Your Pets Wellness Bucktown: Your Neighborhood Guide to Happy, Healthy Companions

Are you a Bucktown resident who's committed to giving your furry, feathered, or scaled friends the best possible life? Finding the right veterinary care and holistic wellness solutions for your pets in a bustling city like Chicago can feel overwhelming. This comprehensive guide dives deep into everything you need to know about ensuring your pets' wellness in the heart of Bucktown. We'll cover top-notch veterinary services, alternative therapies, pet-friendly activities, and even resources for pet emergencies. Let's get started on building a healthier, happier life for your beloved companions right here in Bucktown!

Finding the Perfect Veterinarian in Bucktown: Your Pet's Healthcare Hub

Choosing a veterinarian is a big decision, impacting your pet's health and well-being for years to come. In Bucktown, you're lucky to have several excellent options, each with its own strengths. When making your selection, consider factors like:

Location and convenience: How far are you willing to travel? Is street parking readily available?

Services offered: Do they provide routine check-ups, emergency care, dental services, specialized care (e.g., dermatology, oncology)?

Reviews and reputation: Check online reviews on sites like Yelp, Google Reviews, and Healthgrades to get a feel for the clinic's reputation.

Staff friendliness and communication: A welcoming and communicative veterinary team can make all the difference in your pet's care experience.

Research local veterinary clinics in Bucktown thoroughly. Look beyond just proximity; consider their overall approach to animal care, their commitment to preventative medicine, and the availability of advanced diagnostic tools. Don't hesitate to schedule a brief introductory visit to meet the staff and tour the facilities before committing.

Beyond the Vet: Exploring Holistic Wellness for Your Bucktown Pets

While traditional veterinary care is essential, many pet owners are incorporating holistic approaches to enhance their pets' health. These methods focus on preventative care and a balanced lifestyle to boost immunity and overall well-being. Consider these options:

Acupuncture: This ancient practice can help alleviate pain, reduce inflammation, and improve mobility in pets. Several holistic veterinary practices in the broader Chicago area offer acupuncture services.

Chiropractic care: Similar to acupuncture, chiropractic care can address musculoskeletal issues and improve your pet's overall comfort.

Nutritional therapy: A balanced diet plays a crucial role in a pet's health. Consult with your vet or a veterinary nutritionist to create a personalized diet plan.

Herbal remedies: Certain herbs can support your pet's immune system and address specific health concerns. Always consult your veterinarian before using herbal remedies.

Keeping Your Pet Active and Engaged in Bucktown: Fun & Fitness for Furry Friends

Bucktown offers a fantastic environment for keeping your pets active and entertained. Here are some ideas:

Parks and green spaces: Take advantage of the numerous parks in Bucktown for walks, playtime, and socialization. Remember to keep your pet leashed and clean up after them.

Dog-friendly cafes and patios: Many Bucktown establishments welcome well-behaved dogs, offering a chance to enjoy the neighborhood's vibrant atmosphere with your furry friend.

Dog walking services: If you have a busy schedule, consider hiring a professional dog walker to ensure your dog gets adequate exercise and socialization.

Training classes: Obedience training classes can be beneficial for dogs of all ages and breeds, improving behavior and strengthening the bond between you and your pet.

Emergency Preparedness: Knowing Where to Turn in a Crisis

Accidents happen. Having a plan in place for pet emergencies is crucial. Identify the nearest 24-hour veterinary emergency clinic in the area, familiarize yourself with their contact information, and know how to get there quickly. Keep a first-aid kit for pets at home, and consider pet insurance for unexpected veterinary expenses.

Building a Thriving Pet Community in Bucktown: Connect and Share!

Bucktown boasts a thriving pet community. Connect with other pet owners through local social media groups, neighborhood forums, or even simply by striking up conversations at the dog park. Sharing experiences and recommendations can enrich your pet's life and build a strong sense of community.

