Wellness Shampoo and Conditioner: Your Guide to Healthy, Happy Hair

Are you tired of shampoos and conditioners that promise the world but deliver... well, nothing? Do you crave a truly wellness approach to your hair care routine, one that nourishes your scalp and strands from the inside out? This comprehensive guide dives deep into the world of wellness shampoos and conditioners, exploring what sets them apart, the key ingredients to look for, and how to choose the perfect products for your hair type and concerns. We'll unravel the hype and help you find the truly effective solutions that will leave your hair looking and feeling its absolute best.

What Makes a Shampoo and Conditioner "Wellness"?

The term "wellness" isn't just a marketing buzzword; it represents a shift towards holistic hair care. Wellness shampoos and conditioners go beyond simply cleaning and conditioning. They prioritize gentle cleansing, scalp health, and the use of natural, nourishing ingredients. Forget harsh sulfates, silicones, and parabens – wellness formulas focus on ingredients that benefit both your hair and the environment. Think of it as a spa day for your scalp and hair, every time you wash.

This approach emphasizes:

Gentle Cleansing: These products often use milder surfactants to remove dirt and oil without stripping away essential natural oils. This prevents dryness, breakage, and irritation.

Scalp Health: Many wellness formulas address specific scalp concerns, such as dryness, dandruff, or oiliness, with targeted ingredients like tea tree oil, salicylic acid, or soothing botanicals.

Natural Ingredients: Look for shampoos and conditioners formulated with plant-based oils, extracts, and butters, known for their nourishing and moisturizing properties. Examples include argan oil, coconut oil, shea butter, and aloe vera.

Sustainable Practices: Many wellness brands prioritize sustainable packaging and ethical sourcing, aligning with a holistic approach to health and well-being.

Key Ingredients to Look for in Wellness Shampoo and Conditioner

Knowing what to look for is just as important as knowing what to avoid. Here are some key ingredients often found in high-quality wellness shampoos and conditioners:

Aloe Vera: Soothes the scalp, reduces inflammation, and promotes hair growth.

Argan Oil: Rich in vitamin E and antioxidants, it deeply moisturizes and adds shine.

Coconut Oil: Penetrates the hair shaft, strengthening and conditioning from within.

Shea Butter: Provides intense moisture and helps to repair damaged hair.

Tea Tree Oil: Anti-fungal and antibacterial properties make it ideal for treating dandruff and scalp conditions.

Essential Oils (Lavender, Rosemary, etc.): Offer aromatherapy benefits and can promote hair growth and scalp health. Always ensure they're of high quality and diluted appropriately.

Hyaluronic Acid: Attracts and retains moisture, leaving hair hydrated and bouncy.

Keratin: A protein that strengthens and repairs damaged hair, improving its overall structure.

Choosing the Right Wellness Shampoo and Conditioner for Your Hair Type

The best wellness shampoo and conditioner for you will depend on your individual hair type and concerns. Consider the following:

Fine Hair: Opt for lightweight formulas that won't weigh your hair down. Look for volumizing ingredients.

Thick/Coarse Hair: Choose richer, more moisturizing formulas that can penetrate and hydrate thicker strands.

Dry Hair: Prioritize deep moisturizing shampoos and conditioners rich in oils and butters.

Oily Hair: Look for clarifying shampoos that remove excess oil without stripping your scalp's natural moisture.

Color-Treated Hair: Choose color-safe formulas that protect your hair color from fading.

Damaged Hair: Look for repairing shampoos and conditioners containing keratin or other protein-rich ingredients.

Beyond the Bottle: Completing Your Wellness Hair Care Routine

Using a wellness shampoo and conditioner is only part of the equation. To truly achieve healthy, happy hair, consider these additional steps:

Healthy Diet: Nourishing your body from within with a balanced diet rich in vitamins and minerals is crucial for hair growth and health.

Gentle Handling: Avoid harsh brushing and styling techniques that can lead to breakage.

Regular Trims: Get regular trims to remove split ends and prevent further damage.

Scalp Massage: Regular scalp massages can improve blood circulation, promoting hair growth and overall scalp health.

Minimize Heat Styling: Excessive heat styling can damage your hair, so try to minimize its use.

The Verdict: Embracing the Wellness Hair Care Revolution

Choosing a wellness shampoo and conditioner is an investment in the long-term health and beauty of your hair. By prioritizing gentle cleansing, natural ingredients, and scalp health, you'll not only achieve stunning results but also contribute to a more sustainable and ethical beauty routine. Remember to choose products that cater to your specific hair type and concerns, and incorporate these additional tips for a truly holistic approach to hair care. Your hair will thank you!

