Tomb Raider: Unfinished Business - Canon Status and Impact

Introduction:

The lingering question of "Unfinished Business" within the Tomb Raider canon continues to spark debate among fans. This exploration delves into the game's place in the overarching narrative, examining its connection to the established timeline and the impact its story has on Lara Croft's character development. We will unravel the complexities of its canonicity, addressing fan theories and official statements to provide a clear understanding of its significance within the larger Tomb Raider universe.

Article Outline:

- I. "Unfinished Business" Gameplay and Narrative Summary: A concise overview of the game's plot and core events.
- II. Timeline Placement within the Tomb Raider Series: Determining where "Unfinished Business" fits chronologically within the existing games.
- III. Character Development and its impact on future games: Exploring how "Unfinished Business" shapes Lara Croft's personality and skills.
- IV. Canonicity Debate among Fans and Developers: Examining differing opinions on its official status and the arguments supporting each side.
- V. Impact on the Reboot Timeline (2013 onwards): Discussing whether "Unfinished Business" elements have influenced or contradicted the reboot series.
- VI. Legacy and lasting impact on the franchise: Assessing the game's long-term influence on the Tomb Raider mythology and lore.

Article Body:

- I. "Unfinished Business" Gameplay and Narrative Summary:

"Tomb Raider: Unfinished Business," a downloadable expansion pack for Tomb Raider: Anniversary, focuses on Lara Croft's pursuit of the missing pieces of a powerful artifact following the events of the main game. The narrative centers on her investigation of an ancient civilization and a dangerous power struggle, testing her skills and resilience.

II. Timeline Placement within the Tomb Raider Series:

Chronologically, "Unfinished Business" directly follows the events of "Tomb Raider: Anniversary," a reimagining of the original Tomb Raider. It bridges a gap, adding further depth to Lara's adventures after her escape from Natla's clutches, but before her next major expedition.

III. Character Development and its Impact on Future Games:

"Unfinished Business" showcases Lara's growing resourcefulness and determination, as she faces increasingly complex challenges and treacherous environments. These experiences likely contribute to her development as a more self-reliant and experienced adventurer in later games, refining her skills in problem-solving and combat.

IV. Canonicity Debate among Fans and Developers:

The official status of "Unfinished Business" as canonical remains somewhat ambiguous. While not explicitly declared non-canon by developers, its relative lack of mention in subsequent games and its status as DLC, rather than a core title, has led to debate among fans.

Some argue its inclusion in the timeline enhances Lara's backstory, while others view it as a supplementary adventure not directly impacting the main narrative arc.

V. Impact on the Reboot Timeline (2013 onwards):

The 2013 Tomb Raider reboot and its sequels established a separate continuity. The events of "Unfinished Business," therefore, don't directly influence this new timeline. However, the themes of survival, resourcefulness, and overcoming adversity present in "Unfinished Business" align with the core narrative themes explored in the rebooted series, showcasing a consistent exploration of Lara's character arc across different iterations.

VI. Legacy and Lasting Impact on the Franchise:

Although not a main series entry, "Unfinished Business" holds a place in the hearts of many fans. It provided additional gameplay and narrative depth, further enriching the world of Lara Croft and contributing to the overall lore of the Tomb Raider universe. Its influence might be subtle, but its contribution to shaping the perception of Lara's early adventures remains undeniable. The expansion demonstrated the willingness to expand upon the existing narrative, which paved the way for future DLC and expansions in subsequent Tomb Raider games.

Conclusion:

While the canonicity of "Tomb Raider: Unfinished Business" remains a subject of ongoing discussion, its impact on the overall Tomb Raider narrative is undeniable. It provides valuable insight into Lara's early development as an adventurer, adding layers to her character and showcasing her growing expertise. Whether considered fully canon or not, the expansion stands as a noteworthy addition to the franchise, offering fans a glimpse into a crucial period in Lara Croft's journey.

Frequently Asked Questions (FAQs):

Q: Is "Tomb Raider: Unfinished Business" canon? A: There's no official confirmation. While not explicitly dismissed, its integration into the main storyline in later games is minimal. It's largely seen as an enjoyable expansion that adds to the Anniversary experience but is not essential to the core narrative.

