Wellness Kitten Food Dry: A Purrfect Choice for Your Growing Feline Friend?

Finding the right food for your kitten is crucial for their healthy development. With a plethora of options on the market, choosing the best dry food can feel overwhelming. This comprehensive guide dives deep into Wellness Kitten food, specifically the dry varieties, exploring its ingredients, nutritional benefits, potential drawbacks, and ultimately, helping you decide if it's the purrfect fit for your little ball of fluff. We'll cover everything you need to know about Wellness kitten food dry, ensuring your kitten gets the nourishment they need to thrive.

Understanding Your Kitten's Nutritional Needs

Before we delve into the specifics of Wellness Kitten dry food, let's touch upon the essential nutritional requirements of a growing kitten. Kittens, unlike adult cats, require higher levels of protein and fat to support their rapid growth and development. They also need specific vitamins and minerals for healthy bones, strong muscles, and a robust immune system. Look for food that explicitly states it's formulated for kittens, as adult cat food often lacks the necessary nutrients for this crucial developmental stage.

A Deep Dive into Wellness Kitten Dry Food

Wellness Complete Health Kitten is a popular dry food option known for its focus on high-quality ingredients. The brand often emphasizes the use of real meat and poultry as primary sources of protein, a crucial aspect for kitten development. Many Wellness recipes include:

Named Meat Sources: Instead of vague terms like "meat by-products," you'll often find specific meat sources listed prominently, like chicken, turkey, or salmon. This transparency allows you to better understand the ingredients.

Real Fruits and Vegetables: The inclusion of fruits and vegetables provides added vitamins, minerals, and antioxidants, contributing to overall health and immune function.

Added Prebiotics and Probiotics: Many Wellness formulas include prebiotics and probiotics to support a healthy digestive system. A healthy gut is crucial for nutrient absorption and overall well-being.

No Artificial Colors, Flavors, or Preservatives: This is a significant selling point for many pet owners. Avoiding artificial additives is considered beneficial for long-term health.

However, it's important to critically assess the ingredient list. While "grain-free" is often marketed as a superior option, it's crucial to understand that cats are obligate carnivores. While some grains can be beneficial as a source of fiber, their excessive presence is often debated. Carefully examine the ingredient list – the first few ingredients should be high-quality meat sources, not fillers.

Wellness Kitten Dry Food: Pros and Cons

Pros:

High-quality protein sources: The focus on named meat sources provides a good foundation for muscle growth and development.

Inclusion of fruits and vegetables: Adds nutritional value beyond just protein and fat.

Often free of artificial additives: Appeals to owners concerned about long-term health effects.

Variety of formulas: Wellness offers different formulas catering to various kitten needs and preferences.

Good palatability: Many owners report that their kittens enjoy the taste and texture.

Cons:

Price: Wellness is often considered a premium brand, resulting in a higher price point compared to some budget-friendly options.

Potential for ingredient variations: Formulas and ingredients may change slightly over time. Always check the label before purchasing.

Individual kitten responses: As with any food, individual kittens may react differently. Monitor your kitten for any signs of digestive upset or allergies.

Grain inclusion in some formulas: While some formulas are grain-free, others do contain grains which may not suit all kittens.

Making the Right Choice: Wellness Kitten Food Dry vs. Other Brands

Comparing Wellness to other kitten food brands requires a careful evaluation of ingredients, nutritional profiles, and your budget. Look at the guaranteed analysis on the label to compare protein, fat, and fiber content. Consider brands like Blue Buffalo, Royal Canin, and Instinct, all offering high-quality kitten foods with varying approaches to ingredient selection. The best food for your kitten will depend on their specific needs, health concerns, and your budget.

Transitioning Your Kitten to Wellness Kitten Food Dry

Switching your kitten's food should be done gradually. Abrupt changes can cause digestive upset. Mix small amounts of Wellness Kitten food with their current food over a period of 7-10 days, gradually increasing the proportion of Wellness food until the transition is complete. Monitor your kitten closely for any digestive issues during this period.

