Wellness Chicken Cat Food: A Purrfect Choice for Your Feline Friend?

Is your cat a picky eater? Are you overwhelmed by the sheer number of cat food options on the market? Do you want the best possible nutrition for your furry companion without breaking the bank? Then you've come to the right place! This comprehensive guide dives deep into Wellness Chicken cat food, exploring its ingredients, nutritional benefits, potential drawbacks, and ultimately, whether it's the right choice for your cat. We'll cover everything you need to know to make an informed decision about feeding your feline friend this popular brand.

Understanding Wellness Complete Health Chicken Cat Food

Wellness Complete Health is a widely recognized brand in the pet food industry, known for its focus on natural ingredients and high-quality protein sources. Their chicken recipe is a popular choice among cat owners, and for good reason. Let's break down what makes it tick.

Key Ingredients & Nutritional Profile: Wellness Complete Health Chicken typically features chicken as the primary ingredient, providing a rich source of protein crucial for muscle development and overall health. Other common ingredients include chicken meal, brown rice, barley, and various fruits and vegetables, which contribute essential vitamins and minerals. The recipe generally avoids artificial colors, flavors, and preservatives, a significant selling point for many conscious pet owners. However, always check the specific ingredient list on the packaging, as formulations can vary slightly depending on the product line and size.

Benefits of Wellness Chicken Cat Food:

High-Protein Content: Cats are obligate carnivores, meaning they require a high-protein diet. Wellness chicken formulas deliver on this need, supporting strong muscles and a healthy immune system.

Natural Ingredients: The emphasis on natural ingredients appeals to many pet owners seeking a healthier option for their cats. The absence of artificial additives can be beneficial for cats with sensitivities.

Grain-Inclusive Formula: While some cat owners opt for grain-free diets, Wellness Complete Health Chicken includes grains like brown rice and barley. These provide additional fiber and energy, though it's important to note that grain-free options are also available within the Wellness brand.

Palatability: Many cat owners report that their cats find Wellness chicken food palatable and enjoyable, a significant factor in ensuring your cat receives adequate nutrition.

Variety: The Wellness Complete Health line offers various forms of chicken-based food,

including dry kibble, wet pate, and even recipes incorporating other proteins. This allows for flexibility and variety in your cat's diet.

Potential Drawbacks and Considerations

While Wellness chicken cat food offers numerous benefits, it's crucial to acknowledge potential drawbacks:

Price: Wellness is generally positioned at the mid-to-higher end of the cat food price spectrum. This might be a limiting factor for some pet owners on a budget.

Ingredient Variations: As mentioned earlier, slight variations in the ingredient list can occur across different Wellness Complete Health products. Always carefully check the label to ensure it meets your cat's dietary needs and any specific allergies or sensitivities.

Not Suitable for All Cats: While generally well-tolerated, some cats might have individual sensitivities or allergies to specific ingredients in Wellness chicken food. Monitor your cat for any signs of digestive upset or allergic reactions after introducing this food.

Availability: While widely available, the specific availability of certain Wellness Complete Health products can vary depending on your geographical location and retailer.

Choosing the Right Wellness Chicken Product for Your Cat

Navigating the different Wellness Complete Health lines can be slightly confusing. Pay close attention to the specific product description to ensure you're selecting the appropriate food for your cat's age, breed, and health needs. For example, there are formulations specifically designed for kittens, adult cats, and senior cats. Understanding your cat's life stage is crucial in selecting the right nutritional profile. Additionally, consider your cat's preferences. Does your cat prefer wet or dry food? Wellness offers both options.

Comparing Wellness Chicken to Other Brands

It's important to consider Wellness chicken cat food in the context of other popular brands. Many other brands offer chicken-based recipes with various ingredients and nutritional profiles. Comparing labels is key to making an informed decision. Consider factors such as protein content, fat content, fiber content, and the presence of artificial additives. Some pet owners may find value in comparing Wellness to brands like Blue Buffalo, Royal Canin, or Purina Pro Plan, but your decision should ultimately be based on your cat's individual needs and preferences.

Conclusion

Wellness Complete Health Chicken cat food is a reputable option for many cat owners seeking a high-quality, natural food for their feline companions. Its focus on natural ingredients, high protein content, and palatable formulation are definite advantages. However, careful consideration of price, ingredient variations, and potential individual sensitivities is crucial before making a switch. Always consult with your veterinarian to ensure that the chosen food is appropriate for your cat's specific health needs and lifestyle.

