaker's experience. The poem is rich with vivid imagery that engages all five senses, enhancing the reader's emotional engagement with the text. The auditory imagery ("I hear the birds," "I wake to the sound"), tactile imagery ("the open hand"), and visual imagery ("green leaves," "yellow wood") contribute to the poem's overall impact. The carefully chosen vocabulary, including words like "waking," "yellow," "green," "birds," and

"open hand," evokes specific emotions and associations, creating a profound sense of immersion and involvement. The simple yet powerful language of the poem contributes to its accessibility while maintaining its profound depth.

V. Biographical Context and Personal Interpretation:

Understanding Roethke's life can add another layer to the interpretation of "Waking." Roethke's struggles with depression and mental illness are often reflected in his work. While "Waking" is not explicitly autobiographical, its themes of renewal and rebirth can be interpreted as reflecting his personal experiences and his journey towards healing and recovery. The poem's imagery could be seen as symbolic of his own struggles and triumphs in overcoming adversity. This biographical lens provides a richer understanding of the poem's depth and emotional resonance. However, it's important to remember that this is just one possible interpretation; the poem's beauty lies in its capacity to resonate with diverse readers on multiple levels.

VI. Conclusion:

"Waking" is a testament to Roethke's poetic mastery. Its simple structure, vivid imagery, and powerful themes make it a timeless exploration of the human experience. The poem's exploration of themes such as renewal, rebirth, and the cyclical nature of life resonates deeply with readers, offering both aesthetic pleasure and profound philosophical insight. The poem's ambiguity and multiple layers of interpretation invite continuous engagement and reflection, making it a rewarding subject for study and analysis. The poem's enduring power lies in its ability to transcend its specific context and resonate with readers across time and cultures.

A Sample Book Outline: "An In-depth Exploration of Theodore Roethke's 'Waking'"

Introduction: Overview of Roethke's life and poetic style, introduction to "Waking" and its significance.

Chapter 1: Structural Analysis: Detailed examination of the poem's form, free verse structure, and its

contribution to meaning.

Chapter 2: Imagery and Symbolism: In-depth analysis of key images (green leaves, yellow wood, open hand, birds), their symbolic meaning, and interrelationships.

Chapter 3: Thematic Exploration: Focus on themes of renewal, rebirth, cyclical nature of life, and potential autobiographical interpretations.

Chapter 4: Language and Sensory Detail: Close reading of the poem's vocabulary, its sensory impact, and the emotional effect on the reader.

Chapter 5: Biographical Context: Exploring Roethke's life and how personal experiences might have influenced the poem.

Chapter 6: Critical Interpretations: Examination of different critical perspectives on the poem and their validity.

Chapter 7: Comparative Analysis: Comparing "Waking" to other Roethke poems or poems with similar themes.

Conclusion: Summary of key findings, re-emphasis on the poem's enduring significance and lasting impact.

FAQs:

1. What is the central metaphor in "Waking"? The central metaphor is arguably the "green leaves" emerging from the "yellow wood," symbolizing renewal and rebirth.

1. What is the significance of the "open hand" image? The "open hand" can symbolize openness to experience, acceptance, or surrender to natural forces.

1. What is the poem's overall tone? The tone shifts from initial stillness and darkness to a sense of

growing awareness and vitality.

1. What is the poem's structure? The poem uses free verse, mirroring the fluidity of the speaker's awakening.

1. What are the main themes of "Waking"? Key themes include renewal, rebirth, the cyclical nature of life, and the relationship between the human and natural worlds.

1. How does Roethke use imagery in "Waking"? Roethke employs vivid sensory details (visual, auditory, tactile) to create a powerful and immersive experience for the reader.

1. What is the significance of the "yellow wood"? The "yellow wood" likely symbolizes a period of transition, uncertainty, or decay preceding renewal.

1. How does the poem's language contribute to its meaning? Roethke's simple yet precise language creates a powerful effect, conveying complex emotions and ideas with clarity.

