

analysis of convergence of the twain

An Analysis of Convergence of the Twain: Exploring Hardy's Masterpiece

Introduction:

Have you ever felt the chilling power of fate, the inescapable convergence of seemingly disparate events leading to an inevitable outcome? Thomas Hardy's "Convergence of the Twain" masterfully encapsulates this feeling, using the sinking of the Titanic as a chilling metaphor for a larger, inescapable destiny. This post delves deep into an analysis of this powerful poem, exploring its themes, symbolism, and lasting impact. We'll unpack the poem's intricate structure, analyze its evocative imagery, and decipher its potent message about the human condition and the indifference of the natural world. Prepare to be captivated by the subtle nuances and profound implications of Hardy's chilling masterpiece. This comprehensive analysis will equip you with a thorough understanding of "Convergence of the Twain," perfect for literary students, poetry enthusiasts, and anyone fascinated by the power of language to convey profound truths.

I. The Historical Context: Setting the Stage for Tragedy

Before delving into the poem's intricate details, understanding its historical context is crucial. "Convergence of the Twain" was written in the aftermath of the Titanic's sinking in 1912. This catastrophic event captured the world's attention, highlighting the fragility of human ambition in the face of nature's overwhelming power. Hardy uses this real-world tragedy as a springboard to explore broader themes of hubris, fate, and the ironic juxtaposition of human pride and natural indifference. The poem doesn't simply recount the event; it uses it as a canvas to paint a much larger picture of human destiny.

II. Imagery and Symbolism: Decoding Hardy's Poetic Language

Hardy's mastery lies in his skillful use of imagery and symbolism. The poem is replete with evocative descriptions that enhance its emotional impact. The "immaculate" maiden ship, a symbol of human ingenuity and ambition, is contrasted with the "iron leviathan," suggesting an underlying vulnerability despite its apparent invincibility. The "sculptured stones" of the ocean floor, awaiting the ship's arrival, foreshadow the Titanic's inevitable fate. The "great and the small" coming together in death further underlines the poem's central theme of inescapable fate. These seemingly disparate elements – the magnificent ship and the unyielding ocean – converge to create a powerful image of tragic irony. Analyzing the poem requires paying close

attention to these carefully chosen words and their symbolic weight.

III. The Themes of Hubris and Fate: An Inevitable Collision

Central to the poem is the exploration of hubris, the excessive pride that leads to downfall. The Titanic, a marvel of engineering, represents the pinnacle of human ambition. However, this very ambition becomes its downfall. The poem subtly suggests that the ship's builders and passengers, blinded by their pride, underestimated the power of nature. Hardy doesn't explicitly condemn hubris; instead, he presents it as a contributing factor in the inevitable convergence of the twain – the collision between human ambition and the indifferent forces of nature. The poem's pessimistic tone underscores the idea that fate, often unforeseen and unavoidable, plays a significant role in shaping human destinies.

IV. Structure and Form: A Deliberate Poetic Choice

Hardy's choice of structure and form in "Convergence of the Twain" is not arbitrary. The poem's four-stanza structure mirrors a gradual unfolding of the narrative. The first stanza sets the scene, introducing the doomed ship. The second stanza describes the ocean floor, foreshadowing the ship's final resting place. The third stanza highlights the irony of the ship's fate, contrasting its initial grandeur with its ultimate demise. The final stanza delivers the poem's chilling conclusion, emphasizing the inescapable nature of fate. The use of iambic pentameter and the carefully chosen rhyme scheme further enhance the poem's impact, creating a sense of rhythm and inevitability that mirrors the poem's central theme.

V. Lasting Legacy and Interpretations: A Poem for the Ages

"Convergence of the Twain" continues to resonate with readers today due to its timeless themes and powerful imagery. The poem's exploration of human ambition, the power of nature, and the inevitability of fate transcends its historical context. It serves as a stark reminder of the fragility of human existence and the often unpredictable forces that shape our lives. Various interpretations of the poem exist, some focusing more on the social commentary, others on the philosophical implications. However, all interpretations agree on the poem's haunting beauty and its enduring power to provoke thought and contemplation.