FAQs

1. Can I switch my cat to Wellness Chicken food suddenly? No, it's best to gradually transition your cat to a new food over 7-10 days to avoid digestive upset. Mix the new food with their current food, increasing the proportion of the new food gradually.
1. Is Wellness Chicken cat food suitable for kittens? Yes, Wellness Complete Health offers kitten formulas specifically designed to meet the nutritional requirements of growing kittens.
1. What if my cat doesn't like Wellness Chicken food? Try offering different flavors or types within the Wellness line, such as wet food or pate. If your cat still refuses, consult your vet for advice on alternative food options.
1. Does Wellness Chicken cat food contain any fillers? While it strives for minimal fillers, Wellness Chicken food does include some grains and other ingredients beyond solely chicken. Carefully review the ingredient list to assess the filler content compared to other brands.
1. Where can I buy Wellness Chicken cat food? Wellness cat food is widely available at pet stores, both online and brick-and-mortar, as well as through some major retailers. Check your local pet supply stores or online retailers for availability.

wellness chicken cat food: The Whole Pet Diet Andi Brown, 2006-09-01 One in four pets is obese, and every year owners spends thousands of dollars treating allergies, joint problems, digestive disorders, and serious diseases that could improve dramatically with a nutritious diet. Yet despite promises of complete and balanced meals, most commercial pet foods contain chemical preservatives, indigestible fillers, and dangerous by-products. If your pets are overweight, ailing, or aging, or you just want them to be as healthy as possible, THE WHOLE PET DIET offers a straightforward plan to achieve lifelong health and well-being. Featuring twenty-five easy recipes for homemade meals and treats, a guide to natural supplements, and practical tips for no-stress grooming and play, this holistic approach to pet care creates optimal health for dogs and cats, and it just might change the way you eat, too.

wellness chicken cat food: Celiac and the Beast Erica Dermer, 2013-10 This book details the struggle through misdiagnosis after misdiagnosis, the search for answers to what gluten free really

means, additional medical issues along with celiac disease, and a connection between her past life of disordered eating to her new medically restricted diet--Back cover.

wellness chicken cat food: Kittens Love Lisa McCue, 2010 Depicts kittens doing what they love most, including playing with yarn, sitting on the windowsill, climbing trees, napping, and drinking milk. On board pages.

wellness chicken cat food: Dinner PAWsible Cathy Alinovi, Susan Thixton, 2015-05-19 There's a reason why pets beg at your table—they want real food! Not the kibble manufactured by pet food companies, drained of nutrients. If we are dedicated to preparing healthy meals for ourselves in the comfort and safety of our own kitchens, shouldn't we be doing the same for our pets? Dinner PAWsible is a collection of more than fifty cat and dog food recipes that will teach you how to whip up a fresh, balanced meal for your hungry critters. Written by a veterinarian certified in food therapy and an advocate for pet food safety, these recipes are also based on the National Research Council requirements for dogs and cats. Recipes for Dogs include: Turkey & Oats Lasagna Beef, Egg & Rice Chicken, Shrimp, and Veggies Salmon & Cabbage And more! Recipes for cats include: Turkey Meatloaf Turkey & Salmon Hash Steak & Eggs Fish Salad Gumbo And more! Debunk the myth that pet food companies are the only entities qualified to feed your pets. Instead, beat pet obesity, disease, and sickness by reaching into your pantry or refrigerator, turning on the stove, and starting to cook yourself! Making food at home will also decrease those exorbitant pet food bills. It's time to go back to the table. Know exactly what your pet is eating and serve it a variety of real food that it deserves. Be a responsible pet parent by balancing your pet's diet and pleasing its palate. Cooking for your pet is paws-ible!

wellness chicken cat food: *Deep Nutrition* Catherine Shanahan, M.D., Luke Shanahan, 2017-01-03 Shanahan examined diets around the world known to help people live longer, healthier lives--diets like the Mediterranean, Okinawa, and 'Blue Zone'--and identified the four common nutritional habits, developed over millennia, that unfailingly produce strong, healthy, intelligent children, and active, vital elders, generation after generation. Dr. Cate shows how all calories are not created equal; food is information that directs our cellular growth. Our family history does not determine our destiny: what you eat and how you live can alter your DNA in ways that affect your health and the health of your future children. She offers a prescriptive plan for how anyone can begin eating The Human Diet.--

