What is a Certified Wellness Coach? Your Guide to Holistic Wellbeing

Are you feeling overwhelmed, burnt out, or simply stuck in a rut? Do you crave a more vibrant, fulfilling life, but don't know where to start? Then you might be wondering, "What is a certified wellness coach?" This comprehensive guide dives deep into the world of wellness coaching, explaining what it is, what they do, how to find a certified coach, and ultimately, how it can help you achieve your holistic wellbeing goals. We'll unravel the mysteries behind certifications, explore the different coaching modalities, and answer all your burning questions. Let's embark on this journey to better health and happiness together!

Understanding the Role of a Certified Wellness Coach

A certified wellness coach is a trained professional who partners with clients to identify and achieve their personal wellbeing goals. Unlike therapists or medical professionals, wellness coaches don't diagnose or treat illnesses. Instead, they focus on empowering individuals to take control of their lives and make positive changes across various aspects of their wellbeing – physical, mental, emotional, and spiritual. This holistic approach considers the interconnectedness of these areas, recognizing that true wellbeing encompasses more than just physical health.

What Does a Certified Wellness Coach Do?

The work of a certified wellness coach is multifaceted and tailored to the individual needs of each client. Here are some key responsibilities:

Goal Setting and Action Planning: Coaches work with clients to define clear, achievable goals, breaking them down into manageable steps and creating actionable plans. This process often involves exploring values, identifying limiting beliefs, and uncovering motivations.

Accountability and Support: Coaches provide consistent support and accountability, encouraging clients to stay committed to their goals and celebrating their progress. They act as a sounding board, offering guidance and strategies to overcome obstacles.

Skill Development: Coaches help clients develop essential skills for self-management, such as stress management techniques, mindfulness practices, healthy habit formation, and effective communication.

Personalized Strategies: Wellness coaching isn't a one-size-fits-all approach. Certified coaches tailor their strategies to the unique circumstances, preferences, and goals of each client.

Promoting Self-Awareness: A significant part of wellness coaching involves helping clients gain a deeper understanding of themselves – their strengths, weaknesses, values, and beliefs – to make informed choices that align with their overall wellbeing.

The Importance of Certification

While anyone can call themselves a "wellness coach," seeking out a certified wellness coach is crucial. Certification signifies that the coach has undergone rigorous training, meeting specific educational and ethical standards. This training typically covers topics such as coaching methodologies, ethics, client communication, and various wellbeing practices. Look for certifications from reputable organizations recognized within the wellness coaching industry. This ensures a higher level of professionalism, expertise, and accountability.

Different Types of Wellness Coaching

The wellness coaching field encompasses diverse specializations, catering to various interests and needs. Some popular areas include:

Health Coaching: Focuses on nutrition, physical activity, and overall physical health.

Life Coaching: Addresses broader aspects of life, such as career, relationships, and personal growth.

Mindfulness Coaching: Emphasizes mindfulness techniques for stress reduction and emotional regulation.

Spiritual Coaching: Explores spiritual values, purpose, and meaning in life.

Integrative Wellness Coaching: Combines elements from multiple coaching approaches for a more holistic approach.

The type of coaching you choose will depend on your specific goals and priorities.

Finding the Right Certified Wellness Coach for You

Finding a good fit is essential for a successful coaching experience. Here's how to find a certified wellness coach:

Online Directories: Several online directories list certified wellness coaches, allowing you to search by location, specialization, and certifications.

Referrals: Ask friends, family, or healthcare professionals for recommendations.

Professional Organizations: Check the websites of professional wellness coaching organizations for a list of certified coaches.

Initial Consultations: Many coaches offer free or low-cost initial consultations. This allows you to meet the coach, discuss your goals, and see if you're a good fit.

Remember to check their credentials, read reviews, and trust your intuition.

The Benefits of Working with a Certified Wellness Coach

Investing in your wellbeing is an investment in yourself. Working with a certified wellness coach offers numerous benefits:

Increased Self-Awareness: Gain a deeper understanding of your strengths, weaknesses, and limiting beliefs.

Improved Goal Achievement: Develop clear goals and actionable plans to achieve them.

Enhanced Self-Esteem and Confidence: Build self-belief and trust in your ability to create positive change.

Reduced Stress and Anxiety: Learn effective stress management techniques.

