Wife Cheats on Business Trip: Navigating the Betrayal and Aftermath

Introduction:

Discovering infidelity during a spouse's business trip is devastating. This experience shatters trust, raises questions about the future of the relationship, and leaves the betrayed partner reeling. This article explores the emotional impact of such a discovery, offers strategies for coping, and addresses crucial steps to consider moving forward. We'll delve into potential causes, common reactions, and the vital importance of seeking support during this challenging time.

Article Outline:

- I. The Emotional Aftermath of Discovering Infidelity
- II. Understanding Potential Causes of Infidelity During a Business Trip
- III. Coping Mechanisms and Strategies for the Betrayed Partner
- IV. Communication and Confrontation: Navigating Difficult Conversations
- V. Seeking Professional Help: Therapy and Counseling
- VI. Decisions for the Future: Reconciliation or Separation
- VII. Legal and Financial Considerations

I. The Emotional Aftermath of Discovering Infidelity

The initial shock and disbelief can be overwhelming, often accompanied by intense anger, sadness, confusion, and a profound sense of betrayal. These emotions are completely normal and valid.

Feelings of self-doubt and questioning one's own worth are common. It's crucial to remember that the infidelity is a reflection of the cheater's actions, not the victim's worth.

The betrayal can damage self-esteem and leave the betrayed spouse feeling vulnerable and insecure. Rebuilding self-worth will be a key part of the healing process.

II. Understanding Potential Causes of Infidelity During a Business Trip

Business trips, characterized by extended periods away from home and potential opportunities for social interaction, can create vulnerability and increase the risk of infidelity.

Underlying issues within the marriage, such as unmet emotional needs or lack of intimacy, can contribute significantly to infidelity, making a business trip a circumstantial trigger.

Stress from work, financial pressures, or other life stressors can heighten feelings of unhappiness and increase the risk of impulsive actions.

It's important to understand that while the business trip may have provided an opportunity, the underlying problems within the relationship often contribute significantly.

III. Coping Mechanisms and Strategies for the Betrayed Partner

Allowing yourself time to grieve the loss of trust and the relationship as you knew it is essential. Don't rush the healing process.

Leaning on a supportive network of friends, family, or support groups can provide much-needed emotional sustenance and practical advice during this difficult period.

Engaging in self-care activities like exercise, healthy eating, and mindfulness practices can help manage stress and promote emotional well-being.

Journaling can be a helpful way to process emotions and gain clarity on thoughts and feelings.

IV. Communication and Confrontation: Navigating Difficult Conversations

When confronting the spouse about the infidelity, it's important to approach the conversation calmly and clearly, focusing on the impact of their actions on you.

Active listening is crucial, even though it may be difficult. Try to understand their perspective, though it may not justify their actions.

Setting boundaries is essential. Decide what you are and are not willing to tolerate in the relationship moving forward.

It's okay to seek guidance from a therapist or counselor to help navigate this extremely challenging conversation.

V. Seeking Professional Help: Therapy and Counseling

Individual therapy can help the betrayed spouse process their emotions, rebuild self-esteem, and develop healthy coping mechanisms.

Couples therapy, if reconciliation is desired, can help address underlying issues within the relationship and work towards rebuilding trust.

Therapy provides a safe and supportive environment to work through complex emotions and develop strategies for moving forward.

A therapist can offer objective guidance and support, helping both partners navigate the challenging emotional terrain.

VI. Decisions for the Future: Reconciliation or Separation

The decision to reconcile or separate is deeply personal and depends on various factors, including

the depth of the betrayal, the willingness of both partners to work on the relationship, and the level of trust that can be rebuilt.

Reconciliation requires substantial effort, commitment, and a willingness to address the root causes of the infidelity.

Separation may be necessary if the betrayal is too profound to overcome, or if there is a lack of commitment from one or both partners to rebuild the relationship.

It's crucial to make a decision based on what is best for your own well-being and long-term happiness.

VII. Legal and Financial Considerations

If separation or divorce is considered, legal counsel is crucial to understand rights and responsibilities concerning assets, custody arrangements (if children are involved), and financial support.

Consult with a lawyer specializing in family law to understand the legal implications of the situation.

Understanding your financial situation and ensuring you have access to resources is essential during

this transitional period.

