Escape the Everyday: Your Ultimate Guide to Planning the Perfect Women's Wellness Weekend

Feeling overwhelmed? Stressed? Like you're running on empty? You deserve a break. And not just any break – a women's wellness weekend designed to rejuvenate your mind, body, and soul. This comprehensive guide will walk you through everything you need to know to plan the perfect escape, from choosing the ideal location and activities to budgeting and making lasting memories with your friends. We'll cover everything from luxurious spa retreats to budget-friendly DIY options, ensuring there's a perfect "women's wellness weekend" plan for everyone.

Choosing the Perfect Location for Your Women's Wellness Weekend

The location sets the tone for your entire women's wellness weekend. Do you envision a secluded cabin nestled in the mountains, a vibrant city brimming with cultural experiences, or a tranquil beachside retreat? Consider the following:

Accessibility: How easily can everyone in your group get to the chosen location? Consider flight costs, driving distances, and any accessibility needs your group might have.

Ambiance: What kind of atmosphere are you aiming for? A bustling city offers endless possibilities for exploration and excitement, while a quiet countryside retreat provides ample opportunities for relaxation and introspection.

Budget: Location significantly impacts cost. Rural getaways are often cheaper than city breaks, while luxurious resorts come with a higher price tag. Establish a budget early on to avoid surprises.

Activities: Does the location offer activities that align with your wellness goals? Consider proximity to hiking trails, yoga studios, spas, or cultural attractions.

For a truly rejuvenating women's wellness weekend, consider locations known for their natural beauty, such as national parks, coastal towns, or mountain resorts. These environments offer opportunities for hiking, meditation, and disconnecting from the digital world.

Curating the Perfect Wellness Activities for Your Women's Wellness Weekend

The activities you choose are the heart of your women's wellness weekend. Focus on experiences that promote relaxation, rejuvenation, and connection. Here are some ideas:

Spa Treatments: Massages, facials, body wraps – indulge in the pampering your body deserves! Many spas offer group discounts, making this a cost-effective option for larger groups.

Yoga and Meditation: Start the day with a calming yoga session or end it with a guided meditation.

Numerous online platforms offer virtual classes, or you can find local studios in your chosen location.

Nature Walks and Hikes: Reconnect with nature through leisurely walks or invigorating hikes.

Breathing in fresh air and immersing yourselves in natural beauty is incredibly therapeutic.

Cooking Classes: Learn new culinary skills and enjoy the fruits of your labor together. A fun and interactive way to bond and learn something new.

Creative Workshops: Unleash your inner artist through painting, pottery, or jewelry-making classes. These activities offer a creative outlet and a chance to express yourselves.

Sound Baths: Experience the healing power of sound through a relaxing sound bath session. The vibrations can help reduce stress and promote deep relaxation.

Remember to tailor activities to the interests and preferences of your group. Variety is key, ensuring everyone feels engaged and fulfilled.

Budgeting and Planning Your Women's Wellness Weekend

A successful women's wellness weekend requires careful planning and budgeting. Consider the following:

Accommodation: Decide on your preferred type of accommodation – hotel, Airbnb, cabin, etc.

Compare prices and book in advance, especially during peak seasons.

Activities: Research the cost of activities and book them in advance to secure your spots. Look for group discounts wherever possible.

Transportation: Factor in the cost of transportation – flights, rental cars, or public transport.

Food: Plan your meals and snacks. Consider cooking some meals yourselves to reduce costs. Explore local restaurants for unique dining experiences.

Contingency Fund: Always include a buffer for unexpected expenses.

Openly communicate about the budget with your group to ensure everyone is comfortable with the costs involved. Consider creating a shared online spreadsheet to track expenses.

Creating Unforgettable Memories on Your Women's Wellness Weekend

Beyond the planned activities, focus on creating genuine connections and lasting memories. Here are some ideas:

Quality Time: Set aside dedicated time for meaningful conversations and shared experiences. Play games, share stories, and simply enjoy each other's company.

Journaling and Reflection: Encourage journaling or reflection time for individual introspection and self-discovery.

Photography: Capture the memories with photos and videos. Create a shared online album to relive the experience later.

Gifts and Favors: Consider small, thoughtful gifts for your group members to commemorate the weekend.

Gratitude Practice: End the weekend by expressing gratitude for the shared experience and the friendships fostered.

A women's wellness weekend is about more than just relaxation; it's about strengthening bonds, fostering self-care, and creating lasting memories.

Conclusion

Planning a women's wellness weekend is an investment in your well-being and your relationships. By following these tips, you can create an unforgettable experience that leaves you feeling refreshed, rejuvenated, and ready to tackle whatever life throws your way. Remember, the most important aspect is to prioritize relaxation, connection, and self-care. Embrace the opportunity to recharge and reconnect with yourself and your friends.

FAQs

Q1: How much does a women's wellness weekend typically cost?

A1: The cost varies greatly depending on the location, accommodation, and activities chosen. Budget-friendly options are possible, while luxurious retreats can be significantly more expensive. Planning and budgeting are key to staying within your desired price range.

Q2: Is a women's wellness weekend suitable for all ages and fitness levels?

A2: Absolutely! You can customize the activities to suit the abilities and preferences of your group. From gentle yoga to challenging hikes, there's something for everyone.

Q3: What if someone in my group can't afford a luxurious retreat?

A3: There are plenty of budget-friendly options for a women's wellness weekend. Consider camping, renting a cabin, or utilizing free activities like hiking and exploring local parks.

