

wellness vs bikini competition

Wellness vs. Bikini Competition: Finding Your Perfect Fitness Path

Are you torn between the glistening stage lights of a bikini competition and the holistic journey of wellness? This isn't a simple "either/or" situation. Both paths offer incredible personal growth, but they cater to vastly different motivations and priorities. This in-depth guide explores the key differences between wellness and bikini competition prep, helping you determine which aligns better with your values, goals, and overall well-being. We'll delve into the physical demands, mental health aspects, lifestyle changes, and long-term implications of each path, empowering you to make an informed decision that supports your authentic self.

Understanding the "Wellness" Approach

Wellness isn't just about physical health; it's a holistic state encompassing mental, emotional, and spiritual well-being. When it comes to fitness, a wellness approach prioritizes sustainable habits that support long-term health and happiness. This means:

Sustainable Exercise: Focus is on activities you genuinely enjoy, whether that's yoga, hiking, swimming, or weightlifting. The intensity and frequency are tailored to your individual capabilities and goals, avoiding burnout.

Balanced Nutrition: Emphasis is placed on nourishing your body with whole, unprocessed foods. The goal isn't strict dieting but mindful eating that fuels your energy levels and supports overall health. Intuitive eating and listening to your body's hunger cues are key.

Mental Well-being: Stress management, mindfulness practices, adequate sleep, and fostering positive relationships are integral parts of a wellness journey. It acknowledges that mental health is just as crucial as physical health.

Body Positivity: Wellness champions self-acceptance and body positivity. It's about appreciating your body for its capabilities and celebrating its unique strengths, rather than striving for an unattainable ideal.

The World of Bikini Competitions

Bikini competitions, on the other hand, are intensely focused on achieving a specific aesthetic – a lean, toned physique for judging. This requires a dedicated and often extreme approach:

Rigorous Training: Expect highly structured workout routines, often multiple sessions daily, focusing on muscle definition and fat loss. This often involves specialized training techniques and potentially intense cardio.

Strict Dieting: Preparing for a bikini competition typically involves severely restrictive diets, often with very low calorie intake and meticulous macronutrient tracking. This can be physically and mentally demanding.

Tanning and Preparation: Beyond training and diet, there's significant time and effort dedicated to tanning, hair removal, posing practice, and stage presentation. This adds another layer of

dedication.

Mental Toughness: The pressure to achieve a specific physique can be immense, leading to stress, anxiety, and potentially disordered eating. Maintaining mental fortitude throughout the process is crucial.

Wellness vs. Bikini Competition: A Direct Comparison

Feature	Wellness	Bikini Competition
Goal	Holistic well-being, sustainable health	Achieving a specific physique for competition
Training	Enjoyable, adaptable, varied	Intense, structured, often multiple sessions daily
Nutrition	Balanced, mindful, intuitive eating	Highly restrictive, low calorie, macro-focused
Body Image	Self-acceptance, body positivity	Achieving a specific aesthetic ideal
Time Commitment	Flexible, adaptable to lifestyle	Significant, often demanding significant sacrifice
Mental Health	Prioritized, stress management emphasized	Can be challenging, potential for disordered eating
Long-term Impact	Positive, sustainable habits	Potential for burnout, disordered eating patterns

Choosing the Right Path for You

Ultimately, the best path depends on your individual priorities and personality. If you value long-term well-being, sustainable habits, and a positive relationship with your body, a wellness approach is likely a better fit. If you thrive on challenges, are highly disciplined, and are driven by the competitive aspect of achieving a specific physique, a bikini competition might be appealing.

It's also crucial to acknowledge that both paths can be incredibly rewarding. The sense of accomplishment from achieving a fitness goal, whether it's completing a marathon or stepping onto a competition stage, is significant. The key is choosing the path that aligns with your values and supports your overall well-being, not just physical appearance.

Beyond the Binary: Blending Wellness and Competition

It's also important to note that these two approaches aren't mutually exclusive. Many individuals incorporate elements of wellness into their bikini competition preparation. This might involve prioritizing mental health, incorporating enjoyable activities into their training, or focusing on nutrient-dense foods whenever possible. Finding a balance that respects both your competitive goals and your overall well-being is essential for a sustainable and fulfilling journey.

Conclusion:

The choice between wellness and a bikini competition boils down to your individual values and long-term goals. There's no right or wrong answer; the most important thing is to prioritize your health and happiness throughout your fitness journey. Carefully consider the implications of each path, choose what aligns with your authentic self, and remember that sustainable well-being is the ultimate prize.