VI. Conclusion: A Reflection on Inevitability

In conclusion, "Convergence of the Twain" is more than just a poem about the sinking of the Titanic. It's a profound meditation on the human condition, exploring the complex interplay between human ambition and the indifferent forces of nature. Through its evocative imagery, carefully chosen symbolism, and powerful structure, the poem leaves a lasting impression, forcing readers

to confront the inescapable nature of fate and the limitations of human control. Hardy's masterpiece stands as a testament to the enduring power of poetry to capture the essence of human experience and express profound truths about the world around us.

Analysis Outline:

Name: A Deep Dive into Hardy's "Convergence of the Twain"

Introduction: Hooking the reader, overview of the analysis.

Chapter 1: The Historical Context and its Impact on the Poem's Meaning.

Chapter 2: Detailed Analysis of Imagery and Symbolism – Unpacking the poetic language.

Chapter 3: Exploration of Key Themes: Hubris, Fate, and the Inevitable Convergence.

Chapter 4: Structural Analysis: Examining the poem's form and its contribution to its meaning.

Chapter 5: Interpretations and Lasting Legacy: Examining different perspectives on the poem.

Conclusion: Summarizing the key findings and reinforcing the poem's enduring impact.

(The detailed explanation of each chapter point is provided above in the main article body.)

FAQs:

1. What is the central theme of "Convergence of the Twain"? The central theme explores the collision between human ambition and the indifferent forces of nature, leading to an inevitable and tragic outcome.
1. What is the significance of the Titanic in the poem? The Titanic serves as a powerful symbol of human hubris and the fragility of human achievements in the face of natural power.
1. How does Hardy use imagery in the poem? Hardy masterfully employs vivid imagery to create a sense of foreboding and inevitability, highlighting the contrast between the ship's grandeur and its eventual demise.

1. What is the poem's overall tone? The poem's tone is predominantly pessimistic, emphasizing the inescapable nature of fate and the limitations of human control.
1. What is the significance of the poem's structure? The poem's four-stanza structure mirrors a gradual unfolding of the narrative, building tension and culminating in a chilling conclusion.
1. What are some different interpretations of the poem? Interpretations vary, focusing on themes of hubris, fate, social commentary, or philosophical implications of human existence.
1. Why is the poem still relevant today? Its exploration of timeless themes – human ambition, fate, and the power of nature – makes it relevant to contemporary readers.
1. What is the meaning of "Convergence of the Twain"? It refers to the inescapable meeting and collision of seemingly disparate forces, in this case, human ambition and the natural world.
1. What literary devices does Hardy use? Hardy uses various literary devices, including symbolism, imagery, metaphor, and irony, to create a powerful and evocative poetic experience.

analysis of convergence of the twain: The Convergence of the Twain Robert Fielding, 2012-09-28 These eleven short verses, written by Thomas Hardy as a response to the tragic loss of RMS Titanic in 1912, are couched in a colourful and concise language that takes the reader to the ocean depths where the sea-worm crawls over mirrors meant to reflect the opulent passengers. While the Titanic was being built, the great iceberg that was to be her undoing slowly moved towards the appointed convergence. Hardy seems to have instructed the publisher to space the number and lines of each verse to form the shape of an ocean liner. Robert Fielding has provided music that reflects the changing moods and underlying frustrations in Hardy's text. This work is also a small gesture of respect in remembrance of the musicians who sacrificed their lives playing upbeat ragtime and quick waltzes to calm the terrified passengers until they could no longer stand. The copy contains named photos of these men and information about the disaster.

analysis of convergence of the twain: Great Divergence and Great Convergence Leonid Grinin, Andrey Korotayev, 2015-05-09 This new monograph provides a stimulating new take on hotly contested topics in world modernization and the globalizing economy. It begins by situating what is called the Great Divergence--the social/technological revolution that led European nations to outpace the early dominance of Asia--in historical context over centuries. This is contrasted with an

equally powerful Great Convergence, the recent economic and technological expansion taking place in Third World nations and characterized by narrowing inequity among nations. They are seen here as two phases of an inevitable global process, centuries in the making, with the potential for both positive and negative results. This sophisticated presentation examines: Why the developing world is growing more rapidly than the developed world. How this development began occurring under the Western world's radar. How former colonies of major powers grew to drive the world's economy. Why so many Western economists have been slow to recognize the Great Convergence. The increasing risk of geopolitical instability. Why the world is likely to find itself without an absolute leader after the end of the American hegemony A work of rare scope, Great Divergence and Great Convergence gives sociologists, global economists, demographers, and global historians a deeper understanding of the broader movement of social and economic history, combined with a long view of history as it is currently being made; it also offers some thrilling forecasts for global development in the forthcoming decades.