Q4: How far in advance should I start planning a women's wellness weekend?

A4: The sooner, the better! Popular destinations and activities book up quickly, especially during peak seasons. Start planning at least 2-3 months in advance to secure your preferred dates and accommodations.

Q5: How can I ensure everyone in my group feels included and comfortable?

A5: Open communication is key. Discuss preferences and budgets upfront. Consider offering a variety of activities to cater to different interests and fitness levels. Prioritize creating a safe and supportive environment where everyone feels comfortable expressing themselves.

womens wellness weekend: Drunk Yoga Eli Walker, 2019-01-15 The OFFICIAL Drunk Yoga book by the rebel behind the viral phenomenon! womens wellness weekend: 8 Weeks to Women's Wellness Marianne Marchese, 2011 Remove environmental toxins from your body and fight: Breast Cancer Fibroids of the Uterus Heart Disease Miscarriage and Premature Birth Polycystic Ovarian Syndrome (PCOS) Endometriosis Fibromyalgia, Chronic Fatigue, and Chemical Sensitivity Infertility Osteoporosis Thyroid Disease Book jacket.

womens wellness weekend: Yoga as Medicine Yoga Journal, Timothy McCall, 2007-07-31 The definitive book of yoga therapy, this groundbreaking work comes to you from the medical editor of the country's premier yoga magazine, who is both a practicing yogi and a Western-trained physician. Beginning with an overview of the history and science of yoga, Dr. McCall describes the many different techniques in the yoga tool kit; explains what yoga does and who can benefit from it (virtually everyone!); and provides lavishly illustrated and minutely detailed instructions on starting a yoga practice geared to your fitness level and your health status. Yoga as Medicine offers a wealth of practical information, including how to: •Utilize yogic tools, including postures, breathing techniques, and meditation, for both prevention and healing of illness •Master the art of becoming more in tune with your body •Communicate more effectively with your doctor •Adopt therapeutic yoga practices as either an alternative or a complement to surgery and to expensive, sometimes dangerous medications •Practice safely Find an instructor and a style of yoga that are right for you. With twenty chapters devoted to the work of individual master teachers, including such well-known figures as Patricia Walden, John Friend, and Rodney Yee, Yoga as Medicine shows how these experts have applied the wisdom of this ancient holistic practice to twenty different conditions, ranging from arthritis to chronic fatigue, depression, heart disease, HIV/AIDS, infertility, insomnia, multiple sclerosis, and obesity. Defining yoga as "a systematic technology to improve the body, understand the mind, and free the spirit," Dr. McCall shows the way to a path that can truly alter your life. An indispensable guide for the millions who now practice yoga or would like to begin, as well as for yoga teachers, body workers, doctors, nurses, and other health professionals.

womens wellness weekend: *Dr. Libby's Women's Wellness Wisdom* Libby Weaver, 2016-08-31 The latest book by eight times number one best-selling author Dr Libby, Women's Wellness Wisdom, is, quite simply, the book that every woman needs to read. In this unique approach to wellness, designed to specifically address the issues that women of all ages face, readers gain a deep

understanding of their body and what it needs in order to not just survive but to thrive. Often, we are simply told to eat healthily because it is good for us. Rarely does a book this beautiful explain the processes of the body, and how they're all interdependent on each other, while offering real guidance on how we can support ourselves in such succinct and easy to understand language. From over two decades of research, Dr Libby takes all the guesswork out of being a woman, providing insight into the questions that plague western women around the world, including: Why some people emotionally eat and how to end this, why our skin breaks out and why we might lose our hair, how estrogen and progesterone affect our bodies and our minds, why we believe 'if I don't do it, it won't get done', why we store body fat in a certain place and what we can do about it, why our liver is the number one organ to look after, and why we have big conversations at night, rather than at breakfast. With interactive worksheets, real-life examples and step-by-step guides to making life-transforming changes, *Women's Wellness Wisdom* is both practical and inspiring. Illuminating how women can thrive in today's fast-paced modern world, and filled from front to back with Dr Libby's unique blend of nutrition, biochemical science and emotional care, this beautifully illustrated book is truly the definitive guide for women about looking after their bodies, minds and hearts.

womens wellness weekend: Health First! Eleanor Hinton Hoytt, Hilary Beard, 2012-02-01 The story of Black women in America is one of triumph and grace, even with odds stacked high against them. *Health First! The Black Woman's Wellness Guide* provides you with a comprehensive guide to your #1 resource: yourself. Today, as Black women face an unprecedented health crisis, denial and self-neglect are no longer viable options. This groundbreaking volume is rooted in the pioneering work of the Black Women's Health Imperative, the nation's only nonprofit organization devoted to advancing the health and wellness of Black women and girls. It offers a core health philosophy—too long denied Black women—based on putting your health first. *Health First!* explores Black women's most critical health challenges, connecting the dots through honest discussions with experts and the uncensored stories of real women—from adolescence through elderhood. The focus is on prevention and awareness, across generations and circumstances—from candid conversations about reproductive health and HIV/AIDS to frank explorations of Black women's Top 10 Health Risks, including cancer, obesity, and violence. No matter what your age or health status, this unprecedented health reference will become a trusted ally as you seek accessible and relevant information to help you navigate your most pressing health needs. In an age of uncertainty, it's time to take control and truly discover the vitality, power, and joy that can be yours when you learn how to put your health first.