Conclusion:

Discovering infidelity during a spouse's business trip is a profoundly challenging experience. However, by understanding the emotional impact, exploring potential causes, and employing healthy coping mechanisms, individuals can navigate this difficult situation and make informed decisions about their future. Seeking professional support is highly recommended to guide you through this process and help you rebuild your life, whether that involves reconciliation or moving on. Remember to prioritize your well-being and self-care throughout this journey.

Frequently Asked Questions (FAQs):

Q: How can I tell if my spouse is cheating on a business trip? A: There is no foolproof method, but changes in behavior, communication patterns, and unusual expenses can be warning signs. Trust your intuition.

Q: Should I confront my spouse immediately or wait? A: There's no single right answer. Consider your emotional state and what feels safest for you. Seeking professional guidance can help determine the best approach.

Q: Can a marriage recover from infidelity? A: Yes, but it requires significant effort, commitment from both partners, and addressing underlying issues. Professional help is strongly recommended.

Q: What if I don't want to reconcile? A: That's a valid choice. Prioritize your well-being and focus on building a fulfilling life for yourself.

Q: How do I protect myself financially during this time? A: Consult with a financial advisor and a lawyer to understand your rights and protect your assets.

I have counseled for twenty-five years and found it well-done, balanced, and accurate. -Jim Velez M.S., M.A., L.P.C., Portland, Oregon

wife cheats on business trip: Leave a Cheater, Gain a Life Tracy Schorn, 2016-05-10 *Leave a Cheater, Gain a Life* is a no-nonsense self-help guide for anyone who has ever been cheated on. Here's advice not based on saving your relationship after infidelity -- but saving your sanity. When it comes to cheating, a lot of the attention is focused on cheaters -- their unmet needs or their challenges with monogamy. But Tracy Schorn (aka Chump Lady) lampoons such blameshifting and puts the focus squarely on the-cheated-upon (chumps) and their needs. Combining solid advice that champions self-respect, along with hilarious cartoons satirizing the pomposity of cheaters, *Leave a Cheater, Gain a Life* offers a fresh voice for chumps who want (and need) a new message about infidelity. This book will offer advice on Stupid sh*t cheaters say and how to respond, Rookie mistakes of the recently chumped and how to disarm your fears, Why chumps take the blame and how to protect yourself, and more. Full of snark, sass, and real wisdom about how to bounce back after the gut blow of betrayal, Schorn is the friend who guides you through this nightmare and gives you hope for a better life ahead.

wife cheats on business trip: The Normal Bar Chrisanna Northrup, Pepper Schwartz, James Witte, 2013-02-05 Based on data obtained from nearly 100,000 respondents, here is the ultimate resource for anyone who wants to learn the relationship-tested ways couples can achieve satisfaction and contentment in areas such as communication, sex, affection, and financial cooperation. What constitutes "normal" behavior among happy couples? What steps you should take if that "normal" is one you want to strive for? To help answer those questions, wellness entrepreneur Chrisanna Northrup teamed with two of America's top sociologists, Yale Ph.D. Pepper Schwartz and Harvard Ph.D. James Witte, to design a unique interactive survey that would draw feedback from around the world. What has resulted is the clearest picture yet of how well couples are communicating, romancing each other, satisfying each other in the bedroom, sharing financial responsibilities, and staying faithful - or not. Since the Normal Bar survey methodology sorts for age and gender, racial and geographic differences and sexual preferences, the authors are able to reveal , for example,

what happens to passion as we grow older, which gender wants what when it comes to sex, the factors that spur marital combat, how kids figure in, how being gay or bisexual turns out to be both different and the same, and –regardless of background -- the tiny habits that drive partners absolutely batty. The book is dense with revelations, from the unexpected popularity of certain sexual positions, to the average number of times happy – and unhappy -- couples kiss, to the prevalence of lying, to the surprising loyalty most men and women feel for their partner (even when in a deteriorating relationship), to the vivid and idiosyncratic ways individuals of different ages, genders and nationalities describe their “ideal romantic evening.” Much more than a peek behind the relationship curtain, *The Normal Heart* offers readers an array of prescriptive tools that will help them establish a “new normal.” Mindful of what keeps couples stuck in ruts, the book’s authors suggest practical and life-changing ways to break cycles of disappointment and frustration.