Conclusion:

Providing optimal wellness for your pets in Bucktown is achievable with a bit of planning and proactive care. By utilizing the resources and tips outlined in this guide, you can ensure your furry, feathered, or scaled friends lead happy, healthy lives in our vibrant neighborhood. Remember, regular check-ups, a balanced lifestyle, and a proactive approach to health concerns are key components of ensuring your pet's long-term well-being.

FAQs:

1. What are the best dog parks in Bucktown? Research local parks; many offer fenced-in areas specifically for dogs. Check online reviews for user feedback on safety and cleanliness.

1. Are there any pet groomers in Bucktown? Yes, several pet grooming salons operate within or near Bucktown. Check online directories for locations and services.

1. How do I find a reputable pet sitter in Bucktown? Check online platforms such as Rover or Wag! for local, reviewed pet sitters, ensuring thorough background checks and positive references.

1. What is the closest 24-hour veterinary emergency clinic to Bucktown? Research online for the nearest emergency veterinary clinics; note their hours and contact information for emergencies.

1. Where can I find holistic pet care practitioners near Bucktown? Expand your search beyond Bucktown itself; many holistic vets and practitioners operate in the surrounding Chicago neighborhoods. Online searches, referrals, and veterinary clinic recommendations are helpful.

your pets wellness bucktown: Principles and Practice of Lifespan Developmental

Neuropsychology Jacobus Donders, Scott J. Hunter, 2010-01-14 Lifespan developmental neuropsychology is the study of the systematic behavioral, cognitive, and psychosocial changes and growth that occur across infancy, adolescence, adulthood and later life. This book provides insight

into how brain-behavior relationships change over time, how disorders differ in presentation across the lifespan, and what longer-term outcomes look like. Providing practical guidance in a succinct and accessible format, this book covers the most common neurodevelopmental, behavioral and cognitive disorders, including but not limited to ADHD, cerebral palsy, traumatic brain injury, and epilepsy. Key points concerning the practice of developmental neuropsychology are emphasized in order to aid understanding of neuropsychological development and its impact on behavior, emotion, cognition, and social integration. This will be essential reading for advanced graduate students and early career professionals in the fields of neuropsychology, pediatric psychology, clinical psychology, school psychology, and rehabilitation psychology, as well as practitioners in the allied fields that interact with neuropsychology.

your pets wellness bucktown: Oliver the Ornament , 2015-05-09 Oliver the Ornament is a heartwarming tale of one family's cherished Christmas ornaments. The story centers on Oliver, who has been with this family ever since Mom and Dad's very first date. Years later, Oliver, now injured and bullied, still has the magic of Christmas in his heart. The story follows Oliver's excitement for Christmas, his heartbreak, and his determination to overcome all odds to save the day. Oliver, along with his scores of friends, will warm your heart with his kindness, humility, and love for his family. We hope the story will bring families together to tell the stories of their own ornaments and the special meaning that so many of them possess. Because after all, every ornament tells a story.

your pets wellness bucktown: Kill Move Paradise James Ijames, 2019-08-12 Four black men find themselves stuck in a waiting room for the afterlife. As they attempt to make sense of their new paradise, Isa, Daz, Grif, and Tiny are forced to confront the reality of their past, and how they arrived in this unearthly place. Inspired by the ever-growing list of slain black men and women, KILL MOVE PARADISE illustrates the potential for collective transformation and radical acts of joy.

your pets wellness bucktown: Irresistible Revolution Urvashi Vaid, 2012 The LGBT movement is on one of the most active, contested and engaging social movements in the US. This optimistic book challenges advocates for LGBT rights to aspire beyond the narrow framework of equality to a more expansive and inclusive politics. The book's essays examine the dilemmas of compromise, assimilation, and ideology that face advocates for LGBT rights through accessible, provocative, and personal perspectives derived from the author's experience as a leader in this movement. Intended for a broad and general audience, the book turns a thoughtful lens into the controversies, rhetoric, and strategic questions that face this social revolution still in progress.