Conclusion

Wellness Complete Health Kitten dry food can be a good option for many kittens, offering high-quality protein sources and a focus on natural ingredients. However, it's essential to carefully evaluate the ingredient list, consider the price point, and monitor your kitten's

response to the food. Always consult your veterinarian if you have any concerns about your kitten's nutrition or health. Remember, the best food is the one that your kitten thrives on and that fits within your budget. Choosing the right nutrition sets your kitten up for a long, healthy, and happy life.

FAQs

1. Can I feed my kitten only Wellness Kitten dry food? While Wellness Kitten dry food provides complete and balanced nutrition, it's generally recommended to offer a variety of foods to ensure a well-rounded diet. Consulting your vet about the nutritional adequacy is always a good idea.
1. My kitten has sensitive digestion. Is Wellness Kitten food suitable? Some Wellness formulas are designed for sensitive digestion, however, it's best to check the ingredient list carefully and introduce it gradually to observe any reactions. Consult with your vet if your kitten experiences any digestive upset.
1. How much Wellness Kitten dry food should I feed my kitten? The feeding guidelines are usually printed on the bag. However, adjust the amount based on your kitten's age, weight, activity level, and individual needs. Always consult your veterinarian for personalized feeding recommendations.
1. Where can I buy Wellness Kitten dry food? Wellness Kitten food is widely available at pet stores, both online and in physical locations. You can also find it at some larger grocery stores with pet food sections.
1. Is Wellness Kitten dry food grain-free? Not all Wellness Kitten dry food formulas are grain-free. Check the specific product label to confirm the ingredients. Some kittens may do better on grain-free options while others tolerate grains without issue.

wellness kitten food dry: Celiac and the Beast Erica Dermer, 2013-10 This book details the struggle through misdiagnosis after misdiagnosis, the search for answers to what gluten free really means, additional medical issues along with celiac disease, and a connection between her past life of disordered eating to her new medically restricted diet--Back cover.

wellness kitten food dry: The Whole Pet Diet Andi Brown, 2006-09-01 One in four pets is

obese, and every year owners spend thousands of dollars treating allergies, joint problems, digestive disorders, and serious diseases that could improve dramatically with a nutritious diet. Yet despite promises of complete and balanced meals, most commercial pet foods contain chemical preservatives, indigestible fillers, and dangerous by-products. If your pets are overweight, ailing, or aging, or you just want them to be as healthy as possible, THE WHOLE PET DIET offers a straightforward plan to achieve lifelong health and well-being. Featuring twenty-five easy recipes for homemade meals and treats, a guide to natural supplements, and practical tips for no-stress grooming and play, this holistic approach to pet care creates optimal health for dogs and cats, and it just might change the way you eat, too.

Hodgkins, D.V.M., Esq. raises the alarm regarding the dry food we feed our cats and the nutritional diseases that result. *Your Cat: Simple New Secrets to a Longer, Stronger Life* turns today's conventional wisdom of cat care on its head with completely new, yet remarkably easy-to-follow guidelines for every cat owner. From kitten-rearing to the adult cat's middle years to caring for the geriatric cat, Dr. Hodgkins explores the full spectrum of proper cat care, as well as the many deadly feline diseases that are rampant. This indispensable manual belongs on every modern cat owner's shelf.

wellness kitten food dry: *Dinner PAWsible* Cathy Alinovi, Susan Thixton, 2015-05-19 There's a reason why pets beg at your table—they want real food! Not the kibble manufactured by pet food companies, drained of nutrients. If we are dedicated to preparing healthy meals for ourselves in the comfort and safety of our own kitchens, shouldn't we be doing the same for our pets? *Dinner PAWsible* is a collection of more than fifty cat and dog food recipes that will teach you how to whip up a fresh, balanced meal for your hungry critters. Written by a veterinarian certified in food therapy and an advocate for pet food safety, these recipes are also based on the National Research Council requirements for dogs and cats. Recipes for Dogs include: Turkey & Oats Lasagna Beef, Egg & Rice Chicken, Shrimp, and Veggies Salmon & Cabbage And more! Recipes for cats include: Turkey Meatloaf Turkey & Salmon Hash Steak & Eggs Fish Salad Gumbo And more! Debunk the myth that pet food companies are the only entities qualified to feed your pets. Instead, beat pet obesity, disease, and sickness by reaching into your pantry or refrigerator, turning on the stove, and starting to cook yourself! Making food at home will also decrease those exorbitant pet food bills. It's time to go back to the table. Know exactly what your pet is eating and serve it a variety of real food that it deserves. Be a responsible pet parent by balancing your pet's diet and pleasing its palate. Cooking for your pet is paws-ible!