wellness chicken cat food: **Health and Nutrition for Dogs and Cats** David G. Wellock, 2013-04-11 While the internet provides pet parents with a great deal of information, finding and understanding that information can be like wading through a bog at midnight without a flashlight. In spite of the internet, pet parents remain desperate for valid resources. Health and Nutrition for Dogs and Cats is timely, informative, and delivers sensible information on topics of importance to all pet owners. From reading pet food labels to storing food, from understanding appropriate calorie intake to food allergies, David Wellock helps readers better understand the dietary needs of their dogs and cats. In recent years, Americans have come to pay more attention to the foods they eat. This trend toward a healthier lifestyle quickly found its way into the world of pet foods, allowing better diets to find success in the marketplace. However, the change has been somewhat perplexing for pet parents as they struggle to sort out the various, and sometimes misleading, messages surrounding the new foods available to their pets. Here, a seasoned expert in the care and feeding of dogs and cats, provides fact-filled, no nonsense, understandable information on the topics pet parents need to know in order to purchase and prepare food and develop an appropriate diet for their furry charges.

wellness chicken cat food: Your Cat: Simple New Secrets to a Longer, Stronger Life Elizabeth M. Hodgkins, D.V.M., Esq., 2008-10-14 In this controversial new book, dedicated veterinarian Elizabeth M. Hodgkins, D.V.M., Esq. raises the alarm regarding the dry food we feed our cats and the nutritional diseases that result. Your Cat: Simple New Secrets to a Longer, Stronger Life turns today's conventional wisdom of cat care on its head with completely new, yet remarkably easy-to-follow guidelines for every cat owner. From kitten-rearing to the adult cat's middle years to caring for the geriatric cat, Dr. Hodgkins explores the full spectrum of proper cat care, as well as the

many deadly feline diseases that are rampant. This indispensable manual belongs on every modern cat owner's shelf.

wellness chicken cat food: *Compassion for Pets* R. Geoffrey Broderick, 2016-07-06 In this groundbreaking book on pet nutrition, Dr. R. Geoffrey Broderick, DVM, reveals the secret to keeping your pets disease-free and healthy for their whole lives. His feeding Paradigm is a step-by-step program for pet owners to give their companion animals optimal health, using food as medicine.

wellness chicken cat food: *Food Pets Die for* Ann N. Martin, 2008 The commercial pet food industry has a secret to hide -- and Ann Martin wants to make sure you know it. Her research reveals some startling facts: that the pet food industry conducts animal testing in order to improve their product, and includes euthanized cats and dogs in the mix to heighten protein content. In this revised and updated edition, Martin continues to explore the shocking processes by which commercial pet foods are produced. She offers alternative recipes for feeding pets, nutritional advice, and an exploration of Pet Peeves, in which she explores several scams aimed at pet owners. This groundbreaking book gives us a glimpse into exactly what we are doing when we buy pet food.

wellness chicken cat food: *Raising Cats Naturally* Michelle T. Bernard, 2004-02-01 It's about time we had a book like this. Michelle Bernard has a rare gift for putting in plain words extraordinarily effective and levelheaded ways to properly care for cats. Steering clear of faddish, dangerous trends-and dissecting the oodles of misinformation that has regrettably become the norm in mainstream advice on animal nutrition-she shines most conspicuously on the issue of a proper feline diet. By giving the reader a common-sense, straightforward strategy for preparing a diet that is based solely on the nutritional requirements of true carnivores, her book is a must-have for anyone committed to building and maintaining glowing good health for cats. Bernard's work on all aspects of caring naturally for cats is based on years of meticulous research and hands-on experience, yet she translates her knowledge into simple, common sense guidelines that anyone can understand and put to use. Her eloquent explanation of homeopathy demystifies this splendid, ancient healing art that is so marvelously suited to cats, giving the reader a valuable awareness about how to build and nurture a cat's health from the inside out. This alone is a refreshing and most welcome approach given the routine over-medication and over-vaccination of cats. If you love your cat, read this book. All of it.