Q: How does "Unfinished Business" fit into the overall Tomb Raider timeline? A: It directly follows the events of "Tomb Raider: Anniversary," bridging a gap before Lara's next major adventure.

Q: Does "Unfinished Business" impact the 2013 reboot storyline? A: No, the 2013 reboot and its sequels operate in a separate continuity.

Q: Is "Unfinished Business" worth playing? A: For fans of "Tomb Raider: Anniversary," it offers extended gameplay, additional lore, and further character development for Lara Croft.

tomb raider unfinished business canon: Investigating Iwo Breanne Robertson, 2019

Investigating Iwo encourages us to explore the connection between American visual culture and World War II, particularly how the image inspired Marines, servicemembers, and civilians to carry on with the war and to remember those who made the ultimate sacrifice to ensure victory over the Axis Powers. Chapters shed light on the processes through which history becomes memory and gains meaning over time. The contributors ask only that we be willing to take a closer look, to remain open to new perspectives that can deepen our understanding of familiar topics related to the flag raising, including Rosenthal's famous picture, that continue to mean so much to us today--

tomb raider unfinished business canon: Tomb Raider Volume 3: Queen of Serpents

Rhianna Pratchett, 2015-11-24 The writer of the Tomb Raider 2013 video game--Rhianna Pratchett--continues Lara Croft's story where the smash hit Tomb Raider game left off in this collection of the Tomb Raider comic's third arc, spanning issues #13-#18! Lara must save the life of a friend she thought to be dead as a dangerous organization threatens to kill this person for good! But Lara will not be alone as Sam, Jonah, and Kaz join her on this rescue mission! Danger lurks behind every shadow--can they make it in time to save a life they thought was lost?!

tomb raider unfinished business canon: An Introduction to the Study of Indian History

tomb raider unfinished business canon: Cannibals with Forks John Elkington, 1999 Based

on first-hand experience with companies such as Volvo, BP, Proctor and Gamble, ICI and Fuji Xerox, Elkington defines the triple bottom line of 21st century business as profit, environmental sustainability and social responsibility.

tomb raider unfinished business canon: Tolkien B. Rosebury, 2003-10-21 This comprehensive and discriminating account of Tolkien's work has been revised and expanded, to take account both of recent developments in scholarship, and of the recent films directed by Peter Jackson. Tracing the development of Tolkien's creative technique over several decades, it explores the bewildering profusion of shorter works, as well as devoting an extended analysis to *The Lord of the Rings*. Chapters consider Tolkien's contribution to the history of ideas, and review the reception of the *Lord of the Rings* film adaptations and other popular adaptations of his work.

tomb raider unfinished business canon: Film Remakes NA NA, 2016-10-03 This is the first book to provide a comprehensive and systematic account of the phenomenon of cinematic remaking. Drawing upon recent theories of genre and intertextuality, *Film Remakes* describes remaking as both an elastic concept and a complex situation, one enabled and limited by the interrelated roles and practices of industry, critics, and audiences. This approach to remaking is developed across three broad sections: the first deals with issues of production, including commerce and authors; the second considers genre, plots, and structures; and the third investigates issues of reception, including audiences and institutions.

An alternative form of the dictionary is available at: <http://elibrary.fultus.com/covers/technical/linux/guides/Linux-Dictionary/cover.html> Fultus Corporation helps writers and companies to publish, promote, market, and sell books and eBooks. Fultus combines traditional self-publishing practices with modern technology to produce paperback and hardcover print-on-demand (POD) books and electronic books (eBooks). Fultus publishes works (fiction, non-fiction, science fiction, mystery, ...) by both published and unpublished authors. We enable you to self-publish easily and cost-effectively, creating your book as a print-ready paperback or hardcover POD book or as an electronic book (eBook) in multiple eBook's formats. You retain all rights to your work. We provide distribution to bookstores worldwide. And all at a fraction of the cost of traditional publishing. We also offer corporate publishing solutions that enable businesses to produce and deliver manuals and documentation more efficiently and economically. Our use of electronic delivery and print-on-demand technologies reduces printed inventory and saves time. Please inform the author as to whether you would like to create a database or an alternative form of the dictionary so that he can include you in this list. Also note that the author considers breaches of copyright to be extremely serious. He will pursue all claims to the fullest extent of the law.