your pets wellness bucktown: Naturally Sweet America's Test Kitchen, 2016-08-23 In this timely, unique cookbook, America's Test Kitchen tackles the monumental challenge of creating foolproof, great-tasting baked goods that contain less sugar and rely only on natural alternatives to white sugar. White sugar is one of the most widely demonized health threats out there, even more than fat, and consumers are increasingly interested in decreasing the amount of sugar they use and also in using less-processed natural sweeteners. But decreasing or changing the sugar in a recipe can have disastrous results: Baked goods turn out dry, dense, and downright inedible. We address these issues head-on with 120 foolproof, great-tasting recipes for cookies, cakes, pies and more that reduce the overall sugar content by at least 30% and rely solely on more natural alternatives to

white sugar.

your pets wellness bucktown: Bound for the Promised Land Kate Clifford Larson, 2009-02-19 The essential, “richly researched”* biography of Harriet Tubman, revealing a complex woman who “led a remarkable life, one that her race, her sex, and her origins make all the more extraordinary” (*The New York Times Book Review). Harriet Tubman is one of the giants of American history—a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War. Now, in this magnificent biography, historian Kate Clifford Larson gives us a powerful, intimate, meticulously detailed portrait of Tubman and her times. Drawing from a trove of new documents and sources as well as extensive genealogical data, Larson presents Harriet Tubman as a complete human being—brilliant, shrewd, deeply religious, and passionate in her pursuit of freedom. A true American hero, Tubman was also a woman who loved, suffered, and sacrificed. Praise for Bound for the Promised Land “[Bound for the Promised Land] appropriately reads like fiction, for Tubman’s exploits required such intelligence, physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook. . . . Larson captures Tubman’s determination and seeming imperviousness to pain and suffering, coupled with an extraordinary selflessness and caring for others.”—The Seattle Times “Essential for those interested in Tubman and her causes . . . Larson does an especially thorough job of . . . uncovering relevant documents, some of them long hidden by history and neglect.”—The Plain Dealer “Larson has captured Harriet Tubman’s clandestine nature . . . reading Ms. Larson made me wonder if Tubman is not, in fact, the greatest spy this country has ever produced.”—The New York Sun

your pets wellness bucktown: EARTH DIES STREAMING. A.S. HAMRAH, 2018

your pets wellness bucktown: Dressing Barbie Carol Spencer, 2019-03-19 A legendary fashion designer for Barbie shares the story of her adventures working behind-the-scenes at Mattel, and spotlights the creations that transformed the world’s most famous doll into a style icon in this beautifully designed book—published in commemoration of Barbie’s sixtieth anniversary—illustrated with 100 full-color photographs, including many never-before-seen images of rare and one-of-a-kind pieces from the author’s private archive. Dressing Barbie is a dazzling celebration of the clothes that made America’s favorite doll, and the incredible woman behind them. For thirty-five years, Carol Spencer enjoyed an unparalleled reign as a Barbie fashion designer, creating some of Barbie’s most iconic looks from the early 1960s until the late 1990s. Barbie’s wide-ranging wardrobe—including princess gowns and daisy-print rompers, flirty sundresses and smart pantsuits—combined fashion trends and haute couture with a liberal dose of fantasy. In Dressing Barbie, the successful and prolific designer reminisces about her time at Mattel working with legendary figures such as Ruth Handler, Barbie’s creator, and Charlotte Johnson, the original Barbie designer, and talks about her best and most beloved clothing designs from each decade. But Carol’s most impressive creation is her own life. As Handler famously said, “Barbie always represented the fact that a girl has choices”—a credo Carol epitomized. In Dressing Barbie, she talks candidly about how she broke free of the constraints of the late 1950s to pursue a dazzling career and an independent life for herself. Over the course of her successful and prolific career, Carol won many accolades. She was the first designer to have her signature on the doll, the first to go on a signing tour, the first to design a limited-edition Barbie Doll for collectors, and the designer of the biggest selling Barbie of all time. Now, Carol is the first member of the inner circle to take fans behind the pink curtain, revealing the fashion world of Barbie, the quintessential California girl, as never before.

