Answering God: A Journey of Faith, Doubt, and Dialogue

Introduction:

Have you ever felt the overwhelming urge to "answer God"? This isn't about a literal conversation, but a deeper exploration of our relationship with the divine, a wrestling with faith, doubt, and the profound questions that life inevitably presents. This post offers a framework for understanding this complex internal dialogue, exploring the different ways we engage with our faith and the journey towards a more meaningful connection with the divine. We'll delve into the process of self-reflection, the role of prayer and contemplation, and the importance of living a life that resonates with your understanding of God. Whether you're struggling with doubt, seeking a deeper connection, or simply curious about this internal conversation, this guide offers practical steps and insightful perspectives.

1. Understanding the Nature of "Answering God"

The phrase "answering God" is inherently metaphorical. We're not speaking to a being who demands literal responses, but rather engaging in a process of deep spiritual reflection and action. This involves examining our lives in light of our beliefs, confronting our doubts and fears, and aligning our actions with our values. It's a journey of introspection, where we seek to understand God's will as it intersects with our own lives and choices. This involves honest self-assessment, acknowledging our strengths and weaknesses, and understanding our motivations. Are our actions driven by love, compassion, and a desire to serve a higher purpose, or are we influenced by ego, fear, or self-interest?

1. The Role of Prayer and Contemplation in Answering God

Prayer is not simply asking for things; it's a conversation, a dialogue. It's a space to express our joys, sorrows, doubts, and hopes. Contemplation, on the other hand, is a quieter form of prayer, a meditative practice that allows us to listen to the still, small voice within. Through both prayer and contemplation, we open ourselves to receiving guidance and inspiration. It's crucial to approach these practices with humility and openness, acknowledging that the answers may not always come in the form we expect. Sometimes the "answer" lies in the process of seeking, in the deeper understanding of oneself that unfolds along the way.

1. Wrestling with Doubt: A Necessary Part of Faith

Doubt is not the opposite of faith; it can be a catalyst for deeper faith. Honest questioning is a sign of a living faith, a willingness to grapple with the complexities of belief. Instead of suppressing doubts, we should embrace them as opportunities for growth. By engaging with our questions, we can deepen our understanding of our beliefs and strengthen our faith. This often involves seeking answers from trusted sources like spiritual mentors, religious texts, or thoughtful conversations with others.

1. Living a Life that Resonates with Your Beliefs

"Answering God" isn't just a mental exercise; it's a way of living. Our actions should reflect our beliefs. This involves making conscious choices that align with our values, treating others with compassion and respect, and striving to live a life of purpose and meaning. This could involve volunteering, advocating for social justice, engaging in acts of service, or simply living a life of integrity and honesty. The

consistency between our beliefs and actions is a key element of authentic faith.

1. Seeking Guidance from Trusted Sources

Throughout this journey, seeking guidance from trusted sources is invaluable. This could include spiritual mentors, religious leaders, trusted friends, or insightful books and writings. These sources can offer different perspectives, challenge our assumptions, and provide support as we navigate our faith journey. Remember to be discerning in choosing your sources, ensuring they align with your values and offer sound wisdom.

1. Embracing the Mystery: Accepting What We Don't Know

Not every question will have a clear answer. Embracing the mystery and accepting the unknown is a crucial aspect of "answering God." This involves developing a sense of peace and trust, even in the face of uncertainty. Recognizing that life's complexities often transcend our understanding can lead to a deeper appreciation for the divine. Faith, in its truest form, often involves accepting the things we cannot fully comprehend.

1. The Ongoing Dialogue: A Lifetime Journey

"Answering God" is not a destination but a continuous process. It's a lifelong dialogue, a journey of

growth and discovery. The questions may change, and our understanding may evolve, but the essential act of engaging with our faith remains a constant source of meaning and purpose. The journey itself is a crucial part of the process, shaping our understanding and strengthening our connection with the divine.

1. Finding Peace and Purpose Through the Dialogue

Ultimately, the goal of "answering God" is to find peace and purpose in our lives. This involves cultivating a sense of connection, meaning, and belonging. By actively engaging with our faith and striving to live authentically, we can discover a profound sense of purpose and fulfillment. This sense of peace and purpose is a testament to the transformative power of this ongoing dialogue.