wife cheats on business trip: *Keep Your Life, Family and Career Intact While Living Abroad* Cathy Tsang-Feign, 2013 MOVING ABROAD? WHAT EVERY EXPAT NEEDS TO KNOW. The challenges of living in a foreign country don't begin and end with culture shock. If you're planning a move abroad, you need to prepare yourself for the unique pressures, anxieties and personal and family problems common to all expatriates, which are often difficult to anticipate and a challenge to overcome, including: Culture shock: what is it really? Long-distance relationships with friends and family Affairs and other marriage-stressors Raising third culture kids Being single overseas Business travel booby-traps Expatriate burnout The unforeseen trials of returning home ...and much, much more Expatriate psychologist Dr. Cathy Tsang-Feign uses real-life examples and easy-to-understand explanations to fully prepare you for a move abroad, and to help those already there to help themselves live a well-rounded, satisfying life. Click the Look Inside link above to read the first chapter free! The essential survival guide. Must reading for anyone living abroad. Louis Kraar, Senior Editor, *Fortune* In an easy-to-read, jargon-free book Cathy Tsang-Feign helps confront problems unique to the expatriate experience. *South China Morning Post* The best survival manual I've come across. If you live overseas or are going to, read this and keep it beside your bed. Fred Schneider, author of *Getting Along with the Chinese*

wife cheats on business trip: *Cheating in a Nutshell* Wayne Mitchell, Tamara Mitchell, 2019-09-08 Cheated on...Battered by emotion...You don't know where to turn. You feel betrayed, devastated, embarrassed, angry, and completely heartbroken. You ask yourself, How can I stop infidelity from ruining my life? How do I cope with this nightmare? You don't realize there is a roadmap that explains what you are going through. That roadmap is *Cheating in a Nutshell*. Knowledge is Power and Understanding is Liberating. Whatever shade of infidelity you're dealing with, it is powerfully painful – and the feelings that come with it are hardly ever simple. Understanding your pain will change your way of thinking almost immediately. This book is for you if: --You just learned your partner cheated on you --You have been staying with a cheating partner --You were betrayed in a past relationship and seek a deeper understanding of your feelings In *Cheating in a Nutshell*, Wayne and Tamara Mitchell explain the source of your pain. There is a way out of this darkness, and the first step is to understand the structure of this awful experience. The focus is on the betrayed, not the cheater, and if you've been cheated on, I agree with other reviewers: This is the best book, the only one you need. – Reader Review It's never too late to understand why you feel as you do. Read *Cheating in a Nutshell*.

wife cheats on business trip: *Saving Grace* A.D. Justice, I wanted to ask for a divorce. Instead of the fight I expected, she agreed—with a few stipulations, all of which revolved around our son leaving for college in the fall. Keeping those promises would be a challenge, no doubt. But all I had to do was uphold my end of the deal then walk away without a backward glance. Somewhere along

the way, our charade became my reality. With each day that passes, I realize time is once again my enemy. I can't lose her a second time. I'll never walk away—she healed my soul. Saving Grace is now my only hope.

wife cheats on business trip: Murder in Italy Candace Dempsey, 2010-04-27 The true story behind the notorious international murder--updated to cover Amanda Knox's acquittal. In Perugia, Italy, on November 2, 2007, police discovered the body of a British college student stabbed to death in her bedroom. The prosecutor alleged that the brutal murder had occurred during a drug-fueled sex game gone wrong. Her housemate, American honor student Amanda Knox, quickly became the prime suspect and soon found herself the star of a sensational international story, both vilified and eroticized by the tabloids and the Internet. Award-winning journalist Candace Dempsey gives readers a front-row seat at the trial and reveals the real story behind the media frenzy. Beautifully researched, well-written, and clearly organized. Dempsey was the first journalist in the United States to raise questions about the Amanda Knox case, and the first to look deeply into the facts and begin to uncover the shocking truth. If you want to know the real story . you must read this book, reprinted after Knox's acquittal with a new ending. -Douglas Preston, New York Times bestselling author (with Mario Spezi) of *The Monster of Florence*

wife cheats on business trip: Divorced Girl Smiling Jackie Pilossoph, 2014 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as the divorced girl, Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

wife cheats on business trip: Women Living Well Courtney Joseph Fallick, 2013-10-08 Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your

marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

wife cheats on business trip: He Cheats “The Collateral Damage of a Cheating Spouse”