wellness kitten food dry: *The Way of Cats* Pamela Merritt, 2018-05-31 *The Way of Cats* is a way of playing games with our cat. These communication, training, and affection games are fun and easy to learn. Then we have well-behaved and happy cats.

wellness kitten food dry: *The Cat Whisperer* Mieshelle Nagelschneider, 2013-03-05 Practical and effective strategies for solving every feline behavior problem imaginable—from litter box issues to scratching, spraying, biting, and beyond. "Mieshelle Nagelschneider is a wizard at demystifying cat behavior and providing easy-to-follow steps for solving vexing problems."—Bob Tarte, author of *Kitty Cornered* Cat Whisperer Mieshelle Nagelschneider has been helping people deal with these dilemmas for two decades, achieving a near-perfect success rate. Central to her approach is a keen understanding of the unique way cats see the world—their need for safety and security, their acute territoriality, and their insatiable desire to catch and kill prey. Her proven C.A.T. cat behavior modification plan is a commonsense course of action that can be specifically tailored to your cat in the context of its behavior problems and its particular household environment. Easy-to-implement solutions help transform even the most anxiety-riddled companions into confident, gregarious, and

relaxed cats who live longer, happier, and healthier lives. Inside you'll discover • how to harness the power of "friendly pheromones" to improve your cat's appetite, exploration, grooming, and play • where, when, and how to create a litter box environment that will provide ease of access and reduce anxiety for you and your cat • how to end aggression in multiple-cat households and help your cats coexist peacefully Who says you can't train a cat? In this fascinating and indispensable book, the Cat Whisperer takes you inside the mind of a feline to explain why members of one of the world's most inscrutable species act the way they do—and how you can convince them to change their behaviors for the sake of your peace of mind . . . and theirs.

wellness kitten food dry: *Food Pets Die for* Ann N. Martin, 2008 The commercial pet food industry has a secret to hide -- and Ann Martin wants to make sure you know it. Her research reveals some startling facts: that the pet food industry conducts animal testing in order to improve their product, and includes euthanized cats and dogs in the mix to heighten protein content. In this revised and updated edition, Martin continues to explore the shocking processes by which commercial pet foods are produced. She offers alternative recipes for feeding pets, nutritional advice, and an exploration of Pet Peeves, in which she explores several scams aimed at pet owners. This groundbreaking book gives us a glimpse into exactly what we are doing when we buy pet food.

wellness kitten food dry: *Tiny But Mighty* Hannah Shaw, 2019-08-06 *A New York Times Bestseller* #1 National Bestseller Indie Bestseller From Kitten Lady, the professional kitten rescuer, humane educator, animal advocate, and owner of the popular Instagram @kittenxlady comes the definitive book on saving the most vulnerable—and adorable—feline population: newborn kittens. Hannah Shaw, better known as Kitten Lady, has dedicated her life to saving the tiniest felines, but one doesn't have to be a professional kitten rescuer to change—and save—lives. In *Tiny but Mighty*, Hannah not only outlines the dangers newborn kittens face and how she combats them, but how you can help every step of the way, from fighting feline overpopulation on the streets to fostering unweaned kittens, from combating illness to combating compassion fatigue, from finding a vet to finding the purrfect forever home. Filled with information on animal welfare, instructional guides, and personal rescue stories of kittens like Chloe, Tidbit, Hank, and Badger—not to mention hundreds of adorable kitten photos—*Tiny but Mighty* is the must-have kitten book for cat lovers, current-and-future rescuers, foster parents, activists, and advocates.

