Are Polos Business Casual? A Comprehensive Guide

Introduction:

Navigating the Business Casual Dress Code: The Polo Shirt Question

The question of whether polo shirts are considered business casual is a common one, particularly for professionals seeking to balance comfort and professionalism in the workplace. The answer, however, isn't a simple yes or no. The appropriateness of a polo shirt in a business casual setting depends on several factors, including industry, company culture, and the specific context of the workday. This comprehensive guide will explore these nuances, offering clarity and practical advice on when a polo shirt is a suitable choice and when it might be better to opt for a different style.

Article Outline:

- IV. Alternative Business Casual Options
- V. When Polos Are Definitely Not Business Casual

Article Body:

- I. Defining "Business Casual"

Understanding the Business Casual Dress Code: A Definition

Business casual is a dress code that aims to strike a balance between formal and informal attire. It generally avoids overly casual items like jeans, t-shirts, and sneakers, while also steering clear of suits and ties. The goal is to present a professional yet approachable image.

II. Factors Influencing Polo Shirt Appropriateness

a. Industry Norms

Industry Standards for Business Casual Attire: A Polo Shirt's Place

Different industries have different expectations regarding professional attire. In more creative or relaxed industries like advertising or tech, polo shirts might be perfectly acceptable, even common. However, in more conservative fields like finance or law, a button-down shirt or even a blazer might be preferred.

b. Company Culture

Company Culture and the Acceptance of Polo Shirts in Business Casual

Company culture plays a significant role. Some companies have a very strict dress code, while others are more lenient. Observing your colleagues' attire and checking your company's dress code policy is crucial before deciding to wear a polo shirt.

c. Specific Work Events

Situational Appropriateness of Polo Shirts: Considering the Occasion

The context of the work event is vital. A client meeting might necessitate a more formal look than an internal team meeting. A polo shirt might be suitable for a casual team lunch but less so for a presentation to senior management.

III. Choosing the Right Polo Shirt

a. Fabric and Fit

Fabric and Fit: Choosing the Right Polo for a Professional Look

The fabric and fit of your polo shirt matter greatly. Opt for high-quality materials like cotton pique or a cotton blend that is wrinkle-resistant and breathable. A well-fitting polo – neither too tight nor too

loose – projects a more polished appearance.

b. Color and Pattern

Color and Pattern Choices: Maintaining Professionalism with Polos

Stick to solid, neutral colors such as navy, white, gray, or black. Avoid overly bright colors, loud patterns, or graphics. Subtle patterns like small stripes or checks are generally acceptable, but always err on the side of caution.

c. Condition and Cleanliness

Condition and Cleanliness: The Importance of Presentation

Ensure your polo shirt is clean, wrinkle-free, and in good condition. Avoid wearing a polo shirt that is faded, stained, or has any visible damage. A well-maintained polo demonstrates attention to detail and professionalism.

IV. Alternative Business Casual Options

Alternative Attire Options for Business Casual Settings

If you're unsure about wearing a polo shirt, there are always alternatives. Button-down shirts, dressy blouses, and sweaters are generally safe choices for most business casual environments.

V. When Polos Are Definitely Not Business Casual

Situations Where Polos Should Be Avoided in a Professional Context

There are specific situations where a polo shirt is undeniably inappropriate. These might include formal client meetings, important presentations, or interactions with high-level executives. In these cases, a more formal outfit is necessary.

Conclusion:

Conclusion: Making Informed Decisions about Polo Shirts in Business Casual

The acceptability of polo shirts in a business casual environment hinges on a careful consideration of several factors. By understanding industry norms, company culture, and the specific context of your work, you can make an informed decision about whether a polo shirt is appropriate. Prioritizing a high-quality, well-fitting polo in neutral colors will further enhance your professional image. When in doubt, err on the side of caution and opt for a more formal option.