Darrick Hibbler, 2011-01-26 Sometimes the American Dream does not take into consideration the actions of a cheating man. Often as a society we excuse acts of infidelity because we don't want to get involved or we don't want to seem as though we are being nosy. Infidelity is the leading cause of divorce in this country. This is a subject that needs to be addressed so that the healing can begin. This book entitled, He Cheats, pulls us deep into the subject and deals with the real reason why men cheat and why women often look the other way. This is a story that is told by a man and through the eyes of a man.

wife cheats on business trip: Life Anonymous Kristin M Snowden, Scott Brassart,

2020-12-04 This book is for anyone who wants to get out of a painful internal or interpersonal cycle and seek a better way of living. The 12-Step model for recovery and healing has helped millions of addicts worldwide not only find and maintain sobriety but live healthier, happier, more intimately connected lives. But for some reason, this formula has never taken root beyond the recovering addict community. Until now. Kristin M. Snowden, a non-addict and therapist, and Scott Brassart, a long-recovering addict and author, have both worked and benefitted from the 12 Steps. And they have both wondered why-when it is so clear to them that the 12 Steps can help any person (addicted or not)-this proven program for healthy change is not more widely utilized. That is why Life Anonymous was written, with Kristin and Scott using their personal and professional journeys to show how every person can use the 12 Steps to ignite profound change. You don't need to be an addict and you don't need extreme or obvious symptoms such as debilitating depression or anxiety to get something meaningful from this book. You don't even need to be in relationship with an addict. The simple truth is that people in deep struggle can appear to be quite high functioning. The 12 Steps are about identifying what is not working in our lives and making changes to better both ourselves and our relationships. Ultimately, healthy connection with self and others is what it's all about. Whoever you are, whatever your situation, your life can be better. Much better. And the 12 Step process described in these pages can help you make that happen.

wife cheats on business trip: Unfaithful Gary Shriver, Mona Shriver, 2009-11-01 Statistics

show that one in every four marriages is impacted by infidelity. So the odds are pretty good that you or someone you know has experienced the searing pain of marital infidelity. But adultery is not an automatic death sentence for your marriage. You can trust again. You can restore intimacy. You can have a relationship that you will both cherish for a lifetime. Ten years ago, Gary and Mona Shriver experienced the devastation caused by adultery, and in the course of trying to save themselves, they wrote this book. Raw, transparently honest, the Shriver's story alone is an inspiration, offering hope and practical strategies for healing. Now this updated and revised edition adds other real-life stories of betrayal and forgiveness, and new information defining adultery, including the destruction of emotional affairs. Some doubt if a marriage can truly heal after the ravages of infidelity. Unfaithful proves you can. It's not easy . . . but it can be done. Is it worth it? Yes. And you hold the first step—and hope—in your hand.

wife cheats on business trip: After the Affair Janis A. Spring, 2008-07-08 After the Affair

teaches partners how to heal themselves and grow from the shattering crisis of an infidelity. Drawing on thirty-five years as a clinical psychologist, Dr. Spring offers a series of original and proven strategies that address such questions as: Why did it happen? Once love and trust are gone, can we ever get them back? Can I—should I—recommit when I feel so ambivalent? How do we become sexually intimate again? Is forgiveness possible? What constitutes an affair in cyberspace?

wife cheats on business trip: Cheatingland Anonymous, 2022-03-22 Reminiscent of Three

Women and The State of Affairs—and based on years of research and in-depth interviews with more than sixty men—this eye-opening and explosive study explores why men cheat, how they do it, and the repercussions that infidelity has on every aspect of life. It is estimated that one in four married men cheat on their wives. Of those, roughly half claim that they are “very happy” in their marriages.