Improved Physical and Mental Health: Make positive changes in your lifestyle that support both your physical and mental wellbeing.

Greater Life Satisfaction: Create a more fulfilling and meaningful life aligned with your values.

Conclusion

A certified wellness coach is a valuable partner on your journey to a healthier, happier, and more fulfilling life. By providing guidance, support, and accountability, they empower you to take control of your wellbeing and achieve your personal goals. Remember to choose a certified coach with the right credentials and specialization to ensure a positive and effective coaching experience. Invest in yourself—your wellbeing is worth it!

FAQs

1. How much does a certified wellness coach cost? The cost of wellness coaching varies depending on the coach's experience, location, and the type of coaching offered. Expect to pay anywhere from \$50 to \$300+ per session.
1. Do I need a referral to see a wellness coach? No, you don't need a referral to see a wellness coach. You can find one independently through

online directories or professional organizations.

1. How long does wellness coaching typically last? The duration of coaching varies depending on individual needs and goals. Some clients work with a coach for a few months, while others continue for a year or longer.
1. Is wellness coaching covered by insurance? Generally, wellness coaching is not covered by insurance. However, some employers offer wellness programs that include coaching benefits.
1. What is the difference between a wellness coach and a therapist? While both professions aim to improve wellbeing, therapists focus on diagnosing and treating mental health conditions, while wellness coaches help individuals identify and achieve their personal goals related to overall wellbeing. They have distinct scopes of practice and training.

what is a certified wellness coach: *Wellness Coaching for Lasting Lifestyle Change* Michael Arloski, 2014 Arloski blends the wisdom of the wellness field with the proven processes of the coaching profession to create an easy-to-use training tool. The result is the perfect training tool for wellness professionals of all kinds: disease management professionals, professional coaches, EAP professionals, counselors, and therapists.

what is a certified wellness coach: *Coaching Psychology Manual* Margaret Moore, Erika Jackson, Bob Tschannen-Moran, 2015-09-02 This second edition of the Coaching Psychology Manual helps health, wellness, lifestyle, positive psychology, and personal coaches work with clients to achieve their health, well-being, and life goals. Endorsed by the ACSM, packed with examples and scenarios, and now in vibrant full color, this comprehensive guide covers techniques and concepts for supporting clients in changing the behaviors and mindsets needed to thrive, in all areas of wellness, including fitness, nutrition, weight, mind/body, stress, and management of life issues that impact well-being.

what is a certified wellness coach: *Becoming a Professional Life Coach: Lessons from the Institute of Life Coach Training* Diane S. Menendez, Patrick Williams, 2015-03-23 An updated version of the best-selling therapist-to-coach transition text. With his bestselling *Therapist As Life Coach*, Pat Williams introduced the therapeutic community to the career of life coach, and in *Becoming a Professional Life Coach* he and Diane Menendez covered all the basic principles and strategies for effective coaching. Now Williams, founder of the Institute for Life Coach Training (ILCT), and Menendez, former faculty at ILCT—both master certified coaches—bring back the book that has taught thousands of coaches over the past eight years with all-new information on coaching competencies, ethics, somatic coaching, wellness coaching, and how positive psychology and neuroscience are informing the profession today. Moving seamlessly from coaching

fundamentals—listening skills, effective language, session preparation—to more advanced ideas such as helping clients to identify life purpose, recognize and combat obstacles, align values and actions, maintain a positive mind-set, and live with integrity, this new edition is one-stop-shopping for beginner and advanced coaches alike. Beginning with a brief history of the foundations of coaching and its future trajectory, *Becoming a Professional Life Coach* takes readers step-by-step through the coaching process, covering all the crucial ideas and techniques for being a successful life coach, including:

- Listening to, versus listening for, versus listening with
- Establishing a client's focus
- Giving honest feedback and observation
- Formulating first coaching conversations
- Asking powerful, eliciting questions
- Understanding human developmental issues
- Reframing a client's perspective
- Enacting change with clients
- Helping clients to identify and fulfill core values, and much, much more.

