the wellness cafe podcast: The Reckless Kind Carly Heath, 2021-11-09 A genre-defying debut, this queer historical YA centers a wild and reckless trio who fly in the face of small-town tradition—full of compassion, love, and determination to live the lives of their choosing. It's 1904 on an island just west of Norway, and Asta Hedstrom doesn't want to marry her odious betrothed, Nils. But her mother believes she should be grateful for the possibility of any domestic future, given her single-sided deafness, unconventional appearance, and even stranger notions. Asta would rather spend her life performing in the village theater with her fellow outcasts: her best friend Gunnar Fuglestad and his secret boyfriend, wealthy Erlend Fournier. But the situation takes a dire turn when Nils lashes out in jealousy—gravely injuring Gunnar. Shunning marriage for good, Asta moves with Gunnar and Erlend to their secluded cabin above town. With few ties left to their families, they have one shot at gaining enough kroner to secure their way of life: win the village's annual horse race. Despite Gunnar's increasing misgivings, Asta and Erlend intend to prove this unheard-of arrangement will succeed. Asta trains as a blacksmith; Erlend cares for recovering Gunnar. But as race day approaches, the villagers' hateful ignorance only grows stronger. With this year's competition proving dangerous for the trio, Asta and Erlend soon find they face another equally deadly peril: the possibility of losing Gunnar, and their found family, forever.

the wellness cafe podcast: Unleash Your Primal Brain Tim Ash, 2020-06-29 Understand what makes us human! This book is about the commonalities all 8,000,000,000 people on earth share. Our ancestors were molded by ruthless survival pressures from the earliest days of life on the planet.

Adaptations which worked long ago are still inside of us – also shared with insects and reptiles. Later additions are common to all mammals from the tiniest shrews to the most massive whales. Some capabilities were bolted on relatively recently, and are only shared with our primate cousins. And the runaway explosion of humans on the planet can only be explained by our own bizarre species-level evolution. The only way to understand how our brains work is to examine the complete evolutionary arc. Find out why your primal brain is in charge, and your logical mind is usually asleep. Learn what makes people unique among all other animals. Understand the biased shortcuts your brain takes to make decisions. Discover how culture has evolved us for learning and cooperation. Find out how fairness and group conformity impact our behavior. Understand the real purpose of memory, sleep, and dreaming. Learn how stories allow us to mind-meld with other people. Should I read this book? Yes – if you have a brain and want to understand how it works!... Personal development – Improve your memory, strengthen personal relationships and community, understand your motivations and drives, make peace with your emotional nature. Relationships – Learn why you have an affinity for certain kinds of cultures and beliefs, understand gender differences and deep-seated emotional needs, get insights into children's development, create stronger friendships. Business – This book can be mined for insights about leadership, group cooperation, motivation, marketing and persuasion, sales, and effective communication.

the wellness cafe podcast: A Single Revolution Shani Silver, 2021-10-07 Shani Silver is not an advocate for singlehood. She's an advocate for single women feeling good while single—and there's a difference. *A Single Revolution* is one book for single women that won't approach you like you're unfinished. It's for those who are exhausted, frustrated, confused, or angry—who want relationships but don't deserve to be miserable in the meantime. A grueling dating grind isn't a prerequisite for partnership. You can be happily single and still meet someone—that's allowed. It's possible to value your single time so much that you refuse to give it up for anything less than the amazing relationships you deserve. It's also possible to stop searching for them so relentlessly that you ignore every other aspect of your valid, beautiful life. This isn't a book about dating. It's a book about living. You can choose how you feel about being single. You can choose to feel wrong, or you can choose to feel free. *A Single Revolution* isn't about changing yourself—it's about changing your mind.

