wellness massage cumming ga: Massage MBA Rachel Beider, 2021-01-11 Have you ever felt overwhelmed by everything that needs to get done? Are you confused on how to get started and what to work on first? Have you experienced huge fears that have held you back from making decisions? Have you felt spread too thin, working both IN your business and ON your business? Have you felt anxiety when thinking about the future of your practice? Rachel Beider experienced all of these - fear, anxiety, overwhelm, uncertainty, and failure - all while trying to build and grow a private massage therapy practice. Until something clicked. What happened next was nothing short of amazing. She learned by studying the pros, and built a multi-million dollar massage business. For anyone who is struggling with getting their business together, starting a new practice, or growing an existing one, Rachel's wisdom will help you with rock solid business practices, producing proven and measurable results. It's everything business-related you wish you learned in massage school but didn't.

wellness massage cumming ga: Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States National Research Council, Institute of Medicine, Committee on Law and Justice, Board on Children, Youth, and Families, Committee on the Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States, 2013-11-12 Every day in the United States, children and adolescents are victims of commercial sexual

exploitation and sex trafficking. Despite the serious and long-term consequences for victims as well as their families, communities, and society, efforts to prevent, identify, and respond to these crimes are largely under supported, inefficient, uncoordinated, and unevaluated. *Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States* examines commercial sexual exploitation and sex trafficking of U.S. citizens and lawful permanent residents of the United States under age 18. According to this report, efforts to prevent, identify, and respond to these crimes require better collaborative approaches that build upon the capabilities of people and entities from a range of sectors. In addition, such efforts need to confront demand and the individuals who commit and benefit from these crimes. The report recommends increased awareness and understanding, strengthening of the law's response, strengthening of research to advance understanding and to support the development of prevention and intervention strategies, support for multi-sector and interagency collaboration, and creation of a digital information-sharing platform. A nation that is unaware of these problems or disengaged from solutions unwittingly contributes to the ongoing abuse of minors. If acted upon in a coordinated and comprehensive manner, the recommendations of *Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States* can help advance and strengthen the nation's emerging efforts to prevent, identify, and respond to commercial sexual exploitation and sex trafficking of minors in the United States.

wellness message cumming ga: Handbook of Mental Health and Aging Nathan Hantke, Amit Etkin, Ruth O'Hara, 2020-04-11 The *Handbook of Mental Health and Aging*, Third Edition provides a foundational background for practitioners and researchers to understand mental health care in older adults as presented by leading experts in the field. Wherever possible, chapters integrate research into clinical practice. The book opens with conceptual factors, such as the epidemiology of mental health disorders in aging and cultural factors that impact mental health. The book transitions into neurobiological-based topics such as biomarkers, age-related structural changes in the brain, and current models of accelerated aging in mental health. Clinical topics include dementia, neuropsychology, psychotherapy, psychopharmacology, mood disorders, anxiety, schizophrenia, sleep disorders, and substance abuse. The book closes with current and future trends in geriatric mental health, including the brain functional connectome, repetitive transcranial magnetic stimulation (rTMS), technology-based interventions, and treatment innovations. - Identifies factors influencing mental health in older adults - Includes biological, sociological, and psychological factors - Reviews epidemiology of different mental health disorders - Supplies separate chapters on grief, schizophrenia, mood, anxiety, and sleep disorders - Discusses biomarkers and genetics of mental health and aging - Provides assessment and treatment approaches

wellness message cumming ga: Pediatric Pulmonary Disease J. Thomas Stocker, 1988-12-01

wellness message cumming ga: Resilience, Adaptive Peacebuilding and Transitional Justice Janine Natalya Clark, Michael Ungar, 2021-10-07 Processes of post-war reconstruction, peacebuilding and reconciliation are partly about fostering stability and adaptive capacity across different social systems. Nevertheless, these processes have seldom been expressly discussed within a resilience framework. Similarly, although the goals of transitional justice – among them (re)establishing the rule of law, delivering justice and aiding reconciliation – implicitly encompass a resilience element, transitional justice has not been explicitly theorised as a process for building resilience in communities and societies that have suffered large-scale violence and human rights violations. The chapters in this unique volume theoretically and empirically explore the concept of resilience in diverse societies that have experienced mass violence and human rights abuses. They analyse the extent to which transitional justice processes have – and can – contribute to resilience and how, in so doing, they can foster adaptive peacebuilding. This book is available as Open Access.