Frequently Asked Questions (FAQs):

Q: Can I wear a polo shirt with jeans in a business casual setting? A: Generally, no. Jeans are typically too casual for most business casual settings, even with a polo shirt.

Q: What type of shoes should I wear with a polo shirt for business casual? A: Loafers, boat shoes (depending on the context), or clean, polished leather oxfords are better choices than sneakers.

Q: Are there any specific brands of polos that are better suited for business casual? A: Brands known for quality materials and classic styles, such as Lacoste, Ralph Lauren, or Brooks Brothers, are often considered suitable for business casual settings. However, this depends on your company's standards.

Q: Can I wear a polo shirt with a blazer? A: Yes, a blazer can elevate a polo shirt and make it more appropriate for a business casual environment, particularly in some industries.

are polos business casual: *The Financially Challenged* Wilson J. Humber, 1995 Packed with eye-opening principles that will help the financially challenged move beyond their challenges, this book offers practical steps to steer clear of--or emerge from--financial disaster. Graphs and charts.

are polos business casual: *The Style Guy* Glenn O'Brien, 2000 GQ magazine's *Style Guy* columnist combines razor-sharp wit with solid advice on dress, manners, sex, grooming, and dating--including cigar and cell phone etiquette, tips on ordering wine in restaurants, and the cold, hard facts on cutoff jeans, ribbed tank tops, and black shoes with white socks.

are polos business casual: *Dressing the Man* Alan Flusser, 2002-10-01 *Dressing the Man* is the definitive guide to what men need to know in order to dress well and look stylish without becoming fashion victims. Alan Flusser's name is synonymous with taste and style. With his new book, he combines his encyclopedic knowledge of men's clothes with his signature wit and elegance to address the fundamental paradox of modern men's fashion: Why, after men today have spent more money on clothes than in any other period of history, are there fewer well-dressed men than at any time ever before? According to Flusser, dressing well is not all that difficult, the real challenge lies in being able to acquire the right personalized instruction. Dressing well pivots on two pillars -- proportion and color. Flusser believes that Permanent Fashionability, both his promise and goal for the reader, starts by being accountable to a personal set of physical trademarks and not to any kind of random, seasonally served-up collection of fashion flashes. Unlike fashion, which is obliged to change each season, the face's shape, the neck's height, the shoulder's width, the arm's length, the torso's structure, and the foot's size remain fairly constant over time. Once a man learns how to adapt the fundamentals of permanent fashion to his physique and complexion, he's halfway home. Taking the reader through each major clothing classification step-by-step, this user-friendly guide helps you apply your own specifics to a series of dressing options, from business casual and formalwear to pattern-on-pattern coordination, or how to choose the most flattering clothing silhouette for your body type and shirt collar for your face. A man's physical traits represent his individual road map, and the quickest route toward forging an enduring style of dress is through exposure to the legendary practitioners of this rare masculine art. Flusser has assembled the largest and most diverse collection of stylishly mantled men ever found in one book. Many never-before-seen vintage photographs from the era of Cary Grant, Tyrone Power, and Fred Astaire are employed to help illustrate the range and diversity of authentic men's fashion. *Dressing the Man*'s sheer magnitude of options will enable the reader to expand both the grammar and verbiage of his permanent-fashion vocabulary. For those men hoping to find sartorial fulfillment somewhere down the road, tethering their journey to the mind-set of permanent fashion will deliver them earlier rather than later in life.

are polos business casual: *Men of Style* Josh Sims, 2016-11-15 A style guide with heft. *Men of Style* profiles the best-dressed men of recent centuries: from actors to statesman, playboys to painters, the iconic and the more unexpected. Comprising profiles of their colorful, dapper lives, sartorial and personal, explaining too how they have shaped menswear today. The core focus of the book is not only the story of men's style, but the men who embody it and act as its most inspiring exemplars. A useful book for students of fashion history, followers of celebrity and stylish men alike.