your pets wellness bucktown: I Believe a Journey of Faith and Coping Ed Hazelwood, 2012-05-01 A captivating book of memoirs and adventures that appeals to all adult age groups describing the challenges and changes we face in our life journey. As an adult the author faced many life challenges, moving across the United States living in multiple states and out of the country, divorce, cancer, a heart attack, living and working in Egypt for two years, as well as running in marathons and ultra-marathons and racing his car at Daytona International Raceway, Mid Ohio, Road America and other tracks. The adventures are told chapter by chapter with questions at the

end allowing the reader to pause for thoughts and reflection or for discussion as the book can be used as a multiple week study by small groups. One chapter, the toolbox provides words and guidance for self reflection, assessment and personal motivation and inspiration or self help for the reader along with other ideas for coping and learning. An entertaining book to read, as well as provided thoughts for reflection and daily inspiration.

your pets wellness bucktown: *Dinner at Antoine's* Frances Parkinson Keyes, 1949

your pets wellness bucktown: *Time Out Seoul* Editors of Time Out, 2011-11-08 Time Out Seoul helps travelers get the best out of the ever-changing South Korean metropolis. As well as covering visitor essentials, this new guide offers detailed coverage of cultural highlights, shopping, and dining. From hiking and public baths to trendy shopping, Time Out has got you covered — experience the city like a native and avoid the obvious tourist traps. Time Out Seoul assists visitors in navigating the cultural and financial center of East Asia, whether one is seeking the arts (over 700 museums and 400 galleries), shopping (choices from Prada to flea markets), temples and shrines (five major palaces), or the best in Korean BBQ.

your pets wellness bucktown: *Look, I Made a Hat* Stephen Sondheim, 2011-11-22 The second volume of Sondheim's collected lyrics is both a remarkable glimpse into the brilliant mind of a legend, and a continuation of the acclaimed and best-selling *Finishing the Hat*. Picking up where he left off in *Finishing the Hat*, Sondheim gives us all the lyrics, along with excluded songs and early drafts, of the Pulitzer Prize-winning *Sunday in the Park with George*, *Into the Woods*, *Assassins* and *Passion*. Here, too, is an in-depth look at the evolution of *Wise Guys*, which subsequently was transformed into *Bounce* and eventually became *Road Show*. Sondheim takes us through his contributions to both television and film, some of which may surprise you, and covers plenty of never-before-seen material from unproduced projects as well. There are abundant anecdotes about his many collaborations, and readers are treated to rare personal material in this volume, as Sondheim includes songs culled from commissions, parodies and personal special occasions—such as a hilarious song for Leonard Bernstein's seventieth birthday. As he did in the previous volume, Sondheim richly annotates his lyrics with invaluable advice on songwriting, discussions of theater history and the state of the industry today, and exacting dissections of his work, both the successes and the failures. Filled with even more behind-the-scenes photographs and illustrations from Sondheim's original manuscripts, *Look, I Made a Hat* is fascinating, devourable and essential reading for any fan of the theater or this great man's work.

your pets wellness bucktown: *A City Called Heaven* Robert M. Marovich, 2015-03-15 In *A City Called Heaven*, Robert M. Marovich follows gospel music from early hymns and camp meetings through its growth into the sanctified soundtrack of the city's mainline black Protestant churches. Marovich mines print media, ephemera, and hours of interviews with artists, ministers, and historians—as well as relatives and friends of gospel pioneers—to recover forgotten singers, musicians, songwriters, and industry leaders. He also examines the entrepreneurial spirit that fueled gospel music's rise to popularity and granted social mobility to a number of its practitioners. As Marovich shows, the music expressed a yearning for freedom from earthly pains, racial prejudice, and life's hardships. Yet it also helped give voice to a people—and lift a nation. *A City Called Heaven* celebrates a sound too mighty and too joyous for even church walls to hold.