the wellness cafe podcast: The Addiction Inoculation Jessica Lahey, 2021-04-06 “The *Addiction Inoculation* is a vital look into best practices parenting. Writing as a teacher, a mother, and, as it happens, a recovering alcoholic, Lahey's stance is so compassionate, her advice so smart, any and all parents will benefit from her hard-won wisdom.” —Peggy Orenstein, author of *Girls & Sex* and *Boys & Sex* In this supportive, life-saving resource, the New York Times bestselling author of *The Gift of Failure* helps parents and educators understand the roots of substance abuse and identify who is most at risk for addiction, and offers practical steps for prevention. Jessica Lahey was born into a family with a long history of alcoholism and drug abuse. Despite her desire to thwart her genetic legacy, she became an alcoholic and didn't find her way out until her early forties. Jessica has worked as a teacher in substance abuse programs for teens, and was determined to inoculate

her two adolescent sons against their most dangerous inheritance. All children, regardless of their genetics, are at some risk for substance abuse. According to the National Center on Addiction and Substance Abuse, teen drug addiction is the nation's largest preventable and costly health problem. Despite the existence of proven preventive strategies, nine out of ten adults with substance use disorder report they began drinking and taking drugs before age eighteen. The Addiction Inoculation is a comprehensive resource parents and educators can use to prevent substance abuse in children. Based on research in child welfare, psychology, substance abuse, and developmental neuroscience, this essential guide provides evidence-based strategies and practical tools adults need to understand, support, and educate resilient, addiction-resistant children. The guidelines are age-appropriate and actionable—from navigating a child's risk for addiction, to interpreting signs of early abuse, to advice for broaching difficult conversations with children. The Addiction Inoculation is an empathetic, accessible resource for anyone who plays a vital role in children's lives—parents, teachers, coaches, or pediatricians—to help them raise kids who will grow up healthy, happy, and addiction-free.

the wellness cafe podcast: Psychedelics and Psychotherapy Tim Read, Maria Papaspyrou, 2021-09-07 • Examines the therapeutic potential of expanded states, underground psychedelic psychotherapy, harm reduction, new approaches for healing individual and collective trauma, and training considerations • Addresses challenging psychedelic experiences, spiritual emergencies, and the central importance of the therapeutic relationship • Details the use of cannabis as a psychedelic tool, spiritual exploration with LSD, micro-dosing with Iboga, and MDMA-assisted psychotherapy for PTSD Exploring the latest developments in the flourishing field of modern psychedelic psycho-therapy, this book shares practical experiences and insights from both elders and newer research voices in the psychedelic research and clinical communities. The contributors examine new findings on safe and skillful work with psychedelic and expanded states for therapeutic, personal, and spiritual growth. They explain the dual process of opening and healing. They explore new approaches for individual inner work as well as for the healing of ancestral and collective trauma. They examine the power of expanded states for reparative attachment work and offer insights on the integration process through the lens of Holotropic Breathwork. The contributors also examine the use of cannabis as a psychedelic tool, spiritual exploration with LSD, microdosing with Iboga, treating depression with psilocybin, and MDMA-assisted psychotherapy for PTSD. Revealing diverse ways of working with psychedelics in terms of set, setting, and type of substance, the book concludes with discussions of ethics and professional development for those working in the field as well as explores considerations for training the next generation of psychedelic therapists.

the wellness cafe podcast: Nothing Much Happens Kathryn Nicolai, 2020-10-06 Soothing stories to help you fall and stay asleep, based on the popular podcast *Busy minds need a place to rest*. Whether you find yourself struggling to sleep, awake in the middle of the night, or even just anxious as you move through the day, in *Nothing Much Happens*, Kathryn Nicolai offers a healthy way to ease the mind before bed: through the timeless appeal of classic bedtime stories. Already beloved by millions of podcast listeners, the stories in *Nothing Much Happens* explore and expose small sweet moments of joy and relaxation: Sneaking lilacs from an abandoned farm in the spring. the wellness cafe podcast: *The Happier Approach* Nancy Jane Smith, 2018-01-10 After almost 20 years of working with women dealing with anxiety and stress. Nancy Jane Smith found that one thing that prevents us from feeling happier is how we talk to ourselves. The voice that talks the loudest, is the Monger, who tricks us into beating ourselves up to become a better version of ourselves. The Happier Approach is a simple way to quiet the Monger, be kind to yourself and become more accomplished and productive. Through humor and storytelling Nancy Jane will share: How to unhook the belief that being kind to yourself will make you soft and cut your competitive advantage. The 3 characters that influence your ability to be happier. When your Monger has taken over and what to do next. Why your BFF can steer you in the wrong direction. How to unleash your Biggest Fan so you can make decisions for your life without shame, or guilt and be genuinely happier. You don't need to stay in survival mode. You just need a different approach...The Happier Approach