All the major skillsets for empowering and “stretching” clients are covered. By filling the pages with client exercises, worksheets, sample dialogues, and self-assessments, Williams and Menendez give readers a hands-on coaching manual to expertly guide their clients to purposeful, transformative lives. Today, with more and more therapists incorporating coaching into their practices, and the number of master certified coaches, many with niche expertise, growing every year, *Becoming a Professional Life Coach* fills a greater need than ever. By tackling the nuts and bolts of coaching, Williams and Menendez equip readers with the tools and techniques they need to make a difference in their clients' lives.

what is a certified wellness coach: Lifestyle Wellness Coaching James Gavin, Madeleine Mcbrearty, 2018-11-07

Lifestyles have changed dramatically over the past quarter century. Along with these changes come exciting opportunities, including new career paths in the professional domain of health and wellness coaching. Centered on an evidence-based process for guiding change, *Lifestyle Wellness Coaching, Third Edition With Web Resource*, offers a systematic approach to helping clients achieve enduring changes in their personal health and wellness behaviors through a supportive and forward-moving coaching relationship. *Lifestyle Wellness Coaching* has been thoroughly revised and updated to keep pace with the rapidly evolving field of wellness coaching. It is complemented by discussions, case studies, reflective opportunities, and practical aids and engages readers through multiple approaches to learning: The reader is encouraged to gauge comprehension and application of the content by reflecting on personal experiences within the context of coaching. Sample dialogues offer real-world examples of coaching situations and strategies. The International Coach Federation's 11 core competencies are thoroughly examined to prepare readers for certification in the profession of coaching. A new web resource houses easy-to-use forms, plans, and assessments that professionals can use immediately with clients. *Lifestyle Wellness Coaching* examines real coaching conversations to assess key considerations, such as the types of questions to ask, how to provide feedback effectively, and how to facilitate action planning. The text presents communication strategies to motivate, guide, inform, and support clients' processes toward personal change with a holistic approach. It addresses boundaries of care and advice appropriate to coaching relationships. Other issues explored include developing a trusting relationship, creating goals that are aligned with coaching processes, unblocking clients' energy and discovering resources for change, and generating forward movement through the skillful use of the International Coach Federation's 11 core competencies. *Lifestyle Wellness Coaching* introduces readers to models that clearly identify clients' progress through the stages of change. First, the text explores the popular transtheoretical model (TTM) of health-related behavior change and its delineation of six stages of clients' readiness to change. The discussion of TTM includes strategies appropriate to clients in various stages of readiness to change. The text also presents the learning-through-change model (LCM), revealing the deep layers beneath each phase of client movement toward change. Readers are offered a map for coaching clients toward goal achievement. The authors' unique flow model of coaching illustrates how professional coaches can help clients navigate the sometimes turbulent events of a person's life in order to change habitual patterns of behavior. The companion web resource offers a complete kit of assessment tools to help establish a strong framework for successful coaching. A welcome packet, coaching readiness index,

introductory session form, and between-sessions questionnaire benefit both the professional and client in laying the groundwork. Other supplemental resources, such as a social and emotional intelligence assessment and a goal setting form, support the journey. Lifestyle Wellness Coaching, Third Edition, is the definitive resource for those seeking to embrace wellness coaching and propel clients to healthy, effective change.

what is a certified wellness coach: How to Be a Health Coach Meg Jordan, 2013-08-29 This step-by-step manual offers the essentials of health coaching methodology, along with integrative wellness principles, theoretical frameworks, evidence-based models, coaching session formats, and practice tools. Readers also learn effective mind-body techniques to become extraordinary health coaches.

what is a certified wellness coach: Masterful Health and Wellness Coaching Michael Arloski, 2021-08 In Masterful Health & Wellness Coaching Dr. Arloski focuses on advancing the reader's understanding of the process of coaching in the health and wellness setting and guides the reader to a comprehensive level of expertise. Honing the craft as wellness coaches is the goal. Masterful Health & Wellness Coaching offers tools to become a true master of the history, research, scholarship, and techniques of wellness coaching at its highest level. Masterful Health & Wellness Coaching is divided into three parts, beginning with a foundation that great coaching is about transformation. Changing behavior needs to be viewed not through a unitary lens, but in the context of growth and development. Arloski reveals how this can be done for the client, for the coach, and for the growing profession of wellness coaching. The second part focuses on How to Be, that is, a coaches presence and way of being in the world and with a client, and the powerful effect this has upon the coaching process. Part Three takes a deeper dive into the craft of wellness coaching. Throughout Dr. Arloski references what can be learned from relevant theory and research. Masterful Health & Wellness Coaching is tailored to coaches who want to go beyond the basics of SMART Goals and accountability, beyond tracking calories and sit-ups. It is for: - Coaches who want to become scholars of coaching. - Coaches who want to develop a greater understanding of the process of behavioral change. - Coaches who want to learn more about wellness. - Coaches who want to master what the entire field of health promotion has discovered about being well. - Coaches who want to become skilled craftspeople. - Coaches who want to meet their clients with understanding, empathy, and non-judgment. Dr. Arloski believes that coaching isn't about all the things a client is doing wrong and how grim their situation is. It's about what is needed to ensure a successful future. Masterful Health & Wellness Coaching gives you the tools to start your client on the path to success and to coach him or her until their healthy-living skills are second nature. The root of the word coach can be traced to a village in Hungary, Kocs, where carriages were made in the 1500's. Coaches love metaphors and what is better than this one: A coach takes you from where you are at to where you want to go. Perfect. The client is the one with the reins and it is the coaching process that facilitates the journey.