wellness kitten food dry: *The Complete Guide to Holistic Cat Care* Celeste Yarnall, Jean Hofve, 2009-09-01 Celeste Yarnall's time-tested natural and holistic expertise gives cat owners insight into natural alternatives in food, medication, alternative therapies, and healing practices, improving the lives of feline friends and well as their caregivers. With Dr. Jean Hofve, the esteemed holistic veterinarian, she explores nutrition as preventative medicine, vitamin and mineral supplements, herbal remedies, homeopathic treatments, and groundbreaking anti-aging modalities never before published in a pet care guide. *The Complete Guide to Holistic Cat Care* also includes a complete bibliography and a list of suppliers of holistic remedies and services. As with all other pet health guides, it is a comprehensive resource intended to complement veterinary care, not replace it.

wellness kitten food dry: *Cat Daddy* Jackson Galaxy, 2013-05-02 Cat behaviorist and star of Animal Planet's hit television show *My Cat from Hell*, Galaxy, a.k.a. Cat Daddy, isn't what readers might expect for a cat expert. Yet his ability to connect with even the most troubled felines--not to mention their owners--is awe-inspiring.

wellness kitten food dry: *Cats Galore* Susan Herbert, 2015-09-25 An irresistible volume featuring illustrations of famous dramatis personae—with a feline twist What happens when a cat becomes the subject of da Vinci's *Mona Lisa* or takes the starring role in *Hamlet* or *Lawrence of Arabia*? Susan Herbert's feline interpretations of famous images from Western culture have charmed and amused readers for decades. *Cats Galore* brings together illustrations from the affectionately envisioned Pre-Raphaelite Cats, Shakespeare Cats, Movie Cats, and Opera Cats—as well as other delightful images of cats cast in scenes from art, theater, and film—into one delightful volume. Divided into three sections—Cats in Art, Cats on Stage, and Cats in the Movies—this is the ultimate compendium for cat-loving culture buffs and cultured pet owners alike. Works by Degas and van

Gogh retain their distinctive styles in spite of the furry faces; cats shine in *Much Ado About Nothing* and *The Barber of Seville*; and a bushy-tailed James Dean in *Rebel Without a Cause* stares at the camera with the iconic cigarette in his mouth.

wellness kitten food dry: *Compassion for Pets* R. Geoffrey Broderick, 2016-07-06 In this groundbreaking book on pet nutrition, Dr. R. Geoffrey Broderick, DVM, reveals the secret to keeping your pets disease-free and healthy for their whole lives. His feeding Paradigm is a step-by-step program for pet owners to give their companion animals optimal health, using food as medicine.

wellness kitten food dry: Herbs for Pets Mary L. Wulff, Greg L. Tilford, 2011-04-19 Herbs for Pets, by herbalists and holistic experts Gregory L. Tilford and Mary L. Wulff, is the bible for all pet owners looking to enhance their companion animals' lives through natural therapies. Now in its second revised edition, Herbs for Pets is an indispensable resource, an exhaustive compendium of medicinal plants and natural remedies that hosts an illustrated tour through Western, ayurvedic, and Chinese herbs that grow in North America, including their holistic applications and contraindications, and alternative approaches to treating a wide range of ailments. Remedies in the book are applicable to dogs and cats, as well as birds, small mammals, and even farm animals. The book is organized into three chapters, the first is dedicated to the "Principles and Practices of Herbalism," discussing the many facets of herbs, concerns about toxicity, basic herbal preparation, the ethical use of herbs, the connection between herbs and diet, and using herbs as dietary supplements. Chapter 2, titled "Materia Medica: An A-Z Guide to Herbs for Animals," is an exhaustive 150-page section presenting color photographs and text about the appearance, habitat and range, cycle and bloom season, parts used, primary medicinal activities, strongest affinities, common uses, availability, propagation and harvest, alternatives and adjuncts, and cautions and comments for 65 different herbs (from Alfalfa to Yucca!). The common uses section is extensive for each herb, discussing the nutrient value, various qualities, and ways in which the herb is used for specific treatments. The third chapter of the book is titled "An Herbal Repertory for Animals: Ailments and Treatments" and details remedies for the following: anxiety, nervousness, and behavioral problems; arthritis and hip dysplasia; cancer; cardiovascular problems; digestive system problems; ear problems; elderly animal care; endocrine system and related problems; epilepsy, convulsions, and seizures; eye problems; first aid, immune system care; mouth and nose problems; parasite-related problems; pregnancy and lactation; skin problems; and urinary problems. The

authors share over two dozen herbal remedies for various ailments, from asthma and pneumonia to constipation and eye cleaner. A glossary of over 200 terms is included, as are references and a comprehensive index.

