The best nail-biter I have read for ages. Highly

recommended. —Lee Child *Sliver of Truth* Just as she's beginning to move on with her life, another seemingly mundane act—picking up a few envelopes of prints at a photo lab—puts Ridley Jones at the nexus of a global network of crime. At once hunting down a ghost and finding her own life in danger, Ridley wonders if she ever had the power to shape her own destiny . . . and whether love has any reality beyond her imagination. "Compulsive reading." —New York Daily News *Black Out* On the surface, Annie Powers's life in a wealthy Floridian suburb is happy and idyllic. But the bubble surrounding Annie is pricked when she senses that the demons of her past have resurfaced and, to her horror, are now creeping up on her. Disturbing events—the appearance of a familiar dark figure on the beach, the mysterious murder of her psychologist—trigger strange and confusing memories for Annie, who realizes she has to quickly piece them together before her past comes to claim her future . . . and her daughter. "Riveting psychological suspense of the first order. If you haven't yet experienced Lisa Unger, what are you waiting for?" —Harlan Coben *Die For You* Isabel Raine thought she had everything—a successful career, a supportive family, and a happy marriage to the man she loved. Then one ordinary morning, her husband picks up his briefcase, kisses her good-bye, and simply vanishes. Now the only thing Isabel knows for sure is that her husband of five years is gone. Where is he and who is he are questions no one seems able to answer. But Isabel will not rest until she discovers the truth about the man she loves, even if it means risking everything—including her own life. Lisa Unger writes with sharp psychological insight and bone-deep understanding of her characters. This novel is almost unbearably thrilling. —Luanne Rice