wellness chicken cat food: *Genius Foods* Max Lugavere, Paul Grewal, M.D., 2018-03-20 New York Times Bestseller Discover the critical link between your brain and the food you eat and change the way your brain ages, in this cutting-edge, practical guide to eliminating brain fog, optimizing brain health, and achieving peak mental performance from media personality and leading voice in health Max Lugavere. After his mother was diagnosed with a mysterious form of dementia, Max Lugavere put his successful media career on hold to learn everything he could about brain health and performance. For the better half of a decade, he consumed the most up-to-date scientific research, talked to dozens of leading scientists and clinicians around the world, and visited the country's best neurology departments—all in the hopes of understanding his mother's condition. Now, in *Genius Foods*, Lugavere presents a comprehensive guide to brain optimization. He uncovers the stunning link between our dietary and lifestyle choices and our brain functions, revealing how the foods you eat directly affect your ability to focus, learn, remember, create, analyze new ideas, and maintain a balanced mood. Weaving together pioneering research on dementia prevention, cognitive optimization, and nutritional psychiatry, Lugavere distills groundbreaking science into actionable lifestyle changes. He shares invaluable insights into how to improve your brain power, including the nutrients that can boost your memory and improve mental clarity (and where to find them); the foods and tactics that can energize and rejuvenate your brain, no matter your age; a brain-boosting fat-loss method so powerful it has been called "biochemical liposuction"; and the foods that can improve your happiness, both now and for the long term. With *Genius Foods*, Lugavere offers a cutting-edge yet practical road map to eliminating brain fog and optimizing the brain's health and performance today—and decades into the future.

wellness chicken cat food: *Natural Nutrition for Dogs and Cats* Kymmythy R. Schultze, Kymmythy

Schulze, 1999 In these pages, Kymthy Schultze has provided an excellent nutritional text to help us build a healthier life for our animal friends.- Dr. Stephen R. Blake, Jr., D.V.M. [This book is] an excellent starting point for us all. Its pages are filled with helpful hints, good advice and most important, logic and common sense.- Dr. Bruce W. Cauble, D.V.M.

wellness chicken cat food: The Way of Cats Pamela Merritt, 2018-05-31 The Way of Cats is a way of playing games with our cat. These communication, training, and affection games are fun and easy to learn. Then we have well-behaved and happy cats.

wellness chicken cat food: Big Kibble Shawn Buckley, Oscar Chavez, 2020-12-01 A big, inside look at the shocking lack of regulation within the pet food industry, and how readers can dramatically improve the quality of their dogs' lives through diet. What's really going into commercial dog food? The answer is horrifying. Big Kibble is big business: \$75 billion globally. A handful of multi-national corporations dominate the industry and together own as many as 80% of all brands. This comes as a surprise to most people, but what's even more shocking is how lax the regulations and guidelines are around these products. The guidelines—or lack thereof—for pet food allow producers to include ever-cheaper ingredients, and create ever-larger earnings. For example, “legal” ingredients in kibble include poultry feces, saw dust, expired food, and diseased meat, among other horrors. Many vets still don't know that kibble is not the best food for dogs because Big Kibble funds the nutrition research. So far, these corporations have been able to cut corners and still market and promote feed-grade food as if it were healthful and beneficial—until now. Just as you are what you eat, so is your dog. Once you stop feeding your dog the junk that's in kibble or cans, you have taken the first steps to improving your dog's health, behavior and happiness. You know the unsavory side of Big Tobacco and Big Pharma. Now Shawn Buckley, Dr. Oscar Chavez, and Wendy Paris explain all you need to know about unsavory Big Kibble—and offer a brighter path forward for you and your pet.

wellness chicken cat food: The Complete Guide to Holistic Cat Care Celeste Yarnall, Jean Hofve, 2009-09-01 Celeste Yarnall's time-tested natural and holistic expertise gives cat owners insight into natural alternatives in food, medication, alternative therapies, and healing practices, improving the lives of feline friends and well as their caregivers. With Dr. Jean Hofve, the esteemed holistic veterinarian, she explores nutrition as preventative medicine, vitamin and mineral supplements, herbal remedies, homeopathic treatments, and groundbreaking anti-aging modalities never before published in a pet care guide. The Complete Guide to Holistic Cat Care also includes a complete bibliography and a list of suppliers of holistic remedies and services. As with all other pet health guides, it is a comprehensive resource intended to complement veterinary care, not replace it.

wellness chicken cat food: *The Ultimate Pet Health Guide* Gary Richter, MS, DVM, 2017-08-15 As a holistic veterinarian and scientist, Dr. Gary Richter helps dog and cat owners to navigate the thicket of treatment options and separate the fact from the fiction. He wants us to use what actually works, not just what Western science or alternative medicine say should work. This multifaceted approach to health is known as integrative medicine. Dr. Richter examines traditional medicine from many cultures alongside modern medical techniques, describing the best of complementary care and the best of conventional veterinary medicine. Every treatment he recommends has the backing of scientific research or years of successful outcomes in his clinical practice. After explaining the treatment, he offers specific recommendations for an integrative approach to common diseases, including allergies, skin conditions, diabetes, heart disease, and cancer. A holistic approach to health includes nutrition, as it sets up the foundation for your pet's health. Dr. Richter cuts through the hype in the pet-food world and explains how to choose the best commercial foods and supplements, and even includes both raw and cooked dog- and cat-food recipes for general diet as well as to treat specific needs. He also explains how we can use the right foods and supplements to hack the body's processes, including the immune system.