are polos business casual: Code for What? Clifford Lee, Elisabeth Soep, 2023-01-10 Coding for a purpose: helping young people combine journalism, data, design, and code to make media that makes a difference. Educators are urged to teach “code for all”—to make a specialized field accessible for students usually excluded from it. In *Code for What?* Clifford Lee and Elisabeth Soep instead ask the question, “code for what?” What if coding were a justice-driven medium for storytelling rather than a narrow technical skill? What if “democratizing” computer science went beyond the usual one-off workshop and empowered youth to create digital products for social impact? Lee and Soep answer these questions with stories of a diverse group of young people in Oakland, California, who combine journalism, data, design, and code to create media that make a difference. These teenage and young adult producers created interactive projects that explored gendered and racialized dress code policies in schools; designed tools for LGBTQ+ youth experiencing discrimination; investigated facial recognition software and what can be done about it; and developed a mobile app to promote mental health through self-awareness and outreach for support, and more, for distribution to audiences that could reach into the millions. Working with educators and media professionals at YR Media, an award-winning organization that helps young people from underserved communities build skills in media, journalism, and the arts, these teens found their own vibrant answers to “why code?” They code for insight, connection and community, accountability, creative expression, joy, and hope.

This essential collection of do's and don'ts, from the fundamentals to the obscure and eccentric, will ready any man to conquer all of life's daily challenges and opportunities with finesse and good spirit. Effortlessly elevate your style and reputation with this vital handbook.

are polos business casual: The End of Fashion Teri Agins, 2010-10-12 A solid, hard-hitting, and uncompromising journalistic look at the fashion industry. The time when fashion was defined by French designers whose clothes could be afforded only by elite has ended. Now designers take their cues from mainstream consumers and creativity is channeled more into mass-marketing clothes than into designing them. Indeed, one need look no further than the Gap to see proof of this. In *The End of Fashion*, Wall Street Journal, reporter Teri Agins astutely explores this seminal change, laying bare all aspects of the fashion industry from manufacturing, retailing, and licensing to image making and financing. Here as well are fascinating insider vignettes that show Donna Karan fighting with financiers, the rivalry between Ralph Lauren and Tommy Hilfiger, and the commitment to haute couture that sent Isaac Mizrahi's business spiraling.

are polos business casual: Ivy Style Patricia Mears, 2012 A history of Ivy Style in menswear, tracing the origins and diffusion of this enduring and classic fashion

are polos business casual: Everything Twentys David Edwards, Margaret Feinberg, Janella Griggs, Matthew Paul Turner, 2006-05 *Everything Twentys* offers a surprisingly honest look at the societal pressures, religious taboos, and personal struggles that twentysomethings face every day. Written by authors who are grappling with the issues firsthand, this book surveys every area of the twentysomething lifestyle, including relationships, money, image, faith, work, and culture, and will provide real-world strategies for making every day of this turbulent decade count.

are polos business casual: *The Price of Forever* Ember Leigh, Jordan is off-limits: not only is she my client's sister, she's ten years my junior. But that's not stopping me from making her mine... I've protected more princesses, celebrities, and billionaires than I could shake a bulletproof vest at. I'm ready to move onto less dramatic pastures: becoming the CEO of my own protection company. Until the Fairchilds ask me to personally oversee their little sister Jordan, who they're desperate to reconnect with—and keep safe as she enters into their world. I'd do anything for these guys – so of course I say yes. Besides, I know the two most important rules of this biz: don't mount the ward, and never become emotionally involved. I'm positive this assignment will be the final slam dunk in my close protection resume...until I see her. She's five foot nothing with gray eyes that put me in a chokehold. Barista by day, stripper by night, Pokemon hunter in-between. She can't even blink without making a few guys cream their briefs. I think I know what to expect from a fire-breathing brat like her, who pushes and pulls at every opportunity. But it turns out, she's everything I didn't expect to need. As my assignment turns into co-habitation and so much more, all the rules fly out the window. This love could destroy me, and the mission we're on could ruin both of our lives if it goes sideways. We're fighting for the fate of her brothers...and Jordan is prepared to pay the ultimate