FAQs

Q1: Are wellness shampoos and conditioners more expensive than conventional ones?

A1: Generally, yes, wellness shampoos and conditioners tend to be slightly more expensive due to the higher quality and often organically-sourced ingredients. However, you often use less product, making them cost-effective in the long run.

Q2: Can I use a wellness shampoo and conditioner if I have a sensitive scalp?

A2: Absolutely! Many wellness shampoos and conditioners are specifically formulated for sensitive scalps, using gentle ingredients and avoiding harsh chemicals that can cause irritation. Look for products labeled as "hypoallergenic" or "for sensitive skin."

Q3: How often should I use a wellness shampoo and conditioner?

A3: The frequency depends on your hair type and scalp. Those with oily hair might wash daily, while those with dry hair might wash every other day or even less frequently. Listen to your hair and scalp – if it feels clean and healthy, you're on the right track.

Q4: Will a wellness shampoo and conditioner help with hair loss?

A4: While they won't magically stop all hair loss, many contain ingredients that promote healthy hair growth by improving scalp circulation and strengthening hair follicles. However, if you're experiencing significant hair loss, consult a dermatologist.

Q5: Where can I find wellness shampoos and conditioners?

A5: You can find wellness shampoos and conditioners at health food stores, specialty beauty stores, and online retailers. Look for brands that emphasize natural ingredients and sustainable practices.

wellness shampoo and conditioner: Healthier Together Liz Moody, 2019-04-09 A healthy cookbook to share with a partner, featuring more than 100 recipes designed to nourish your bodies and souls. An Epicurious Best Cookbook for Spring • "Healthier Together focuses on real whole foods and bringing community together."—Kelly LeVeque, celebrity nutritionist and bestselling author of *Body Love* Food writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage—proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they're all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake "Fried" Chicken, General Tso's Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner—near or far—and get ready to get healthy. Praise for *Healthier Together* "This cookbook is one you'll be reaching for time and time again when you need healthy food that is satisfying and delicious."—Tieghan Gerard "Liz Moody offers heaps of tasty recipes packed with great ingredients."—Real Simple "Healthier Together is a brilliant concept! Cooking with a friend/partner/mom is so much better than cooking alone, plus having a partner will keep you both accountable on your healthy eating journey."—Gina Homolka "Liz does an amazing job helping you make delicious food in a way that is both feasible and fun."—Rachel Mansfield "Liz's book overflows with food made to share, healthy but with all the comfort and flavor that brings happy people around the table."—Daphne Oz "Liz's message is profound, yet so simple . . . you need to have both whole foods and whole, real relationships to truly be healthy and happy. This book makes eating healthy a celebration, not a sacrifice, and it brings an arsenal of fresh and flavorful recipes that are fun to make and eat!"—Jeanine Donofrio

wellness shampoo and conditioner: The Wellness Mama Cookbook Katie Wells, 2016-12-27 A compilation of 200 simple, delicious recipes using all-natural ingredients; meal plans; time-saving tips; and advice that will take the guesswork out of dinner, from the creator of the popular Wellness Mama website. With six kids, a popular blog, and no free time, Katie Wells, knows firsthand how difficult it is to cook a healthy, homemade dinner every night. Faced with her own health challenges, and also concerned about the frightening statistics on the future health of her children's generation, Katie began to evaluate the foods she was eating and feeding to her family. She became determined to find a way to create and serve meals that were wholesome, easy to prepare, budget-friendly, and family approved. The recipes and practical advice Katie offers in *The Wellness Mama Cookbook* will help you eliminate processed foods and move toward more healthy, home-cooked meals that are easily prepared—most in thirty minutes or less. The recipes focus on whole foods that are free of grains and refined sugars and without harmful fats, but are still delicious and full of flavor. With a variety of slow-cooker and one-pot meals, light lunches, dinners, and desserts, you'll be eating better in every way in no time at all. Recipes include Sesame Chicken with Sugar Snap Peas, Sweet Potato Crusted Quiche Lorraine, Beef and Zucchini Stir Fry, and Chewy Chocolate Chip Cookies, as well as

recipes for bone broths, fermented foods, and super food drinks and smoothies. Katie also shares pantry-stocking advice, two weeks of meal plans for at home and on-the-go, shopping lists, and more. This is the ultimate cookbook that readers need to incorporate healthy eating knowledge into their daily practices.