FAQs

1. Can I transition from a bikini competition focus to a wellness approach? Absolutely! Many women find that after a competition, they prioritize a more balanced and sustainable approach to fitness and health. This transition often involves reducing training intensity, focusing on intuitive eating, and prioritizing mental well-being.
1. Are there health risks associated with bikini competition prep? Yes, the highly restrictive dieting and intense training can lead to nutrient deficiencies, hormonal imbalances, and mental health challenges, including disordered eating.
1. Can I still build muscle and look toned without competing? Yes! A wellness approach can absolutely help you build strength, improve muscle definition, and achieve a toned physique through sustainable training and balanced nutrition.
1. How do I find a supportive community for either path? Look for online communities focused on wellness or fitness competitions. Finding a community of like-minded individuals can provide invaluable support and motivation.
1. What if I enjoy both aspects? There's no rule saying you can't enjoy both! You can incorporate elements of both approaches into your fitness journey, focusing on building strength and improving your physique while prioritizing mental and emotional well-being. Remember that sustainable health is key, regardless of your fitness goals.

wellness vs bikini competition: The 12-Minute Athlete Krista Stryker, 2020-03-31 Unlock your athletic potential and get into the best shape of your life with Krista Stryker's HIIT and bodyweight workouts—all of which can be done in just minutes a day! If you've ever thought you couldn't get results without spending hours in the gym, that you'd never be able to do a pull-up, or that it's too late to get in your best shape ever, The 12-Minute Athlete will change your mind, your body, and your life. Get serious results with high-intensity interval training (HIIT) workouts that can be done in just minutes a day. Give up the excuses and learn to use your own bodyweight and a few basic pieces of portable equipment for short, incredibly effective workouts. Reset your mindset, bust through mental blocks, and set meaningful goals you'll actually accomplish. You can finally ditch the dieting and enjoy food as fuel with simple eating guidelines to the 80/20 rule. In The 12-Minute Athlete you'll also find: -A guide to basic calisthenics and bodyweight exercises for any fitness level

-Progressive exercises to achieve seemingly “impossible” feats like pistol squats, one-arm push-ups, pull-ups, and handstands -More than a dozen simple and healthy recipes that will fuel your workouts -Two 8-week workout plans for getting fitter, faster, and stronger -Bonus Tabata workouts -And so much more! The 12-Minute Athlete is for men and women, ex-athletes and new athletes, experienced athletes and “non-athletes”—for anyone who has a body and wants to get stronger and start living their healthiest life.

wellness vs bikini competition: Feminist Figure Girl Lianne McTavish, 2015-01-08 Feminist Figure Girl chronicles the transformation of art history professor Lianne McTavish, from a university professor into an extraordinarily tanned and crystal-encrusted bikini-wearing figure girl. Figure competitions seek a softer appearance than traditional forms of bodybuilding but still require rigorous weightlifting, an extreme protein diet, and many hours of posing in high heels. While training for a figure show, McTavish combined autoethnographic methods, participant observation, and feminist theory to find new ways of thinking about physique culture and the female body. The author, who specializes in critical visual culture and the history of the body, explores such contemporary issues as body image, fat studies, identity politics, and postfeminism, while rethinking fitness culture, diet regimes, feminist politics, reproductive activism, performance art, and the social function of photography. Written in a lively personal style reminiscent of McTavish's popular blog, she clearly explains the complex ideas stemming from the theoretical work of such writers as Judith Butler, Simone de Beauvoir, Michel Foucault, Iris Marion Young, Edmund Husserl, and Maurice Merleau-Ponty. The book also includes many photos documenting McTavish's physical transformation.

wellness vs bikini competition: First Call Out Amanda Larson, 2012-10-01 A complete and comprehensive guide for competing in Bikini, Fitness, Figure, Women's Physique and Bodybuilding. Loaded with information and resources for those looking to compete. Guides you through the steps from choosing a trainer to stepping on stage. wellness vs bikini competition: Vegan Bodybuilding and Fitness Robert Cheeke, 2011-06-10 One of the world's most recognized vegan bodybuilders presents a comprehensive guide to building a fit body on a plant-based diet. Author Robert Cheeke inspires people to develop magnificent bodies. His experience with diet, training, contest preparation and other facets of this sport make Vegan Bodybuilding & Fitness a fantastic resource for beginners and experienced athletes alike. Readers are provided with insight into the mental and physical aspects involved in becoming a successful bodybuilder. An overview of nutrients and how they function in the body, along with mass-building menus for training, show how to thrive as an athlete and bodybuilder on a vegan diet. Recommendations are given on how to create a successful training regimen that will yield the best results. Throughout the text the author's voice resonates with passion, dedication, and determination. From invaluable advice on how to find sponsorship and make bodybuilding a career to learning how to use bodybuilding for activism and outreach, readers find multi-leveled support for their lifestyle. A resource section is included for products, services and equipment that are completely vegan. Vegan Bodybuilding & Fitness leaves a lasting impact by providing tools for motivation and commitment for any area of life.