price to save her family. Billionaires. Bad boys. Bleeding hearts. These outsiders are known as the Bad Boys of Wall Street and every book in the series features glittering Manhattan skyscrapers, swoon-worthy heroes, and a guaranteed HEA. The Price of Forever is an age-gap, bodyguard/stripper romance, book #5 in the Bad Boys of Wall Street series. This can be read as a stand-alone, but the series is best read in order, since the drama is chronological and cumulative throughout the books. Keywords: billionaire, bad boy, love books, love stories, new adult, romantic novels, sexually romantic books, breakup, wall street, second chance, wealthy, ceo, office, romance novel, sexy book, sexy romance book, steamy romance novel, alpha hero reads, office romance, New York romance, soulmates, soul mates, alpha hero, alphahole, alpha hole, spicy romance, bodyguard romance, billionaire romance, five star romance, hot reads, possessive heroes, dominant heroes, page-turner romance, romantic love story, passionate romance, love books, love stories, stripper, stripper romance, hot bodyguards, age gap romance, ten year age gap

are polos business casual: Fashion Drawing For Dummies Lisa Arnold, Marianne Egan, 2012-04-06 The fast and easy way to learn the art of fashion drawing This fun guide gives you dozens of step-by-step diagrams that walk you through the process of preparing creative illustrations that you can later develop into dynamic presentations for your design portfolio. Plus, you'll not only learn how to draw clothes and fabric, but also how to show details that make up the total look: faces and hairstyles, fashion accents, and a wide variety of textures. If you're an aspiring fashion designer, you know it's essential to be able to draw, prepare, and present a fashion drawing. Whether you have little or no prior drawing experience, Fashion Drawing For Dummies gives you easy-to-follow, non-intimidating instructions for mastering the drawing skills you need to design like a pro. Learn the rules and techniques of fashion drawing Draw the fashion figure in different poses and from multiple angles Discover how to complement your drawings with accessories, clothing, and style If you're a fledgling designer looking for non-intimidating guidance on learning the ins and outs of fashion drawing, this friendly guide has you covered!

To save eight happily ever afters From the mists of time? A missed first date and time out of sync, can these star-crossed lovers find their way back to each other? A secret magical ritual and a leap across time brings these two lovers together. Will time run out or will the tumblers align? Separated by age and death, will two lovers of a lifetime reunite under the same magic that brought them together? Ghosts. A magical Victorian portrait. And a love that transcends a century. Can it transcend a curse and borrowed time? When the mystery of a bestselling writer's decade-old disappearance haunts his first novel, Stori Easton races against time to save him. When a carpenter renovating a seaside Victorian mansion hears an angelic voice, he falls through time into the life of a former opera star silenced by tragedy. Can his love restore her voice and heal her heart? After inheriting a famed archaeologist's tools, Ever finds herself in the Valley of Kings, falling in love and trying to solve his murder. Only a rare conjunction of a full moon and the winter solstice will allow Skye Delaney one last chance to travel back in time and save the famous painter she's loved for a lifetime. Timeless...eight time travel romance stories by award-winning author, Lisa S. Silverthorne.

are polos business casual: A Tiger's Tale Craig Cooper, Capt. Ian Sonnenberg, John Sonnenberg, 2018-08-31 Originally, this was just a journal to document a tiger experience. Capt. Ian Sonnenberg invited his dad, John Sonnenberg, and his uncle, Craig Cooper, to join him in Honolulu aboard the USS San Diego (LPD-22) and sail to Camp Pendleton, California, on a tiger cruise. There was some brief preliminary information and a couple of emails, but there was little information on what to expect from the experience. The plan was to capture the experience so others would feel more prepared. But this project turned into something more. The journal then shifted to creating a guidebook for anyone going on an extended tiger cruise as well as composing a journal. As the journal developed into a manual for tiger cruises, it took on another dimension. This document grew to be an optimistic accounting of the future of America. This team of Sailors and Marines crossed the globe, with our flag proudly flying from the mast, and showed the world the strength and spirit of the United States. They all the US military indeed, are celebrated in the successful culmination of their missions. In addition to this optimistic message came the realization that the future leaders of our industries, institutions, and government are being developed within these brave men and women. Hoorah!