analysis of convergence of the twain: All of Statistics Larry Wasserman, 2013-12-11 Taken literally, the title All of Statistics is an exaggeration. But in spirit, the title is apt, as the book does cover a much broader range of topics than a typical introductory book on mathematical statistics. This book is for people who want to learn probability and statistics quickly. It is suitable for graduate or advanced undergraduate students in computer science, mathematics, statistics, and related disciplines. The book includes modern topics like non-parametric curve estimation, bootstrapping, and classification, topics that are usually relegated to follow-up courses. The reader is presumed to know calculus and a little linear algebra. No previous knowledge of probability and statistics is required. Statistics, data mining, and machine learning are all concerned with collecting and analysing data.

analysis of convergence of the twain: The Woodlanders Illustrated Thomas Hardy, 2020-09-20 The Woodlanders is a novel by Thomas Hardy. It was serialised from May 1886 to April 1887 in Macmillan's Magazine[1] and published in three volumes in 1887.[2] It is one of his series of Wessex novels.

analysis of convergence of the twain: The Uncommon Reader Alan Bennett, 2007-09-18 From one of England's most celebrated writers, a funny and superbly observed novella about the Queen of England and the subversive power of reading When her corgis stray into a mobile library parked near Buckingham Palace, the Queen feels duty-bound to borrow a book. Discovering the joy of reading widely (from J. R. Ackerley, Jean Genet, and Ivy Compton-Burnett to the classics) and intelligently, she finds that her view of the world changes dramatically. Abetted in her newfound obsession by Norman, a young man from the royal kitchens, the Queen comes to question the prescribed order of the world and loses patience with the routines of her role as monarch. Her new passion for reading initially alarms the palace staff and soon leads to surprising and very funny consequences for the country at large. With the poignant and mischievous wit of The History Boys, England's best loved author Alan Bennett revels in the power of literature to change even the most uncommon reader's life.

analysis of convergence of the twain: Capote's Women Laurence Leamer, 2023-08-29
DON'T MISS FX's FEUD: CAPOTE VS. THE SWANS—THE ORIGINAL SERIES BASED ON THE BESTSELLING BOOK—NOW AVAILABLE TO STREAM ON HULU! New York Times bestselling author Laurence Leamer reveals the complex web of relationships and scandalous true stories behind Truman Capote's never-published final novel, *Answered Prayers*—the dark secrets, tragic glamour, and Capote's ultimate betrayal of the group of female friends he called his swans. There are certain women, Truman Capote wrote, who, though perhaps not born rich, are born to be rich. Barbara Babe Paley, Gloria Guinness, Marella Agnelli, Slim Hayward, Pamela Churchill, C. Z. Guest, Lee Radziwill (Jackie Kennedy's sister)—they were the toast of midcentury New York. Capote befriended them, received their deepest confidences, and ingratiated himself into their lives. Then, in one fell swoop, he betrayed them in the most surprising and shocking way possible. Bestselling biographer Laurence Leamer delves into the years following the acclaimed publication of *Breakfast at Tiffany's* in 1958 and *In Cold Blood* in 1966, when Capote struggled with a crippling case of writer's block. While enjoying all the fruits of his success, he was struck with an idea for what he was sure would be his most celebrated novel...one based on the remarkable, racy lives of his very, very rich friends. For years, Capote attempted to write what he believed would have been his magnum opus, *Answered Prayers*. But when he eventually published a few chapters in *Esquire*, the thinly fictionalized lives (and scandals) of his swans were laid bare for all to see, and he was banished from their high-society world forever. Laurence Leamer recreates the lives of these fascinating women, their friendships with Capote and one another, and the doomed quest to write what could have been one of the greatest novels of the twentieth century.