what is a certified wellness coach: Mila's Meals Catherine Barnhoorn, 2021-11 Mila's Meals is part cookbook, part whole-food nutrition encyclopaedia covering The Beginning of your child's lifelong relationship with food and The Basics of feeding yourself food that is medicine.

what is a certified wellness coach: Re-Imagining the End of Life Janet Booth, 2019-04-18 What does it mean to be prepared for the last part of our lives? One of the many lessons author and end-of-life nurse coach Janet Booth learned at the bedside of dying people is how painful it is to come unprepared to the end of life, whether it is our own or that of our loved ones. Much of the suffering we experience seems to come from our unfamiliarity with the journey at end of life and our not knowing how to prepare for it. So there is a need for a different kind of conversation about serious illness and dying in our country. Nurses are trusted professionals who are present with people through all of life's transitions. How might they take more leadership in these conversations? The purpose of this handbook is to provide nurses, coaches, and other health care professionals with opportunities for reflection and inspiration in their work. As nurses and health care professionals, many of us have seen firsthand that the process of navigating serious illness and

death within our complex health care system is often confusing, isolating, crisis-driven, and dis-heartening. What outcomes might be possible if instead: * we reimagined the end of life as a vital, purposeful stage of human development? * practices of healing - forgiveness, gratitude, and letting go - became essential parts of our care plans? * wisdom instead of fear informed our challenging decision points? * we prepared for death in order to live more fully the time that we have? * the hard work of caregiving was sustainable and meaningful for both family and professional caregivers? In this book you will find fresh ideas, tools, and reflective practices that encourage you to explore your personal beliefs and values about aging, advanced illness, and dying. It is intended to inspire you to reimagine the end of life as a vital part of how we become fully human - a time of life that holds value, meaning, and purpose.

what is a certified wellness coach: ROAR Stacy T. Sims, PhD, Selene Yeager, 2016-07-05 "Dr. Sims realizes that female athletes are different than male athletes and you can't set your race schedule around your monthly cycle. ROAR will help every athlete understand what is happening to her body and what the best nutritional strategy is to perform at her very best."—Evie Stevens, Olympian, professional road cyclist, and current women's UCI Hour record holder Women are not small men. Stop eating and training like one. Because most nutrition products and training plans are designed for men, it's no wonder that so many female athletes struggle to reach their full potential. ROAR is a comprehensive, physiology-based nutrition and training guide specifically designed for active women. This book teaches you everything you need to know to adapt your nutrition, hydration, and training to your unique physiology so you can work with, rather than against, your female physiology. Exercise physiologist and nutrition scientist Stacy T. Sims, PhD, shows you how to be your own biohacker to achieve optimum athletic performance. Complete with goal-specific meal plans and nutrient-packed recipes to optimize body composition, ROAR contains personalized nutrition advice for all stages of training and recovery. Customizable meal plans and strengthening exercises come together in a comprehensive plan to build a rock-solid fitness foundation as you build lean muscle where you need it most, strengthen bone, and boost power and endurance. Because women's physiology changes over time, entire chapters are devoted to staying strong and active through pregnancy and menopause. No matter what your sport is—running, cycling, field sports, triathlons—this book will empower you with the nutrition and fitness knowledge you need to be in the healthiest, fittest, strongest shape of your life.