your pets wellness bucktown: *Head to Tail Wellness* Stacy Fuchino, 2010-03-04 Extend and enhance the quality of your pet's life Be proactive about your pet's wellness and let Dr. Stacy show you how a reasonable combination of proven Western veterinary know-how and time-tested Eastern therapies can promote health and vitality for your furry companion. Whether it's a matter of harnessing the healing properties of food, eliminating harmful elements from a pet's surroundings, restoring an animal's flow of energy, or treating bothersome symptoms, Dr. Stacy provides a revolutionary East-West approach, blending the best of both worlds to bring your pet's internal and external environments into perfect harmony. Written by a leading veterinarian schooled in both Western veterinary medicine and traditional Eastern medicine Packed with charts, quizzes, inspirational quotes, and more An appendix lists alternative veterinary practitioners around the U.S.

Head to Tail Wellness will show you how to make positive changes in your pet's life that will reduce the need for drugs and invasive therapies and, most importantly, yield a happy, healthy pet.

your pets wellness bucktown: The a Game Ken Sufka, 2011-08-01

your pets wellness bucktown: Ireland William Laffan, Christopher P. Monkhouse, Leslie Fitzpatrick, 2015-01-01 A sweeping survey of the arts of Ireland spanning 150 years and an astonishing range of artists and media This groundbreaking book captures a period in Ireland's history when countless foreign architects, artisans, and artists worked side by side with their native counterparts. Nearly all of the works within this remarkable volume--many of them never published before--have been drawn from North American collections. This catalogue accompanies the first exhibition to celebrate the Irish as artists, collectors, and patrons over 150 years of Ireland's sometimes turbulent history. Featuring the work of a wide range of artists--known and unknown--and a diverse array of media, the catalogue also includes an impressive assembly of essays by a pre-eminent group of international experts working on the art and cultural history of Ireland. Major essays discuss the subjects of the Irish landscape and tourism, Irish country houses, and Dublin's role as a center of culture and commerce. Also included are numerous shorter essays covering a full spectrum of topics and artworks, including bookbinding, ceramics, furniture, glass, mezzotints, miniatures, musical instruments, pastels, silver, and textiles.

your pets wellness bucktown: Arts in St. Louis William Tod Helmuth, 1864

your pets wellness bucktown: On the Courthouse Lawn Sherrilyn Ifill, 2007-02-15 Nearly 5,000 black Americans were lynched between 1890 and 1960. Over forty years later, Sherrilyn Ifill's *On the Courthouse Lawn* examines the numerous ways that this racial trauma still resounds across the United States. While the lynchings and their immediate aftermath were devastating, the little-known contemporary consequences, such as the marginalization of political and economic development for black Americans, are equally pernicious. *On the Courthouse Lawn* investigates how the lynchings implicated average white citizens, some of whom actively participated in the violence while many others witnessed the lynchings but did nothing to stop them. Ifill observes that this history of complicity has become embedded in the social and cultural fabric of local communities, who either supported, condoned, or ignored the violence. She traces the lingering effects of two lynchings in Maryland to illustrate how ubiquitous this history is and issues a clarion call for American communities with histories of racial violence to be proactive in facing this legacy today. Inspired by South Africa's Truth and Reconciliation Commission, as well as by techniques of restorative justice, Ifill provides concrete ideas to help communities heal, including placing gravestones on the unmarked burial sites of lynching victims, issuing public apologies, establishing mandatory school programs on the local history of lynching, financially compensating those whose family homes or businesses were destroyed in the aftermath of lynching, and creating commemorative public spaces. Because the contemporary effects of racial violence are experienced most intensely in local communities, Ifill argues that reconciliation and reparation efforts must also be locally based in order to bring both black and white Americans together in an efficacious dialogue. A landmark book, *On the Courthouse Lawn* is a much-needed and urgent road map for communities finally confronting lynching's long shadow by embracing pragmatic reconciliation and reparation efforts.

