xpress wellness urgent care elk city ok: Cloud Atlas (20th Anniversary Edition) David Mitchell, 2010-07-16 #1 INTERNATIONAL BESTSELLER • A timeless, structure-bending classic that explores how actions of individual lives impact the past, present and future—from a postmodern visionary and one of the leading voices in fiction Featuring a new afterword by David Mitchell and a new introduction by Gabrielle Zevin, author of *Tomorrow, and Tomorrow, and Tomorrow* One of the New York Times's 100 Best Books of the 21st Century • Shortlisted for the International Booker Prize *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. The novel careens, with dazzling virtuosity, to Belgium in 1931, to the West Coast in the 1970s, to an inglorious present-day England, to a Korean superstate of the near future where neocapitalism has run amok, and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The novel boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, David Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a video game, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon.

xpress wellness urgent care elk city ok: *Ghostwritten* David Mitchell, 2007-12-18 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* A gallery attendant at the Hermitage. A young jazz buff in Tokyo. A crooked British lawyer in Hong Kong. A disc jockey in Manhattan. A physicist in Ireland. An elderly woman running a tea shack in rural China. A cult-controlled terrorist in Okinawa. A musician in London. A transmigrating spirit in Mongolia. What is the common thread of coincidence or destiny that connects the lives of these nine souls in nine far-flung countries, stretching across the globe from east to west? What pattern do their linked fates form through time and space? A writer of pyrotechnic virtuosity and profound compassion, a mind to which nothing human is alien, David Mitchell spins genres, cultures, and ideas like gossamer threads around and through these nine linked stories. Many forces bind these lives, but at root all involve the same universal longing for connection and transcendence, an axis of commonality that leads in two directions—to creation and to destruction. In the end, as lives converge with a fearful symmetry, *Ghostwritten* comes full circle, to a point at which a familiar idea—that whether the planet is vast or small is merely a matter of perspective—strikes home with the force of a new revelation. It marks the debut of a writer of astonishing gifts.

xpress wellness urgent care elk city ok: *Inside* Kevin O'Malley, 2004 The year is 1961, the place, Ireland. Inside a monastery is Brendan O'Kane who, at thirteen years of age, has been recruited into the Irish Christian Brothers. Does he have a true vocation? The recurring doubt causes him sleepless nights. Furthermore, he is confused about his awakening sexuality, repressed totally as it is by the Catholic Church in Ireland of the sixties and by his vow of chastity. Years later, he is faced with a momentous decision: he must decide once and for all if the price he has paid has really been worth it . . . *INSIDE* will strike a chord with many who grew up in the fifties and sixties, who remember the smells of the classroom and dancehall in those pre-deodorant days, the taste of fried bread and the sounds of the hymns and popular songs of the era - not to mention the swish of the leather strap. *INSIDE* is a must for those who have had their own experience of the Brothers - or who may have heard about them in recent news stories worldwide - and who would like to know what made them tick, what made them so successful in their heyday, and what made some of them, at least, dysfunctional. Other works on a similar theme: *THE BOYS OF ST VINCENT'S* (Canadian tv docudrama), *THE DEVIL'S PLAYGROUND* (Australian film), *THE CHRISTIAN BROTHERS* (Australian one-man-play), and from Ireland, *STATES OF FEAR* (tv documentary), *GIVE UP YER AULD SINS* (animation), *THE MAGDALENE SISTERS* (film) and *SONG FOR A RAGGY BOY* (novel and film).

However, it's well known that more than seventy percent of those implementations fail to become a long-term sustainable solution, and some of them never get off the ground!The development and implementation of a reliability and asset management program most often focuses on the technical aspects of the journey and not the cultural journey itself.