what is a certified wellness coach: *The Five Love Languages* Gary Chapman, 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

what is a certified wellness coach: Well Nourished Andrea Lieberstein, 2017-07-01 You don't have to turn to food in difficult times. Well Nourished shows you how to develop a mindful relationship with food as you nourish yourself emotionally. There is much more to nourishing yourself than simply eating food. After a long day of feeling run down and exhausted, what you're likely really hungering for are other forms of nourishment. Well Nourished is here to show you how

to live a life where you can feel nourished emotionally, intellectually, physically, socially, and creatively. This is your chance to be mindfully present as you receive, experience, and engage in the nourishing activities and moments that will sustain you on levels other than what your stomach is telling you. You will learn to maintain an inner sense of balance and nourishment even when the waters of life are pitching you around like a ship in a storm. Well Nourished gives you the tools and practices to accomplish all of this when you might otherwise turn to food in these difficult times. With Well Nourished, you will develop a mindful relationship to food and craft your well-nourished life.

what is a certified wellness coach: Your Journey to a Healthier Life Michael Arloski, 2017-09-15

what is a certified wellness coach: The Memory of Health Edie Summers, 2016-02-26 What is your journey to well-being? Do you suffer from health issues or a chronic condition? Do you have M.E., CFS, or chronic fatigue? Is stress affecting your well-being? Do you have chronic fatigue or a chronic condition? Are you seeking answers? If you have chronic fatigue for any reason (M.E., CFS, burnout, another chronic condition, on-going stress, trauma, etc.) check this book out! The Memory of Health is a memoir and a guide to living well. It is also a comprehensive resource on chronic fatigue, possible solutions, and on how self-care and lifestyle medicine may help you. What makes you thrive, even in the face of great odds? What makes you come alive? At the age of 22, Edie developed chronic fatigue after having surgery for a ski accident. While physical therapy was helpful, she had to seek alternative treatment to regain full use of her knee. In the course of seeking answers to her health challenges, she discovered the power of mindful living and became a conscious consumer. Whether you like mainstream, alternative, or integrative medicine as your solution for health and well-being, be conscious of the choices you make, because they matter. #cfs #chronicfatigue #chronicillness #booksonhealth #M.E. #booksonfatigue #booksonchronicfatigue #howtogetmoreenergy #adrenalinsufficiency #burnout #trauma #energy #moreenergy #theoriesofcfs #theoriesofchronicfatigue #howtoimprovenenergylevels

what is a certified wellness coach: Authentic Happiness Martin Seligman, 2011-01-11 In this important, entertaining book, one of the world's most celebrated psychologists, Martin Seligman, asserts that happiness can be learned and cultivated, and that everyone has the power to inject real joy into their lives. In Authentic Happiness, he describes the 24 strengths and virtues unique to the human psyche. Each of us, it seems, has at least five of these attributes, and can build on them to identify and develop to our maximum potential. By incorporating these strengths - which include kindness, originality, humour, optimism, curiosity, enthusiasm and generosity -- into our everyday lives, he tells us, we can reach new levels of optimism, happiness and productivity. Authentic Happiness provides a variety of tests and unique assessment tools to enable readers to discover and deploy those strengths at work, in love and in raising children. By accessing the very best in ourselves, we can improve the world around us and achieve new and lasting levels of authentic contentment and joy.

what is a certified wellness coach: Unconventional Medicine Chris Kresser, 2017-09-06 The world is facing the greatest healthcare crisis it has ever seen. Chronic disease is shortening our lifespan, destroying our quality of life, bankrupting governments, and threatening the health of future generations. Sadly, conventional medicine, with its focus on managing symptoms, has failed to address this challenge. The result is burned-out physicians, a sicker population, and a broken healthcare system. In Unconventional Medicine, Chris Kresser presents a plan to reverse this dangerous trend. He shows how the combination of a genetically aligned diet and lifestyle, functional medicine, and a lean, collaborative practice model can create a system that better serves the needs of both patients and practitioners. The epidemic of chronic illness can be stopped, if patients and practitioners can adapt.