wellness chicken cat food: CatWise Pam Johnson-Bennett, 2016-10-18 Top feline behavior expert (and author of Penguin's bestselling Think Like a Cat and Cat vs. Cat) answers the 150

questions most often asked by puzzled cat owners. Even those of us who have lived with and loved our cats for decades are constantly stymied by their seemingly inexplicable acts, or have questions about why they do what they do and where they do it, and how we can get them to not do it. Here, in one complete authoritative guide, those elusive mysteries are solved. Why does my cat lick my hair? Why does the cat only want attention when I'm on the phone? How can I introduce my cat to my new dog? How can I get my cat to like my new husband?? No one knows cats like Pam Johnson Bennett, whose pioneering thirty-year career as a cat behavior consultant has changed the way cat owners and experts alike view cats. Her books are bibles, but her fans and owners still flood her website and social media platforms with questions on topics that perplex them. Catwise combines the questions that come up most often with answers to help you solve your cat's behavior problems (or head them off before they start), or simply improve the relationship you have with your cat.

wellness chicken cat food: The Forever Dog Rodney Habib, Karen Shaw Becker, 2024-09-10
#1 New York Times Bestseller In this pathbreaking guide, two of the world's most popular and trusted pet care advocates reveal new science to teach us how to delay aging and provide a long, happy, healthy life for our canine companions. Like their human counterparts, dogs have been getting sicker and dying prematurely over the past few decades. Why? Scientists are beginning to understand that the chronic diseases afflicting humans--cancer, obesity, diabetes, organ degeneration, and autoimmune disorders--also beset canines. As a result, our beloved companions are vexed with preventable health problems throughout much of their lives and suffer shorter life spans. Because our pets can't make health and lifestyle decisions for themselves, it's up to pet parents to make smart, science-backed choices for lasting vitality and health. The Forever Dog gives us the practical, proven tools to protect our loyal four-legged companions. Rodney Habib and Karen Becker, DVM, globetrotted (pre-pandemic) to galvanize the best wisdom from top geneticists, microbiologists, and longevity researchers; they also interviewed people whose dogs have lived into their 20s and even 30s. The result is this unprecedented and comprehensive guide, filled with surprising information, invaluable advice, and inspiring stories about dogs and the people who love them. The Forever Dog prescriptive plan focuses on diet and nutrition, movement, environmental exposures, and stress reduction, and can be tailored to the genetic predisposition of particular breeds or mixes. The authors discuss various types of food--including what the commercial manufacturers don't want us to know--and offer recipes, easy solutions, and tips for making sure our dogs obtain the nutrients they need. Habib and Dr. Becker also explore how external factors we often don't think about can greatly affect a dog's overall health and wellbeing, from everyday insults to the body and its physiology, to the role our own lifestyles and our vets' choices play. Indeed, the health equation works both ways and can travel up the leash. Medical breakthroughs have expanded our choices for canine health--if you know what they are. This definitive dog-care guide empowers us with the knowledge we need to make wise choices, and to keep our dogs healthy and happy for years to come.

wellness chicken cat food: Unlocking the Canine Ancestral Diet Steve Brown, 2009-12
Ancestors and canine cousins of our dogs didn't eat crunchy kibble or meat 'n gravy in a can. They ate what they found or caught... and it wasn't cooked or enriched either! It was high in protein, with balanced fats, and usually included a few fruits, vegetables and grasses. Steve Brown, an expert on canine nutrition, shows how you can bring the benefits of the canine ancestral diet to your dog by feeding him differently as little as just one day a week. And no, you won't need to lead a pack of dogs on a hunting expedition! Just follow Steve's well-researched and easy to follow ABCs to make improvements to whatever your dog currently eats. BONUS! Raw food or home prepared feeders will learn how to balance nutrients more precisely, especially fats, for optimum health. A dog diet to get wild about! bull; Learn about the latest research on the importance of protein and healthy fats in your dog's diet. bull; Find out why commercial foods can't include these fragile-but-crucial nutrients, and how you can make sure your dog gets them. bull; Just one day a week, or more frequently if you choose, follow the simple recipes that balance the nutrition in the commercial food you are feeding-wet or dry!