womens wellness weekend: *Black Women's Yoga History* Stephanie Y. Evans, 2021-03-01 How have Black women elders managed stress? In *Black Women's Yoga History*, Stephanie Y. Evans uses primary sources to answer that question and to show how meditation and yoga from eras of enslavement, segregation, and migration to the Civil Rights, Black Power, and New Age movements have been in existence all along. Life writings by Harriet Jacobs, Sadie and Bessie Delany, Eartha Kitt, Rosa Parks, Jan Willis, and Tina Turner are only a few examples of personal case studies that are included here, illustrating how these women managed traumatic stress, anxiety, and depression. In more than fifty yoga memoirs, Black women discuss practices of reflection, exercise, movement, stretching, visualization, and chanting for self-care. By unveiling the depth of a struggle for wellness, memoirs offer lessons for those who also struggle to heal from personal, cultural, and structural violence. This intellectual history expands conceptions of yoga and defines inner peace as mental health, healing, and wellness that is both compassionate and political.

womens wellness weekend: *Perfect Health* Deepak Chopra, 1990 The author's *Quantum Healing: Exploring the Frontiers of Mind/Body Medicine*, aimed to show how health and sickness are controlled by awareness at the level of quantum physics, where mind and body are one. Now Dr Chopra has written a practical guide to harnessing that healing power of the mind, a book based on the principles of Ayurveda, a 5000-year-old system of mind/body medicine that has recently been rediscovered. The book provides a step-by-step programme of mind/body medicine tailored to the individual's need. The result is a plan for re-establishing the body's essential balance with nature.

womens wellness weekend: ROAR Stacy T. Sims, PhD, Selene Yeager, 2016-07-05 “Dr. Sims realizes that female athletes are different than male athletes and you can’t set your race schedule around your monthly cycle. ROAR will help every athlete understand what is happening to her body and what the best nutritional strategy is to perform at her very best.”—Evie Stevens, Olympian, professional road cyclist, and current women’s UCI Hour record holder Women are not small men. Stop eating and training like one. Because most nutrition products and training plans are designed for men, it’s no wonder that so many female athletes struggle to reach their full potential. ROAR is a comprehensive, physiology-based nutrition and training guide specifically designed for active women. This book teaches you everything you need to know to adapt your nutrition, hydration, and training to your unique physiology so you can work with, rather than against, your female physiology. Exercise physiologist and nutrition scientist Stacy T. Sims, PhD, shows you how to be your own biohacker to achieve optimum athletic performance. Complete with goal-specific meal plans and nutrient-packed recipes to optimize body composition, ROAR contains personalized nutrition advice for all stages of training and recovery. Customizable meal plans and strengthening exercises come together in a comprehensive plan to build a rock-solid fitness foundation as you build lean muscle where you need it most, strengthen bone, and boost power and endurance. Because women’s physiology changes over time, entire chapters are devoted to staying strong and active through pregnancy and menopause. No matter what your sport is—running, cycling, field sports, triathlons—this book will empower you with the nutrition and fitness knowledge you need to be in the healthiest, fittest, strongest shape of your life.

womens wellness weekend: Black Women's Health Michele Tracy Berger, 2021-04-06 This book explores the meaning and practice of health in the lives of southern African American women and their adolescent daughters--

womens wellness weekend: Bikini Bootcamp Melissa Perlman, Erica Gragg, 2009-04-22 Get in shape for beach season! This super-slimming, body-sculpting makeover takes off ten pounds and gets you bikini-ready—in just two weeks. Bikini Boot Camp creators Melissa Perlman and Erica Gragg know that the secret to losing weight and getting fit is not another diet or endless hours at the gym. Instead, it’s a highly targeted exercise plan combined with healthy, delicious, all-natural foods that jump-start your metabolism and melt away the pounds. At the elite Amansala Eco-Chic Resort and Spa in Mexico, their Bikini Boot Camp program has become the destination of choice for celebrities and women everywhere who want to change their bodies and their lives. So don’t panic now that summer is here. No matter how long you’ve been putting it off, this book gives you everything you need to achieve a bikini body all year round.

womens wellness weekend: Menopocalypse Amanda Thebe, 2020-10-20 “A kick-ass book on menopause. Do yourself a favor and pick up this gem.”—Dr. Jen Gunter, bestselling author of *The Vagina Bible* and *The Menopause Manifesto* Menopause and perimenopause are no laughing matter—but that doesn’t stop Amanda Thebe from approaching her 50s with a sense of humor. In this hilarious and personal account, the fitness trainer shares how she lost weight, dealt with her depression, improved her sleep, and overhauled her diet to survive—and thrive—during menopause. Now you can, too! Includes a Bonus Strength Training Guide for Women Over 40 At a time when menopause has become an urgent topic of public discussion, with the likes of Michelle Obama

revealing their struggles for the first time, personal trainer Amanda Thebe shares her journey with bold and big-hearted writing that will be familiar to readers of Glennon Doyle. Readers will come away from the book with: A better understanding of your own hormones and how they factor in menopause and your overall health; Confidence to speak your truth about your menopause symptoms to your doctor, other health professionals, your family, and friends; Zero bull-sh*t tips for nutrition, fitness, vagina health, sex, and more. Amanda Thebe was working as a personal trainer and fitness coach when, at age 43, she started experiencing debilitating exhaustion, dizziness, and depression. The busy mother of two boys was used to traveling the world and climbing mountains. Now, she struggled to climb out of bed. After several failed doctor's appointments, Thebe saw her gynaecologist, who finally named the source of her struggles: perimenopause, the period of 5-10 years before menopause, when a woman's fluctuating estrogen levels put her at risk of depression, anxiety, headaches, and more ailments related to female hormone health. Empowered by information, Thebe began her journey back to her former self, overhauling her approach to diet, mental health, and exercise. In *Menopocalypse*, she explains how to deal with migraines, hot flashes, weight gain, exhaustion, poor sleep, vaginal dryness, and mood swings—offering tips that have worked for her and others. She shares information about hormone therapy. She even shares her own strength-training routine, complete with a suggested workout schedule, easy-to-follow instructions, and pictures of herself doing the exercises, so you can feel empowered, fit, and ready to tackle the day. Menopause isn't fun, sexy, or cool, and a woman might spend one-third of her life in it—but that doesn't mean women should suffer in silence without support. Let the outspoken and honest Amanda Thebe be your guide to surviving—and thriving—during menopocalypse.