analysis of convergence of the twain: Albion's Seed David Hackett Fischer, 1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are *Albion's Seed*, no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

analysis of convergence of the twain: Social Network Analysis for Startups Maksim Tsvetovat, Alexander Kouznetsov, 2011-10-06 Does your startup rely on social network analysis? This concise guide provides a statistical framework to help you identify social processes hidden among the tons of data now available. Social network analysis (SNA) is a discipline that predates Facebook and Twitter by 30 years. Through expert SNA researchers, you'll learn concepts and techniques for recognizing patterns in social media, political groups, companies, cultural trends, and interpersonal networks. You'll also learn how to use Python and other open source tools—such as NetworkX, NumPy, and Matplotlib—to gather, analyze, and visualize social data. This book is the perfect marriage between social network theory and practice, and a valuable source of insight and ideas. Discover how internal social networks affect a company's ability to perform Follow terrorists and revolutionaries through the 1998 Khobar Towers bombing, the 9/11 attacks, and the Egyptian uprising Learn how a single special-interest group can control the outcome of a national election Examine relationships between companies through investment networks and shared boards of directors Delve into the anatomy of cultural fads and trends—offline phenomena often mediated by Twitter and Facebook

analysis of convergence of the twain: The Force of Fantasy Ernest G. Bormann, 2001 In this book, first published in 1985, Ernest G. Bormann explores mass persuasion in America from

1620 to 1860, examining closely four rhetorical communities: the revivals of 1739-1740, the hot gospel of the postrevolutionary period, the evangelical revival and reform of the 1830s, and the Free Soil and Republican parties. Each community varies greatly, but Bormann asserts that each succeeding community shares a rhetorical vision of restoring the American Dream that is essentially a modification of the previous visions. Thus, they form a family of rhetorical visions that constitutes a rhetorical tradition of importance in nineteenth-century American popular culture.

analysis of convergence of the twain: April in Spain John Banville, 2021-10-05 *NATIONAL BESTSELLER* Booker Prize winner John Banville returns with a dark and evocative new mystery set on the Spanish coast Don't disturb the dead... On the idyllic coast of San Sebastian, Spain, Dublin pathologist Quirke is struggling to relax, despite the beaches, cafés and the company of his disarmingly lovely wife. When he glimpses a familiar face in the twilight at Las Acadas bar, it's hard at first to tell whether his imagination is just running away with him. Because this young woman can't be April Latimer. She was murdered by her brother, years ago—the conclusion to an unspeakable scandal that shook one of Ireland's foremost political dynasties. Unable to ignore his instincts, Quirke makes a call back home to Ireland and soon Detective St. John Strafford is dispatched to Spain. But he's not the only one en route. A relentless hit man is on the hunt for his latest prey, and the next victim might be Quirke himself. Sumptuous, propulsive and utterly transporting, April in Spain is the work of a master writer at the top of his game. Don't miss John Banville's next novel, The Lock-up! Other riveting mysteries from John Banville: Snow

analysis of convergence of the twain: Thomas Hardy and Religion Richard Franklin, 2021-06-07 The wellspring of Thomas Hardy and Religion is the recognition that Thomas Hardy's two late great novels, *Tess of the d'Urbervilles* and *Jude the Obscure*, are dominated, respectively, by two religious traditions of nineteenth-century Anglicanism: Evangelicalism and Anglo-Catholicism. Placing those movements in their historical context alongside other Victorian religious traditions, the author explores the development of Hardy's religious beliefs and ideas up till the 1880s. Evangelicalism in *Tess* is discussed through an analysis of the principal characters, Angel Clare and his father, Parson Clare, Alec d'Urberville and Tess herself, leading to a consideration of why this form of Christianity looms so large in that novel. Not unexpectedly, the reasons for this are linked to Hardy's personal and intellectual biography, especially his religious upbringing and experience of and involvement in these religious traditions. This applies to both novels. The sources of *Jude the Obscure* in Hardy's life and thought, and their links to Anglo-Catholicism, are revealed in the context of the influence of that tradition on the narrative and characters, in particular Jude's sense of vocation, the importance of the university town of Christminster and issues associated with marriage, divorce and sexuality. Throughout his analysis of both novels the author demonstrates how Hardy lambasts the way in which these religious traditions and the conventional Victorian morality they bolstered undermine human flourishing. *Thomas Hardy and Religion* concludes by considering the place these two novels have in the continuing trajectory of Hardy's theological ideas, underlining the critical importance of understanding his religious concerns and reflecting on the way in which his critique of religion is important to people of faith.