wellness kitten food dry: Never Turn Your Back on an Angus Cow Dr. Jan Pol, David Fisher, 2014-08-14 The star of The Incredible Dr. Pol shares his amusing, and often poignant, tales from his four decades as a vet in rural Michigan. Dr. Jan Pol is not your typical veterinarian. Born and raised the Netherlands on a dairy farm, he is the star of Nat Geo Wild's hit show The Incredible Dr. Pol and has been treating animals in rural Michigan since the 1970s. Dr. Pol's more than 20,000 patients have ranged from white mice to 2600-pound horses and everything in between. From the time he was twelve years old and helped deliver a litter of piglets on his family's farm to the incredible moments captured on his hit TV show, Dr. Pol has amassed a wealth of stories of what it's like caring for this menagerie of animals. He shares his own story of growing up surrounded by animals, training to be a vet in the Netherlands, and moving to Michigan to open his first practice in a pre fab house. He has established himself as an empathetic yet no-nonsense vet who isn't afraid to make the difficult decisions in order to do what's best for his patients—and their hard-working owners. A sick pet can bring heartache, but a sick cow or horse could threaten the very livelihood of a farmer whose modest profits are dependent on healthy livestock. Reminiscent of the classic books of James Herriot, Never Turn Your Back on an Angus Cow is a charming, fascinating, and funny memoir that will delight animal lovers everywhere.

wellness kitten food dry: Pottenger's Cats Francis Marion Pottenger, Price-Pottenger Nutrition Foundation, 1995

wellness kitten food dry: Dog Food Logic Linda P. Case, M.S., 2014-02-12 Choosing the right dog food in a world with too many choices
 Walking down the dog food aisle in a pet supply superstore can present you with an overwhelming number of choices. Reading about dog food on the internet can make your head spin with so many opinions and stories. And judging the content that you find on dog food packaging can be confusing and misleading. How can the average dog owner make an informed choice in accordance with her dog's age, size and condition? In her latest book, author Linda Case describes how to make logical, evidence-based decisions for what to feed your dog amid all the options available.

 You will learn
 • How pet food marketers appeal to your emotions to persuade you to buy a particular type of dog food.
 • To distinguish between scientific, evidence-based information and the anecdotal evidence which is so pervasive—and often misleading—in the dog food arena.
 • Is there a scientific basis for dog foods designed specifically for puppies, senior dogs, canine athletes—even various breeds of dogs?
 • How to read and evaluate all of the material included on a typical package of dog food from the ingredients and label claims ("Natural," "Anti-Oxidant," "Low Fat"), to the Nutrient Analysis and Nutritional Adequacy statements.
 • How to avoid choice paralysis and the cognitive traps that can interfere with clear decision making.

 What experts are saying about <I>Dog Food Logic</I>
 Pet food is like a religion for many—but now those strong emotional ties can be backed up with fact. Linda Case separates fact from fiction, explains the complex terms and offers a guide to pet nutrition in simple to comprehend language. Unlike other books on this topic, there is no agenda here—except to present facts and then allow pet owners to make their own logical conclusions, letting the kibble drop where it may.
 Steve Dale, CABC, columnist Tribune Content Agency; radio host Black Dog Radio Productions and WGN Radio (Chicago); contributing editor USA Weekend; special correspondent Cat Fancy; author Good Cat!

 <I>Dog Food Logic</i> is the indispensable guide to the science behind canine nutrition that will help us to make wise, well-informed choices about how and what we feed our dogs. It takes the fear out of trying to understand proper nutrition and will empower us to determine what is best for the health of our dogs.
 Claudia Kawczynska, Founder and Editor-in-chief of The Bark