wellness vs bikini competition: The Complete Contest Prep Guide (Female Cover) Layne Norton, Peter Baker, 2018-03-06 This is a comprehensive guide to running your own successful contest prep. Based on my own personal experience as well as the thousands of clients I have worked with over the last ten plus years, I lay out all the research and strategies used to help turn

athletes in to champions. There is no other comprehensive guide like this out on the market and this will be a game changer for you in your training and dieting approach to getting on stage and winning.

wellness vs bikini competition: *Strong Curves* Bret Contreras, 2013-04-02 This is not your run-of-the-mill fitness book. Developed by world-renowned gluteal expert Bret Contreras, *Strong Curves* offers an extensive fitness and nutrition guide for women seeking to improve their physique, function, strength, and mobility. Contreras spent the last eighteen years researching and field-testing the best methods for building better butts and shapelier bodies. In *Strong Curves*, he offers the programs that have proven effective time and time again with his clients, allowing you to develop lean muscle, rounded glutes, and greater confidence. Each page is packed with information decoding the female anatomy, providing a better understanding as to why most fitness programs fail to help women reach their goals. With a comprehensive nutritional guide and over 200 strength exercises, this book gets women off the treadmill and furnishes their drive to achieve strength, power, and sexy curves from head to toe. Although the glutes are the largest and most powerful muscle group in the human body, they often go dormant due to lifestyle choices, leading to a flat, saggy bum. *Strong Curves* is the cure.

wellness vs bikini competition: *The Ultimate Bodybuilding Cookbook* Kendall Lou Schmidt, 2016-09-20 High impact recipes that will make you stronger than ever.

wellness vs bikini competition: *The Bikini Bible* Kiki McClellan, Preston McClellan, Casey Marshall, 2020-09 Casey Marshall is the CEO and founder of Team Boss Bodies, an elite NPC & IFBB bikini competition and lifestyle team. She has been in the competition field for over ten years. Casey is an IFBB professional athlete and a professional level competition coach. Since 2011, she has been actively competing and studying the competition prep industry including competing in over 45 competitions herself and winning seven overall titles. Since the creation of Boss Bodies (her second competition prep company), she has helped over 40 athletes earn IFBB Professional status. In addition, she has coached hundreds of women to qualify and compete at the national level, pro level, and the Olympia. This book is designed to give you a running start to your success in the bikini industry - whether it is achieving a great physique or landing an athlete sponsorship or even going to the Olympia.

wellness vs bikini competition: *The Muscle and Strength Pyramid: Training* Andy Morgan, Andrea Valdez, Eric Helms, 2019-03-24 Navigating the available fitness information online can be confusing and time-consuming at best, and a minefield of misinformation at worst. One inherent problem is that information online is always presented as supremely important and as the next 'big thing,' without context or any understanding of priorities. Enter *The Muscle and Strength Pyramid* books. The foundational concept of these books is understanding priorities and context, so you can take all the pieces of the puzzle and fit them together into an actionable plan. * Six sample routines to get you started quickly Six programs for novice, intermediate, and advanced-level bodybuilders and strength-focussed athletes. * Break through those training plateaus With our full progression guidelines and examples, you'll never be left frustrated and wondering what to do next. * Learn how to tailor your own programming for faster results Our quick-start programming guide will show you how to apply all the principles that go into program design. The chief author of the books, Dr. Eric Helms, has not only the academic understanding of training and nutrition as an active researcher but also extensive practical experience. He has been a personal trainer, powerlifting and bodybuilding coach since 2005, helping hundreds bridge the gap between science and practice to reach their goals. In addition, he has the minds of Andrea Valdez, and Andy Morgan to ensure the concepts are communicated clearly and effectively and no stone is left unturned. Andrea is a lifelong athlete with extensive coaching experience and her Masters in Exercise Physiology, and Andy is a successful writer and consultant for body composition change with a unique grasp of how to communicate topics to diverse groups, as he produces content for both the Japanese and English speaking fitness communities. Together, they bring you *The Muscle and Strength Training Pyramid*, the hierarchical, comprehensive, evidence-based guide that is a

must-have for every serious lifter or trainer.