are polos business casual: Clothes Make the Man John White, 2018-02-11 Dressing for success in business and life is described and shown with 300 plus color photos no matter what type of organization you work for, Traditional, Business Casual or Casual dress and includes materials, colors, fit, style, and tailoring principles that apply to every outfit you ever wear. White begins with suits, dress shirts and ties as well as blazers/sports jackets. That is followed by casual attire for companies that dress in jeans, t-shirts, casual pants, polo shirts, shorts and sneakers. He includes outerwear and winter coats. The book begins with how to be well-dressed for a job interview because first you have to look like someone they want to hire, then how to dress every day so you always look promotable even while working on weekends, holidays and casual Fridays, including the notorious Christmas party. He gives three simple rules to follow that make it easy to dress for success at work and in our social lives. To appeal to women, he explains everything from suits to swim trunks again with hundreds of photos to show you how to look great at wedding receptions or on a pizza and beer date. This is the only book you'll ever need to look successful and great at work and play!

are polos business casual: The Greenwood Encyclopedia of Clothing Through World History Jill Condra, 2008 Looks at the history of clothing from prehistoric times to the present, and evaluates the influence of climate, cultural, political, social, economic, technological, and cultural factors.

are polos business casual: Dress Like the Big Fish Dick Lerner, 2010-10-26 This original work contains pearls of wisdom about image for men and women going through career transition or just entering the workforce from a clothing and image expert who has helped thousands of people make major changes in their lives. Explains fabric, fit, what to buy when, what to wear for different types of situations and occasions and the importance of accessorizing properly. Contains a chart of laundry symbols and their meanings and a comprehensive glossary. Written for those who are changing or thinking about changing their career and life, this book is perfect for transitioning military personnel, those looking for a promotion, people who have had jobs where uniforms were dictated, recent graduates and others who want to achieve more. Readers will find easy to read sections on professional dress, business casual, casual, and formal attire for all occasions. They will also find a checklist for each type of wardrobe with sections for What to Buy Now, What to Buy Next and Optional items the reader can add as they go. Another helpful feature of the book is a two-week rotation schedule that illustrates how the reader can mix and match a small wardrobe to function like a much larger wardrobe.

are polos business casual: Uniform Jane Tynan, Lisa Godson, 2019-08-08 Uniform: Clothing and Discipline in the Modern World examines the role uniform plays in public life and private experience. This volume explores the social, political, economic, and cultural significance of various kinds of uniforms to consider how they embody gender, class, sexuality, race, nationality, and belief. From the pageantry of uniformed citizens to the rationalizing of time and labour, this category of dress has enabled distinct forms of social organization, sometimes repressive, sometimes utopian. With thematic sections on the social meaning of uniform in the military, in institutions, and political movements, its use in fashion, in the workplace, and at leisure, a series of case studies consider what sartorial uniformity means to the history of the body and society. Ranging from English public school uniform to sacred dress in the Vatican, from Australian airline uniforms to the garb worn by soldiers in combat, Uniform draws attention to a visual and material practice with the power to regulate or disrupt civil society. Bringing together original research from emerging and established academics, this book is essential reading for students and scholars of fashion, design, art, popular culture, anthropology, cultural history, and sociology, as well as anyone interested in what constitutes a modern appearance.