wellness message cumming ga: Healing Pain and Injury Maud Nerman, 2014-01-06 Nerman demonstrates how a wide range of symptoms can stem from the body's inability to recover after an injury or trauma. There are three key steps to regaining health after injury or trauma: removing injury shock; restoring motion; controlling inflammation. She shows you ways to harness your body's

remarkable healing ability in order to reclaim your health and your life.

wellness message cumming ga: *International Medical Graduates in the United States* Hassaan Tohid, Howard Maibach, 2021-01-04 Thousands of international medical graduates come to the United States to start their career as physicians. Many of them, however, are not aware of the challenges and problems that they may encounter along the way. These difficulties can range from the language and cultural barriers to a lack of confidence and self-esteem. Many students are also unaware of the other career options besides getting into a clinical residency program. As a result of these issues, a great number of foreign medical students remain unmatched into the National Resident Matching Program. Not matching can be devastating for these graduates, both financially and medically. Students often suffer from psychological effects like major depression and generalized anxiety disorder. This book outlines the potential problems faced by these graduates and their possible solutions. Each chapter collects research evidence, interviews and surveys to gather information to work on each possible problem one by one and describes a solution in great detail. Comprised of thirty chapters, each chapter is broken down into smaller sub-sections to investigate the main theme in depth. Issues addressed include the different types of international medical graduates and their lives in the United States, differences in the education system and healthcare system, the triangle of residency, language and cultural barriers, lack of professional contacts, confidence, self-image and self-esteem issues, and restriction to specific fields and career paths. Written by experts in the field, *International Medical Graduates in the United States* is a first of its kind text that addresses the biggest issues faced by foreign medical graduates in today's world.

wellness message cumming ga: *The Envable Lifestyle* Shelley Johnson, 2008-06-30 Building a service oriented business requires more than general concepts and theories - it requires a reliable, detailed plan for longevity. It also requires cash flow. This book is loaded with practical, hands-on information specifically directed at the massage industry; a detailed roadmap for charting your individual business journey. This book is written by practicing therapists with a non-nonsense, easy-to-read style, who encourage you to blend compassion with business. Cultivate these concepts to create your own uniquely satisfying practice.

wellness massage cumming ga: *Late Preterm Infants* Shahirose Sadrudin Premji, 2018-10-31 This volume analyses the distinct care needs of late preterm infants and their parents by reflecting on the best available evidence to inform practice and latest innovations in care. It addresses the spectrum of issues experienced by late preterm infants and their parents and ways to ensure healthy transitions from hospital to community. We define late preterm infants as those born between 340/7 to 366/7 weeks' gestational age. The book uses creative writing prompts and a narrative style to gain insight and be self-reflection in and on practice to move the reader to embrace best practices. Issues such as mother's physical and emotional health, father's burden in postpartum period, the work organization of nurses caring for late preterm infants, feeding and jaundice which threaten readmission, and neurodevelopmental outcomes of late preterm infants are specifically addressed. Areas of innovation are shared for consideration to prompt readers to think about continuous improvement in quality of care. The book shares local and global perspectives to address the common concerns related to care of late preterm infants and their parents, and fosters a partnership in promoting health of late preterm infants and their parents all across the globe. It is intended for any health care providers such as nurses, midwives, physicians and other allied care professionals like health visitors, community health workers.

wellness massage cumming ga: *Lymphedema* Byung-Boong Lee, Stanley G. Rockson, John Bergan, 2018-01-10 The second edition of this book serves as a central source of theoretical and practical knowledge to optimize the evaluation and treatment of patients with lymphedema. The book covers all aspects of the disease from anatomical and histological features to diagnosis as well as physical/medical and surgical management of the disease. Updated from the first edition to reflect the substantial progress in diagnostics, medical care and surgical intervention for this patient population, this volume has been reorganized to meet today's practice requirements. It addresses the challenges faced by clinicians in the management of chronic lymphedema enabling them to meet the medical needs of this large patient community. Edited by world leaders in Vascular Medicine and Surgery, this comprehensive volume provides clear, concise background and recommendations in an easy-to-use format. It is a valuable reference tool for clinical practitioners (physicians/nurse practitioners/technicians) who wish to deliver state-of-the-art health care to their patients with lymphatic and venous disorders.