answering god: When God Doesn't Answer Your Prayer Jerry L. Sittser, 2009-10-14 More than a decade ago, Jerry Sittser prayed for the protection of his family, yet three of his loved ones--his daughter, his wife, and his mother--died in an automobile accident. What went wrong? Why wasn't

my prayer answered? he asks. It is no longer an abstract question to me. What should we do and how should we respond when our prayers--prayers that seem right and true and good--go unanswered? In *When God Doesn't Answer Your Prayer*, Sittser continues exploring the issues he addressed in *A Grace Disguised*. He asks, Why doesn't God answer our prayers? What, if anything, can we do about it? Sittser is intensely committed to exploring the Christian faith, especially when it doesn't seem to work. In this thoughtful and beautifully written book, he moves beyond easy answers and religious formulas to explore the goodness and greatness of a God who cannot be controlled but can be trusted. *When God Doesn't Answer Your Prayer* takes an honest and probing look at the problem of unanswered prayer. In doing so, it draws us ever deeper into a relationship with the God who is the end of all our prayers, the object of our faith, the one who fulfills our deepest longings.

answering god: Answering God's Call Dave Johnson, 2023-03-23 Dave Johnson has produced a life memoir that illustrates God's grace and his leading. I've known Dave for over 30 years, and have appreciated his heart for evangelism, for service, and his diligence in pursuing a call that would leave a legacy. He's been intentional and looked at ministry through the lens of multiplying the Message. From evangelistic meetings, to mentoring, to pursuing advanced studies and now through a passion that Asian theologians and leaders would write and influence their church and the next generations, Dave has passionately pursued the call. He and Debbie are pursuing a life that is invested in Kingdom purposes. As in most stories, you may find links to your own life. I think you will be encouraged to see how God worked in the life of one man, walking with him through times of joy and times of struggle. From this story, we can reaffirm how God will work in each of our lives. Dave has provided detail, not glossed over times of searching, and in that has provided an encouraging word that affirms our God who does all things well. Rev. William Snider Former Area Director, Southeast Asia, Assemblies of God (USA) World Missions From the Foreword Let me make something clear from the beginning. Writing my memoirs does not mean that we are retiring. Far from it. We intend to be in missions for as long as God wants us here. This book is about leaving a legacy, hopefully a good one, and doing what we can to get it into the hands of those for whom it is intended. Dave Johnson Adapted from the Introduction

answering god: Answering God's Wake-Up Call Dr. Regina Vincent Clark, 2013-01-22 If you are breathing, thinking, talking, walking, hoping, dreaming, expecting, believing. . . . If you are moving in any shape, form, or fashion, this book is for you. If you have ever been challenged by jobs, people and their peculiar ways, this book is for you. You are on a journey just as I have been. *Answering God's Wake-up Call* (2013) chronicles 100 days of my journey with the Holy Spirit - a journey that landed me in Antigua. Shared with readers are events, days, prayers, poems, thoughts that represent a very real walk with God. An emphasis is placed on obedience and listening for God and to God. This book picks up in some ways where *Yes, God, I'm Listening* (2002) left off. As we all know, it is one thing to listen - it is many times more important to be obedient. And we are called to tell others of our experiences. When you get the wake-up call, what will you do? Hit the snooze and roll over? It's a journey! Don't miss the call!! This book is for you. From the rising of the sun to the going down of the same, His name is to be praised. Regina Vincent Clark, Ed.D., says she felt called or sent to Antigua, West Indies in 2010 - the same time that she began formally documenting journal entries which, within a year, would become the basis for this book. Dr. Clark's experience of employment and community outreach were as much a part of her journey as the personal relationships formed with individuals in Antigua and her eye-opening experience of coming to know the Holy Spirit as a person, a friend, a guide, and a dependable confidante.The life story is clearly a testimony that where God guides, He provides many opportunities to us to be used as a Blessing to others. LouiseExcellent testimony!! Always remember, there are no bad days in CHRIST, >only opportunities to grow your faith. Keep studying and be encouraged. Minister JerryThanks for sharing your spiritual journey . . . It was just what I needed with my morning cup of tea! Victoria>I can relate to everything you wrote. From the challenges of my job . . . to recognizing the presence of the Holy Spirit in my life, leading, guiding, nurturing me. Muriel

answering god: Answering God's Call to Write Yolanda Chen aka Wen-Hui Yiu, 2024-09-24 The purpose and theme are to testify and honor only one person, Jesus. It emphasizes walk the walk, not simply talk the talk. In doing that, those miraculous stories will be a light and a witness to shine to the world in any way He wants. When I was teaching, I always prayed, Lord, help me to be the first student of my teaching. Today, I am praying with the same attitude in my writing. As the quote says, Success is the process itself. Yes, even in the process of the encountering, I did not simply tell the stories mechanically, but it was during the process of how I went through the journey, so whatever the problems were, I cast them all to my ultimate problem solver, provider, and author, my Lord Jesus. All of the true stories are the evidence that testify and bring those scriptures alive. Praise the Lord! Conclusion In this writing, I like to share my three biblical principles. Being filled with the Holy Spirit, in the beginning, during the process, and every step of the way, even to the very end. Therefore, I must let the Spirit of God have His way in my writings. Always be sensitive to respond to His convictions regardless of my understanding. The power to serve God is, Have you fully surrendered to God? R. Torrey. Excellent Christian character. The core conviction in this book is that I learned to completely surrender before God from the beginning to the very end. He who began a good work in you will carry it on to completion until the day of Jesus Christ (Philippians 1:6). To Him be the glory!