the wellness cafe podcast: Food-Related Stories Gaby Melian, 2022-01-18 "Gaby Melian tells so many stories through her relationship with food—about love, about loss, about hard work, and about finding her passion. The pages are dripping with delicious smells and tastes, and will give you a new way to look at both cooking and what it means to have a plan." —Molly Birnbaum, editor in chief, *America's Test Kitchen Kids* In this moving, personal account, chef and activist Gaby Melian shares her journey with food and how creating a relationship with food -- however simple or complicated -- is a form of activism in its own right. Pocket Change Collective was born out of a need for space. Space to think. Space to connect. Space to be yourself. And this is your invitation to join us. This is a series of small books with big ideas from today's leading activists and artists. Food rescued me so many other times -- not only because I sold food to survive. I cook to entertain; I cook to be liked; I cook to be loved. In this installment, chef and activist Gaby Melian shares her personal journey with food -- from growing up in Argentina to her time as a Jersey City street vendor and later, as Bon Appetit's test kitchen manager. Powerful and full of heart, here, Melian explores how we can develop a relationship with food that's healthy, sustainable, and thoughtful.

the wellness cafe podcast: Alonement Francesca Specter, 2022-02-15 How to be alone and absolutely own it, by founder of the Alonement blog and podcast, Francesca Specter. Being alone has a serious branding issue. We've only ever had negative language to talk about flying solo - but what about when time spent alone is restorative and joyful? What if it's something you crave? What if it's even just an hour you've carved out for yourself in the middle of a hectic week? Enter: Alonement, Francesca Specter's empowering new word to express valuing your own company and dedicating quality time to yourself, whoever you are and whatever your relationship status. Between open-plan offices, two-for-one vouchers and co-habiting with partners and friends, most of us don't know how to be alone - yet our life-long relationship with ourselves is the most important one we'll ever have. A reformed 'extreme extrovert' who struggled to spend even an hour alone, Francesca made the resolution in January 2019 to improve her solitude skills. Having spent two months of lockdown by herself, Francesca knows better than most how to optimise the quality of time spent alone. Packed with practical tips, insights from key experts and lessons from guests of the Alonement podcast - including Alain de Botton, Florence Given, Konnie Huq and Camilla Thurlow - Francesca reveals how we can all thrive alone, whatever our circumstances, and harness the untapped power of some meaningful time with me, myself and I.

the wellness cafe podcast: Radical Remission Kelly A. Turner, PhD, 2014-03-18 In her New York Times bestseller, *Radical Remission: Surviving Cancer Against All Odds*, Dr. Kelly A. Turner, founder of the Radical Remission Project, uncovers nine factors that can lead to a spontaneous remission from cancer—even after conventional medicine has failed. While getting her Ph.D. at the University of California, Berkley, Dr. Turner, a researcher, lecturer, and counselor in integrative oncology, was shocked to discover that no one was studying episodes of radical (or unexpected) remission—when people recover against all odds without the help of conventional medicine, or after conventional medicine has failed. She was so fascinated by this kind of remission that she embarked on a ten month trip around the world, traveling to ten different countries to interview fifty holistic healers and twenty radical remission cancer survivors about their healing practices and techniques. Her research continued by interviewing over 100 Radical Remission survivors and studying over 1000 of these cases. Her evidence presents nine common themes that she believes may help even terminal patients turn their lives around.