So why risk ruining it all? Is it the sex? The affirmation? The danger? Yes, it's all of that. But it's also so much more. The author of this book has conducted a series of in-depth interviews with men and women of all ages and backgrounds who have cheated in the past or are currently cheating on their spouses. They talked openly and intimately about details of their affairs, and the emotions that they experience before, during, and after. The book breaks down the five major categories of cheaters, defines the typical cheater personality, and looks at how husbands can cheat while also loving their wives. It reveals the tips and tricks spouses use to get away with secret affairs and examines everything from the influence of cheating parents on their children to the possible outcomes once an affair is discovered. This unfiltered window into the hearts and minds of men explores the psychological roots of cheating and proposes a new vision of masculinity that is more emotionally aware and could significantly change relationships for the better.

wife cheats on business trip: Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

wife cheats on business trip: The Vacationers Emma Straub, 2015-06-02 Delicious . . . richly riveting . . . The Vacationers offers all the delights of a fluffy, read-it-with-sunglasses-on-the-beach read, made substantial by the exceptional wit, insight, intelligence and talents of its author."—People (four stars) An irresistible, deftly observed novel from the New York Times bestselling author of *All Adults Here* and *This Time Tomorrow*— about the secrets, joys, and jealousies that rise to the surface over the course of an American family's two-week stay in Mallorca. For the Posts, a two-week trip to the Balearic island of Mallorca with their extended family and friends is a celebration: Franny and Jim are observing their thirty-fifth wedding anniversary, and their daughter, Sylvia, has graduated from high school. The sunlit island, its mountains and beaches, its tapas and tennis courts, also promise an escape from the tensions simmering at home in Manhattan. But all does not go according to plan: over the course of the vacation, secrets come to light, old and new humiliations are experienced, childhood rivalries resurface, and ancient wounds are exacerbated. This is a story of the sides of ourselves that we choose to show and those we try to conceal, of the ways we tear each other down and build each other up again, and the bonds that ultimately hold us together. With wry humor and tremendous heart, Emma Straub delivers a richly satisfying story of a family in the midst of a maelstrom of change, emerging irrevocably altered yet whole.

wife cheats on business trip: Commander in Cheat Rick Reilly, 2019-04-02 NEW YORK TIMES BESTSELLER Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming.-- The New Yorker Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit. -- Chicago Sun-Times Every one of Trump's most disgusting qualities surfaces in golf. -- The Ringer An outrageous indictment of

Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the Trump Bump), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, Golf is like bicycle shorts. It reveals a lot about a man. *Commander in Cheat* paints a side-splitting portrait of a congenital cheater (*Esquire*), revealing all kinds of unsightly truths Trump has been hiding.

wife cheats on business trip: *My Husband's Sweethearts* Bridget Asher, 2008-08-19 When Lucy discovered that her charming, cheating husband was dying, she came home, opened up his little black book, and decided she wasn't going through this alone. After all, Artie's sweethearts were there for the good times—is it fair that Lucy should have to manage the hard times herself? In this wise, wickedly funny new novel, Lucy dials up the women in Artie's black book and invites them for one last visit. The last thing she expects is that any will actually show up. But one by one, they do show up: The one who hates him. The one who owes her life to him. The one he turned into a lesbian, and the one he taught to dance. And among them is a visitor with the strangest story of all: the young man who may or may not be Artie's long-lost son. For Lucy, the jaw-dropping procession of women is an education in the man she can't forgive and couldn't leave. And as the women find themselves sharing secrets and sharing tears, they start to discover kindred spirits—and even something that's a lot like family. But Lucy knows one thing for certain: the biggest surprises are yet to come.... Full of heart, Bridget Asher's unforgettable novel is about mothers and daughters, fathers and sons, and the deep friendships between women. It's about sweet liars and tenderhearted cheaters—about loving those we love for reasons we can't always fully rationalize, and about the sort of forgiveness that can change someone's entire life in the most unexpected and extraordinary ways.

wife cheats on business trip: The Completion Process Teal Swan, 2016-08-23 Few of us have lived through the kind of suffering Teal Swan endured: 13 years of ritual abuse at the hands of a cult. But all of us have been fractured by trauma in one way or another. Your wounds may be visible as bodily scars; or they may show up in the form of anxiety, depression, or PTSD; or you may simply be struggling in your life for reasons you don't simply understand. The good news is that you can heal your wounds. The Completion Process invites you on a profound journey of self-exploration and self-restoration to reclaim the lost parts of you and return to a joyous life, no longer inhibited by the past or terrified of the future. Drawing on her wide range of extrasensory abilities, including clairvoyance, clairsentience, and clairsaudience, Teal offers a revolutionary 18-step process for healing any past hurt or present problem. Learn how to: • Create a haven in your mind where it's safe to re-enter a difficult memory • Validate painful emotions • Let your feelings shift naturally toward relief • Close the memory of trauma and begin a new life This is not only healing work; it's also the work of enlightenment. It will leave you with a stronger sense of value and hope in the world, and the assurance that life can be good again.

wife cheats on business trip: *Affair Healing* Tim Tedder, 2017-02-06

wife cheats on business trip: The Silent Patient Alex Michaelides, 2019-02-05 **THE INSTANT #1 NEW YORK TIMES BESTSELLER** An unforgettable—and Hollywood-bound—new

thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy.