wellness chicken cat food: The Atkins 100 Eating Solution Colette Heimowitz, 2020-12-15 From the creators of the original ketogenic, low-carb diet, comes the most accessible and flexible approach to the Atkins diet ever: a simplified lower carb and sugar approach based on solid science. Featuring a foreword by Atkins spokesperson and actor Rob Lowe. The latest science continues to support the many health benefits of a low-carb approach to eating, far beyond just weight loss. Simply reducing your carb and sugar intake by two-thirds over the “Standard American Diet” helps avoid the development of obesity, metabolic syndrome, and type 2 diabetes. While many diet trends can be vague in their approach, The Atkins 100 Eating Solution’s fan-favorite program provides a clear-cut way to control your carb intake with 100 grams of net carbs a day and shows you how to make delicious and satisfying food choices that lessen their impact on your blood sugar. This personalized approach is a way of eating you can follow for life. With cutting-edge research and delicious recipes—all of which feature fifteen to twenty net carbs—The Atkins 100 Eating Solution provides an exciting and delicious variety of food. You’ll also discover how the plan can be easily modified to fit in with most ways of eating, including vegetarian, Paleo, Mediterranean and more. For the first time ever, you’ll even learn how to modify each recipe for the Atkins 40 and Atkins 20 program. This guide is easy to use regardless of food preferences, lifestyle, or cooking abilities. This book is not about following fads or suffering for results; it is a sustainable, delicious program for everyday wellness.

wellness chicken cat food: My New Roots Sarah Britton, 2015-03-31 Holistic nutritionist and highly-regarded blogger Sarah Britton presents a refreshing, straight-forward approach to balancing mind, body, and spirit through a diet made up of whole foods. Sarah Britton's approach to plant-based cuisine is about satisfaction--foods that satiate on a physical, emotional, and spiritual level. Based on her knowledge of nutrition and her love of cooking, Sarah Britton crafts recipes made from organic vegetables, fruits, whole grains, beans, lentils, nuts, and seeds. She explains how a diet based on whole foods allows the body to regulate itself, eliminating the need to count calories. My New Roots draws on the enormous appeal of Sarah Britton's blog, which strikes the perfect balance between healthy and delicious food. She is a whole food lover, a cook who makes simple accessible plant-based meals that are a pleasure to eat and a joy to make. This book takes its cues from the rhythms of the earth, showcasing 100 seasonal recipes. Sarah simmers thinly sliced celery root until it mimics pasta for Butternut Squash Lasagna, and whips up easy raw chocolate to make homemade chocolate-nut butter candy cups. Her recipes are not about sacrifice, deprivation, or labels--they are about enjoying delicious food that's also good for you.

wellness chicken cat food: Cat Daddy Jackson Galaxy, 2013-05-02 Cat behaviorist and star of Animal Planet's hit television show My Cat from Hell, Galaxy, a.k.a. Cat Daddy, isn't what readers might expect for a cat expert. Yet his ability to connect with even the most troubled felines--not to mention their owners--is awe-inspiring.

wellness chicken cat food: Dogs, Dog Food, and Dogma Daniel Schulof, 2016-10-25 An in-depth investigation of the science and business of America's pet obesity epidemic.

wellness chicken cat food: Veterinary Secrets Andrew T. Jones, Andrew T Jones DVM, 2014-05-23 This manual draws from Dr Jones' 17 years' experience in veterinary medicine to provide a comprehensive, step-by-step guide to home pet care and disease remedies. Dr. Jones opens by explaining how he came to question conventional veterinary treatments then began to share his concerns publicly and openly educate pet owners, empowering them to provide their pets with quality, holistic care at home. Eventually, his efforts led to his expulsion from the British Columbia Veterinary College, resulting in a ban from practicing animal medicine.

wellness chicken cat food: Natural Nutrition for Cats Kymythy Schultze, 2010-08 Cats rule and dogs drool! That's right cats have surpassed dogs as America's favorite pets. If you share your heart and home with a cat, then you've been drawn to this book because you're ready for the revolutionary information contained inside. Kymythy R. Schultze's wildly popular species-appropriate diet for cats has already improved the lives of literally thousands of feline friends and is endorsed by veterinarians worldwide. In this newly updated easy-to-understand work, Kymythy exposes the pitfalls of the pet-food industry and shares her extensive knowledge of proper nutrition so your cat can live a long, healthy, and happy life. This book is a must-read for all cat-lovers!