your pets wellness bucktown: Turn Here Sweet Corn Atina Diffley, 2012-04-04 When the hail starts to fall, Atina Diffley doesn't compare it to golf balls. She's a farmer. It's "as big as a B-size potato." As her bombarded land turns white, she and her husband Martin huddle under a blanket and reminisce: the one-hundred-mile-per-hour winds; the eleven-inch rainfall ("that broccoli turned out gorgeous"); the hail disaster of 1977. The romance of farming washed away a long time ago, but the love? Never. In telling her story of working the land, coaxing good food from the fertile soil, Atina Diffley reminds us of an ultimate truth: we live in relationships—with the earth, plants and animals, families and communities. A memoir of making these essential relationships work in the face of challenges as natural as weather and as unnatural as corporate politics, her book is a firsthand history of getting in at the "ground level" of organic farming. One of the first certified

organic produce farms in the Midwest, the Diffleys' Gardens of Eagan helped to usher in a new kind of green revolution in the heart of America's farmland, supplying their roadside stand and a growing number of local food co-ops. This is a story of a world transformed—and reclaimed—one square acre at a time. And yet, after surviving punishing storms and the devastating loss of fifth-generation Diffley family land to suburban development, the Diffleys faced the ultimate challenge: the threat of eminent domain for a crude oil pipeline proposed by one of the largest privately owned companies in the world, notorious polluters Koch Industries. As Atina Diffley tells her David-versus-Goliath tale, she gives readers everything from expert instruction in organic farming to an entrepreneur's manual on how to grow a business to a legal thriller about battling corporate arrogance to a love story about a single mother falling for a good, big-hearted man.

your pets wellness bucktown: *My Bondage and My Freedom* Frederick Douglass, 2008-08-15 Published in 1855, *My Bondage and My Freedom* is the second autobiography by Frederick Douglass. Douglass reflects on the various aspects of his life, first as a slave and then as a freeman. He depicts the path his early life took, his memories of being owned, and how he managed to achieve his freedom. This is an inspirational account of a man who struggled for respect and position in life.

your pets wellness bucktown: *The Power of Your Words* E. W. Kenyon, Don Gossett, 1984-01-01 I agree that I have what God says in His Word that I have! If you lack anything, tend to be your own worst enemy, or fail to accomplish what you say you will do, then this book will show you how to: Have strong faith Live in the positive Possess what you confess There is nothing that equals the power of your words!

your pets wellness bucktown: *The Last Cruze* LaToya Ruby Frazier, Karsten Lund, Solveig Øvstebø, 2020 As the General Motors plant in Lordstown, Ohio halted production and faced possible closure, displacing its workers, artist LaToya Ruby Frazier joined with these workers, their families, and their local union leaders to tell the story of the plant in its final days. After more than fifty years of automobile production and a commitment to manufacture the Chevrolet Cruze until 2021, the facility was recently unallocated by GM, as the company shifts its focus toward overseas manufacturing and the production of electric and autonomous vehicles. For many, this meant uprooting their families and giving up the support of a close-knit community. Those who turned down transfers to GM plants in other states lost their income, pensions, and benefits. *The Last Cruze*, which sets out to amplify the voices of the auto workers in Lordstown, introduces a new chapter to Frazier's work in investigating labor, family, community, and the working class. Exhibited at the Renaissance Society in 2019, this body of work includes over sixty photographs, alongside the written stories of the workers, and was staged within an installation that echoes the structure of the plant's assembly line. This substantial catalogue includes extensive documentation of the work and introduces new essays and dialogues by contributors including Coco Fusco, David Harvey, Werner Lange, Lynn Nottage, Julia Reichert, Benjamin Young, and members of the local chapter of the United Auto Workers.