wellness shampoo and conditioner: *Good Sh*t* Julia Blohberger, Roos Neeter, 2021-12-28 It's time to talk sh*t—literally! Improve your gut health, and your life, with this relatable and humorous handbook. If you grew up in the Western world, you were probably taught that poop is gross. Unspeakable, even. But it's a waste to think of poop as a waste. Bags under our eyes tell us we're not getting enough sleep. Sallow skin, thinning hair, and brittle nails tell us if our diets are imbalanced or if we're overstressed. Poop tells us all of that—and much more. This friendly and conversational handbook from two certified yoga and Ayurveda coaches teaches you how to think of poop as a useful gauge of overall health, and helps you track the effects of simple lifestyle adjustments with: • A seven-day tracker to observe your current poop health. • Insights on the impact of diet, exercise, sleep, and stress on your poop, with tips for making improvements in all areas. • Journal prompts that help you analyze behaviors that lead to good and bad poops. • A 21-day tracker to help you see the positive impact of lifestyle changes on your poop over time. • And more!

wellness shampoo and conditioner: Cholesterol Clarity Jimmy Moore, 2013-08-27 Are you confused by what your cholesterol levels really say about your health? Don't you wish someone could just spell it out in simple, easy-to-understand language and tell you what, if anything, you need to do about your cholesterol? Good news! That's precisely what Cholesterol Clarity is designed to do.

Jimmy Moore, a prominent and highly respected health blogger and podcaster, has teamed up with Dr. Eric Westman, a practicing internist and nutrition researcher, to bring you one of the most unique books you'll ever read on this subject, featuring exclusive interviews with twenty-nine of the world's top experts from various fields to give you the complete lowdown on cholesterol. If you're worried about any confusing medical jargon in this book, don't be—this critical information is broken down for you to grasp what is really important and what is not. You won't find this kind of comprehensive, cutting-edge, expert-driven cholesterol information all in one place anywhere else. Has your doctor told you your total and/or LDL cholesterol is too high and thus requires you to take immediate action to lower it? Has the solution to your high cholesterol been to cut down on your saturated fat intake, eat more healthy whole grains and vegetable oils, and possibly even take a prescription medication like a statin to lower it to desirable levels? If so, then this is the book for you. Learn what the real deal is from some of the leading experts on the subject. Not only will Cholesterol Clarity tell you what your cholesterol tests—LDL, HDL, triglycerides, and other key cholesterol markers—really mean, but it will also arm you with nutritional guidance that will lead you to optimal health. Are you ready to find out what the HDL is wrong with your numbers? Within the pages of this book you'll learn invaluable lessons, including:

- Why your LDL-C and total cholesterol numbers may not be as important in determining your health as your doctor may think
- The undeniable negative role that chronic inflammation plays in your health
- Why cholesterol-lowering statin drugs don't necessarily solve your heart health concerns
- Why your doctor should be testing for LDL particles and particle size when measuring cholesterol
- Why HDL and triglycerides are far more predictive of health concerns than LDL-C and total cholesterol
- Why consuming foods with saturated fat is good for you, and why carbohydrate-based foods can be detrimental to attaining the best cholesterol numbers
- Why a growing number of physicians, researchers, and nutritionists believe treating cholesterol numbers is virtually irrelevant

wellness shampoo and conditioner: *Life Makeover* Dominique Sachse, 2022-04-05 Have you ever been so overwhelmed by responsibilities or other people's needs that you forgot to make time for yourself? They say beauty is only skin-deep, but there is power in embracing your outward beauty as the first step in living with internal boldness, confidence, and renewed joy. An outside-in approach to beauty isn't for other people's perception of you, but for your interpretation of yourself and how much you're willing to explore. Sachse has confirmed the unmistakable link between external appearance and self-confidence, and she wants to show you how to rekindle both. In the pages of this book, Sachse offers a vulnerable look into her own mistakes and imperfections and

explains how making over her outward appearance resulted in a happier and healthier version of herself—emotionally, spiritually, and physically. Filled with confidence-boosting wisdom about cultivating rest and lifegiving hobbies, Sachse shows you: how making small changes to your outward appearance can be a pathway to building confidence and making other new transformations in your life practical tips about hair, makeup, and fashion from an expert the benefits of taking bold risks - your life is too valuable to be left on autopilot how to analyze your past and see where you self-sabotaged, and look for traits that served you well and can serve you in the future Sachse knows no amount of makeup can compare to the look of a confident, classy, and kind woman, and that there's nothing like the glow that comes from inner beauty. It's time to discover—or rediscover—who you really are and live your life to the fullest.