wellness vs bikini competition: *True Utterances (683 +) to Prepare and Win Your Bikini Competition in 12 Weeks or Less (Fitness, Physique, Body Building, Bikini, Competition, Health)* Nicholas Mag, The Miracle! In this book Nicholas presents you a practical, unique, subliminal, very simple, detailed method of how to Prepare and Win Your Bikini Competition in 12 Weeks or Less (Fitness, Physique, Body Building, Bikini, Competition, Health). You will feel the effects immediately and the results will appear very quickly! So it was in my case. You will not achieve fulfillment and happiness until YOU become the architect of your own reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through this unique, subliminal method combined with positive affirmations. The order of words is extremely important for every book written by Nicholas. These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being, blockages that are bringing disease or failure on various plans. You don't need a big chunk of your time or expensive programs. Everything is extremely simple! Health, money, prosperity, abundance, safety, stability, sociability, charisma, sexual vitality, erotic attraction, will, optimism, perseverance, self-confidence, tenacity, courage, love, loving relationships, self-control, self-esteem, enthusiasm, refinement, intuition, detachment, intelligence, mental calm, power of concentration, exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book, you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill. Nicholas will guide you to touch your longed-for dream and will make you see life from a new perspective, full of freshness and success. This book helps you step by step, in a natural way, in just 3 minutes a day, to change your misguided way of thinking and to Prepare and Win Your Bikini Competition in 12 Weeks or Less (Fitness, Physique, Body Building, Bikini, Competition, Health). (NOTE: For good, Nicholas keep the price of the book as lower as he can, even if it is a hard work behind this project. A significant portion of the earnings from the sale of the book are used for these purposes: for charity, volunteer projects, nature restoration, and other inspired ideas to do good where it is needed. If you can not afford to buy the book please contact Nicholas and he will give you a free copy.) You, also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing. You will feel the difference. Yes. The Miracle is possible! Get Your Copy Now!

This five-phase process will arm you with the tools to finally get into the shape of your life, for life, and experience incredible benefits that transcend the

physical.

wellness vs bikini competition: Coconuts & Kettlebells Noelle Tarr, Stefani Ruper, 2018-08-07 Achieve lasting health—without cutting calories or following dieting “rules”! Instead of obsessing about the quantity of food you eat, shift your focus to the quality, say Noelle Tarr and Stefani Ruper. The popular hosts of the Well-Fed Women podcast want you to make sure you’re getting enough food so that your body has the fuel and nourishment it needs to support a healthy, long, and energetic life. Noelle and Stefani know firsthand about the ups and downs of dieting. Like many people, they have struggled with confusing and frustrating health issues such as anxiety, infertility, and hormonal imbalance—but when they discovered that the secret to improving wellness was actually more food, they ditched the calorie counters and gave their bodies the nourishment they needed to heal. In the Coconuts and Kettlebells program, you’ll eat at least 2,000 calories a day—setting a minimum intake of fat, protein, and carbohydrates to ensure that your diet is full of nutrients. Noelle and Stefani identify the Big Four foods that cause the most health problems—grains, dairy, vegetable oils, and refined sugar. While many diets require you to eliminate these foods entirely, Coconuts and Kettlebells provides an easy-to-follow step-by-step system to test these foods and determine which you need to cut back on to feel better—and which you can eat without restrictions. To help you discover how your body responds to the Big Four, you’ll choose from two simple 4-week meal plans: one for Butter Lovers, people who tend to feel more satisfied eating higher ratios of fats, and one for Bread Lovers, people who tend to feel more satisfied eating higher ratios of carbs. Each meal plan comes with weekly shopping lists and instructions on how to batch cook, meal prep, and stock the pantry. In addition, you get more than 75 simple and delicious real food recipes, including: • Kale and Bacon Breakfast Skillet • Raspberry-Coconut Smoothie Bowl • Thai Coconut Curry Shrimp • Apple-Chicken Skillet • Moroccan Lamb Meatballs • Grilled Balsamic Flank Steak • Chocolate-Cherry Energy Bites • Lemon-Raspberry Mini Cheesecakes To go along with the meal plans, you’ll find three 4-week fitness plans tailored to beginner, intermediate, and advanced experience levels. Best of all, the workouts can be done anywhere—at your home or on the road—and take no more than 30 minutes each. A comprehensive whole-body program, Coconuts and Kettlebells provides the knowledge and tools you need to be healthy inside and out.