womens wellness weekend: Women's Health and Wellness Across the Lifespan Ellen Olshansky, 2014-10-07 Women's Health and Wellness Across the Lifespan offers the innovative approach to care that today's patients often demand, combining traditional medicine and alternative approaches. It covers women's wellness care and specific issues during puberty through young adulthood, midlife, and old age. In addition, it provides information essential to enabling your patients to achieve their full health potential, covering wellness for special populations, physical activity and nutrition, oral health, herbal medicine and pharmacologic approaches, methods to promote healing, healthy sleep, and peaceful dying.

womens wellness weekend: The Soul-Sourced Entrepreneur Christine Kane, 2020-11-17 Can you succeed in business when your strength is more about sensitivity than swagger? If you're moved by meaning, more than manipulation? In other words: Can you succeed while still being you? Christine Kane is living proof that the answer is yes. Far too many of us have swallowed the notion that business owners have to be a certain way to be successful—strategy-obsessed, data-driven, and relentlessly aggressive. Bookstore shelves are lined with guides for entrepreneurs that urge them to Crush it! 10X It! or Unf**k it! Those who aren't crushers or unf**kers of anything are left wondering if something's wrong with them. Like, maybe they're just not cut out for business. A former songwriter and performer, and then founder of Uplevel YOU—a multi-million-dollar business coaching company—Christine Kane shows a new class of entrepreneurs another way. It's time to connect, not crush. In *The Soul-Sourced Entrepreneur*, Kane shares the insights that have helped thousands find success without losing themselves. In these pages, readers will find a practical plan to:

- Toss out ineffective, old-school goal-setting models.
- Reframe your intuition and sensitivity as valuable assets, not as flaws to hide.
- Examine old patterns for clues as to what's been holding you back.
- Clean up the spaces and distractions draining your energy and power.
- Learn to confidently trust in your own wisdom.
- Break free from fear-based decision-making that plagues most businesses.

Throughout the book, you'll hear stories from other soul-sourced entrepreneurs, who employ their own reliable, unique set of best practices based as much in intuition and self-awareness as on specific skills and strategies. Forget business as usual. Your business is personal, and in this new era, authenticity, creativity, and sensitivity are what set businesses apart. *The Soul-Sourced Entrepreneur* is your unconventional plan to build the business of your dreams, and being wildly successful by being you.

womens wellness weekend: *Your Healthiest Healthy* Samantha Harris, 2018 This book will change your life! --Kris Jenner What a great read! . . . This is such an incredible resource for all-around healthy living. --Brooke Burke From celebrity TV host and cancer survivor Samantha Harris comes a comprehensive action plan for helping to prevent and fight cancer and living your best, healthiest life. Millions watched Samantha Harris share the story of her breast cancer diagnosis and double mastectomy at age 40. Now she offers an easy, eight-step plan for overcoming adversity, helping to fight cancer, and living a healthier, happier life. *Your Healthiest Healthy* combines her inspiring journey with research-backed advice, recipe and menu guides, workout charts, milestone logs, relationship activities, cheat sheets, checklists, and other must-have tools and resources.

womens wellness weekend: *Breakup Bootcamp* Amy Chan, 2020-12-01 "A relationship expert whose work is like that of a scientific Carrie Bradshaw." —THE OBSERVER A self-affirming, holistic guide for everyone—single or married, divorced or dating—to transforming heartbreak into healing by the founder of the innovative and revolutionary Renew Breakup Bootcamp Amy Chan hit rock bottom when she discovered that her boyfriend cheated on her. Although she was angry and broken-hearted, Chan soon came to realize that the breakup was the shakeup she needed to redirect her life. Instead of descending into darkness, she used the pain of the breakup as a bridge to self-actualization. She devoted herself to learning various healing modalities from the ancient to the scientific, and dived into the psychology of love. It worked. Fast forward years later, Amy completely transformed her life, her relationships and founded a breakup bootcamp helping countless women heal their hearts. In *Breakup Bootcamp*, Amy Chan directs her experience as a relationship columnist and as the creator of Renew Breakup Bootcamp into a practical, thoughtful guide to turning broken hearts into an opportunity to break out of complacency and destructive habits. Dubbed the Chief Heart Hacker, Amy Chan grounds her practical advice and tried and tested methods rooted in cutting-edge psychology and research, helping first her bootcamp attendees and now her readers most effectively heal and reclaim their self-love. *Breakup Bootcamp* comes at the perfect time, when many are feeling the intensity of being in or out of a relationship, lonely or suffocated, and flirting with old toxic relationships they've outgrown. Relatable, life-changing, and backed by sound scientific research, *Breakup Bootcamp* can help anyone turn their greatest heartbreak into a powerful tool for growth.