the wellness cafe podcast: Women Rowing North Mary Pipher, 2019-01-15 New York Times Bestseller * USA Today Bestseller* Los Angeles Times Bestseller * Publishers Weekly Bestseller A guide to wisdom, authenticity, and bliss for women as they age by the author of *Reviving Ophelia*. Women growing older contend with ageism, misogyny, and loss. Yet as Mary Pipher shows, most older women are deeply happy and filled with gratitude for the gifts of life. Their struggles help them grow into the authentic, empathetic, and wise people they have always wanted to be. In *Women Rowing North*, Pipher offers a timely examination of the cultural and developmental issues women face as they age. Drawing on her own experience as daughter, sister, mother, grandmother, caregiver, clinical psychologist, and cultural anthropologist, she explores ways women can cultivate resilient responses to the challenges they face. "If we can keep our wits about us, think clearly, and manage our emotions skillfully," Pipher writes, "we will experience a joyous time of our lives. If we have planned carefully and packed properly, if we have good maps and guides, the journey can be transcendent."

the wellness cafe podcast: Training for Climbing Eric Horst, 2008-09-16 Drawing on new research in sports medicine, nutrition, and fitness, this book offers a training program to help any climber achieve superior performance and better mental concentration on the rock, with less risk of injury.

the wellness cafe podcast: Growing Young Marta Zaraska, 2020-06-16 NATIONAL BESTSELLER A smart, research-driven case for why optimism, kindness, and strong social networks will help us live to 100. From the day her daughter was born, science journalist Marta Zaraska fretted about what she and her family were eating. She fasted, considered adopting the keto diet, and ran a half-marathon. She bought goji berries and chia seeds and ate organic food. But then her research brought her to read countless scientific papers and to interview dozens of experts in various fields of study, including molecular biochemistry, epidemiology and neuroscience. What Marta discovered shattered her long-held beliefs about aging and longevity. A strong support network of family and friends, she learned, lowers mortality risk by about 45 percent, while exercise only lowers it by about 23 percent. Volunteering your free time lowers it by 22 percent or so, while certain health fads like turmeric haven't been shown to help at all. These revelations led Marta

Zaraska to a simple conclusion: In addition to healthy nutrition and physical activity, deepening friendships, practicing empathy and contemplating your purpose in life can improve your lifespan. Through eleven chapters that take her around the world, from catching wild mice in the woods of central England to flower arranging with octogenarians in Japan, from laboratories to hugging centres, Marta embarks on an absorbing, entertaining and insightful journey to determine the habits that will have the greatest impact on our longevity. Deeply researched and expertly reported, *Growing Young* will dramatically change the way you seek a longer, happier life.

the wellness cafe podcast: Know-It-All Society: Truth and Arrogance in Political Culture Michael P. Lynch, 2019-08-13 Winner • National Council of Teachers of English - George Orwell Award for Distinguished Contribution to Honesty and Clarity in Public Language The "philosopher of truth" (Jill Lepore, *The New Yorker*) returns with a clear-eyed and timely critique of our culture's narcissistic obsession with thinking that "we" know and "they" don't. Taking stock of our fragmented political landscape, Michael Patrick Lynch delivers a trenchant philosophical take on digital culture and its tendency to make us into dogmatic know-it-alls. The internet—where most shared news stories are not even read by the person posting them—has contributed to the rampant spread of "intellectual arrogance." In this culture, we have come to think that we have nothing to

learn from one another; we are rewarded for emotional outrage over reflective thought; and we glorify a defensive rejection of those different from us. Interweaving the works of classic philosophers such as Hannah Arendt and Bertrand Russell and imposing them on a cybernetic future they could not have possibly even imagined, Lynch delves deeply into three core ideas that explain how we've gotten to the way we are: • our natural tendency to be overconfident in our knowledge; • the tribal politics that feed off our tendency; • and the way the outrage factory of social media spreads those politics of arrogance and blind conviction. In addition to identifying an ascendant "know-it-all-ism" in our culture, Lynch offers practical solutions for how we might start reversing this dangerous trend—from rejecting the banality of emoticons that rarely reveal insight to embracing the tenets of Socrates, who exemplified the humility of admitting how little we often know about the world, to the importance of dialogue if we want to know more. With bracing and deeply original analysis, Lynch holds a mirror up to American culture to reveal that the sources of our fragmentation start with our attitudes toward truth. Ultimately, Know-It-All Society makes a powerful new argument for the indispensable value of truth and humility in democracy.