wellness chicken cat food: Never Turn Your Back on an Angus Cow Dr. Jan Pol, David Fisher, 2014-08-14 The star of The Incredible Dr. Pol shares his amusing, and often poignant, tales from his four decades as a vet in rural Michigan. Dr. Jan Pol is not your typical veterinarian. Born and raised in the Netherlands on a dairy farm, he is the star of Nat Geo Wild's hit show The Incredible Dr. Pol and has been treating animals in rural Michigan since the 1970s. Dr. Pol's more than 20,000 patients have ranged from white mice to 2600-pound horses and everything in between. From the time he was twelve years old and helped deliver a litter of piglets on his family's farm to the incredible moments captured on his hit TV show, Dr. Pol has amassed a wealth of stories of what it's like caring for this menagerie of animals. He shares his own story of growing up surrounded by animals, training to be a vet in the Netherlands, and moving to Michigan to open his first practice in a pre-fab house. He has established himself as an empathetic yet no-nonsense vet who isn't afraid to make the difficult decisions in order to do what's best for his patients—and their hard-working owners. A sick pet can bring heartache, but a sick cow or horse could threaten the very livelihood of a farmer whose modest profits are dependent on healthy livestock. Reminiscent of the classic books of James Herriot, *Never Turn Your Back on an Angus Cow* is a charming, fascinating, and funny memoir that will delight animal lovers everywhere.

wellness chicken cat food: The Healing Power of Pets Marty Becker, 2003-02-19
Increasingly, medicine is recognizing the special relationship between pets and people as one of the most powerful weapons in fighting disease, treating chronic conditions, and coping with troubling times. In fact, many doctors are routinely prescribing pets for their patients. *The Healing Power of Pets* explores these phenomena in greater detail, combining revolutionary scientific discoveries with deeply moving, personal stories of the unique bond between pets and their owners. The stories are of people who have learned how to triumph over chronic pain, paralyzing phobias, sedentary lifestyles, and life-threatening conditions -- showing us that the best medicine might be that furry tail-wagging pet at your side.

wellness chicken cat food: In His Majesty's Service Naomi Novik, 2009 Together in one volume, here are the first three novels in Naomi Novik's New York Times bestselling Temeraire series, combining the gripping history of the Napoleonic era, the thrill of Anne McCaffrey's *Dragonriders of Pern* books, and the excitement of Patrick O'Brian's seafaring adventures. In *His*

Majesty's Service also includes an exclusive original Temeraire short story. Capt. Will Laurence is serving with honor in the British Navy when his ship captures a French frigate harboring most a unusual cargo—an incalculably valuable dragon egg. When the egg hatches, Laurence unexpectedly becomes the master of the young dragon Temeraire and finds himself on an extraordinary journey that will shatter his orderly, respectable life and alter the course of his nation's history. Thrust into England's Aerial Corps, Laurence and Temeraire undergo rigorous training while staving off French forces intent on breaching British soil. But the pair has more than France to contend with when China learns that an imperial dragon intended for Napoleon—Temeraire himself—has fallen into British hands. The emperor summons the new pilot and his dragon to the Far East, a long voyage fraught with peril and intrigue. From England's shores to China's palaces, from the Silk Road's outer limits to the embattled borders of Prussia and Poland, Laurence and Temeraire must defend their partnership and their country from powerful adversaries around the globe. But can they succeed against the massed forces of Bonaparte's implacable army?

wellness chicken cat food: Tiny But Mighty Hannah Shaw, 2019-08-06 *A New York Times Bestseller* #1 National Bestseller Indie Bestseller From Kitten Lady, the professional kitten rescuer, humane educator, animal advocate, and owner of the popular Instagram @kittenxlady comes the definitive book on saving the most vulnerable—and adorable—feline population: newborn kittens. Hannah Shaw, better known as Kitten Lady, has dedicated her life to saving the tiniest felines, but one doesn't have to be a professional kitten rescuer to change—and save—lives. In *Tiny but Mighty*, Hannah not only outlines the dangers newborn kittens face and how she combats them, but how you can help every step of the way, from fighting feline overpopulation on the streets to fostering unweaned kittens, from combating illness to combating compassion fatigue, from finding a vet to finding the purrfect forever home. Filled with information on animal welfare, instructional guides, and personal rescue stories of kittens like Chloe, Tidbit, Hank, and Badger—not to mention hundreds of adorable kitten photos—*Tiny but Mighty* is the must-have kitten book for cat lovers, current-and-future rescuers, foster parents, activists, and advocates.