—Entertainment Weekly *The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

wife cheats on business trip: Desert Collapses Stephen Kershner, 2021-08-18 People consider desert part of our moral world. It structures how we think about important areas such as love, punishment, and work. This book argues that no one deserves anything. If this is correct, then

claims that people deserve general and specific things are false. At the heart of desert is the notion of moral credit or discredit. People deserve good things (credit) when they are good people or do desirable things. These desirable things might be right, good, or virtuous acts. People deserve bad things (discredit) when they are bad people or do undesirable things. On some theories, people deserve credit in general terms. For instance, they deserve a good life. On other theories, people deserve credit in specific terms. For instance, they deserve specific incomes, jobs, punishments, relationships, or reputations. The author's argument against desert rests on three claims: There is no adequate theory of what desert is. Even if there were an adequate theory of what desert is, nothing grounds (justifies) desert. Even if there were an adequate theory of what desert is and something were to ground it, there is no plausible account of what people deserve. Desert Collapses will be of interest to researchers and advanced students working in ethics and political philosophy.

wife cheats on business trip: False Start Sasha Marshall, 2024-04-30 Football, a kitten, and 14 dates. Zhanna Hale THEN My father is a legend. Some call me football royalty, and in my hometown of Louisiana, I suppose I am. His legacy didn't prepare me for Bryant Hudson. The quarterback. I swore I'd never date football players. Permanently. Yet Bryant had other plans. Three dates and a handful of conversations, I handed him my heart without realizing it. But, Bryant shatters my soul. I'm left picking up the pieces. If only erasing him from my heart was as easy. Bryant Hudson NOW I lost at the only game that matters. And it wasn't even a game. It was and is my forever with Zhanna. I am the best quarterback out there. That should be enough, right? Achieving my dreams. But none of that matters without my woman beside me. When she left, she took my heart with her. Now I'm back. To remind her of what we had. To see me—the man whose heart she owns, not the quarterback. Our love is fate. Our lives are forever intertwined. I refuse to let a false start signal our end. I'm ready to repeat the play and show Zhanna she is my everything.

wife cheats on business trip: No More Mr Nice Guy Dr Robert A Glover, 2022-11-02 Originally published as an e-book that became a controversial media phenomenon, No More Mr. Nice Guy! landed its author, a certified marriage and family therapist, on The O'Reilly Factor and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the Nice Guy Syndrome trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.

wife cheats on business trip: The State of Affairs Esther Perel, 2017-10-10 A fresh look at infidelity, broadening the focus from the havoc it wreaks within a committed relationship to consider also why people do it, what it means to them, and why breaking up is the expected response to duplicity — but not necessarily the wisest one.” — LA Review of Books From iconic couples' therapist and bestselling author of *Mating in Captivity* comes a provocative and controversial look at infidelity with practical, honest, and empathetic advice for how to move beyond it. An affair: it can rob a couple of their relationship, their happiness, their very identity. And yet, this extremely common human experience is so poorly understood. What are we to make of this time-honored taboo—universally forbidden yet universally practiced? Why do people cheat—even those in happy marriages? Why does an affair hurt so much? When we say infidelity, what exactly do we mean? Do our romantic expectations of marriage set us up for betrayal? Is there such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Can an affair ever help a marriage? Perel weaves real-life case stories with incisive psychological and cultural analysis in this fast-paced and compelling book. For the past ten years, Perel has traveled the globe and worked with hundreds of couples who have grappled with infidelity. Betrayal hurts, she writes, but it can be healed. An affair can even be the doorway to a new marriage—with the same person. With the right approach, couples can grow and learn from these tumultuous experiences, together or apart. Affairs, she argues, have a lot to teach us about modern relationships—what we expect, what we think we want,

and what we feel entitled to. They offer a unique window into our personal and cultural attitudes about love, lust, and commitment. Through examining illicit love from multiple angles, Perel invites readers into an honest, enlightened, and entertaining exploration of modern marriage in its many variations. Fiercely intelligent, *The State of Affairs* provides a daring framework for understanding the intricacies of love and desire. As Perel observes, "Love is messy; infidelity more so. But it is also a window, like no other, into the crevices of the human heart."