wellness massage cumming ga: *Physical Therapy Effectiveness* Mario Bernardo-Filho, Danúbia Sá-Caputo, Redha Taiar, 2020

wellness massage cumming ga: *Integrative Women's Health* Victoria Maizes, Tieraona Low Dog, 2010-02-26 Women have made it clear that they desire a broader, integrative approach to their care. Here, for the first time, Integrative Women's Health weaves together the best of conventional treatments with mind-body interventions, nutritional strategies, herbal therapies, dietary supplements, acupuncture, and manual medicine, providing clinicians with a roadmap for practicing comprehensive integrative care. Presenting the best evidence in a concise, accessible format, and written exclusively by female clinicians, this text addresses many aspects of women's health, including feminine perspectives on aging, spirituality and sexuality, specific recommendations for the treatment of cardiovascular disease, rheumatoid arthritis, HIV, headaches, multiple sclerosis, depression, anxiety, and cancer, as well as integrative approaches to premenstrual syndrome, pregnancy, menopause, fibroids, and endometriosis. Homeopathic, Ayurvedic and traditional Chinese medicine practitioners provide insight into the ways in which these systems manage reproductive conditions. As leading educators in integrative medicine, editors Dr. Maizes and Dr. Low Dog demonstrate how clinicians can implement their recommendations in practice, but they also go beyond practical care to examine how to motivate patients, enhance a health history, and understand the spiritual dimensions of healing.

wellness message cumming ga: Epidemiology of Injury in Olympic Sports Dennis J. Caine, Peter A. Harmer, Melissa A. Schiff, 2009-09-22 This new volume in the Encyclopaedia of Sports Medicine series, published under the auspices of the International Olympic Committee, provides a state-of-the-art account of the epidemiology of injury across a broad spectrum of Olympic sports. The book uses the public health model in describing the scope of the injury problem, the associated risk factors, and in evaluating the current research on injury prevention strategies described in the literature. *Epidemiology of Injury in Olympic Sports* comprehensively covers what is known about the distribution and determinants of injury and injury rates in each sport. The editors and contributors have taken an evidence-based approach and adopted a uniform methodology to assess the data available. Each chapter is illustrated with tables which make it easy to examine injury factors between studies within a sport and between sports. With contributions from internationally renowned experts, this is an invaluable reference book for medical doctors, physical therapists and athletic trainers who serve athletes and sports teams, and for sports medicine scientists and healthcare professionals who are interested in the epidemiological study of injury in sports.

Likis, 2016-07-29 *Women's Gynecologic Health*, Third Edition is a trusted, comprehensive, and evidence-based text that presents women's gynecologic health from a woman-centered and holistic viewpoint. Encompassing both health promotion and management of gynecologic conditions, it provides clinicians and students with a strong foundation in gynecologic care and the knowledge necessary to apply it in clinical practice. With an emphasis on the importance of respecting the normalcy of female physiology, it is an essential reference for all women's healthcare providers. The Third Edition includes four new chapters on prenatal and postpartum care, including anatomy and physiologic adaptations of normal pregnancy, diagnosis of pregnancy and overview of prenatal care, common complications of pregnancy, and postpartum care.

wellness message cumming ga: *Become Your Child's Sleep Coach* Lynelle Schneeberg, 2019-09-03 Proven bedtime solutions for parents of preschool and elementary school children -- from a Yale doctor While there are plenty of resources available to establish healthy sleeping patterns for babies and toddlers, there's very little guidance for parents who want to help their preschool and elementary school children (ages 3 - 10) sleep well. However, parents can be effective sleep coaches for their children once they know what to do. *Become Your Child's Sleep Coach* meets that need by giving you a simple plan to coach your children to be wonderful sleepers, as well as methods to deal with bed wetting, sleep walking, night terrors, and other sleep issues. The five-step plan shows you how to: 1: Prepare your child's bedroom for great sleep 2: Use the 5B Bedtime Routine every night 3: Teach your child to self-comfort as you work your way out of the room 4: Limit callbacks and curtain calls 5: Manage night and early morning wakings A tremendous resource that will teach you exactly how to solve your child's sleep problems. -- From the Foreword by Meir Kryger, MD, author of *The Mystery of Sleep*