wellness shampoo and conditioner: The Wellness Project Phoebe Lapine, 2017-05-16

For those battling autoimmune disease or thyroid conditions—or just seeking healthy life balance—the voice behind the popular blog Feed Me Phoebe shares her yearlong investigation of what truly made her well. After she was diagnosed with an autoimmune disease in her early twenties, Phoebe Lapine felt overwhelmed by her doctor's strict protocols and confused when they directly conflicted with information on the bestseller list. After experiencing mixed results and a life of deprivation that seemed unsustainable at best, she adopted 12 of her own wellness directives—including eliminating sugar, switching to all-natural beauty products, and getting in touch with her spiritual side—to find out which lifestyle changes truly impacted her health for the better. The Wellness Project is the insightful and hilarious result of that year of exploration—part memoir and part health and wellness primer (complete with 20 healthy recipes), it's a must-read not just for those suffering from autoimmune disease, but for anyone looking for simple ways to improve their health without sacrificing life's pleasures.

wellness shampoo and conditioner: Discovering the True You with Ayurveda Sebastian Pole,

2013 Also known as the science of life, Ayurveda is a complete system of knowledge that deals with physical health, mental balance, spiritual well-being, social welfare, relationships, environmental issues, dietary and lifestyle habits, as well as the treatment of specific ailments. This deep

knowledge has been passed down to us through the last fifty generations of Ayurvedic teachers in India, and its reputation is now growing internationally as a rich, coherent, and effective system of natural living and healing. *Discovering the True You with Ayurveda* guides readers to optimum health and happiness through the seven pathways of Ayurveda. Beginning by helping you to discover your natural constitutional type, the book gives recommendations on the diet, exercise, and mental and spiritual outlook that you as an individual will benefit from. With your new understanding of your true constitution, you can use the information in *Discovering the True You with Ayurveda* to tailor a lifestyle and fitness program that works on all levels so you can live a truly authentic life. In all the essential aspects of contemporary life, from the food you eat to the work you do, from the relationships that sustain you to the natural world that nurtures you, it can guide you to health and happiness by teaching you how to fulfill your potential, empower yourself, and find meaning and purpose in everything you do. The book is divided into chapters relating to a specific area of wellbeing: Constitution, Nourishment, Cleansing, Rejuvenation, Strength and Stillness, Ecology, and Relationship. Author Sebastian Pole, an experienced Ayurvedic practitioner, packs the book with philosophical insights, dietary and nutritional information, massage and rejuvenation plans, meditation and yoga exercises, and Indian parables to illustrate Ayurvedic principles and impart some of its cultural background. The book also includes the Pukka Pantry, an appendix of Ayurvedic herbs and their benefits.

wellness shampoo and conditioner: The Food Babe Way Vani Hari, 2015-02-10 Eliminate toxins from your diet and transform the way you feel in just 21 days with this national bestseller full of shopping lists, meal plans, and mouth-watering recipes. Did you know that your fast food fries contain a chemical used in Silly Putty? Or that a juicy peach sprayed heavily with pesticides could be triggering your body to store fat? When we go to the supermarket, we trust that all our groceries are safe to eat. But much of what we're putting into our bodies is either tainted with chemicals or processed in a way that makes us gain weight, feel sick, and age before our time. Luckily, Vani Hari -- aka the Food Babe -- has got your back. A food activist who has courageously put the heat on big food companies to disclose ingredients and remove toxic additives from their products, Hari has made it her life's mission to educate the world about how to live a clean, organic, healthy lifestyle in an overprocessed, contaminated-food world, and how to look and feel fabulous while doing it. In *The Food Babe Way*, Hari invites you to follow an easy and accessible plan that will transform the way you feel in three weeks. Learn how to: Remove unnatural chemicals from your diet Rid your body of toxins Lose weight without counting calories Restore your natural glow Including anecdotes of her own transformation along with easy-to-follow shopping lists, meal plans, and tantalizing recipes, *The Food Babe Way* will empower you to change your food, change your body, and change the world.