what is a certified wellness coach: The Food Babe Way Vani Hari, 2015-02-10 Eliminate toxins from your diet and transform the way you feel in just 21 days with this national bestseller full of shopping lists, meal plans, and mouth-watering recipes. Did you know that your fast food fries

contain a chemical used in Silly Putty? Or that a juicy peach sprayed heavily with pesticides could be triggering your body to store fat? When we go to the supermarket, we trust that all our groceries are safe to eat. But much of what we're putting into our bodies is either tainted with chemicals or processed in a way that makes us gain weight, feel sick, and age before our time. Luckily, Vani Hari -- aka the Food Babe -- has got your back. A food activist who has courageously put the heat on big food companies to disclose ingredients and remove toxic additives from their products, Hari has made it her life's mission to educate the world about how to live a clean, organic, healthy lifestyle in an overprocessed, contaminated-food world, and how to look and feel fabulous while doing it. In *The Food Babe Way*, Hari invites you to follow an easy and accessible plan that will transform the way you feel in three weeks. Learn how to: Remove unnatural chemicals from your diet Rid your body of toxins Lose weight without counting calories Restore your natural glow Including anecdotes of her own transformation along with easy-to-follow shopping lists, meal plans, and tantalizing recipes, *The Food Babe Way* will empower you to change your food, change your body, and change the world.

This book is for all nurses and other health care providers seeking coaching knowledge and skills. For information on the Integrative Nurse Coach™ Certificate Program go to www.inursecoach.com/inccp/

what is a certified wellness coach: Thrive Arianna Huffington, 2014-03-25 In *Thrive*, Arianna Huffington makes an impassioned and compelling case for the need to redefine what it means to be successful in today's world. Arianna Huffington's personal wake-up call came in the form of a broken cheekbone and a nasty gash over her eye--the result of a fall brought on by exhaustion and lack of sleep. As the cofounder and editor-in-chief of the Huffington Post Media Group--one of the fastest growing media companies in the world--celebrated as one of the world's most influential women, and gracing the covers of magazines, she was, by any traditional measure, extraordinarily successful. Yet as she found herself going from brain MRI to CAT scan to echocardiogram, to find out if there was any underlying medical problem beyond exhaustion, she wondered is this really what success feels like? As more and more people are coming to realize, there is far more to living a truly successful life than just earning a bigger salary and capturing a corner office. Our relentless pursuit of the two traditional metrics of success--money and power--has led to an epidemic of burnout and stress-related illnesses, and an erosion in the quality of our relationships, family life, and, ironically, our careers. In being connected to the world 24/7, we're losing our connection to what truly matters. Our current definition of success is, as *Thrive* shows, literally killing us. We need a new way forward. In a commencement address Arianna gave at Smith College in the spring of 2013, she likened our drive for money and power to two legs of a three-legged stool. They may hold us up temporarily, but sooner or later we're going to topple over. We need a third leg--a third metric for defining success--to truly thrive. That third metric, she writes in *Thrive*, includes our well-being, our ability to draw on our intuition and inner wisdom, our sense of wonder, and our capacity for compassion and giving. As Arianna points out, our eulogies celebrate our lives very differently from the way society

defines success. They don't commemorate our long hours in the office, our promotions, or our sterling PowerPoint presentations as we relentlessly raced to climb up the career ladder. They are not about our resumes--they are about cherished memories, shared adventures, small kindnesses and acts of generosity, lifelong passions, and the things that made us laugh. In this deeply personal book, Arianna talks candidly about her own challenges with managing time and prioritizing the demands of a career and raising two daughters--of juggling business deadlines and family crises, a harried dance that led to her collapse and to her aha moment. Drawing on the latest groundbreaking research and scientific findings in the fields of psychology, sports, sleep, and physiology that show the profound and transformative effects of meditation, mindfulness, unplugging, and giving, Arianna shows us the way to a revolution in our culture, our thinking, our workplace, and our lives.

what is a certified wellness coach: Energy Leadership Bruce D Schneider, 2010-12-16 In *Energy Leadership*, renowned coach Bruce D. Schneider teaches how to understand the most important personal resource of all -- energy, and shows how to harness it to achieve success in the workplace, the home, and in the world at large. This engaging and fast-paced story clearly explains how managers and leaders from all walks of life can use the principles of *Energy Leadership* to inspire themselves and others to achieve extraordinary results in whatever they do. The author provides insight into a cutting edge coaching process he has developed, which has positively impacted the lives of tens of thousands of people in both the corporate and private sectors. You will learn how to: Recognize the seven distinct levels that are the key to understanding why everyone thinks and acts the way they do, in life and specifically within the workplace. Distinguish truly effective leaders from those who deplete the energy of the people around them, and specific techniques to shift energy levels to inspire peak performance. Become powerful leaders who motivate themselves and others to reach their true potential. Identify the Big Four Energy Blocks and discover proven techniques and strategies for overcoming these and other obstacles to success. Develop the ability to shift internal energy to meet any leadership challenge, and use this newfound power to inspire respect, confidence, and loyalty in others. If you always try to inspire others but sometimes feel like something's missing, something is. *Energy Leadership* puts you in touch with the missing link between your ambitions and your ability to achieve them.