1. What is the role of biographical context in interpreting "Waking"? Understanding Roethke's personal struggles can add depth to the interpretation, but it's not essential to appreciate the poem's artistic merit.

the waking theodore roethke analysis: A Study Guide for Theodore Roethke's "The Waking" Gale, Cengage Learning, 2016 A Study Guide for Theodore Roethke's *The Waking*, excerpted from Gale's acclaimed *Poetry for Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Poetry for Students* for all of your research needs.

the waking theodore roethke analysis: The Collected Poems of Theodore Roethke Theodore Roethke, 2011-12-14 This paperback edition contains the complete text of Roethke's seven published volumes in addition to sixteen previously uncollected poems. Included are his Pulitzer Prize and National Book Award winners *The Walking*, *Words for the Wind*, and *The Far Field*. These two hundred poems demonstrate the variety of Roethke's themes and styles, the comic and serious sides of his temperament, and his breakthroughs in the use of language. Together they document the development of an extraordinary creative source of American poetry.

the waking theodore roethke analysis: Silence in the Snowy Fields Robert Bly, 1962-04-01 Striking and moving poems that are rooted deep in the earth The poems of Robert Bly are rooted deep in the earth. Snow and sunshine, barns and cornfields and cars on the empty nighttime roads, abandoned Minnesota lakes and the mood of America now—these are his materials. He sees and talks clearly: he uses no rhetoric nor mannered striving for effect, but instead the simple statement that in nine lines can embody a mood, reveal a profound truth, illuminate in an important way the inward and hidden life. This is a poet of the modern world, thoroughly aware of the complexities of the moment but equally mindful of the great stream of life—all life—of which mankind is only a part.

the waking theodore roethke analysis: Slaughterhouse-Five Kurt Vonnegut, 1999-01-12 Kurt Vonnegut's masterpiece, *Slaughterhouse-Five* is "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time). Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." More than fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties.

the waking theodore roethke analysis: You Are What You Read Robert DiYanni, 2021-04-20 How you can enrich your life by becoming a more skillful and engaged reader of literature We are what we read, according to Robert DiYanni. Reading may delight us or move us; we may read for instruction or inspiration. But more than this, in reading we discover ourselves. We gain access to the lives of others, explore the limitless possibilities of human existence, develop our understanding of the world around us, and find respite from the hectic demands of everyday life. In *You Are What You Read*, DiYanni provides a practical guide that shows how we can increase the benefits and pleasures of literature by becoming more skillful and engaged readers. DiYanni suggests that we attend first to what authors say and the way in which they say it, rather than rushing to decide what they mean. He considers the various forms of literature, from the essay to the novel, the short story to the poem, demonstrating rewarding approaches to each in sample readings of classic works. Through a series of illuminating oppositions, he explores the paradoxical pleasures of reading: solitary versus social reading, submitting to or resisting the author, reading inwardly or outwardly, and more. DiYanni closes with nine recommended reading practices, thoughts on the different experiences of print and digital reading, and advice on what to read and why. Written in a clear, inviting, and natural style, *You Are What You Read* is an essential guide for all who want to enrich their reading—and their life.

the waking theodore roethke analysis: On Poetry and Craft Theodore Roethke, 2013-07-01 One of the virtues of good poetry is the fact that it irritates the mediocre. Theodore Roethke was one of the most famous and outspoken poets and poetry teachers this country has ever known. In this volume of selected prose, Roethke articulates his commitments to imaginative possibilities, offers tender advice to young writers, and zings darts at stuffed shirts, lightweights and fools. Art is our defense against hysteria and death. With the assistance of Roethke's widow, this volume has been edited to include the finest selections from out of print collections of prose and journal entries. Focused on the making and teaching of poetry, *On Poetry and Craft* will be prized in the classroom—and outrageous Roethke quotes will once again pepper our conversations. You must believe a poem is a holy thing, a good poem, that is. Theodore Roethke was of an illustrious generation of poets which included Sexton, Plath, Lowell, Berryman, and like them he received nearly every major award in poetry, including the Pulitzer Prize and twice the National Book Award. In spite of his fame, he remained a legendary teacher, known for the care and attention he gave to his students, poets such as James Wright, Carolyn Kizer, Tess Gallagher, and Richard Hugo. Roethke died on August 1, 1963, while swimming in a friend's pool. But before I'm reduced to an absolute pulp by my own ambivalence, I must say goodbye. The old lion perisheth. Nymphs, I wish you the swoops of many fish. May your search for the abiding be forever furious. *On Poetry and Craft* I am overwhelmed by the beautiful disorder of poetry, the eternal virginity of words. The poem, even a short time after being written, seems no miracle; unwritten, it seems something beyond the capacity of the gods. We can't escape what we are, and I'm afraid many of my notions about verse (I haven't too many) have been conditioned by the fact that for nearly 25 years I've been trying to teach the young something about the nature of verse by writing it—and that with very little formal knowledge of the subject or previous instruction. So it's going to be lik