your pets wellness bucktown: *The Ordeal of the Jungle* David Bates, 2019-07-08 Between 1910 and 1920, the Chicago Federation of Labor (CFL) inaugurated a massive organizing drive in the city's meatpacking and steel industries. Although the CFL sought legitimately progressive goals, worked earnestly to organize an interracial union, and made major inroads among both black and white workers, their efforts resulted in a bitter defeat. David Bates provides a clear picture of how even the most progressive of intentions can be ground to a halt. By organizing workers into neighborhood locals, which connected workplace struggles to ethnic and religious identities, the CFL facilitated a surge in the organization's membership, particularly among African American workers, and afforded the federation the opportunity to aggressively confront employers. The CFL's innovative structure, however, was ultimately its demise. Linking union locals to neighborhoods proved to be a form of de facto segregation. Over time union structures, rank-and-file conflicts, and employer resistance combined to turn the union's hopeful calls for solidarity into animosity and estrangement. Tensions were exacerbated by violent shop floor confrontations and exploded in the

bloody 1919 Chicago Race Riot. By the early 1920s, the CFL had collapsed. The Ordeal of the Jungle explores the choices of a variety of people while showing a complex, overarching interplay of black and white workers and their employers. In addition to analyzing union structures and on-the-ground relations between workers, Bates synthesizes and challenges previous scholarship on interracial organizing to explain the failure of progressive unionism in Chicago.

your pets wellness bucktown: *Living Floral* Margot Shaw, 2019-03-12 Brimming with top stylemakers' and designers' innovative floral design ideas to enliven the home, *Living Floral* will resonate with those who appreciate the beauty and everyday luxury of flowers. For this inspirational, yet instructive, book Shaw presents portraits of top tastemakers at home who share their joy of flowers. From interior designers Charlotte Moss, Suzanne Rheinstein, and Bunny Williams, and event designer Tara Guerard to floral and garden experts Sybil Sylvester and P. Allen Smith and culinary consultant Alex Hitz, these luminaries impart their personal botanical point of view. They show how to incorporate flowers in home decor and present numerous ways to entertain with flair. Interior designers illustrate how eclectic furnishings work well with floral and botanical accents in fabric, wallpaper, artwork, and accessories to shape chic indoor spaces. We will learn how traditionalists and modernists put together an attractive table; for example, by mixing heirloom silver with simple white china and bright flowers arranged in everyday glass containers. This gorgeously photographed book concludes with a primer on such topics as extending the life of fresh-cut flowers and assembling a table runner of charming blooms. *Living Floral* is a must-have for flower and interior design enthusiasts, as well as home gardeners.

your pets wellness bucktown: *3 Dead Princes* Danbert Nobacon, 2010-10 Princess Stormy lives in a semi-detached castle with her family and a Fool. When an unhappy neighboring kingdom decides to invade, Stormy must go on her quest, meeting giant Cats, Mermangels, Giggle Monkeys, a Gricklegrack, and Flying Lizards on the way. Oh, and she kills three princes. But that's by accident, and anyway it's their own fault . . . Danbert Nobacon, singer, songwriter, comedian, and freak music legend, was a founding member of the anarchist punk rock band Chumbawamba. He loves children and animals. This is his first book. Alex Cox is better known for his filmmaking skills. He loves monsters.

your pets wellness bucktown: *Nothing General About It* Maurice Benard, Susan Black, 2020-04-07 Instant New York Times bestseller! The Emmy Award-winning star of *General Hospital* chronicles his astonishing and emotional life journey in this powerful memoir—an inspiring story of success, show business, and family, and his struggle with mental illness. This shocking true story is *General Hospital* on anabolic steroids. — Mehmet Oz, M.D., Emmy Award-winning host of *The Dr. Oz Show* Maurice Benard has been blessed with family, fame, and a successful career. For twenty-five years, he has played one of the most well-known characters on daytime television: *General Hospital*'s Michael "Sonny" Corinthos, Jr. In his life outside the screen, he is a loving husband and the father of four. But his path has not been without hardship. When he was only twenty, Maurice was diagnosed with bipolar disorder. In *Nothing General About It*, Maurice looks back to his youth in a small town and his tenuous relationship with his father. He describes how his bipolar disorder began to surface in childhood, how he struggled to understand the jolting mood swings he experienced, and how a doctor finally saved his life. For years Maurice was relentless in his goal to be a successful actor. But even after he "made it," he still grappled with terrifying lows, breakdowns, and setbacks, all while trying desperately to maintain his relationship with his wife, who endured his violent, unpredictable episodes. Maurice holds nothing back as he bravely talks