womens wellness weekend: *Sacred Woman* Queen Afua, 2012-06-20 The twentieth anniversary edition of a transformative blueprint for ancestral healing—featuring new material and gateways, from the renowned herbalist, natural health expert, and healer of women's bodies and souls "This book was one of the first that helped me start practices as a young woman that focused on my body and spirit as one."—Jada Pinkett Smith Through extraordinary meditations, affirmations, holistic healing plant-based medicine, KMT temple teachings, and The Rites of Passage guidance, Queen Afua teaches us how to love and rejoice in our bodies by spiritualizing the words we speak, the foods we eat, the relationships we attract, the spaces we live and work in, and the transcendent woman spirit we manifest. With love, wisdom, and passion, Queen Afua guides us to accept our mission and our mantle as Sacred Women—to heal ourselves, the generations of women in our families, our communities, and our world.

womens wellness weekend: *Prime Time* Marilyn Hughes Gaston, Gayle K. Porter, 2003 Today seven million African American women are living in their prime, experiencing the joys and challenges of middle age. Now, at last, here is the book that addresses our total health needs—physical, emotional, and spiritual. Written by a distinguished physician and a clinical psychologist, *Prime Time* is the first complete guide that empowers us to take charge of our lives and attain the well-being we deserve. In many ways, it's true that we are better off today than our foremothers were: We earn more money, command more respect. Yet in spite of these advances, we still experience more chronic health problems, endure more stress, and live shorter lives than women of other races. That's why *Prime Time* is both urgent and essential. This groundbreaking book not only lays out a detailed, practical plan for overall healing and for maintaining wellness, it also

addresses the underlying attitudes and assumptions that lead so many of us to neglect ourselves and undermine our own health. *Prime Time* will help you • Reframe priorities to put yourself and your own health needs first • Interpret the latest medical findings on the Big Four killers and how they affect black women in middle age • Profile your current health with worksheets, quizzes, and assessment tools • Renew sex at midlife by eliminating restricting myths and taboos and finding new paths to pleasure • Reduce anger and “attitude” that block you from attaining good health • Identify the nontraditional signs of depression and anxiety common to African American women

Comprehensive, straight-talking, and grounded in science and spiritual truth, *Prime Time* is at once a guide to total health in middle age and a celebration of the strength, wisdom, and beauty of African American women in their second half of life.

womens wellness weekend: Tracking Wonder Jeffrey Davis, 2021-11-16 Discover how the lost art of wonder can help you cultivate greater creativity, resilience, meaning, and joy as you bring your greatest contributions to life. Beyond grit, focus, and 10,000 hours lies a surprising advantage that all creatives have—wonder. Far from child’s play, wonder is the one radical quality that has led exemplary people from all walks of life to move toward the fruition of their deepest dreams and wildest endeavors—and it can do so for you, too. “Wonder is a quiet disruptor of unseen biases,” writes Jeffrey Davis. “It dissolves our habitual ways of seeing and thinking so that we may glimpse anew the beauty of what is real, true, and possible.” Rich with wisdom, inspiring stories, and practical tools, *Tracking Wonder* invites us to explore how the lost art of wonder can inspire a life of greater joy, possibility, and purpose. You’ll discover: The six facets of wonder—key qualities to help you cultivate the art of wonder in your work, relationships, and life How wonder can help us fertilize creativity, sustain the motivation to pursue big ideas, navigate uncertainty and crises, deepen our relationships, and more The biases against wonder—moving beyond societal and internalized resistance to our inherent gifts Why experiencing wonder isn’t really about achieving goals—though that happens—but about how we live each day Inspiring stories of people whose experiences of wonder helped them move through the unthinkable to create extraordinary lives Practical exercises, tools, and reflections to help you begin your own practice of tracking wonder A refreshing counter-voice to the exhausting narrative hyper-productivity, *Tracking Wonder* is a welcome guide for experiencing more meaning and joy in the present moment as you bring your greatest contributions to life.

womens wellness weekend: Pacific Natural Jenni Kayne, 2019-03-19 Both practical and inspiring, the first book from Jenni Kayne--the creator of the eponymous lifestyle brand--offers ideas and tips for entertaining and living well throughout the year. Jenni Kayne embodies an effortless aesthetic, where natural beauty is found in every detail. *Pacific Natural* illustrates Jenni's conscious way of living through personal anecdotes and tips with Jenni's home state of California serving as the backdrop. Organized by season, this entertaining book is your guide to creating special moments with family and friends. Each chapter includes tabletop ideas, simple crafts, tips for keeping a stocked kitchen and pantry, what to plant in your garden, and healthy, delicious recipes. From an apple harvest dinner and at-home herb drying in the fall, cocktail parties and DIY gift ideas in the winter, flower arranging in the spring and a beach picnic in the summer, Jenni shares her philosophy for creating traditions and living mindfully all year long. A thoughtful hands-on approach for stylish and balanced living, *Pacific Natural* shows us how to make the most of the time we spend together, treating life's details with creativity and care.

womens wellness weekend: Man Heal Thyself Queen Afua, Supanova Slom, 2021-03-12 *Man Heal Thyself: The Wellness Warrior's Journey to Self-Mastery* is a global call to wellness addressed to men. Each man is prompted to evaluate himself regarding his activities to support of his family and do the work he creates and produces in the world. Within the text are wellness protocols to practice personal development through daily disciplines. The tasks are designed to enable strengthening social, emotional, and spiritual wellness on the journey to self-mastery.