 Don't read this book if you want someone to tell you what to feed your dog. This is a book for people who want to learn, in a reasoned and thoughtful way, how to figure it out for themselves.<I> Dog Food Logic</I> goes way beyond the usual textbook list of

nutritional requirements to cover the pet food industry in all its glory: the history, the business, the marketing, and best of all, the science. Case deftly navigates the most controversial topics in pet food and presents the big picture without interjecting judgment about what approach is best. There's something here for everyone: pet care professionals and dog lovers alike will learn something new from this informative, easy to read, and well researched book.
 Jessica Vogelsang, DVM, CVJ, author, speaker, and CEO of Pawcurious Media

wellness kitten food dry: *The Ultimate Pet Health Guide* Gary Richter, MS, DVM, 2017-08-15
As a holistic veterinarian and scientist, Dr. Gary Richter helps dog and cat owners to navigate the thicket of treatment options and separate the fact from the fiction. He wants us to use what actually works, not just what Western science or alternative medicine say should work. This multifaceted approach to health is known as integrative medicine. Dr. Richter examines traditional medicine from many cultures alongside modern medical techniques, describing the best of complementary care and the best of conventional veterinary medicine. Every treatment he recommends has the backing of scientific research or years of successful outcomes in his clinical practice. After explaining the treatment, he offers specific recommendations for an integrative approach to common diseases, including allergies, skin conditions, diabetes, heart disease, and cancer. A holistic approach to health includes nutrition, as it sets up the foundation for your pet's health. Dr. Richter cuts through the hype in the pet-food world and explains how to choose the best commercial foods and supplements, and even includes both raw and cooked dog- and cat-food recipes for general diet as well as to treat specific needs. He also explains how we can use the right foods and supplements to hack the body's processes, including the immune system.

wellness kitten food dry: In His Majesty's Service Naomi Novik, 2009 Together in one volume, here are the first three novels in Naomi Novik's New York Times bestselling Temeraire series, combining the gripping history of the Napoleonic era, the thrill of Anne McCaffrey's Dragonriders of Pern books, and the excitement of Patrick O'Brian's seafaring adventures. In His Majesty's Service also includes an exclusive original Temeraire short story. Capt. Will Laurence is serving with honor in the British Navy when his ship captures a French frigate harboring most a unusual cargo-an incalculably valuable dragon egg. When the egg hatches, Laurence unexpectedly becomes the master of the young dragon Temeraire and finds himself on an extraordinary journey that will shatter his orderly, respectable life and alter the course of his nation's history. Thrust into England's Aerial Corps, Laurence and Temeraire undergo rigorous training while staving off French forces intent on breaching British soil. But the pair has more than France to contend with when China learns that an imperial dragon intended for Napoleon-Temeraire himself- has fallen into British hands. The emperor summons the new pilot and his dragon to the Far East, a long voyage fraught with peril and intrigue. From England's shores to China's palaces, from the Silk Road's outer limits to the embattled borders of Prussia and Poland, Laurence and Temeraire must defend their partnership and their country from powerful adversaries around the globe. But can they succeed against the massed forces of Bonaparte's implacable army?

wellness kitten food dry: Kitty Cornered Bob Tarte, 2012-04-10 Kitty Cornered is raucous and witty and as heartwarming as a basket of kittens. I'm a bone-i-fied dog lover, but this book settles it: I'm getting a cat, or six." —Dan Dye, author of *Amazing Gracie* Bob Tarte had his first encounter with a cat when he was two and a half years old. He should have learned his lesson then, from Fluffy. But as he says, "I listened to my heart instead, and that always leads to trouble." In this tell-all of how the Tarte household grew from one recalcitrant cat to six—including a hard-to-manage stray named Frannie—Tarte confesses to allowing these interlopers to shape his and his wife's life, from their dining habits to their sleeping arrangements to the placement and furriness of their furniture. But more than that, Bob begins seeing Frannie and the other cats as unlikely instructors in the art of achieving contentment, even in the face of illness and injury. Bewitched by the unknowable nature of domesticated cats, he realizes that sometimes wildness and mystery are exactly what he needs. With the winning humor and uncanny ability to capture the soul of the animal world that made *Enslaved by Ducks* a success, Tarte shows us that life with animals gives us a way out of our narrow human perspective to glimpse something larger, more enduring, and more grounded in the simplicities of love—and catnip.