about what it was like to be medicated and institutionalized, and of how he learned to manage his manic episodes while on the set of GH. *Nothing General About It* is also an incredible love story about an enduring marriage that demonstrates what those vows—for better, for worse, in sickness and in health—truly mean. Maurice also pays tribute to the community that has been there for him through thick and thin, and ruminates on the importance of both inherited and created family. A shocking, riveting, and utterly candid memoir of love, adversity, and ultimately hope, *Nothing General About It* offers insights and advice for everyone trying to cope with mental illness, and is a motivational story that offers lessons in perseverance—of the importance of believing in and fighting for yourself through the darkest times. *Nothing General About It* includes a 16-page insert featuring approximately 50 photographs.

your pets wellness bucktown: Citizen Illegal José Olivarez, 2018-09-04 “Olivarez steps into the ‘inbetween’ standing between Mexico and America in these compelling, emotional poems. Written with humor and sincerity” (Newsweek). Named a Best Book of the Year by Newsweek and NPR. In this “devastating debut” (Publishers Weekly), poet José Olivarez explores the stories, contradictions, joys, and sorrows that embody life in the spaces between Mexico and America. He paints vivid portraits of good kids, bad kids, families clinging to hope, life after the steel mills, gentrifying barrios, and everything in between. Drawing on the rich traditions of Latinx and Chicago writers like Sandra Cisneros and Gwendolyn Brooks, Olivarez creates a home out of life in the in-between. Combining wry humor with potent emotional force, Olivarez takes on complex issues of race, ethnicity, gender, class, and immigration using an everyday language that invites the reader in, with a unique voice that makes him a poet to watch. “The son of Mexican immigrants, Olivarez celebrates his Mexican-American identity and examines how those two sides conflict in a striking collection of poems.” —USA Today

your pets wellness bucktown: A Boob's Life Leslie Lehr, 2021-03-02 *A Boob's Life* explores the surprising truth about women's most popular body part with vulnerable, witty frankness and true nuggets of American culture that will resonate with everyone who has breasts—or loves them. Author Leslie Lehr wants to talk about boobs. She's gone from size AA to DDD and everything between, from puberty to motherhood, enhancement to cancer, and beyond. And she's not alone—these are classic life stages for women today. At turns funny and heartbreaking, *A Boob's Life* explores both the joys and hazards inherent to living in a woman's body. Lehr deftly blends her personal narrative with national history, starting in the 1960s with the women's liberation movement and moving to the current feminist dialogue and what it means to be a woman. Her insightful and clever writing analyzes how America's obsession with the female form has affected her own life's journey and the psyche of all women today. From her prize-winning fiction to her viral

New York Times Modern Love essay, exploring the challenges facing contemporary women has been Lehr's life-long passion. A Boob's Life, her first project since breast cancer treatment, continues this mission, taking readers on a wildly informative, deeply personal, and utterly relatable journey. No matter your gender, you'll never view this sexy and sacred body part the same way again.

your pets wellness bucktown: *Women Of 4G* Amy Tofte, 2021-03 Seventy-five years in the future, an all-female crew and their male captain depart on what appears to be a routine mission to Mars ... until the captain is murdered and the real mission comes to light. 4G examines relationships between women under extreme duress. Part murder mystery, part space thriller, 4G's science fiction world asks questions about power, leadership, responsibility, and ultimately, sacrifice.