analysis of convergence of the twain: Modernist Empathy Eve Sorum, 2019-06-27 Shows how reading modernist literature gives us fresh insights into tensions within the empathetic imagination and empathy itself.

analysis of convergence of the twain: Tess of the D'Urbervilles Thomas Hardy, 1892

analysis of convergence of the twain: The Image of the City Kevin Lynch, 1964-06-15 The classic work on the evaluation of city form. What does the city's form actually mean to the people who live there? What can the city planner do to make the city's image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los Angeles, Boston, and Jersey City, formulates a new criterion—imageability—and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and

vital method for the evaluation of city form. The architect, the planner, and certainly the city dweller will all want to read this book.

analysis of convergence of the twain: Understanding Statistics and Experimental Design

Michael H. Herzog, Gregory Francis, Aaron Clarke, 2019-08-13 This open access textbook provides the background needed to correctly use, interpret and understand statistics and statistical data in diverse settings. Part I makes key concepts in statistics readily clear. Parts I and II give an overview of the most common tests (t-test, ANOVA, correlations) and work out their statistical principles. Part III provides insight into meta-statistics (statistics of statistics) and demonstrates why experiments often do not replicate. Finally, the textbook shows how complex statistics can be avoided by using clever experimental design. Both non-scientists and students in Biology, Biomedicine and Engineering will benefit from the book by learning the statistical basis of scientific claims and by discovering ways to evaluate the quality of scientific reports in academic journals and news outlets.

analysis of convergence of the twain: The Man in the Water

Roger Rosenblatt, 1994 From one of America's most thoughtful and provocative social commentators comes a new collection of essays, reportage, and criticism. Featuring Rosenblatt's most memorable writing in years, this sampling includes his Man of the Year profile of Ronald Reagan for Time.

analysis of convergence of the twain: The Californian's Tale

Mark Twain, 2020-09-28
analysis of convergence of the twain: Blues Poems Kevin Young, 2003-09-02 Born in African American work songs, field hollers, and the powerful legacy of the spirituals, the blues traveled the country from the Mississippi delta to "Sweet Home Chicago," forming the backbone of American music. In this anthology-the first devoted exclusively to blues poems-a wide array of poets pay tribute to the form and offer testimony to its lasting power. The blues have left an indelible mark on the work of a diverse range of poets: from "The Weary Blues" by Langston Hughes and "Funeral Blues" by W. H. Auden, to "Blues on Yellow" by Marilyn Chin and "Reservation Blues" by Sherman Alexie. Here are blues-influenced and blues-inflected poems from, among others, Gwendolyn Brooks, Allen Ginsberg, June Jordan, Richard Wright, Nikki Giovanni, Charles Wright, Yusef Komunyakaa, and Cornelius Eady. And here, too, are classic song lyrics-poems in their own right-from Bessie Smith, Robert Johnson, Ma Rainey, and Muddy Waters. The rich emotional palette of the blues is fully represented here in verse that pays tribute to the heart and humor of the music, and in poems that swing with its history and hard-bitten hope.

analysis of convergence of the twain: Everything that Rises Must Converge

Flannery O'Connor, 1965 Everything That Rises Must Converge (1965) is nine posthumous stories. The introduction is by Robert Fitzgerald.

analysis of convergence of the twain: Compulsory Compassion

Annalise E. Acorn, 2004 Restorative justice is often touted as the humane and politically progressive alternative to the rigid philosophy of retributive punishment that underpins many of the world's judicial systems. Emotionally seductive, its rhetoric appeals to a desire for a right-relation among individuals and communities, and offers us a vision of justice that allows for the mutual healing of victim and offender, and with it, a sense of communal repair. In Compulsory Compassion, Annalise Acorn, a one-time advocate for restorative justice, deconstructs the rhetoric of the restorative movement. Drawing from diverse legal, literary, philosophical, and autobiographical sources, she questions the fundamental assumptions behind that rhetoric: that we can trust wrongdoers' performances of contrition; that healing lies in a respectful, face-to-face encounter between victim and offender; and that the restorative idea of right-relation holds the key to a reconciliation of justice and accountability on the one hand, with love and compassion on the other.