wife cheats on business trip: *Out of the Doghouse* Robert Weiss, 2017-01-03 It's all about cheating--the biggest threat to intimacy. Typically, men are good at creating rifts in relationships but terrible at mending them, especially after they've repeatedly betrayed their partner through sexual infidelity. For the most part, cheating men are both intimacy-challenged and empathy-challenged, and, as such, they lack the skills needed to overcome the damage wrought by their infidelity. Robert Weiss has spent over twenty years in the treatment of sex and intimacy issues. He's helped both cheating men and their betrayed spouses move through the horrors of infidelity. In *Out of the Doghouse* he shares his expertise, illuminating the ways in which men can move beyond their usual feeble efforts to smooth things over. Saying I'm sorry and trying to buy forgiveness with flowers and jewelry may temporarily calm the stormy seas of infidelity. However, these actions do nothing to re-establish intimacy and trust--the key components to help the distraught woman feel better about her relationship over the long-term and get over the cheating. The simple truth is men and women are very different when it comes to intimacy and relationships. While men are able to compartmentalize things like sexual infidelity, women typically view cheating as an affront to their entire relationship. They think, If he is lying to me about sex, he's probably lying to me about everything. For betrayed women, trust just flat-out disintegrates. And without proper guidance, men have little hope of restoring it. Weiss provides exactly the needed guidance in *Out of the Doghouse*, helping men move past the usual infidelity roadblocks that result from cheating in ways that will not only save a damaged relationship, but restore intimacy to make it better than ever.

wife cheats on business trip: *What Makes Love Last?* John Gottman, John Mordechai Gottman, Nan Silver, 2013-09-10 One of the foremost relationship experts at work today offers creative insight on building trust and avoiding betrayal, helping readers to decode the mysteries of healthy love and relationships--

wife cheats on business trip: *Secret Lives of Cheating Wives* Curtis Bunn, 2016-12-06 Delve into the minds of several frisky women who are willing to risk it all in the pursuit of pleasure from bestselling author Curtis Bunn. With sensual language and a unique understanding of women, *The Secret Lives of Cheating Wives* by Curtis Bunn is a gripping novel that reveals the lengths today's women will go to indulge their deepest desires. The most unlikely of women--God-fearing, child-raising, career-driven, soft-spoken women--are taking risks outside their marriages unlike any time before, a state of affairs that has become an underground movement. They may appear happy and content in their marriages from the outside, but inside they feel something is missing. Refusing to boast about their extramarital affairs like men, these women keep quiet and yet, the more they engage, the more daring they become--and the more at risk their marriages become, too. With relatable and complex characters, *The Secret Lives of Cheating Wives*, is more than your typical romance: it strives to explore the psyche of these women and challenges you into understanding their actions, all while enjoying a tense, steamy ride filled with edge-of-your-seat drama.

wife cheats on business trip: *Wanderlust* Elisabeth Eaves, 2011 This book documents the impulses that drive Elisabeth Eaves' insatiable hunger for the rush of the unfamiliar. She is both restless vagabond and astute observer as she crisscrosses five continents, chasing the exotic in both culture and romance. She loses herself in the jungles of Papua New Guinea, rekindles old love and new passion in Cairo, and finds an intinerant brotherhood of raucous men in the land Down Under. Like the random possessions she leaves in her wake, from Australia to Yemen, she also leaves behind a string of lovers. But this is about more than just sensual conquest; it is also a journey of self-discovery, in which her pursuit ultimately guides her home - back cover.

wife cheats on business trip: *Finding the Hero in Your Husband, Revisited* Juli Slattery,