are polos business casual: A Decade of Disruption Garrett Peck, 2020-06-02 An eye-opening history evoking the disruptive first decade of the twenty-first century in America. Dubya. The 9/11

terrorist attacks. Enron and WorldCom. The Iraq War. Hurricane Katrina. The disruptive nature of the internet. An anxious aging population redefining retirement. The gay community demanding full civil rights. A society becoming ever more “brown.” The housing bubble and the Great Recession. The historic election of Barack Obama—and the angry Tea Party reaction. The United States experienced a turbulent first decade of the 21st century, tumultuous years of economic crises, social and technological change, and war. This “lost decade” (2000–2010) was bookended by two financial crises: the dot-com meltdown, followed by the Great Recession. Banks deemed “too big to fail” were rescued when the federal government bailed them out, but meanwhile millions lost their homes to foreclosure and witnessed the wipeout of their retirement savings. The fallout from the Great Recession led to the hyper-polarized society of the years that followed, when populists ran amok on both the left and the right and Americans divided into two distinct tribes. *A Decade of Disruption* is a timely re-examination of the recent past that reveals how we’ve arrived at our current era of cultural division.

are polos business casual: *The Return of Marco Polo's World* Robert D. Kaplan, 2018 Drawing on decades of first-hand experience as a foreign correspondent and military embed for *The Atlantic*, Robert D. Kaplan makes a powerful, clear-eyed case for what timeless principles should shape America's role in the world: a respect for the limits of Western-style democracy; a delineation between American interests versus American values; an awareness of the psychological toll of warfare; a projection of military power via a strong navy; and more--

are polos business casual: *The Nephilim Factor* Donald R. Cope, 2015-03-16 While driving across a bridge in a driving rainstorm, Joe sees a car in the water quickly sinking into the lake. Hearing cries for help, he jumps in the water to save a mother and her two children. During the heroic rescue Joe gets disoriented in the murky lake and is transported to another world, a novel place where he is exposed to planets he’s never heard of and encounters experiences that shatter his understanding of all things spiritual. In this new world, Joe encounters a guide who helps him to understand life’s greatest mysteries, including the question that has always haunted Joe the most; what causes extreme evil on earth? Joe learns the incredible story of angels who were granted free will and came to earth, impregnated human woman and whose offspring changed the very course of history. These amazing creatures were called The Nephilim; beings referred to in ancient texts as “the heroes of old, the men of renown”. People throughout the world know the story of creation in the book of Genesis yet have overlooked the strange verse just a few chapters later. “The Nephilim were on the earth in those days--and also afterward--when the sons of God went to the daughters of humans and had children by them. They were the heroes of old, men of renown.” Who were these creatures and how could they still impact our world today? The shocking conclusion of *The Nephilim Factor* provides a chilling explanation of how evil might be living right next door!

are polos business casual: *Hunters and Prey* May Sage, Yumoyori Wilson, Domino Taylor, KN Lee, Erin Bedford, JC Andrijeski, Emma Dean, Debbie Cassidy, 2019-02-12 Pick up these eight standalone novellas featuring kick-ass female leads who certainly aren’t waiting around to be rescued. *Hunters and Prey* includes Paranormal Romance, Urban Fantasy and Sci-fi Romance titles. *Blood From a Stone*—May Sage Viola has spent the last hundred years searching for the heir to the Eiriksen’s name and fortune, unaware that finding him would change everything. *Witch Me Not*—Yumoyori Wilson Cursed with powers she doesn't want, Alice will push and shove the destiny fate wants her to embrace. *Turning the Tide*—Domino Taylor Merwoman Commander Elpis’s love life has been a storm of bad decisions, but a chance meeting with a dying sailor lost at sea leads her to discovering there are worst mistakes than dating the wrong man—like almost missing out on the right one. *Legacy of Oath and Blood*—KN Lee Cailyn knew she was special. Her premonitions come to life, and her dreams might be prophetic. When a hot stranger from Scotland moves to her small town, dark secrets are brought to life, and it is up to Cailyn to protect her family, and her future. An ancient truce is threatened, and losing her freedom may be all that will hold it together. *Phoenix Awakened*—Erin Bedford After her vampire lover was killed she swore she'd never hunt again. Until now. *Black Dreams*—JC Andrijeski Miriam’s dreams start following her back into the real world,