the waking theodore roethke analysis: Love of Allah Mishari Al-Kharraz, 2018-06-02 Do you sometimes feel that your Salah is not quite having the effect it is supposed to on you and your life? Have you ever considered that perhaps it is because we are not giving it its importance? It seems we have lost (or were never taught) that ability to 'connect' in Salah that makes all the difference in its effect on us. How can we attain that level of pleasure and inner peace that Salah is meant to inspire? How can we make our Salah more effective?

the waking theodore roethke analysis: Oral Interpretation Timothy Gura, Charlotte Lee,

2017-10-05 For over fifty years, Oral Interpretation has successfully prepared students to analyze and perform literature through an accessible, step-by-step process. The authors classic commitment to helping students understand literature then to embody and evoke the work has been refined to offer students a more concise, user-friendly process that will help them succeed in their daunting first performance. Updated with a tightly edited collection of classic and contemporary selections, each chapter provides a wide variety of selections for students at all levels. Chapters devoted to each genre---narrative, poetry, drama, group performance---explore the unique challenges of each form while newly revised chapters on Using the Body and Using the Voice in performance introduce students to technical exercises to promote performance flexibility.

the waking theodore roethke analysis: Writing and Literature Tanya Long Bennett, 2018-01-10 In the age of Buzzfeeds, hashtags, and Tweets, students are increasingly favoring conversational writing and regarding academic writing as less pertinent in their personal lives, education, and future careers. Writing and Literature: Composition as Inquiry, Learning, Thinking and Communication connects students with works and exercises and promotes student learning that is kairotic and constructive. Dr. Tanya Long Bennett, professor of English at the University of North Georgia, poses questions that encourage active rather than passive learning. Furthering ideas presented in *Contribute a Verse: A Guide to First-Year Composition* as a complimentary companion, Writing and Literature builds a new conversation covering various genres of literature and writing. Students learn the various writing styles appropriate for analyzing, addressing, and critiquing these genres including poetry, novels, dramas, and research writing. The text and its pairing of helpful visual aids throughout emphasizes the importance of critical reading and analysis in producing a successful composition. Writing and Literature is a refreshing textbook that links learning, literature, and life.

the waking theodore roethke analysis: Breathing For a Living Laura Rothenberg, 2004-06-09 Now in paperback comes the moving account by an extraordinary young woman who mounted a daily struggle with cystic fibrosis in an effort to lead an ordinary life. Twenty-one-year-old Laura Rothenberg had always tried to live a normal life -- even with lungs that betrayed her and a constant awareness that she might not live to see her next birthday. Like most people born with cystic fibrosis, the chronic disease that affects primarily the lungs, Laura struggled to come to grips with a life that had already been compromised in many ways. Sometimes healthy and able to attend school, other times hospitalized for weeks, Laura found solace in keeping a diary. In her writing, she could be open, honest, and irreverent, like the young person she was. Yet behind this voice is a penetrating maturity about her mortality, revealing a will and temperament that is fierce and insightful.

the waking theodore roethke analysis: There was a Child Went Forth Walt Whitman, 1943

the waking theodore roethke analysis: *What Work Is* Philip Levine, 2011-08-31 Winner of the National Book Award in 1991 "This collection amounts to a hymn of praise for all the workers of America. These proletarian heroes, with names like Lonnie, Loo, Sweet Pea, and Packy, work the furnaces, forges, slag heaps, assembly lines, and loading docks at places with unglamorous names like Brass Craft or Feinberg and Breslin's First-Rate Plumbing and Plating. Only Studs Terkel's *Working* approaches the pathos and beauty of this book. But Levine's characters are also significant for their inner lives, not merely their jobs. They are unusually artistic, living 'at the borders of dreams.' One reads *The Tempest* 'slowly to himself'; another ponders a diagonal chalk line drawn by his teacher to suggest a triangle, the roof of a barn, or the mysterious separation of 'the dark from the dark.' *What Work Is* ranks as a major work by a major poet . . . very accessible and utterly American in tone and language." —Daniel L. Guillory, *Library Journal*

the waking theodore roethke analysis: Sing-song Christina Georgina Rossetti, 1872 A collection of poems and rhymes about childhood activities, flowers, animals, and seasons.