wellness vs bikini competition: The Food Babe Way Vani Hari, 2015-02-10 Eliminate toxins from your diet and transform the way you feel in just 21 days with this national bestseller full of shopping lists, meal plans, and mouth-watering recipes. Did you know that your fast food fries contain a chemical used in Silly Putty? Or that a juicy peach sprayed heavily with pesticides could be triggering your body to store fat? When we go to the supermarket, we trust that all our groceries are safe to eat. But much of what we’re putting into our bodies is either tainted with chemicals or processed in a way that makes us gain weight, feel sick, and age before our time. Luckily, Vani Hari -- aka the Food Babe -- has got your back. A food activist who has courageously put the heat on big food companies to disclose ingredients and remove toxic additives from their products, Hari has made it her life's mission to educate the world about how to live a clean, organic, healthy lifestyle in an overprocessed, contaminated-food world, and how to look and feel fabulous while doing it. In The Food Babe Way, Hari invites you to follow an easy and accessible plan that will transform the way you feel in three weeks. Learn how to: Remove unnatural chemicals from your diet Rid your body of toxins Lose weight without counting calories Restore your natural glow Including anecdotes of her own transformation along with easy-to-follow shopping lists, meal plans, and tantalizing recipes, The Food Babe Way will empower you to change your food, change your body, and change the world.

wellness vs bikini competition: The Vegan Bodybuilder's Cookbook Samantha Shorkey, 2020-02-18 Plant power for vegan bodybuilders—the essential cookbook When it comes to gaining muscle, protein is king in the nutrient world, but you don't have to be a carnivore to get swole. wellness vs bikini competition: The Queen Bakes A Pie Julie Kelly, 2020-08-05 Princess Emersen and her family embark on a magical quest to help the queen find the right ingredients to bake the perfect pie for the annual Queen's Baking Competition. Although the queen is hesitant to enter the competition and is filled with self-doubt, the support and encouragement from her loving family motivates her to compete. Leading by example and determined to raise a strong daughter, the

queen teaches Emerson the importance of determination, self-discipline, and hard work as she herself discovers what it means to be passionate about something and have a goal to strive for. A story about self-confidence, perseverance, and teamwork, *The Queen Bakes a Pie* is a must-read for all children.

wellness vs bikini competition: Bodybuilding Peter J. Fitschen, Cliff Wilson, 2019-03-18 The popularity of bodybuilding is at an all-time high, and the sport is continuing to grow. But seasoned competitors and beginners often have questions about how to look their best on show day. Written by expert bodybuilding coaches Peter Fitschen and Cliff Wilson, *Bodybuilding: The Complete Contest Preparation Handbook* will guide you through every step of the process to select a competition, prepare for the contest, and make the transition to the off-season. With no other book like it on the market, *Bodybuilding* offers you scientifically supported and experience-based guidelines to help you have your best show ever. *Bodybuilding* takes the guesswork out of preparing for a contest and answers common questions such as these: How do I choose the competition and division that are right for me? What mandatory poses do I need to learn for my competition? What is the best workout to do during contest prep? What should I do if I start to spill over during peak week? How long is too long to maintain stage-lean levels of body fat? The authors have created an easily accessible handbook that guides you step by step. The chapters begin with a background of the sport, followed by a discussion of the competitive division options for both men and women. The next chapters will help you through the process of obtaining a stage-ready physique with an evidence-based approach that combines scientific literature with practical experience. These chapters discuss important topics such as nutrition, training, and preparation timing. The next chapters address posing, peak week, tanning, and a number of other topics that will help you bring your most polished physique to the stage. More than 60 full-color photos show body types for each division and each mandatory pose, offering a visual guide to the proper positions for each pose. You will also find information on how to handle the transition to the off-season. With unparalleled detail, *Bodybuilding* is your go-to guide for bodybuilding success!

wellness vs bikini competition: *A Delicate Ship* Anna Ziegler, 2016-05-13 THE STORY: A haunting love triangle triggers an unexpected chain of events in this poetic play. In the early stages of a new relationship, Sarah and Sam are lovers happily discovering each other. Sarah and Nate know everything about each other, best of friends since childhood and maybe something more. But when Nate shows up unannounced on Sarah's doorstep, she's left questioning what and who she wants in this humorous and heartbreaking look at love, memory, and the decisions that alter the course of our lives.