womens wellness weekend: Rejuvenation Horst Rechelbacher, 1989 This unique guide to total health and beauty combines the ancient wisdom of meditation, yoga, massage, and spiritual

development with modern scientific research and knowledge in the fields of medicine, psychology and nutrition. Illustrated with photographs and line drawings.

womens wellness weekend: *Ordinary Insanity* Sarah Menkedick, 2020-04-07 A groundbreaking exposé and diagnosis of the silent epidemic of fear afflicting new mothers, and a candid, feminist deep dive into the culture, science, history, and psychology of contemporary motherhood Anxiety among mothers is a growing but largely unrecognized crisis. In the transition to motherhood and the years that follow, countless women suffer from overwhelming feelings of fear, grief, and obsession that do not fit neatly within the outmoded category of “postpartum depression.” These women soon discover that there is precious little support or time for their care, even as expectations about what mothers should do and be continue to rise. Many struggle to distinguish normal worry from crippling madness in a culture in which their anxiety is often ignored, normalized, or, most dangerously, seen as taboo. Drawing on extensive research, numerous interviews, and the raw particulars of her own experience with anxiety, writer and mother Sarah Menkedick gives us a comprehensive examination of the biology, psychology, history, and societal conditions surrounding the crushing and life-limiting fear that has become the norm for so many. Woven into the stories of women’s lives is an examination of the factors—such as the changing structure of the maternal brain, the ethically problematic ways risk is construed during pregnancy, and the marginalization of motherhood as an identity—that explore how motherhood came to be an experience so dominated by anxiety, and how mothers might reclaim it. Writing with profound empathy, visceral honesty, and deep understanding, Menkedick makes clear how critically we need to expand our awareness of, compassion for, and care for women’s lives.

womens wellness weekend: *The Wellness Universe Guide to Complete Self-Care* Anna Pereira, 2021-12 25 dedicated Wellness Universe experts. . . . come together to help you live a life of well-being, confidence, balance, and betterment in this powerful collaboration. The collective wisdom, expertise, and passion contained in the pages you're about to read is beyond what you can imagine. womens wellness weekend: *Finding Your Own North Star* Martha Beck, 2002-01-29 New York Times bestselling author and Life Designs, Inc. creator Martha Beck shares her step-by-step program that will guide you to fulfill your own potential and create a joyful life. In this book, you'll start by learning how to read the internal compasses already built into your brain and body--and why you may have spent your life ignoring their signals. As you become reacquainted with your own deepest desires, you'll identify and repair any unconscious beliefs or unhealed emotional wounds that may be blocking your progress. This will change your life, but don't worry--although every life is unique, major transformations have common elements, and Beck provides a map that will guide you

through your own life changes. You'll learn how to navigate every stage, from the first flickering appearance of a new dream to the planning and implementation of your own ideal life. Based on Dr. Beck's work as a Harvard-trained sociologist, research associate at Harvard Business School, instructor at Thunderbird Business School, and especially on her experiences with her clients over the last six years, *Finding Your Own North Star* offers thoroughly tested case studies, questionnaires, and exercises to help you articulate your core desires and act on them to build a more satisfying life. "Explorers depend on the North Star when there are no other landmarks in sight. The same relationship exists between you and your right life, the ultimate realization of your potential for happiness. I believe that a knowledge of that perfect life sits inside you just as the North Star sits in its unaltering spot." -- Martha Beck

womens wellness weekend: Botanical Medicine for Women's Health E-Book Aviva Romm, 2017-01-25 Use herbal medicines to treat women at any stage of life! *Botanical Medicine for Women's Health*, 2nd Edition provides an evidence-based, patient-centered approach to botanical interventions for many different medical conditions. More than 150 natural products are covered, showing their benefits in gynecologic health, fertility and childbearing, and menopausal health. This edition includes new full-color photos of herbal plants along with a discussion of the role of botanicals in healthy aging. Written by Aviva Romm, an experienced herbalist, midwife, and physician, this unique guide is an essential resource for everyday practice of herbal medicine. Winner of the 2010 American Botanical Council's James A. Duke Excellence in Botanical Literature Award! - Current, evidence-based information covers more than 150 botanicals for over 35 different conditions. - Case studies provide realistic scenarios and help you apply the content to the real world. - Treatment and formula boxes summarize the most important information. - Color illustrations and photographs of plants enable you to identify herbs visually as well as by substance make-up. - Logical chapter organization begins with the principles of herbal medicine and then covers women's health conditions organized chronologically by lifecycle, from teen and reproductive years to midlife and mature years. - Appendices include practical, at-a-glance information on common botanical names, chemical constituents of medicinal plants, and a summary table of herbs for women's health. - NEW! Updates reflect the latest research and the most current information. - NEW Full-color design and detailed, professional color photos of plants make this a unique, essential resource. - NEW! Coverage of the role of botanicals in healthy aging for women features phytoestrogens, Ayurvedic/Chinese herbs, and discussions of health promotion.

womens wellness weekend: The Secret of Your Naturally Skinny Friends Monica Swanson, 2015-10-22 A fresh approach to overcoming struggles with food, exercise, and body image. From journaling prompts, to practical tips and tricks, this book is packed full of helpful tools and useful information.