analysis of convergence of the twain: The Black Middle Ages

Matthew X. Vernon, 2018-06-13 The Black Middle Ages examines the influence of medieval studies on African-American thought. Matthew X. Vernon focuses on nineteenth century uses of medieval texts to structure racial identity, but also considers the flexibility of medieval narratives more broadly in the medieval period, twentieth and twenty-first centuries. This book engages disparate discourses to reassess African-American positionalities in time and space. Utilizing a transhistorical framework, Vernon

reflects on medieval studies as a discipline built upon a contended set of ideologies and acts of imaginative appropriation visible within source texts and their later mobilizations.

analysis of convergence of the twain: *The Woman in Black* Susan Hill, 2016-12-19 "Wajahnya sarat dengki dan keputusasaan, seakan tengah mencari sesuatu yang telah direnggut darinya. Dan, wanita itu bersumpah mencurahkan seluruh kebencian dan kesumat dalam dirinya." Ketika Arthur Kipps, pengacara muda, ditugaskan untuk menghadiri pemakaman seorang klien di kota kecil Crythin Gifford, dia menganggapnya sebagai batu pijakan untuk naik jabatan. Sang klien, Nyonya Drablow, tinggal sendiri di Eel Marsh House yang dikepung rawa-rawa berkabut. Rumah besar dan kuno ini yang hanya dapat didatangi ketika air sedang surut. Ternyata tak ada warga Crythin Gifford yang sudi berurusan dengan Nyonya Drablow maupun Eel Marsh House. Mereka bilang tempat itu dikutuk, sering terdengar lolongan mengenaskan dari balik kabut. Kipps menguatkan diri dan nekad bermalam di Eel Marsh House, meski banyak orang mencegahnya. Di rumah angker itu, Kipps bertemu dengan sesosok wanita bergaun hitam. Sosok arwah legenda yang kemunculannya selalu diikuti oleh kematian misterius. Sosok penuh dendam dan kebencian yang selalu ingin memakan korban. Dan kini dia mengejar Kipps. Siapakah sebenarnya wanita bergaun hitam itu? [Mizan Publishing, Qanita, Novel, Klasik, Terjemahan, Indonesia]

analysis of convergence of the twain: *Travelling Songs* Simon Armitage, 2010-11-25 Simon Armitage once observed that there are two types of poems - those that try to work out the chemical equation for language, and those that tell stories and sing songs. These are very much the latter, a handful of lyrics and verses written over number of years, many being commissioned to celebrate or commemorate public events, others being part of larger projects in theatre, radio and television. Erotic, witty, flippancy, poignant and always melodic, *Travelling Songs* is a kind of busker's handbook, the kind of work that might win a poet a decent meal when singing for his supper. Or as the author comments, 'Describing yourself as a poet is often seen as a challenge or even an alibi. In those circumstances, it's worth having a few tunes up your sleeve to prove it.'

analysis of convergence of the twain: Analysis of the Poetic Text Юрий Михайлович Лотман, 1976

analysis of convergence of the twain: Guide to Cultivating Complex Analysis Jiri Lebl, 2020-09-16 An introductory course in complex analysis for incoming graduate students. Created to teach Math 5283 at Oklahoma State University. The book has somewhat more material than could fit in a one-semester course, allowing some choices. There are also appendices on metric spaces and some basic analysis background to make for a longer and more complete course for those that have only had an introduction to basic analysis on the real line.

analysis of convergence of the twain: Return of the Native Annotated Thomas Hardy, 2021-01-19 One of Thomas Hardy's most powerful works, *The Return of the Native* centers famously on Egdon Heath, the wild, haunted Wessex moor that D. H. Lawrence called 'the real stuff of tragedy.' The heath's changing face mirrors the fortunes of the farmers, inn-keepers, sons, mothers, and lovers who populate the novel. The 'native' is Clym Yeobright, who comes home from a cosmopolitan life in Paris. He; his cousin Thomasin; her fiancé, Damon Wildeve; and the willful Eustacia Vye are the protagonists in a tale of doomed love, passion, alienation, and melancholy as Hardy brilliantly explores that theme so familiar throughout his fiction: the diabolical role of chance in determining the course of a life.

analysis of convergence of the twain: When Earth's Last Picture is Painted Rudyard Kipling, 19?? Text of poem first collected as *L'Envoi* in *The Seven Seas* as part of Barrack-room ballads (N.Y.: D Appleton, 1896). Otherwise published as *When earth's last picture is painted*.