Simple, clear diagrams show the anatomy of your back and neck and specialized sections deal with back pain in specific scenarios such as home, work, driving and gardening. Includes advice on where to seek help and how to get the best results from rehabilitation. Play an active role in your healthcare with *Strengthen Your Back*!

wellness message cumming ga: *Living Beautifully* Pema Chödrön, 2019-05-21 Instant bestseller: Buddhist teacher Pema Chödrön shares life-changing practices for living with wisdom, confidence, and integrity amidst confusing situations and uncertain times We live in difficult times.

Life so often seems like a turbulent river threatening to drown us and destroy our world. Why, then, shouldn't we cling to the certainty of the comfortable—to our deep-seated habits and familiar ways? Because, Pema Chödrön teaches, that kind of fear-based clinging keeps us from the infinitely more powerful experience of being fully alive. The Buddhist teachings she presents here—known as the “Three Commitments”—provide a treasure trove of wisdom for learning to step right into the unknown, to completely and fearlessly embrace the groundlessness of being human, for people of all faiths. When we do, we begin to see not only how much better it feels to live an openhearted life, but we find that we begin to naturally and more effectively reach out to help and heal all those around us.

wellness message cumming ga: *Super Woman Rx* Tasneem Bhatia, MD, 2017-09-12 Find your Power Type to discover your personalized plan for weight loss, energy, and lasting health. No more one-size-fits-all diets! Modern womanhood often means juggling multiple roles—businesswoman, mother, spouse, homemaker, and more—all while being expected to look perfectly composed. In other words, it means being superhuman. The truth is, it can seem impossible to maintain physical health while navigating our busy lives. We're overwhelmed and exhausted, which can often translate into unhealthy eating habits, lack of exercise, and no time for self-care. But diet and fitness plans are usually one-size-fits-all, and those universal programs just don't work for every body and every personality. Integrative health and wellness expert Tasneem Bhatia, MD, known to her patients as Dr. Taz, has a plan that is anything but cookie-cutter. Her mission is to help women achieve optimum health, and now she can help you with her personalized plans in *Super Woman Rx*. In *Super Woman Rx*, Dr. Taz sets out to treat “super woman syndrome” by offering five prescriptive plans based on a woman's unique blueprint, or Power Type, whether you're a Boss Lady, a Savvy Chick, an Earth Mama, a Gypsy Girl, or a Nightingale. A fun quiz will help you narrow down your type and figure out which strategies will work best for you. Drawing inspiration from Ayurvedic, Chinese, and Western systems of medicine, each nutrition and exercise plan helps you shed pounds, decrease anxiety and depression, rejuvenate skin, reduce PMS symptoms, and much more in just 3 weeks. Then, long-term strategies with specialized plans follow those 3 weeks. With Dr. Taz's comprehensive, personalized guidance, you'll radiate from the inside out.

wellness message cumming ga: *Women in Sport* Barbara L. Drinkwater, 2008-04-15 The participation of women in sports, whether it be professional or amateur, has increased dramatically over the past 20 years. The anatomy and physiology of the female athlete is unique and it is these aspects which are covered in this new volume in the *Encyclopaedia of Sports Medicine*. *Women in Sport* provides an invaluable reference for those who deal with sportswomen of all abilities, both on a clinical and research level.