In addition to debunking common diet myths and sharing vital tips on detoxifying our bodies and psyches—advice that draws both on her personal experience as a cancer survivor and that of experts—she provides helpful hints on natural personal care, how to stretch a dollar, navigate the grocery store, eating well on the run, and working through the inevitable pangs and cravings for your old not-so-healthy life. Crazy Sexy Diet is a must for anyone who seeks to be a confident and sexy wellness warrior.

the wellness cafe podcast: Happiness Through Hardship Caryn Sullivan, 2019-06-29 Does your diagnosis have you desperate as to what to do next? Shocked, scared and practically paralyzed with your next steps? Help is here in this brilliant, quick and simplified book backed with the best advice from a two-time cancer survivor who walked in similar shoes. Like a good friend holding your hand, Caryn Sullivan's Happiness through Hardship is written in support of cancer patients, their caregivers and/or friends who need direction during the first few weeks after diagnosis. This cancer-surviving guide book empowers readers to take immediate steps for being prepared, less-stressed and able to find a little joy within the journey. Happiness through Hardship directs those facing an initial cancer diagnosis with positivity and hope. Structured with thoughtful tips and anecdotes, this short book provides gentle guidance from the first few days to the thickness of treatments, and includes a journal and note-taking pages to be used as a reference during doctor appointments and meetings. After her own cancer diagnosis, Caryn understands the importance of a book that's easily digestible and not overwhelmingly long. Her insight provides a little light during the darker days. The first few weeks after diagnosis are often most challenging. Caryn was blessed to have three angels, Ellen Cavauiolo, Mary Ann Wasil and Meghan Zucker guide her throughout the early days. This book is dedicated to them and half the proceeds will be donated to metastatic breast cancer research through The Cancer Couch Foundation.

the wellness cafe podcast: Magpie Elizabeth Day, 2022-05-03 For fans of The Last Mrs.

Parrish comes a twisty psychological suspense novel about motherhood, obsession, and just how far some will go for the perfect family. "Great, plain and simple" (Stanley Tucci). Marisa and Jake are a perfect couple. And Kate, their new lodger, is the perfect roommate—and not just because her rent payments will give them the income they need to start trying for the baby of their dreams.

Except—no one is truly perfect. Sure, Kate doesn't seem to care much about personal boundaries and can occasionally seem overly familiar with Jake. But Marisa doesn't let it concern her, knowing that soon Kate will be gone, and it will just be her, Jake, and their future baby. Conceiving a baby is easier said than done, though, and Jake and Marisa's perfect relationship is put to the test through months of fertility treatments and false starts. To make matters worse, Kate's boundary-pushing turns into an all-out obsession—with Jake, with Marisa, and with their future child. Who is this woman? Why does she seem to know everything about Marisa and Jake? In her quest to find out who Kate really is, Marisa might destroy everything she's worked so hard to create—her perfect romance, her perfect family, and her perfect self. Jake doesn't know the half of what Marisa has created—and what she stands to lose. For fans of *Gone Girl* and *The Perfect Nanny*, *Magpie* is a "tense" (The Guardian), "gorgeous" (Lisa Taddeo, bestselling author of *Three Women*), "completely, terrifyingly brilliant" (Marian Keyes, author of *Grown Ups*) novel about mothers and children, envy and possession, and the dangers of getting everything you've ever dreamed of.