wellness vs bikini competition: The Betty Body: A Geeky Goddess' Guide to Intuitive Eating, Balanced Hormones, and Transformative Sex Stephanie Estima, 2021-02-16 Women are not little men, but that's how we treat our bodies. In *The Betty Body*, Dr. Stephanie Estima provides a step-by-step guide to caring for your feminine body, teaching you: How to go from treating your period as an archenemy to celebrating its arrival every month The different types of orgasms you should be having and why they're so important for female health How to eat in a way that honors your menstrual cycle, through menopause and beyond How morning routines are sexist, and how you can structure one that honors your unique biology How to build beautiful, lean muscle based on your menstrual cycle, even in menopause Why fats and carbohydrates are not evil, and how to use them strategically to your metabolic advantage Whether you want to lose weight, balance your hormones, or just stop hating your period, *The Betty Body* is your blueprint for your best feminine health.

wellness vs bikini competition: Fit Happens with Nutrition! Stephanie Hiltozn Sewell, 2011-09-16 A nutrition and wellness consultant leads parents through a fun and informative four-week journey on how to teach toddlers about making healthy food choices. With obesity on the rise in America, it is more important now than ever for parents to make wise and healthy decisions for their children. In her guidebook *Fit Happens with Nutrition!*, certified nutrition and wellness consultant Stephanie Hilton Sewell guides both seasoned and novice parents through a four-week learning process that teaches how to incorporate good nutritional habits while transitioning toddlers from baby food to table food. As the mother of a toddler herself, Sewell knows all too well that habits children are exposed to during their first five years can set the stage for the rest of their lives. Through her extensive research on diet and nutrition for toddlers, Sewell leads parents on a fun, in-formative journey that teaches how to successfully introduce little ones to nutritious foods through colors of the rainbow, various shapes, different textures and assorted tastes. It is never too early to build a foundation for a lifetime of healthy choices. In *Fit Happens with Nutrition!* Sewell offers valuable lessons for every parent who is truly committed to providing their children with the tools to make healthy eating choices for the rest of their lives.

wellness vs bikini competition: Finding Myself from the Outside In Jane Curnow, 2016-04-20 If you ask any therapist they will say that to overcome any emotional issues and find true happiness it all starts on the inside. That your body and appearance should have nothing to do with how you feel about yourself and your life. But how can I be happy with myself when I am too fat, skinny, old, ugly.. when I don't have the man, house, money..

wellness vs bikini competition: The Muscle and Strength Pyramid: Nutrition Andy Morgan, Andrea Valdez, Eric Helms, 2019-03-24 Navigating the available fitness information online can be confusing and time-consuming at best, and a minefield of misinformation at worst. One inherent problem is that information online is always presented as supremely important and as the next 'big thing,' without context or any understanding of priorities. Enter *The Muscle and Strength Pyramid* books. The foundational concept of these books is understanding priorities and context, so you can take all the pieces of the puzzle and fit them together into an actionable plan. * No longer waste time and energy with your nutritional efforts The structured order of importance is what makes this book different. Learn what matters and when. * Use our science-based calculations for optimal setup Whether you're headed for the bodybuilding stage, cutting pounds for a weight class, or about to go on a bulk, we've got it covered. * Achieve continued and lasting changes Learn how to balance adherence, consistency, and flexibility so you can live your life while progressing toward your goals. The chief author of the books, Dr. Eric Helms, has not only the academic understanding of training and nutrition as an active researcher but also extensive practical experience. He has been a personal trainer, powerlifting and bodybuilding coach since 2005, helping hundreds bridge the gap between science and practice to reach their goals. In addition, he has the minds of Andrea Valdez, and Andy Morgan to ensure the concepts are communicated clearly and effectively and no stone is left

unturned. Andrea is a lifelong athlete with extensive coaching experience and her Masters in Exercise Physiology, and Andy is a successful writer and consultant for body composition change with a unique grasp of how to communicate topics to diverse groups, as he produces content for both the Japanese and English speaking fitness communities. Together, they bring you The Muscle and Strength Nutrition Pyramid, the hierarchical, comprehensive, evidence-based guide that is a must-have for every serious lifter or trainer.

wellness vs bikini competition: *Master Your Macros* Breanne Freeman, 2021-01-20 A nutrition-based guide designed to help readers understand the variables of their metabolism, the function each macronutrient serves in a balanced diet, and how to build a custom nutrition plan that supports their fat-loss and muscle-gain goals.