2021-10-19 In an update of the groundbreaking original title, Dr. Juli Slattery illuminates the power of women in marriage, with an emphasis on the uniqueness of a woman's capacity to build intimacy. What do you do if your husband won't get a job? When you don't like the way he's parenting the kids? How do you know when to stand up to a controlling husband—or if you've become a controlling or manipulative wife? Many women feel lost in their marriages. They don't know what to do with their disappointment, when to ask for help, or what it looks like to let go of the need to control. Yet, God has given women incredible power in marriage—but they have to learn how to use it. In a complete rewrite of her bestselling book, *Finding the Hero in Your Husband*, psychologist Dr. Juli Slattery gently guides women to see how their attempts to manage or fix the messiness of marriage may actually undermine the very connection they want to build. As you read this book, you will: See how disappointment in marriage isn't the end of intimacy, but an opportunity to build true intimacy that will go the distance. Learn to use your relational power in a way that builds intimacy—instead of sabotaging it. Recognize the ways you unknowingly sabotage intimacy by using your power to take over in marriage. Understand what biblical submission isn't and be empowered to step into the influence and responsibility you have within marriage. Solidly grounded in biblical truth, Juli covers topics such as work, home life, conflict, and intimacy. As a mentor and friend, she offers explanations of God's design, healthy expectations, and relatable applications that women of faith can practice to influence their marriage and deepen their relationship with God. Ultimately, *Finding the Hero in Your Husband, Revisited*, will help a wife more clearly see and encourage the hero within her husband by examining her own heart.

wife cheats on business trip: The Elephant in The Bedroom Dr. Gene Herndon, 2018-01-01 Do you feel miles apart, even though you sleep inches away? Do you feel like there's something missing in your relationship? Or do you just want to make your marriage epic (legendary)! You shouldn't have to figure it out alone. Adapted from a wildly popular series of sermons on relationships, "The Elephant In The Bedroom" is the biblical guide that gets real and raw as it tackles the tough issues that married and single people face in relationships. These are the topics that pastors, churches and the people themselves do not want to face or talk about. You will laugh, cry, blush and go "Aha!" as Dr. Gene Herndon, with over a decade of marital counseling experience, breaches taboo topics such as in-laws, sex before marriage, divorce, infidelity, and much more. We believe everyone should have the tools and support they need to have a marriage that is passionate, fulfilling, and lasting. The Elephant In The Bedroom will open your hearts, eyes and minds to hidden insights, helping you to have the discussions you need to have with your spouse, yourself and your loved ones, and cause you to analyze potential relationships and people in a whole new way. Get ready to have fun, learn and gain valuable lifelong insights that will help you love more successfully and discover your path from brokenness to wholeness.

wife cheats on business trip: Liars and Cheats K. C. Hall, 2010-04-30 Toya Davis is devastated to find her husband in the arms of another woman. She thought she was a good wife, mother and business woman. When her husband is found dead under mysterious circumstances she has to wonder; who would want my husband dead? My new lover, his business partner or his mistress?

wife cheats on business trip: Ulysses ,

wife cheats on business trip: CHEATS Hannelore Regenber, 2022-06-01 An upright, widowed bookseller is asked by some businessmen to launder their money, which had been in a bank in Luxembourg for years. At first, he is outraged by such a request, but an old friend convinces him to get involved in this shady business. A staid, widowed bookseller is asked by some businessmen to launder their money, which had been in a bank in Luxembourg for years. At first, he is outraged by such a request, but an old friend convinces him to get involved in this shady business. He decides to accept the proposal and embarks on a journey that will take him to Hong Kong, the Amazon jungle, and more! The travel and bonuses promised by the businessmen start to seem an appealing alternative to the bookseller's downright dull life. They are beyond anything he ever imagined in his wildest dreams.

wife cheats on business trip: Sacred Influence Gary L. Thomas, 2009-05-26 God calls women to influence and move their husbands in positive ways. Applying the concepts from his bestseller, Sacred Marriage, Gary Thomas offers a view through a man's eyes. Here's the inside scoop on what men find motivating—with inspiring real-life stories of women who are employing this knowledge to transform their marriages. Sacred Influence doesn't flinch from difficult marital problems. But by using this faith-focused approach, you'll see how to help your husband become the man God intends him to be. At the same time, God will shape you to be the woman he designed you to be. God has given godly women a wonderful power to influence and encourage their husbands. What's the secret? This book will provide challenges, examples, and hope to women who want to love their husbands well and be loved well in return. --Dennis Rainey, President of Family Life