Weight loss and health go hand in hand. What makes you fat also makes you sick! This book first educates the reader as to the importance of eating the right foods to heal their body so that they can easily shed fat. Mary has worked with clients for over 20 years and shares this successful program in this easy to read book. The program includes a morning protein shake, and uses real food for meals and snack choices throughout the day. Motivational quotes from clients who have succeeded on this plan are scattered throughout the book adding inspiration for the reader.

wellness message cumming ga: *Get Speaking Gigs Now* Leisa Reid, 2019-12-17 I believe everyone has a story to tell. We all have experiences, memories, expertise and lessons we have learned that can benefit other people. I LOVE the experience of when a talk comes to me. It's as if a seed was planted and it starts to grow. It can even wake me up in the middle of the night! You've probably had a similar experience of having a talk come to you and start to grow within you. You may have watched another speaker on stage and thought, I could be up there! It's an exciting time to be a business owner or entrepreneur with a powerful message. Why? Because you can carve out your own way in the speaking world. All you need is the willingness and courage to go for it! Oh

yeah, and a message that is worthy of sharing. It is my honor to be on this journey with you! One of the messages I have received is that I am on this planet to share my knowledge in service of transformation for others. I believe we are all connected, and I have knowledge that can help you get your message heard so you can help other people, and on and on. The ripple effect has begun!

wellness massage cumming ga: *Go Ahead, Stop and Pee* Kate Mihevc Edwards, Blair Green, 2019-08-27 Slow down. Stop running. Pregnant and postpartum women have heard this advice since the beginning of time. Many runners have no idea what they can and cannot do during pregnancy and postpartum, leaving them unsure, scared, and susceptible to injury. This book throws out all those old wives' tales and proves that women can keep running--during and after pregnancy. All they need is the right information. Written by two moms and physical therapists who also have a passion for running, *Go Ahead, Stop and Pee* is a fresh voice that empowers women to maintain their running lifestyle during pregnancy and postpartum. Combining first-hand experiences as well as science, this book: Dispels some common myths about running pregnant and postpartum Presents key exercises for pregnant runners Helps women understand and care for their postpartum bodies Offers tips on maintaining a running lifestyle after the baby For any soon-to-be or new mom who doesn't want to slow down, *Go Ahead, Stop and Pee* is the catalyst that will inspire her to keep going.

wellness massage cumming ga: *Tantalizing International Delights* Lynda James Parks, 2019-10-30 *Tantalizing International Delights* is a fictional novel that takes place in Atlanta, Georgia and the beautiful island of Bermuda. It's about two young people, Jacob and Jade who are navigating through life trying to attain success in their careers and in their love lives. They are faced with many dilemmas and must do their best to make wise decisions. Both of them learn a hard lesson--that timing is everything. It's been said: if you love someone tell them. Many hearts have been broken because of unspoken words.

wellness massage cumming ga: *Federal Benefits for Veterans and Dependents*, 1980

wellness massage cumming ga: *Vegucation Over Medication* Bobby Price, 2018-04-11 At the height of medical technology and civilization, America has become the fattest and sickest nation to ever grace the earth. There was a time when food was our medicine, and the farmer our physician. But now industrialization has converted farms into factories, replaced produce for processed foods, and meat comes with just as many warnings as the drugs we are prescribed. If we continue to embrace the Standard American Diet (SAD diet) and current health care system, this may be the first generation of parents to outlive their children. The science and medical community are split 50/50 as to why we are so sick. One side is dogmatically attached to the theory that germs cause disease, so sickness is inevitable and can only be treated not cured. The other perspective is that we have a genetic predisposition to disease and that science & technology provide the solution. However, neither of these philosophies actually address the real cause of disease. *Vegucation Over Medication* bridges the gap by helping us understand the impact of nutrition on our health. Dr. Bobby Price provides actionable advice on how to prevent and even reverse many chronic diseases. The book dispels in shocking detail many of the myths and lies we've adopted as truths, such as the use of medications as our primary form of prevention. Dr. Price's holistic approach to understanding the healing nature of our foods and bodies will empower you to cleanse, nourish, and RECLAIM YOUR HEALTH. In this book you will learn: - Hidden dangers in foods and medicines - How to minimize or eliminate medications - The connection between disease and nutrition - The secrets of long-term natural weight loss - The real scoop on protein - Powerful natural alternatives to help restore the body - Guide to incorporating a plant-based lifestyle - Tasty plant-based alternatives to your favorite foods - How a plant-based diet improves energy, digestion, and sleep - How to reverse Type 2 Diabetes - Keys to normalizing blood pressure and cholesterol levels