what is a certified wellness coach: FASTER Way to Fat Loss Amanda Tress, 2019-05-20 Are you one of the millions of individuals who have tried every fad diet on the market, and still can't meet your goals? Or maybe you're killing yourself at the gym, spending hours on the treadmill to maintain the perfect number on the scale. Regardless of your failing strategy, you're feeling exhausted, discouraged, and uninspired. what is a certified wellness coach: Wellpreneur Amanda Cook, 2017-02-23 Why do some wellness entrepreneurs find freedom, flexibility and a healthy income online - while others get stuck spinning their wheels, never finding clients or making sales? It's not about who has the best website, or who spends more time on social media. The secret is in the system. Wellpreneurs who find clients online have a system in place that failing wellpreneurs don't. This system brings more of the right people to your website, and turns them into paying clients. It's this proven, step-by-step system you'll learn in this book. *Wellpreneur* is a guide to nailing your niche and finding more clients online, written just for wellness entrepreneurs. If you're a health coach, yoga teacher, personal trainer, nutritionist or other wellness professional, you'll: Get total clarity on your target market, so you know exactly who you're serving (and why). Learn the proven five-step Organic Growth System to attract ideal prospects to your website and turn them into paying clients. Peek inside the businesses of successful wellpreneurs, to learn how they grew profitable wellness businesses online. Streamline

your online marketing, so you can spend less time marketing, and more time doing work you love!

what is a certified wellness coach: CLEAN 7 Alejandro Junger, 2019-12-03 The definitive program on detoxification just got easier, thanks to multiple New York Times bestselling author Dr. Alejandro Junger's detailed, personalized, and medically proven seven-day plan that helps us begin to rid our bodies of the multitude of toxins that infiltrate our systems every day. Each day, too many of us struggle unnecessarily with debilitating health issues, such as colds or viruses, allergies or hay fever, stubborn extra pounds, poor sleep, recurrent indigestion, constipation, or irritable bowel syndrome, itchy rashes, acne or other skin conditions, depression, anxiety, or frequent fatigue. But we don't have to suffer any longer. In his bestseller *Clean*, the international leader in the field of integrative medicine revealed how many of these common ailments are the direct result of toxic build-up in our systems accumulated through daily living, and offered solutions for combatting them. Now, with *Clean 7*, Dr. Junger makes his groundbreaking program easier and more accessible than ever before. *Clean 7* is his medically proven seven-day regimen that provides all the necessary tools to support and reactivate our bodies' detoxification system to its fullest capabilities. In one week, you can begin addressing those nagging health issues by discovering the foods that harm you and the foods that heal you, lose extra weight, and start to experience what it truly means to be well. The first seven days of any program are the most critical. Undertaking a new routine is stressful, and tests our commitment, willpower, and focus. Understanding exactly what's going on in your body—why you might feel fatigue on day two or cravings on day five—is the key to success. A doctor who's helped millions, Dr. Junger personally guides you through the process, offering a clear, day-by-day, meal-by-meal exploration of what's happening in your body to keep you focused on your goals. Filled with the latest science on the brain, and featuring delicious, nutritious recipes, and details on everything from prepping your kitchen to prepping your mind, *Clean 7* revolutionizes the detoxification process. If you have been searching for a book or program to help you take that next step for your overall health, *Clean 7* is the answer. Discover what it truly means to be healthy.