wellness shampoo and conditioner: Womancode Alisa Vitti, 2013 Alisa Vitti found herself suffering through the symptoms of polycystic ovarian syndrome (PCOS), and was able to heal herself through food and lifestyle changes. Relieved and reborn, she made it her mission to empower other women to be able to do the same. As she says, 'Hormones affect everything. Have you ever struggled with acne, oily hair, dandruff, dry skin, cramps, headaches, irritability, exhaustion, constipation, irregular cycles, heavy bleeding, clotting, shedding hair, weight gain, anxiety, insomnia, infertility, lowered sex drive, or bizarre food cravings and felt like your body was just irrational?' With this breadth of symptoms, improving hormonal health is a goal for women at every stage of their lives. Alisa Vitti says that medication and anti-depressants aren't the only solutions. The thousands of women she has treated in her Manhattan clinic know the power of her process that focuses on uncovering your unique biological make up. Groundbreaking and informative, *WomanCode* educates women about hormone health in a way that's relevant and easy to understand. Bestselling author and women's health expert Christiane Northrup, who has called *WomanCode* the 'Our Bodies, Ourselves of this generation', provides an insightful foreword.

wellness shampoo and conditioner: Blackthorn's Botanical Wellness Amy Blackthorn, 2022-11-01 "Every word of Blackthorn's Botanical Wellness is carefully thought out and deeply impactful, as Blackthorn offers in-depth information about all of the ways plants and other allies can help us care for ourselves, especially if we are among the traumatized and cast aside. There's no spiritual bypassing here—just an ever-sweet and profoundly informative book that will throw a considerable, necessary punch into your wellness routine." —Cassandra Snow, author of Lessons from the Empress: A Tarot Workbook for Self-Care and Creative Growth "The best life starts within, looking outward," writes Amy Blackthorn in this simultaneously practical and personal guide to wellness and healing. Blackthorn, a master herbalist, aromatherapist, and prolific author, explores methods of wellness management using both mystical and mundane tools and techniques. Amy's book features essential oils, plants, meditation, tarot, astrology, and personal sigils tailored to your own specific needs and circumstances. She also describes her own journey to well-being and shares the lessons she's learned, including how to develop healthy mind-body habits and to stop relying on fear and shame-based rituals for self-care that ultimately produce results that are the very opposite of what is desired. Instead, Blackthorn's Botanical Wellness supplies holistic solutions that enable you to lead your best life. According to Blackthorn, self-care isn't "me, first"; it's "me, too." In clear, accessible, friendly language, Blackthorn's Botanical Wellness teaches the skills to put these important lessons into practice. Find tools for managing health, chronic illness, and self-care Create a lunar self-care calendar Embrace the emotional well-being of aromatherapy Work with plant spirit allies Empower yourself with spells and rituals

wellness shampoo and conditioner: The Happy Hormone Tracker Shannon Leparski,

2020-10-20 Track your hormonal patterns and get to know your menstrual cycle in a more intimate way using this stylish and functional personal wellness planner for women. This first-of-its-kind 90-day hormone tracker journal gives women the guidance and space they need to track their monthly cycles and monitor how diet, exercise, moods, sleep, supplements, and more impact their hormonal fluctuations. On a basic level, natural hormone tracking is incredibly helpful for knowing when your period will come and end, when you should use protection or avoid sex to prevent pregnancy, and for gaining a fundamental connection to your flow. And if you're trying to conceive, it's essential for fertility tracking and fertility health. On a deeper level, tracking can strengthen your body awareness (physically and emotionally) and connection to nature. After 90 days of tracking, you'll have a strong foundational knowledge of your personal cycle patterns and how your hormones affect your mood, motivation levels, cravings, and more. The Happy Hormone Tracker includes: Health primer explaining the four phases of a woman's cycle and what to expect during those times of the month 90 days of daily tracker pages for monitoring ovulation, overall mood, digestion, hours slept, food cravings, stress level, exercise, motivation level, and more. Weekly reflections for keeping track of personal habits, self-care, and more. Food charts to help you know the best foods to eat for each phase of the month And other tips from Shannon Leparski, author of the 2019 bestselling book *The Happy Hormone Guide*