scaring the hell out of her husband, military-trained seer, Quentin Black. Warrior Prince of Hai—Emma Dean Roman is one of the last winged males in the galaxy. His entire life changed the moment he set eyes on the woman sent to cure his people. Dragon Trial—Debbie Cassidy The stories say that the dragons saved humanity, but all they left were ashes, cinder and a new breed of human. Welcome to the Outlands, where nobody cares if you scream.

are polos business casual: Pucker Free Seams Prabir Jana & Y P Garg, 2020-06-01 Pucker or Puckering is the most used (abused?) term in the garment manufacturing industry. Pick up any quality controllers report, and the first thing that will strike your eye will be "...Puckering in armhole, ...Puckering in neckline binding, ...control Puckering in bottom hem..." the list is endless. Buying office quality controllers are as enamoured of this term as much as manufacturers abhor it. What is it that makes it so distasteful? Why does it occur? How can it be controlled? While there are numerous leaflets, documents and articles available on pucker, we have found that the majority of them lay great stress on "inherent pucker" (only material parameters). In this booklet have tried to include process parameters as well as sewing of lightweight fabrics. All said and done, the problem is so intricately interdependent that exhaustive compilation is well nigh impossible. We are sure this booklet will help manufacturers to understand the rationale behind this publication and we will consider our effort successful if enthusiastic readers regularly inform us about newer methods to tackle the problem.

are polos business casual: The Message of James J. Alec Motyer, 2021-06-15 The apostle James addressed his readers directly and pointedly, using vivid images from ordinary life and attention-gripping statements. In this revised BST volume, J. Alec Motyer's rich exposition brings James's letter to life for today's readers, drawing out memorable themes such as the link between enduring trials and maturity, the implications of careless and evil words, the need for purity, and more.

are polos business casual: The Kingdom in the Sea Trilogy Vivienne Savage, Domino Taylor, 2020-09-09 As the general's son, Manu carries a heavy responsibility to protect Atlantis. The key to saving his world lies in retrieving a woman from above the surface: his people's long-lost princess. But he never expects desires to ignite and reawaken his soul... A breathtaking romance told in this three-book collection. Read it all at once and go on an underwater marathon through the Atlantis kingdom in Return to Atlantis, A Drop in the Ocean, and Goddess of Sea and War. Free exclusive side story novella included. Turning the Tide is a 32,000 word romantic novella starring Elpis and detailing her secret mission.

are polos business casual: Lands' End Business Attire for Women Lands' End, Inc, 2004 In the list of life's big questions, "What should I wear?" can loom surprisingly large in a woman's mind. But for most of us today, "What should I wear to work?" looms even larger. When workplaces encompass everything from the thirtieth-floor boardroom to an open-plan loft to a desk in the corner of a studio, the question gets complicated indeed. Lands' End® Business Attire for Women will help you quickly and confidently assess your workplace and your style, so you'll always know exactly what to wear to work. One size does not fit all, of course, and this book is full of self-assessment quizzes, sample outfits to inspire and inform, and a broad spectrum of choices so you can always be confident that you are appropriately dressed. Based on the ABC model, Lands' End® Business Attire for Women divides workplace style into Almost a Suit ensembles, Best of Both Worlds blendings, and Clearly Casual combos. With the right image in mind and the right clothing in your closet—or on your shopping list—you can create a system of dressing that not only saves you time and money but also expresses your ambitions and your sense of style. From "Pants to Avoid" to business travel checklists and advice for recent college grads, Lands' End® Business Attire for Women will guide you toward a working wardrobe that is appropriate, flexible, and flattering. It's a practical, down-to-earth, and eminently sensible guide to dressing for work with a sense of style and fun, leaving you lots of time for life's bigger questions.