wellness kitten food dry: Catification Jackson Galaxy, Kate Benjamin, 2014-10-14 A New York Times bestseller! The star of Animal Planet's hit television series *My Cat from Hell*, Jackson Galaxy, shows cat owners everywhere how to make their homes both cat-friendly and chic. Cat owners know the struggles of creating living spaces that are both functional and stylish for owner and cat. Don't just go to your local pet shop and adorn your home with unattractive cat towers and kitty beds. In *Catification*, Jackson Galaxy, the star of Animal Planet's *My Cat from Hell*, and Kate Benjamin, founder of a popular cat design website, walk readers through a step-by-step process of designing an attractive home that is also an optimal environment for cats. This gorgeously designed, full-color book includes more than twenty fun DIY projects, from kitty beds and litter boxes to catios (cat patios) that will be sure to make readers—and their cats—purr in approval.

wellness kitten food dry: *How to Come Alive Again* Beth McColl, 2019-04-04 'Essential reading, not just for anyone struggling with mental illness, but for anyone who knows someone who needs support. That's all of us' Daisy Buchanan, author of **How to Be a Grown-Up* 'An essential, wondrous WOW of a book' Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F**k* It doesn't matter that you've lived in the shadows, that you've slept through years of your life, that you've done things you're shamed to admit even to yourself. It doesn't matter that you're an anxious mess with a shouty monster brain that keeps you from conforming to society's definition of normal. *How to Come Alive Again* is a relatable, honest, joyous and above all practical guide for anyone who has a mental illness – or anyone who knows and loves someone who does. Beth McColl shares what's worked for her and what hasn't, and what she wishes she'd known from the start: from advice on how get through a bad day to the truth about medication and what to expect from a partner. Here are the basics for mending your life, accepting yourself, and learning to live again.

wellness kitten food dry: *My Patients and Other Animals* Suzy Fincham-Gray, 2018-04-10 A moving memoir of a life spent in the company of animals—a veterinarian sheds light on the universal experience of loving, healing, and losing our beloved pets, and the many ways they change our lives. The pursuit of a childhood dream has taken Suzy Fincham-Gray on a journey in veterinary medicine from pastoral farms on the English-Welsh border to emergency rooms in urban American animal hospitals, with thousands of stories collected along the way. In this unforgettable literary debut, she writes about some of the most emotionally challenging and rewarding cases of her career. Like many physicians, Fincham-Gray tends to see her patients at often life-or-death moments. While dramatic, these stories expand into deeper explorations of our complex, profound relationships with the animals in our lives. She describes the satisfaction of diagnosing and treating difficult diseases and the universal experience of loving a pet, and—inevitably—raises questions about their end-of-life care. We meet Grayling, an Irish wolfhound in need of critical treatment; we learn about the fulfillment of caring for a chronically ill pet from the story of Zeke, a silver-brown tabby cat who likes to eat just a little too much; and we fall in love with Monty and Emma, Fincham-Gray's own adopted cat and dog, who change her life in joyful and unexpected ways. Fincham-Gray depicts the sleepless nights she spends waiting for her pager to call her to the clinic, the cutthroat competition among residents, and what it's really like to care for patients who can't advocate for themselves. Warm and humorous, Suzy Fincham-Gray is a rare breed—a clinician with an intimate, elegant literary style. She writes with the same tenderness she brings to her patients, whose needs she must meet with her mind, her hands, and her heart. "Suzy Fincham-Gray gives readers rare insight into the making of a compassionate doctor. Her passion for both science and the animals she cares for, combined with her eloquence as a writer, made me want Suzy as both my dogs' veterinarian and my own friend."—Teresa J. Rhyne, author of the #1 New York Times bestseller *The Dog Lived (and So Will I)*