answering god: Answering God's Call Barbara Lee, 2021-06-24 God's call for us doesn't end when we retire. In fact, many of our biblical saints were in their later years before God called them to the adventures for which we know them: leadership, new life, transformation, healing. Their lives demonstrate that true callings are discerned not simply through reason and circumstance but also through self-knowledge and conversation with God. In *Answering God's Call*, spiritual director Barbara Lee uses Scripture-focused prayer to help readers connect with some of our elder saints and consider what God reveals to us through their lives. We will spend time with Anna and Abram,

Simon's mother-in-law and Namaan the Syrian, a widow, a leper, a king, and a late-in-life mother-to-be, among others, who will open for us the calls to trust humility stillness forgiveness service radical change letting go choosing caregiving courage... Dare to receive what your life is now—and ask God how to live it best.

answering god: Answering God's Call to Discipleship John Henderson, 2024-07-17 In answering God's call to discipleship, each person must willfully surrender his or her powerful and natural desire to live according to self-seeking worldly rules and norms. Instead comes the commitment to strive to live ever closer to Him in love, trust, and obedience. This decision is radical and thus difficult. But the rewards of striving to become a Christ-centered spiritual being rather than a worldly one are profound and miraculous. The path to living according to God's will rather than our own is clearly directed by Scripture and is unequivocally defined by the life, teachings, sacrificial death, and resurrection of Christ. Every step is guided by the Holy Spirit. This book of daily readings is designed to help take you day by day into seeking life in His very presence. In it, you will find insights and advice on the struggles that are part of the spiritual growth each individual must have to be transformed into His image, which He intended at the very moment of your creation. It is part of John's ministry of teaching, speaking, and writing about the power and glory of actually answering Christ's universal call to His discipleship. Visit www.johnwhenderson.com.

answering god: Conversations with God for Teens Neale Donald Walsch, 2012-10-01 Suppose

you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, Why can't I just have sex with everybody? What's the big deal?, the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you? There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

answering god: God Is Not Great Christopher Hitchens, 2008-11-19 Christopher Hitchens, described in the *London Observer* as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

answering god: Answering Atheism Trent Horn, 2013-09-01 Today's New Atheists don't just deny God's existence (as the old atheists did) - they consider it their duty to scorn and ridicule religious belief. We don't need new answers for this aggressive modern strain of unbelief: We need a new approach. In *Answering Atheism*, Trent Horn responds with a fresh and useful resource for the God debate, based on reason, common sense, and more importantly, a charitable approach that respects atheists' sincerity and good will, making this book suitable not just for believers but for skeptics and seekers too. Meticulously researched, and street-tested in Horn's work as a pro-God apologist, it tackles all the major issues of the debate, including: -Reconciling human evil and suffering with the existence of a loving, all-powerful God -Whether the empirical sciences have eliminated the need for God, or in fact point to him -How atheists usually deny moral laws (and thus a moral lawgiver) in theory

answering god: Answering Only to God Jonathan Lyons, Geneive Abdo, 2015-10-14 Of the many 20th-century upheavals that continue to rattle our 21st-century world, few are as misunderstood or as stubbornly resistant to Western understanding as Iran's Islamic Revolution. Now, that Iran and its long-time foe, the United States, appear to be mending ties, there is widespread hope that the distortions, misunderstandings, and stereotypes that formed the Western impression of the Islamic republic will end. For more than three decades, viewing Iranian society as an incendiary, pariah state that harbors unrelenting hostility for many of its influential, pro-American neighbors - from Israel to Saudi Arabia - has helped keep the focus on Iran as the implacable foe of U.S. interests. While the degree of demonization will likely subside as Iran and the West improve relations, this is unlikely to bring Westerners to a closer understanding of why the Islamic revolution happened in the first place. The more difficult challenge is to develop a proper appreciation of the far more fundamental role played by the vexed questions of religion and religious identity - topics that readers, analysts, politicians, and academics all too often discount in favor of more familiar and comfortable factors: the political, the economic, and the strategic. This is not only true for Iran but for Arab societies as well, which are often studied and analyzed with little attention

paid to the role religion in destabilizing societies and fomenting violence. The Western understanding of history, grounded in the Enlightenment with its general disdain for religion, has compounded the difficulty of analyzing and understanding those societies - in contrast to our own - in which religion has never been formally separated from other central aspects of social, political, and intellectual life. Answering Only to God is an attempt to redress this state of affairs by focusing much-needed attention on the very questions that continue to this day to animate Iran and, by extension, much of the contemporary Arab and broader Muslim world: What does it mean to be a good Muslim? And who gets to answer that question? In the specific case of Iran, these concerns have taken on another, related aspect, chiefly, Can the Iranian Revolution deliver on its promise to create a society that is both recognizably democratic and legitimately Islamic?