the waking theodore roethke analysis: Theodore Roethke's *Far Fields* Peter Balakian, 1999-03-01 In this critical study of Theodore Roethke's poetry, Peter Balakian treats the evolution of the poet's work from his first book, *Open House* (1941), to his last, *The Far Field* (1964). Balakian

argues that Roethke was among the most innovative poets of his time and that *The Lost Son and Other Poems* (1948) brought America to a new frontier in the contemporary era. Balakian maintains that Roethke combined and furthered major traditions in English and American poetry -- the formal poetics and meditative sensibility of British metaphysical and Romantic poetry, the American visionary tradition, and the innovations of modernism. The early chapters of the book explore Roethke's intellectual, religious, and psychological development and his development as a poet. Balakian discusses the influence of William Carlos Williams on Roethke's work and claims that the relationship between the two poets provided Roethke with a sense of the American grain. Later chapters treat the shift from self-absorption to union with otherness that marks Roethke's love poems, exploring the poet's development of mysticism and a poetic persona and examining the influences of Eliot and Whitman on his work. Balakian also discusses the metaphysical language necessary for Roethke's late poems and follows Roethke's spiritual progress as he prophetically faces his final work. In presenting the evolution of Roethke's career, Balakian offers fresh and original readings of the poetry. He avoids any monolithic approach to the body of Roethke's work, employing instead various approaches to Roethke's stages of poetic evolution. Balakian makes use of the psychology of C.G. Jung and Erich Neumann, the writings of the mystics, the aesthetics of William Carlos Williams, and the myth of the American frontier. With a literary historian's concern for Roethke's place in history and a critic's eye for the sources and structures of poetry, Balakian studies the resonances of language and the inner life of this poet's craft. Theodore Roethke's *Far Fields* places Roethke firmly in literary and intellectual history and asserts his place as a major poet.

the waking theodore roethke analysis: *Devotions* Mary Oliver, 2020-11-10 A New York Times Bestseller, chosen as Oprah's Books That Help Me Through for Oprah's Book Club "No matter where one starts reading, *Devotions* offers much to love, from Oliver's exuberant dog poems to selections from the Pulitzer Prize-winning *American Primitive*, and *Dream Work*, one of her exceptional collections. Perhaps more important, the luminous writing provides respite from our crazy world and demonstrates how mindfulness can define and transform a life, moment by moment, poem by poem." —The Washington Post "It's as if the poet herself has sidled beside the reader and pointed us to the poems she considers most worthy of deep consideration." —Chicago Tribune Pulitzer Prize-winning poet Mary Oliver presents a personal selection of her best work in this definitive collection spanning more than five decades of her esteemed literary career. Throughout her celebrated career, Mary Oliver has touched countless readers with her brilliantly crafted verse, expounding on her love for the physical world and the powerful bonds between all living things. Identified as far and away, this country's best selling poet by Dwight Garner, she now returns with a stunning and definitive collection of her writing from the last fifty years. Carefully curated, these 200 plus poems feature Oliver's work from her very first book of poetry, *No Voyage and Other Poems*, published in 1963 at the age of 28, through her most recent collection, *Felicity*, published in 2015. This timeless volume, arranged by Oliver herself, showcases the beloved poet at her edifying best. Within these pages, she provides us with an extraordinary and invaluable collection of her passionate, perceptive, and much-treasured observations of the natural world.