the wellness cafe podcast: Go Ask Ali Ali Wentworth, 2018-04-24 New York Times bestselling author Ali Wentworth offers her hilarious and unique advice on surviving the absurdity of modern life in her third collection of laugh-out-loud comic vignettes. Ali Wentworth's first two books, *Ali in Wonderland* and *Happily Ali After*, were lauded by readers, critics, and fellow comedians alike. Entertainment Weekly included *Happily Ali After* on its Must List and hailed it as hilarious. . . . Her glass isn't half full—it's empty and cracked, while Cosmopolitan praised it as razor-sharp. Chelsea Handler called *Ali in Wonderland* truly hilarious, and Kathy Griffin christened it, *Chicken Soup for the Vagina*. Alec Baldwin has described Ali as funny and warm and crazy all at once. Like Barbara Eden. But on something. Like crystal meth, and Jerry Seinfeld has raved, Everything that comes out of Ali Wentworth's mouth is funny! At once endearing and hilarious, thoughtful and far-fetched, this third collection offers Ali at her wisest and wittiest as she delivers tips, pointers, and quips on a host of life's conundrums and sticky situations, including the funny, sometimes embarrassing yet unforgettable situations that have shaped her inimitable world view as a wife, mother, actress, comedian, and all around bon vivant. Thoroughly entertaining, *Go Ask Ali* is packed with thoughts and musings from the girlfriend you want to have a glass of wine with, the one who makes you laugh because she sees the funny and the absurd in everything (Huffington Post).

the wellness cafe podcast: *Blondie Without Borders* Christine Seibold, 2021-09-11 I have been on a journey to find love my whole life. Little did I know, it was self-love that I really needed! I can remember the first crush I had on my classmate Matty Jones all the way back in preschool. I have always longed to feel that special love from another man. Not to say that my parents don't love me; they love me very much. But it is a different kind of love that I have always yearned for, a deeper connection. But the journey to finding this love has not been easy. Sometimes I look back and think to myself, how are you still alive? Some of the stories that I have shared in this book are unbelievable, but they are all real and they all happened to me. I truly believe we are put on this Earth for a reason, whether it is to teach and influence others with our message or to help others in a different way. I hope my stories help you, make you laugh, and teach you an invaluable lesson. I want you to know that it is never too late to improve or change whatever you may want in your life. You can be anyone you want to be, and do anything you want to do, and it is never too late to start. And most importantly, it is ok to say no and to set boundaries if something or someone is not good for you or aligned with what you want in life. Christine Seibold has been a huge advocate for supporting women and their entrepreneurial goals ever since she opened her own business, *Freelance N Freedom*, in 2018. Her why for writing this book is to share her message and life lessons about the importance of boundaries and what happens when there are none. She talks about difficult situations in her life that she fought through and overcame to show women that no matter what they face, they can always move forward and have a little bit of hope. At the end of the book, Christine shares her method of how to set healthy boundaries and also provides some space for journaling and self-reflection. She wants women to know that they are enough just the way they are,

and that it is ok to set boundaries in relationships, with work, with self-care, with money, with food, with alcohol, or whatever else may cross their path.

the wellness cafe podcast: The 77 Laws of Six Pack Abs Peter Tzemis, Stephen Campolo, 2021-10-05 Call me superficial, but the world has a unique response to a guy who walks around with a shredded six-pack. They know that you're someone special. Someone different. No matter how many times you've failed in the past or how bad your genetics are, carving a shredded six-pack is possible-with the right blueprint. The 77 laws is that blueprint. In this book, you'll discover: Law #42: Why I routinely take (and prescribe) a smoker's break to live longer, while carving ice cube abs almost on autopilot (this isn't what you think). Law #54: One almost-effortless activity you're already doing that can optimize your body's metabolism in less than thirty days-with one simple tweak (it's as easy as brushing your teeth every morning). Law #55: Mother nature's very own six-pack steroid to 10x your six pack results. Law #32: Our secret infamous six-pack shake recipe that controls hunger, accelerates fat loss, protects your muscle, prolongs ketogenesis, and creates a keystone habit that makes success automatic (it's so effective we only give this recipe to our private celebrity clients). Law #60: How Michael Phelps can consume 10,000 calories a day and not gain an ounce of fat. It's a three-minute hack you can do at home (without an Olympic-sized swimming pool). And much, much more!