answering god: *God Has a Name* John Mark Comer, 2024-10-15 What you believe about God sets the foundation of the person you will become. In *God Has a Name*, pastor and New York Times bestselling author John Mark Comer invites you to rethink many of the prevalent myths and misconceptions about God and weigh them against what God actually tells us about himself. After all, what you believe about God will ultimately shape the type of person you become. We all live at the mercy of our ideas, and nowhere is this more true than our ideas about God. The problem is many of our ideas about God are wrong. Not all wrong, but wrong enough to form our souls in detrimental and disheartening ways. *God Has a Name* is a simple yet profound guide to understanding God in a new light--focusing on what God says about himself in the Bible. This one shift has the potential to radically alter how you relate to God, not as a doctrine, but as a relational being who responds to you in an elastic, back-and-forth way. John Mark Comer takes you line by line through Exodus 34:6-8--Yahweh's self-revelation on Mount Sinai, one of the most quoted passages in the Bible. Along the way, Comer addresses some of the most profound questions he came across as he studied these noted lines in Exodus, including: Why do we feel this gap between us and God? Could it be that a lot of what we think about God is wrong? Not all wrong, but wrong enough to mess up how we relate to him? What if our God is really a projection of our own identity, ideas, and desires? What if the real God is different, but far better than we could ever imagine? No matter where you are in your spiritual journey, *God Has a Name* invites you to step into a fresh and biblically rooted vision of who God is that has the potential to alter your life with God and shape who you become.

answering god: *God, Do You Hear Me?* Derwin Gray, 2021-10-05 God, do you hear me? If we're honest, that's a sentiment we've all shared. Prayer can be challenging and confusing. Often we feel abandoned, betrayed, and anxious. We don't know what to pray for, we don't know the words to say, and sometimes it just feels like there's no one on the other side. Through the pages of this book, pastor and bestselling author Derwin Gray will journey with you, in learning and living the prayer that God always answers. This prayer is commonly called the Lord's Prayer (Matt 6:9-13). The Lord's Prayer is the firm foundation God uses to build our lives on the Rock. It will help you break through to a completely new and refreshing prayer life. Along this journey, you'll learn several things about prayer: Prayer is the secret place where we find God waiting for us. Prayer is the door we enter to discover God's heart of unending grace. Prayer is the home we have always wanted, where we can crawl into our Father's lap and find our purpose. Prayer is not about getting God to give us stuff. It is about becoming who we were made to be: a reflection of Jesus in the world.

don't have to understand God to trust him. "Just trust me." Those are the words we often hear in movies just before something bad happens. And yet, we are told to trust God. In a culture where we tend to take control of our own lives, trusting God has become a religious platitude rather than a life-changing attitude. We say it, but do we really mean it? And what does trusting God really look like? Sharon, Mary, and Gwen—the Girlfriends in God ministry team—have been there. They've traveled the tough roads of life to discover the peace and power that comes from grabbing the hand of God and trusting his plan. The life stories they share bring laughter and sometimes tears, but always spiritual growth. Each of the 12-week sections concludes with a Bible study guide and journal page, inviting you to lock arms with Sharon, Mary, and Gwen and share with other women in a small group setting or to use individually in your own quiet time.

answering god: How God Answers Prayer Elmer Towns, 2009 This book does not tell you how to get answers to your prayers—there are thousands of books like that. This is a radically different book because it approaches prayer from God's perspective.

answering god: How I Know God Answers Prayer Rosalind Goforth, 1921 IT seems fitting that this little book of personal testimonies to answered prayer should have a brief introductory word as to how they came to be written. The question has been asked by some who read many of these testimonies as they appeared in the pages of The Sunday School Times: How could you write such personal and sacred incidents in your life? I could not have written them but for a very clear, God-given leading. The story is as follows: When in Canada on our first furloughs I was frequently amazed at the incredulity expressed when definite testimony was given to an answer to prayer. Sometimes this was shown by an expressive shrug of the shoulders, sometimes by a sudden silence or turning of the topic of conversation, and sometimes more openly by the query: How do you know that it might not have happened so, anyway? Gradually the impression deepened: If they will not believe one, two, or a dozen testimonies, will they believe the combined testimonies of one whole life? The more I thought of what it would mean to record the sacred incidents connected with answers to prayer the more I shrank from the publicity, and from undertaking the task. There were dozens of answers far too sacred for the public eye, which were known only to a few, others known only to God. But if the record were to carry weight with those who did not believe in the supernatural element in prayer, many personal and scarcely less sacred incidents must of necessity be made public.