wellness shampoo and conditioner: *The Bulletproof Diet* Dave Asprey, 2014-12-02 In his midtwenties, Dave Asprey was a successful Silicon Valley multimillionaire. He also weighed 300 pounds, despite the fact that he was doing what doctors recommended: eating 1,800 calories a day and working out 90 minutes a day, six times a week. When his excess fat started causing brain fog and food cravings sapped his energy and willpower, Asprey turned to the same hacking techniques that made his fortune to hack his own biology, investing more than \$300,000 and 15 years to uncover what was hindering his energy, performance, appearance, and happiness. From private brain EEG facilities to remote monasteries in Tibet, through radioactive brain scans, blood chemistry work, nervous system testing, and more, he explored traditional and alternative technologies to reach his physical and mental prime. The result? *The Bulletproof Diet*, an anti-inflammatory program for hunger-free, rapid weight loss and peak performance. *The Bulletproof Diet* will challenge--and change--the way you think about weight loss and wellness. You will skip breakfast, stop counting calories, eat high levels of healthy saturated fat, work out and sleep less, and add smart supplements. In doing so, you'll gain energy, build lean muscle, and watch the pounds melt off. By ditching traditional diet thinking, Asprey went from being overweight and sick in his twenties to maintaining a 100-pound weight loss, increasing his IQ, and feeling better than ever in his forties. *The Bulletproof Diet* is your blueprint to a better life.

wellness shampoo and conditioner: *The Beauty Myth* Naomi Wolf, 2009-03-17 The bestselling classic that redefined our view of the relationship between beauty and female identity. In today's world, women have more power, legal recognition, and professional success than ever before. Alongside the evident progress of the women's movement, however, writer and journalist Naomi Wolf is troubled by a different kind of social control, which, she argues, may prove just as restrictive as the traditional image of homemaker and wife. It's the beauty myth, an obsession with physical perfection that traps the modern woman in an endless spiral of hope, self-consciousness, and self-hatred as she tries to fulfill society's impossible definition of the flawless beauty.

wellness shampoo and conditioner: *The Fashion Chronicles* Amber Butchart, 2018-09-06 From BBC television and radio presenter Amber Butchart, *The Fashion Chronicles* is an exploration of 100 of the most fascinating style stories ever told. From Eve's fig leaf to Hilary Clinton's pantsuit, the way we choose to clothe our bodies can carry layer upon layer of meaning. Across cultures and throughout history people have used clothing to signify power and status, to adorn and beautify, even to prop up or dismantle regimes. Here, explore the best-dressed figures in history, from Cleopatra to Beyoncé, Joan of Arc to RuPaul. Some have influenced the fashion of today, while some have used their clothing to change the world. But all have a sartorial story to tell. Entries include: Tutankhamun Boudicca Eleanor of Aquitaine Genghis Khan King Philip II of Spain King Louis XIV of

France Catherine the Great Marie Antoinette Karl Marx Amelia Earhart Josephine Baker Frida Kahlo Malcolm X Marsha Hunt Beyoncé Chimamanda Ngozi Adichie ...and many more

wellness shampoo and conditioner: *Hood Wellness* Tamela J. Gordon, 2024-06-18 "A funny, thought-provoking, and profound memoir about the intersection of Blackness and health. Gordon's vision of a more just future feels both inspiring and possible." — Kirkus Starred Review What does self-care look like when struggling to make ends meet, living with a disability, or navigating intersectional marginalization? How can you prioritize well-being while divesting from systems built to destroy you? The answer: *Hood Wellness*, a groundbreaking exploration that challenges the oppressive systems deeply rooted in health and wellness industries in the United States. In a world where self-care is critical to survival, Gordon offers a revolutionary perspective that celebrates individuals' unique privileges, challenges, and desires. By defying the norms of multi-billion-dollar industries, *Hood Wellness* illuminates the possibilities that emerge when we prioritize well-being while divesting from harmful structures. *Hood Wellness* is also a deep exploration of people forced to overcome harrowing circumstances with little more than communal support and the will to get well. From terminal illness and police violence to embracing gender identity in a society that's attacking trans and queer rights, each story reflects America's extreme political, racial, and gender climates. Gordon challenges everything we think we know about wellness by calling out the wellness industry's inability to include those outside the margins of white, heteronormative identities. She lays plain that self-care as we know it is mostly just surface-level cute, and communal care is the call-to-action that America needs. Drawing on elements of memoir, self-help, humor, critical race theory, and devastatingly honest storytelling, Gordon guides readers on a transformative journey toward a new paradigm of wellness. This compelling book serves as a beacon, empowering individuals to cultivate resilience and self-love in today's world. As Gordon shares her personal odyssey, she intertwines the stories of others, revealing her profound discoveries, triumphs, and passions related to self-care. *Hood Wellness* introduces readers to an inclusive and accessible self-care primer and an approach to well-being that holds the potential to bring about profound change in their lives.