You'll find recipes and nutrition information for every meal, exercise and movement for every day, stress management and energy recharge for nights and weekends, and emotional support to get you through the inevitable tough times. Whether you're looking to live healthier or drop a jean size, boost your fitness or just feel better, Body Love Every Day is your guide to success.

what is a certified wellness coach: The Primal Blueprint Mark Sisson, 2019 The New Primal Blueprint serves as the ultimate road map for anyone wishing to make the shift from flawed conventional wisdom about diet and exercise to a healthy, happy empowering lifestyle patterned after the evolutionary-tested behaviors of our hunter-gatherer ancestors. The book details the ten immutable Primal Blueprint lifestyle laws that enable empower you to reprogram your genes to direct in the direction of weight loss, health, and longevity. The Primal Blueprint laws are validated by two million years of human evolution as well as an ever-expanding body of contemporary scientific research. Sisson's philosophy was originally met with skepticism as he aggressively challenged numerous mainstream health tenets. Eight years later, mainstream medical and health science are validating the Primal Blueprint tenets assertions that a high-carb, grain-based diet will make you fat, tired, and sick; that a consistent routine of medium-to-difficult cardiovascular workouts can actually compromise your health and longevity and increase risk of heart disease; and that consuming (whole food sources of) fat and cholesterol does not lead to heart disease as we have been led to believe, but rather offers many health benefits. --

content from 'ACSM's Health and Fitness Certification Review' and 'ACSM's Clinical Certification Review' into one resource.

what is a certified wellness coach: *The Intuitive Practitioner* Terry Atkinson, Guy Claxton, 2000 This volume investigates, both conceptually and empirically, the role of intuition in professional practice and its significance for professional development, especially within the world of education. The relationship between rationale or explicit ways of knowing and learning and inarticulate, intuitive or implicit ones is explored in the context of professional practice and development. The tendency to interpret reflection solely in terms of articulation is questioned and the value of other forms of reflection is reasserted. The working relationship between reason and intuition is illustrated in a variety of case studies in distinctive educational and professional settings. From this reassessment of intuition, practical lessons for the initial training and continuing professional development of educators and others are highlighted and extracted.

what is a certified wellness coach: *Homeschool Mama Self Care* Teresa Wiedrick, 2020-12-02 Do you want to thrive as a homeschool mama? In this book Teresa Wiedrick gets to the heart of the issues surrounding your less-than-thriving experience with homeschooling and offers helpful tips and strategies that will take you beyond mere survival. While it contains tips for nurturing the nurturer, it is much more than just another thing for your to-do list. You will feel validated and understood, and enjoy some humor as well. Just starting out? Teresa has wisdom for you as an experienced Mama.

what is a certified wellness coach: *The Zones of Regulation* Leah M. Kuypers, 2011 ... a curriculum geared toward helping students gain skills in consciously regulating their actions, which in turn leads to increased control and problem solving abilities. Using a cognitive behavior approach, the curriculum's learning activities are designed to help students recognize when they are in different states called zones, with each of four zones represented by a different color. In the activities, students also learn how to use strategies or tools to stay in a zone or move from one to another. Students explore calming techniques, cognitive strategies, and sensory supports so they will have a toolbox of methods to use to move between zones. To deepen students' understanding of how to self-regulate, the lessons set out to teach students these skills: how to read others' facial expressions and recognize a broader range of emotions, perspective about how others see and react to their behavior, insight into events that trigger their less regulated states, and when and how to use tools and problem solving skills. The curriculum's learning activities are presented in 18 lessons. To reinforce the concepts being taught, each lesson includes probing questions to discuss and instructions for one or more learning activities. Many lessons offer extension activities and ways to adapt the activity for individual student needs. The curriculum also includes worksheets, other handouts, and visuals to display and share. These can be photocopied from this book or printed from the accompanying CD.--Publisher's website.

what is a certified wellness coach: *Self-Compassion* Dr. Kristin Neff, 2011-04-19 Kristin Neff, Ph.D., says that it's time to "stop beating yourself up and leave insecurity behind." *Self-Compassion: Stop Beating Yourself Up and Leave Insecurity Behind* offers expert advice on how to limit self-criticism and offset its negative effects, enabling you to achieve your highest potential and a more contented, fulfilled life. More and more, psychologists are turning away from an emphasis on self-esteem and moving toward self-compassion in the treatment of their patients—and Dr. Neff's extraordinary book offers exercises and action plans for dealing with every emotionally debilitating struggle, be it parenting, weight loss, or any of the numerous trials of everyday living.

what is a certified wellness coach: *Wellness for the Glory of God* John Dunlop, 2014 This book encourages older Christians to embrace aging as a gift from God, incorporating the physical, mental, social, financial, spiritual, and emotional aspects of a person's life into a holistic definition of wellness.