the waking theodore roethke analysis: Roll Deep: Poems Major Jackson, 2015-08-03 A whimsical and “devastatingly effective” (Washington Post) collection that captures the spirit of travel and pays homage to heritage. In his fourth collection, a breakthrough volume, Major Jackson appropriates the vernacular notion of “rolling deep” to capture the spirit of aesthetic travel that defines these forceful new poems and brazenly announces his steady accretion of literary and artistic influences, both formal and experimental—his “crew.” The confident and radiant poems in Roll Deep address a range of topics, most prominently human intimacy and war. And like his best work to date, these poems create new experiences with language owed to Jackson’s willingness to once again seek a rhythmic sound that expresses the unique realities of the twenty-first century with humor and understanding. Whether set in Nairobi, Madrid, or Greece, the poems are sensuously evocative and unapologetically with-it, in their effort to build community across borders of language and style. From Urban Renewal, “The Dadaab Suite”: I have come to Dadaab like an actor on a press release, unprepared for the drained faces of famine-fleeing refugees, my craft’s glamour dimmed by hundreds of infant graves, children whose lolling heads’ final drop landed on their mothers’ backs like soft stones. What beauty can I spell in this swelter of dust?

the waking theodore roethke analysis: Life in the Iron-Mills Rebecca Harding Davis, 2016-05-28 Before Women Had Rights, They Worked - Regardless. Life in the Iron Mills is a short story (or novella) written by Rebecca Harding Davis in 1861, set in the factory world of the nineteenth century. It is one of the earliest American realist works, and is an important text for those who study labor and women's issues. It was immediately recognized as an innovative work, and introduced American readers to the bleak lives of industrial workers in the mills and factories of the nation. Reviews: Life in the Iron Mills was initially published in The Atlantic Monthly, Vol. 0007, Issue 42 in April 1861. After being published anonymously, both Emily Dickinson and Nathaniel Hawthorne praised the work. Elizabeth Stuart Phelps Ward was also greatly influenced by Davis's Life in the Iron Mills and in 1868 published in The Atlantic Monthly The Tenth of January, based on the 1860 fire at the Pemberton Mills in Lawrence, Massachusetts. the waking theodore roethke analysis: Shakespearean Metadrama James L. Calderwood, 1971-03-10 Shakespearean Metadrama was first published in 1971. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. In a new approach to Shakespeare criticism, the author interprets five of Shakespeare's early plays as metadramas, dramas that are not only about the various moral, social, political, and other thematic issues with which critics have so long been concerned but also about the plays themselves. Professor Calderwood demonstrates that in these five plays Shakespeare writes about his dramatic art -- its nature, its media of language and theater, its generic forms and conventions, its relationship to truth and the social order. In an introductory chapter the author explains his theory of metadrama, placing it in a general critical context as well as in the specific framework of Shakespeare's plays. He distinguishes between the meaning of metadrama and the similar terms metaplay and metatheatre. He points out that the dominant metadramatic aspect of the five plays under study is the interplay of language and action in drama. A separate chapter is devoted to the interpretation of each of the plays. Professor Calderwood is aware that in presenting his critical theory and interpretations he may be met with skepticism by other scholars and critics. He anticipates such a situation in the introduction: To the critic trying on introductory styles for a book on Shakespearean metadrama, he writes, the plight of Falstaff at the Boar's Head Tavern comes all too readily to mind. 'What trick, he must ask himself, 'what device, what starting-hole, canst thou now find out to hide thee from this open and apparent shame?'

the waking theodore roethke analysis: The Places That Hold John Davis, 2021-12-14 John Davis Jr.'s fifth collection of poetry, *The Places That Hold*, praises the dusty morning light of citrus farming and the pleasures of fatherhood as it explores the darkness of places like the infamous Dozier Reform School in Florida's panhandle. Intertwining past and present with rural life, social justice, and the value of family, *The Places That Hold* offers readers a glimpse into the lesser-known corridors of the Sunshine State.

the waking theodore roethke analysis: The Teachers & Writers Handbook of Poetic Forms Ron Padgett, 2000 A reference guide to various forms of poetry with entries arranged in alphabetical order. Each entry defines the form and gives its history, examples, and suggestions for usage.

the waking theodore roethke analysis: Miracles: the Wonder of Life Walt Whitman, 1969 Whitman says no one makes much of miracles anymore even though miracles occur around us all the time.