wellness kitten food dry: *Live with Your Pet in Mind* Dr Jodie Gruenstern DVM, 2016-11-22 What you say, what you think, what you feed, the veterinary care that you choose, the home you provide, and even your self-care has an impact on your pet! Journey with me, a holistic veterinarian, into the mind-body connection that controls your pet's emotional and physical well-being and then, *Live with Your Pet in Mind!* Positively impact the quality and longevity of life experienced by you, and your dog or cat; engage in the recognition and implementation of five powerful, life-changing areas of focus. Open your mind to telepathy and animal communication, Conscious Language(TM) practices, natural nutrition with species-appropriate raw diets, titer testing, and the avoidance of excessive vaccinations. Learn how natural modalities, such as acupuncture and essential oils, are easily integrated into your pet's natural health care. Learn how to identify and avoid toxins in your little carnivore's processed food, environment, and in your own lifestyle. Be aware for self-care! Read ingredient labels. Be your pet's advocate. I will teach you in a fun way, using real-life anecdotes, how to live up to your pet's expectations! This book is for you, the intense pet lover, who fancies yourself to be more than a pet guardian, but rather, a pet parent. This is for you, the reader who wants your pet to live forever, but you never realize how important your own well-being is to the good health and happiness of your best four-legged friend. This is for you, the book lover who thinks you've read all there is on pet care. There are some surprises between the covers of this self-help for the person and pet. As an integrative veterinarian, I have observed the

uncanny coincidence of dis-ease in my pet patient and the similarity of imbalance in the guardian or another close household member. Is the pet a sponge, a mirror or a canary in the coal mine? Do we need to be more careful about how we care for ourselves because we are unknowingly harming our pets? Live with Your Pet in Mind may be the awakening that revolutionizes how you, and the rest of the pet-loving population, think about pet needs and wants, and how you respond to these fur-kid desires. Just when you thought you couldn't possibly love your dog or cat anymore, this read will create a deeper connection than you could have ever imagined possible. And with that, will come your new found sense of responsibility to attain the ultimate in truly natural, holistic family care. The Foreword was written by Marcella Vonn Harting, Ph.D. in Psychoneurology and Integrative Health. she authored among others, the titles, Yes, No, Maybe Chronobiotic Nutrition and Guerrilla MultiLevel Marketing. She is the founder of Highest Potential Academy, the program where Dr. Jodie first learned about Conscious Language. Dr. Harting says, I think the most important message in Dr. Jodie's book is her authenticity and true caring for you as a human being and the animals you love and care for. Greg Tilford, author of Herbs for Pets has this to say about Dr. Jodie's outreach, A compassionate, experienced and gifted veterinarian and teacher, Dr. Jodie's work takes animal healing to the next level where concepts of health, wellness and green living combine with animal companionship to enrich the lives of humans and animals alike.

wellness kitten food dry: *The Forever Dog* Rodney Habib, Karen Shaw Becker, 2024-09-10 #1 New York Times Bestseller In this pathbreaking guide, two of the world's most popular and trusted pet care advocates reveal new science to teach us how to delay aging and provide a long, happy, healthy life for our canine companions. Like their human counterparts, dogs have been getting sicker and dying prematurely over the past few decades. Why? Scientists are beginning to understand that the chronic diseases afflicting humans--cancer, obesity, diabetes, organ degeneration, and autoimmune disorders--also beset canines. As a result, our beloved companions are vexed with preventable health problems throughout much of their lives and suffer shorter life spans. Because our pets can't make health and lifestyle decisions for themselves, it's up to pet parents to make smart, science-backed choices for lasting vitality and health. The Forever Dog gives us the practical, proven tools to protect our loyal four-legged companions. Rodney Habib and Karen Becker, DVM, globetrotted (pre-pandemic) to galvanize the best wisdom from top geneticists, microbiologists, and longevity researchers; they also interviewed people whose dogs have lived into their 20s and even 30s. The result is this unprecedented and comprehensive guide, filled with surprising information, invaluable advice, and inspiring stories about dogs and the people who love them. The Forever Dog prescriptive plan focuses on diet and nutrition, movement, environmental exposures, and stress reduction, and can be tailored to the genetic predisposition of particular breeds or mixes. The authors discuss various types of food--including what the commercial manufacturers don't want us to know--and offer recipes, easy solutions, and tips for making sure our dogs obtain the nutrients they need. Habib and Dr. Becker also explore how external factors we often don't think about can greatly affect a dog's overall health and wellbeing, from everyday insults to the body and its physiology, to the role our own lifestyles and our vets' choices play. Indeed, the health equation works both ways and can travel up the leash. Medical breakthroughs have expanded our choices for canine health--if you know what they are. This definitive dog-care guide empowers us with the knowledge we need to make wise choices, and to keep our dogs healthy and happy for years to come.