wellness chicken cat food: Cat Fancy, 2009-06

wellness chicken cat food: Dog Food Logic Linda P. Case, M.S., 2014-02-12 Choosing the right dog food in a world with too many choices
 Walking down the dog food aisle in a pet supply superstore can present you with an overwhelming number of choices. Reading about dog food on the internet can make your head spin with so many opinions and stories. And judging the content that you find on dog food packaging can be confusing and misleading. How can the average dog owner make an informed choice in accordance with her dog's age, size and condition? In her latest book, author Linda Case describes how to make logical, evidence-based decisions for what to feed your dog amid all the options available.

 You will learn
 • How pet food marketers appeal to your emotions to persuade you to buy a particular type of dog food.
 • To distinguish between scientific, evidence-based information and the anecdotal evidence which is so pervasive—and often misleading—in the dog food arena.
 • Is there a scientific basis for dog foods designed specifically for puppies, senior dogs, canine athletes—even various breeds of dogs?
 • How to read and evaluate all of the material included on a typical package of dog food from the ingredients and label claims ("Natural," "Anti-Oxidant," "Low Fat"), to the Nutrient Analysis and Nutritional Adequacy statements.
 • How to avoid choice paralysis and the cognitive traps that can interfere with clear decision making.

 What experts are saying about <I>Dog Food Logic</I>
 Pet food is like a religion for many—but now those strong emotional ties can be backed up with fact. Linda Case separates fact from fiction, explains the complex terms and offers a guide to pet nutrition in simple to comprehend language. Unlike other books on this topic, there is no agenda here—except to present facts and then allow pet owners to make their own logical conclusions, letting the kibble drop where it may.
 Steve Dale, CABC, columnist Tribune Content Agency; radio host Black Dog Radio Productions and WGN Radio (Chicago); contributing editor USA Weekend; special correspondent Cat Fancy; author Good Cat!

 <I>Dog Food Logic</i> is the indispensable guide to the science behind canine

nutrition that will help us to make wise, well-informed choices about how and what we feed our dogs. It takes the fear out of trying to understand proper nutrition and will empower us to determine what is best for the health of our dogs.
 Claudia Kawczynska, Founder and Editor-in-chief of The Bark

 Don't read this book if you want someone to tell you what to feed your dog. This is a book for people who want to learn, in a reasoned and thoughtful way, how to figure it out for themselves.<I> Dog Food Logic</I> goes way beyond the usual textbook list of nutritional requirements to cover the pet food industry in all its glory: the history, the business, the marketing, and best of all, the science. Case deftly navigates the most controversial topics in pet food and presents the big picture without interjecting judgment about what approach is best. There's something here for everyone: pet care professionals and dog lovers alike will learn something new from this informative, easy to read, and well researched book.
 Jessica Vogelsang, DVM, CVJ, author, speaker, and CEO of Pawcurious Media

wellness chicken cat food: Feed Your Best Friend Better Rick Woodford, 2012-04-10 From Rick Woodford, the Dog Food Dude himself, comes Feed Your Best Friend Better, with easy recipes that will make even humans drool a little bit. Healthy food can enable dogs to live longer, healthier lives, just as it can for humans, and with these meals, treats, and cookies, dogs will never miss commercial kibble. Rick has researched nutrition for dogs and has used the same manuals veterinarians use to develop his recipes. Feed Your Best Friend Better makes the transition to homemade dog food simple, so you can make natural pet food for your dog every day. From nutritional value to portion sizes, these recipes will help dog parents know what their dog is eating. The meals are healthy, and dogs love them. Rick Woodford wants dogs in every family to be healthy and happy. His recipes use a variety of herbs and spices for their antioxidant properties but they smell so good everybody in the house will be drooling. Recipes include: * Puppy Pesto * Bacon Yappetizers * Barkscotti * Mutt Loaf * Gingerbread Mailman In addition to 85 recipes other helpful chapters include: * How to Pick out a Commercial Food; making the ingredient label easy to understand with a breakdown of ingredients that are good for the bowl and those that are best left on the shelf. * Determining Portion Size; information on body type and size help readers understand how much food their dogs need to be in the best shape * Problem Mealtime Behaviors; how to deal with the early morning wake up call, reluctant eaters, counter surfing and more