tomb raider unfinished business canon: *The Future of Technology* Tom Standage, 2005-08-01 From the industrial revolution to the railway age, through the era of electrification, the advent of mass production, and finally to the information age, the same pattern keeps repeating itself. An exciting, vibrant phase of innovation and financial speculation is followed by a crash, after which begins a longer, more stately period during which the technology is actually deployed properly. This collection of surveys and articles from *The Economist* examines how far technology has come and where it is heading. Part one looks at topics such as the "greying" (maturing) of IT, the growing importance of security, the rise of outsourcing, and the challenge of complexity, all of which have more to do with implementation than innovation. Part two looks at the shift from corporate computing towards consumer technology, whereby new technologies now appear first in consumer gadgets such as mobile phones. Topics covered will include the emergence of the mobile phone as the "digital Swiss Army knife"; the rise of digital cameras, which now outsell film-based ones; the growing size and importance of the games industry and its ever-closer links with other more traditional parts of the entertainment industry; and the social impact of technologies such as text messaging, Wi-Fi, and camera phones. Part three considers which technology will lead the next great phase of technological disruption and focuses on biotechnology, energy technology, and nanotechnology.

tomb raider unfinished business canon: *The Cambridge History of the Byzantine Empire c.500-1492* Jonathan Shepard, 2019-06-30 Byzantium lasted a thousand years, ruled to the end by self-styled 'emperors of the Romans'. It underwent kaleidoscopic territorial and structural changes, yet recovered repeatedly from disaster: even after the near-impregnable Constantinople fell in 1204, variant forms of the empire reconstituted themselves. *The Cambridge History of the Byzantine Empire c.500-1492* tells the story, tracing political and military events, religious controversies and economic change. It offers clear, authoritative chapters on the main events and periods, with more detailed chapters on outlying regions and neighbouring societies and powers of Byzantium. With aids such as maps, a glossary, an alternative place-name table and references to English translations of sources, it will be valuable as an introduction. However, it also offers stimulating new approaches and important findings, making it essential reading for postgraduates and for specialists. The

revised paperback edition contains a new preface by the editor and will offer an invaluable companion to survey courses in Byzantine history.

tomb raider unfinished business canon: *The American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, Kenneth White Munden, 1971 The American Film Institute Catalog has won great praise for its comprehensiveness, reliability, and utility. These volumes are an essential purchase for every library, and individual researchers will also find them indispensable. This newest AFI volume contains over 4,300 entries for feature-length films produced in the United States in the 1940s. The decade was an important and transitional one for filmmakers. Societal changes from the war years were reflected in films, and in the late 1940s the rise of television, the Hollywood blacklist, and the breakup of studio-owned theater chains greatly affected the number and types of films produced. Among films newly viewed for the book are such well-known classics as *Citizen Kane*, *The Best Years of Our Lives*, and *Casablanca*, along with less heralded films such as *Fighting Men of the Plains* and *The Strange Death of Adolf Hitler*. Entries include complete cast and crew credits, extensive plot summaries, and notes and sources for further study. A large accompanying volume provides access to the films through nine separate indexes, including personal and corporate names, subjects, and genres.

tomb raider unfinished business canon: *Male Rape is a Feminist Issue* C. Cohen, 2014-02-13 This book seeks to problematize knowledge and practices regarding 'male rape' and its relationship to feminism, examining this issue from a Foucauldian perspective. Feminist constructions of 'male rape' can plausibly be claimed to operate as a 'regime of truth', but one must question whether this is running counter to patriarchy.

tomb raider unfinished business canon: *The Art Direction Handbook for Film* Michael Rizzo, 2013-07-18 Whether you'd like to be an art director or already are one, this book contains valuable solutions that will help you get ahead. This comprehensive, thorough professional manual details the set-up of the art department and the day-to-day job duties: scouting for locations, research, executing the design concept, constructing scenery, and surviving production. You will not only learn how to do the job, but how to succeed and secure future jobs. Rounding out the text is an extensive collection of useful forms and checklists, along with interviews with prominent art directors, relevant real-life anecdotes, and blueprints, sketches, photographs, and stills from Hollywood sets.