womens wellness weekend: Integrative Women's Health Victoria Maizes, Tieraona Low Dog, 2010-02-26 Women have made it clear that they desire a broader, integrative approach to their care. Here, for the first time, *Integrative Women's Health* weaves together the best of conventional treatments with mind-body interventions, nutritional strategies, herbal therapies, dietary supplements, acupuncture, and manual medicine, providing clinicians with a roadmap for practicing comprehensive integrative care. Presenting the best evidence in a concise, accessible format, and written exclusively by female clinicians, this text addresses many aspects of women's health, including feminine perspectives on aging, spirituality and sexuality, specific recommendations for the treatment of cardiovascular disease, rheumatoid arthritis, HIV, headaches, multiple sclerosis, depression, anxiety, and cancer, as well as integrative approaches to premenstrual syndrome, pregnancy, menopause, fibroids, and endometriosis. Homeopathic, Ayurvedic and traditional Chinese medicine practitioners provide insight into the ways in which these systems manage reproductive conditions. As leading educators in integrative medicine, editors Dr. Maizes and Dr. Low Dog demonstrate how clinicians can implement their recommendations in practice, but they also go beyond practical care to examine how to motivate patients, enhance a health history, and understand the spiritual dimensions of healing.

womens wellness weekend: *An eye on Women's Wellness*, 2023-11-15 Women's health is a multidimensional journey that spans various life stages, from adolescence through reproductive years to menopause and beyond. It's a holistic approach that acknowledges the physical, mental, and emotional aspects of well-being.

womens wellness weekend: *Soul Silence* Peter Amato, 2010-11 The millions of recovering addicts who attend Twelve Step programs around the world each day for issues ranging from alcoholism to overeating, codependence, gambling, and even chronic lateness quickly learn that sobriety and abstinence hinge on a decision to turn over their will and life to a Power greater than themselves. They also learn, through the program's 11th Step, that prayer and meditation are vital tools for making this conscious contact with a Higher Power of their understanding.

womens wellness weekend: *Root & Nourish* Abbey Rodriguez, Jennifer Kurdyla, 2021-04-06 Embrace the ancient healing power of plants with more than 100 whole-food, plant-based, gluten-free herbal recipes, designed around the most common health concerns of modern women.

womens wellness weekend: *Embrace Your Body* Taryn Brumfitt, 2021-03 A celebratory picture book about appreciating the wonderful body you have and looking for the beauty inside. Based on the children's song written by Taryn Brumfitt and paired with joyous illustrations by Sinead Hanley, this book will have every body loving who they are!

womens wellness weekend: *Destination Wellness* Annie Daly, 2021-05-11 True well-being isn't hard to find. You just have to know where to look. In this insightful, full-color tour of Jamaica, Norway, Hawai'i, Japan, India, and Brazil, wellness and travel journalist Annie Daly shares a diverse array of philosophies, lifestyles, and practices for better living. Fed up with the commercialization of the wellness industry after working in it for years, Annie embarked on an inspiring adventure through some of the world's happiest and healthiest cities and villages to find out what we can learn from them. Whether she's hiking along gorgeous fjords in Norway to see why Norwegians are so dedicated to getting outside, soothing her spirit with Hawaiian salt water cleanses, or learning about the importance Brazilians place on community, Annie combines on-the-ground reporting with heartfelt personal narrative to share the global lessons, philosophies, and customs that prove that wellness is not about the products—it's about the way you live your life. With candid photography, lesser-known history sidebars, and guidance on how to incorporate these often ancient and always timeless practices into your own lifestyle, this culturally-immersive read invites you to view the world through a different lens and decide what being well means to you. *Destination Wellness* is the perfect book for:

- Anyone who has embraced hygge and is looking for new lifestyle inspiration
- Armchair travelers and staycationers
- Happiness and inspiration seekers
- Wellness and travel enthusiasts
- History lovers

womens wellness weekend: *Finding Meaning* David Kessler, 2020-09-01 In this groundbreaking and "poignant" (Los Angeles Times) book, David Kessler—praised for his work by Maria Shriver, Marianne Williamson, and Mother Teresa—journeys beyond the classic five stages to discover a sixth stage: meaning. In 1969, Elisabeth Kübler-Ross first identified the stages of dying in her transformative book *On Death and Dying*. Decades later, she and David Kessler wrote the classic *On Grief and Grieving*, introducing the stages of grief with the same transformative pragmatism and compassion. Now, based on hard-earned personal experiences, as well as knowledge and wisdom gained through decades of work with the grieving, Kessler introduces a critical sixth stage: meaning. Kessler's insight is both professional and intensely personal. His journey with grief began when, as a child, he witnessed a mass shooting at the same time his mother was dying. For most of his life, Kessler taught physicians, nurses, counselors, police, and first responders about end of life, trauma, and grief, as well as leading talks and retreats for those experiencing grief. Despite his knowledge, his life was upended by the sudden death of his twenty-one-year-old son. How does the grief expert handle such a tragic loss? He knew he had to find a way through this unexpected, devastating loss, a way that would honor his son. That, ultimately, was the sixth stage of grief—meaning. In *Finding Meaning*, Kessler shares the insights, collective wisdom, and powerful tools that will help those experiencing loss. "Beautiful, tender, and wise" (Katy Butler, author of *The Art of Dying Well*),

Finding Meaning is “an excellent addition to grief literature that helps pave the way for steps toward healing” (School Library Journal).