tomb raider unfinished business canon: *Adventures Among Ants* Mark W. Moffett, 2010 In tales from Nigeria, Indonesia, the Amazon, Australia, California, and elsewhere, Moffett recounts his entomological exploits and provides fascinating details on how ants live and how they dominate their ecosystems through strikingly human behaviors, yet at a different scale and a faster tempo.

tomb raider unfinished business canon: *Racing the Beam* Nick Montfort, Ian Bogost, 2020-02-25 A study of the relationship between platform and creative expression in the Atari VCS, the gaming system for popular games like *Pac-Man* and *Star Wars: The Empire Strikes Back*. The Atari Video Computer System dominated the home video game market so completely that "Atari" became the generic term for a video game console. The Atari VCS was affordable and offered the flexibility of changeable cartridges. Nearly a thousand of these were created, the most significant of which established new techniques, mechanics, and even entire genres. This book offers a detailed and accessible study of this influential video game console from both computational and cultural perspectives. Studies of digital media have rarely investigated platforms—the systems underlying computing. This book, the first in a series of Platform Studies, does so, developing a critical approach that examines the relationship between platforms and creative expression. Nick Montfort and Ian Bogost discuss the Atari VCS itself and examine in detail six game cartridges: *Combat*, *Adventure*, *Pac-Man*, *Yars' Revenge*, *Pitfall!*, and *Star Wars: The Empire Strikes Back*. They describe the technical constraints and affordances of the system and track developments in programming, gameplay, interface, and aesthetics. *Adventure*, for example, was the first game to represent a virtual space larger than the screen (anticipating the boundless virtual spaces of such later games as *World of Warcraft* and *Grand Theft Auto*), by allowing the player to walk off one side into another

space; and Star Wars: The Empire Strikes Back was an early instance of interaction between media properties and video games. Montfort and Bogost show that the Atari VCS—often considered merely a retro fetish object—is an essential part of the history of video games.

tomb raider unfinished business canon: [Bakhtin and the Movies](#) M. Flanagan, 2009-05-29 Martin Flanagan uses Bakhtin's notions of dialogism, chronotope and polyphony to address fundamental questions about film form and reception, focussing particularly on the way cinematic narrative utilises time and space in its very construction.

tomb raider unfinished business canon: [Adventures in the B Movie Trade](#) Brian Trenchard-Smith, 2022-03-14

tomb raider unfinished business canon: [Shadow of the Tomb Raider - Path of the Apocalypse](#) S. D. Perry, 2018-09-18 The official tie-in novel to the Shadow of the Tomb Raider video game. In a brand-new adventure, Lara Croft must evade the agents of Trinity and discover an ancient secret. When a mysterious stranger offers to help Lara uncover a clue that could give her the upper hand, she embarks on an expedition to a system of caves in Colombia. However, once they learn of Lara's plans, Trinity will stop at nothing to reach the location first. Trinity believes they can turn the tables on Lara, but in the darkness of the underground caverns, there are terrors in the depths that neither Lara nor Trinity anticipated. Game is due to release on 9/14/18 across all major platforms

tomb raider unfinished business canon: [Monster War #2](#) Christopher Golden, 2014-12-10 Overview The Magdalena has been infected by the bite of Dracula, and is slowly becoming one of the undead. It's up to Tomb Raider Lara Croft and the mysterious Dr. Jekyll to search out the only known cure in the Carpathian Mountains of Romania, where they do battle with a savage pack of Wolf-Men! Meanwhile, the monstrous Mr. Hyde moves ahead in his insidious plans to bring about the apocalypse.

tomb raider unfinished business canon: [Langholm as it was](#) John Hyslop, Robert Hyslop, 1912

tomb raider unfinished business canon: [Pale Fire](#) Vladimir Nabokov, 2024-02-18 The American poet John Shade is dead. His last poem, 'Pale Fire', is put into a book, together with a preface, a lengthy commentary and notes by Shade's editor, Charles Kinbote. Known on campus as the 'Great Beaver', Kinbote is haughty, inquisitive, intolerant, but is he also mad, bad - and even dangerous? As his wildly eccentric annotations slide into the personal and the fantastical, Kinbote reveals perhaps more than he should be. Nabokov's darkly witty, richly inventive masterpiece is a suspenseful whodunit, a story of one-upmanship and dubious penmanship, and a glorious literary conundrum.