womens wellness weekend: The Wellness Remodel Christina Anstead, Cara Clark, 2020-04-14 The star of HGTV’s Flip or Flop Christina Anstead partners with celebrity nutritionist Cara Clark to help women remodel their lives—in mind, body and spirit. Christina Anstead, star of HGTV’s Flip or Flop and Christina on the Coast, is known for her boundless energy, positive attitude, and radiant looks. But what was hidden from fans of her popular television shows was a very real health crisis, including a diagnosis of autoimmune disease, infertility, and the emotional and physical exhaustion of going through a divorce with two young children—all in the public eye. The stress of managing it all wreaked even more havoc on her already strained body. It wasn’t until Christina met nutritionist Cara Clark that she discovered a path that allowed her to regain her health and heal in body and mind. In *The Wellness Remodel*, Christina chronicles her health journey and shares what she’s learned about the importance of creating balance and prioritizing physical and mental self-care. Divided into three parts—“Gut Rehab” (food and nutrition); “Building a Strong Foundation” (exercise); and “The Rewire” (mindfulness)—the book will be an accessible guide to full-body wellness, offering simple strategies anyone can put into action for immediate results. Christina and Cara will also share their simple cooking strategies built for the real world of working parents and busy weeknights, including sixty of their favorite recipes, complete with beautiful photos and easy-to-follow instructions. Inspiring, informative, fun, and empowering, *The Wellness Remodel* will give readers everything they need to nourish the body, keep it strong, and help their spirit flourish.

womens wellness weekend: Get the Guy Matthew Hussey, 2013-04-09 Most dating books tell you what NOT to do. Here's a book dedicated to telling you what you CAN do. In his book, *Get the Guy*, Matthew Hussey—relationship expert, matchmaker, and star of the reality show *Ready for Love*—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs, showing them how to develop confidence and build relationships that translate into professional success. Many of Matthew’s male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew’s insightfulness, irreverence, and warmth makes *Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve* a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she’s been waiting for.

womens wellness weekend: Building a Business with a Beat: Leadership Lessons from Jazzercise—An Empire Built on Passion, Purpose, and Heart Judi Sheppard Missett, 2019-06-25 Transform your passion into a profitable business—with the help of the legendary entrepreneur who turned an innovative idea into a \$100 million global powerhouse. Judi Sheppard Missett is a fitness icon who, at just three years old, discovered a passion for dance that would eventually fuel a global dance fitness empire. After an early life spent honing her dancing skills and a career as a professional jazz dancer, Judi had an epiphany: why not combine the art of jazz dancing with the science of exercise to help others achieve a healthier, happier self-image and life? The wildly enthusiastic response from her first 15 students inspired her to launch Jazzercise, Inc., the world’s leading dance fitness program with a cumulative \$2 billion in global sales. In *Building a Business with Beat*, Judi reveals for the first time the secrets behind the company’s five decades of enormous success. In addition to helping millions of men and women improve their health and well-being through the fun and fitness of dance, Judi has inspired 8,500 franchisees to achieve their dream of owning and running their own business. Now, through powerful personal stories, practical proven-successful advice and insights, Judi shares how you, too, can transform your passion into a profitable business. This inspirational guide will teach you how to:

- Create a successful business by discovering and defining your larger purpose
- Use your unique perspectives and abilities to enhance

the lives of others • Deftly handle everyday obstacles and unplanned events • Develop an open mindset and embrace innovation and new possibilities • Inspire your staff to connect to a purpose greater than day-to-day work, and more Filled with helpful tips, smart strategies, and no-nonsense advice, this book is essential reading for anyone who has ever dreamed of creating a thriving, purpose-driven business. The author is living proof that when you're doing what you love, it may not seem like work at all.

womens wellness weekend: Beyond the Pill Jolene Brighten, 2019-01-29 All women need to read this book.—Dave Asprey, author of *The Bulletproof Diet* Groundbreaking solutions for the common hormonal struggles women face both on and off birth control.—Amy Medling, founder of PCOS Diva and author of *Healing PCOS* A natural, effective program for restoring hormone balance, normalizing your period, and reversing the harmful side effects of 'The Pill'—for the millions of women who take it for acne, PMS, menstrual cramps, PCOS, Endometriosis, and many more reasons other than contraception. Out of the 100 million women—almost 11 million in the United States alone—who are on the pill, roughly 60 percent take it for non-contraceptive reasons like painful periods, endometriosis, PCOS, and acne. While the birth control pill is widely prescribed as a quick-fix solution to a variety of women's health conditions, taking it can also result in other more serious and dangerous health consequences. Did you know that women on the pill are more likely to be prescribed an antidepressant? That they are at significantly increased risk for autoimmune disease, heart attack, thyroid and adrenal disorders, and even breast and cervical cancer? That the pill can even cause vaginal dryness, unexplained hair loss, flagging libido, extreme fatigue, and chronic infection. As if women didn't have enough to worry about, that little pill we're taking to manage our symptoms is only making things worse. Jolene Brighten, ND, author of the groundbreaking new book *Beyond the Pill*, specializes in treating women's hormone imbalances caused by the pill and shares her proven 30-day program designed to reverse the myriad of symptoms women experience every day—whether you choose to stay on the pill or not. The first book of its kind to target the birth control pill and the scientifically-proven symptoms associated with taking it, *Beyond the Pill* is an actionable plan for taking control, and will help readers: Locate the root cause of their hormonal issues, like estrogen dominance, low testosterone, and low progesterone Discover a pain-free, manageable period free of cramps, acne, stress, or PMS without the harmful side effects that come with the pill Detox the liver, support the adrenals and thyroid, heal the gut, reverse metabolic mayhem, boost fertility, and enhance mood Transition into a nutrition and supplement program, with more than 30 hormone-balancing recipes Featuring simple diet and lifestyle interventions, *Beyond the Pill* is the first step to reversing the risky side effects of the pill, finally finding hormonal health, and getting your badass self back.
