awaken wellness columbia md: Spiritual Nutrition Gabriel Cousens, M.D., 2009-03-03 When we eat, can we feed the soul as well as the body? Can a diet have an impact on spirituality? Spiritual Nutrition empowers readers to develop personal diets that are appropriate to their lifestyles and spiritual practices. Drawing on 14 years of clinical experience and research, Dr. Gabriel Cousens

discusses nutritional issues that can help answer these questions, including raw vs. cooked food; high vs. low protein; the concepts of assimilation and fasting; alkaline--acid balance; attitudes about food; nutrients, energy, and structure building. In addition, Cousens shares his new dietary system of spiritual nutrition that is based on the relationship that the color of the food has to corresponding colors of the human chakra system, hence, the rainbow diet. For true nourishment, he strongly promotes the connection of diet to meditation, fellowship, wisdom, and love.

awaken wellness columbia md: The Awakened Brain Lisa Miller, 2021-08-17 A groundbreaking exploration of the neuroscience of spirituality and a bold new paradigm for health, healing, and resilience—from a New York Times bestselling author and award-winning researcher “A new revolution of health and well-being and a testament to, and celebration of, the power within.”—Deepak Chopra, MD Whether it’s meditation or a walk in nature, reading a sacred text or saying a prayer, there are many ways to tap into a heightened awareness of the world around you and your place in it. In *The Awakened Brain*, psychologist Dr. Lisa Miller shows you how. Weaving her own deeply personal journey of awakening with her groundbreaking research, Dr. Miller’s book reveals that humans are universally equipped with a capacity for spirituality, and that our brains become more resilient and robust as a result of it. For leaders in business and government, truth-seekers, parents, healers, educators, and any person confronting life’s biggest questions, *The Awakened Brain* combines cutting-edge science (from MRI studies to genetic research, epidemiology, and more) with on-the-ground application for people of all ages and from all walks of life, illuminating the surprising science of spirituality and how to engage it in our lives: • The awakened decision is the better decision. With an awakened perception, we are more creative, collaborative, ethical, and innovative. • The awakened brain is the healthier brain. An engaged spiritual life enhances grit, optimism, and resilience while providing insulation against addiction, trauma, and depression. • The awakened life is the inspired life. Loss, uncertainty, and even trauma are the gateways by which we are invited to move beyond merely coping with hardship to transcend into a life of renewal, healing, joy, and fulfillment. Absorbing, uplifting, and ultimately enlightening, *The Awakened Brain* is a conversation-starting saga of scientific discovery packed with counterintuitive findings and practical advice on concrete ways to access your innate spirituality and build a life of meaning and contribution.

awaken wellness columbia md: The Healing Organization Raj Sisodia, Michael J. Gelb, 2019-09-17 The image of modern corporations has been shaped by a profits over people approach, but we are at a point where business must take the lead in healing the crises of our time. *The Healing Organization* shows how corporations can become healing forces. Conscious Capitalism pioneer Raj Sisodia and organizational innovation expert Michael J. Gelb were inspired to write this book because of the epidemic of unnecessary suffering connected with business, including the destruction of the environment; increasing numbers living paycheck-to-paycheck and barely surviving; and rising rates of depression and stress leading to chronic health problems. Based on extensive in-depth interviews and inspiring case studies, Sisodia and Gelb show how companies such as Shake Shack, Hyatt, KIND Healthy Snacks, Eileen Fisher, H-E-B, FIFCO, Jaipur Rugs and DTE Energy are healing their employees, customers, communities and other stakeholders. They represent a diverse sampling of industries and geographies, but they all have significant elements in common, besides being profitable enterprises: Their employees love coming to work. They have passionately loyal customers. They make a significant positive difference to the communities they serve. They preserve and restore the ecosystems in which they operate. The enmity and dividedness between those who champion unfettered capitalism and those who advocate socialism is exacerbating rather than solving our problems. In a world that urgently needs healing on many levels, this is a movement whose time has come. *The Healing Organization* shows how it can be done, how it is being done, and how you can begin to do it too.

awaken wellness columbia md: The Spiritual Child Dr. Lisa Miller, 2015-05-05 In *The Spiritual Child*, psychologist Lisa Miller presents the next big idea in psychology: the science and the power of spirituality. She explains the clear, scientific link between spirituality and health and shows

that children who have a positive, active relationship to spirituality: * are 40% less likely to use and abuse substances * are 60% less likely to be depressed as teenagers * are 80% less likely to have dangerous or unprotected sex * have significantly more positive markers for thriving including an increased sense of meaning and purpose, and high levels of academic success. Combining cutting-edge research with broad anecdotal evidence from her work as a clinical psychologist to illustrate just how invaluable spirituality is to a child's mental and physical health, Miller translates these findings into practical advice for parents, giving them concrete ways to develop and encourage their children's—as well as their own—well-being. In this provocative, conversation-starting book, Dr. Miller presents us with a pioneering new way to think about parenting our modern youth.

awaken wellness columbia md: The Grace in Aging Kathleen Dowling Singh, 2014-08-05 Learn to use your later years for awakening and spiritual growth. Encouraging, inspiring, and practical, *The Grace in Aging* invites all those who have ever experienced spiritual longing to awaken in their twilight years. Since aging, in and of itself, does not lead to spiritual maturity, *The Grace in Aging* suggests and explores causes and conditions that we can create in our lives, just as we are living them, to allow awakening to unfold -- transforming the predictable sufferings of aging into profound opportunities for growth in clarity, love, compassion, and peace. Kathleen Dowling Singh streamlines vast and complex teachings into skillful means and wise views. Straightforward language and piercing questions bring Singh's teachings into the sharp focus of our own lives; the contemplative nature of each chapter allows for an uncommon depth of inquiry. Examples from our lives and from the chatter in our own minds touch the reader personally, offering the chance to absorb the implications deeply and do the work of freeing his or her own mind. Ecumenical in spirit, tone, and language, Singh offers wisdom from teachers from a variety of spiritual backgrounds: Thich Nhat Hanh, the Apostles, Annie Dillard, and more. Lessening our attachments, decreasing our aversions, unbinding what binds us, we bear witness to the possibility of awakening for all beings. *The Grace in Aging* offers guidelines for older individuals of any wisdom tradition who wish to awaken before they die; no need for caves or seven-year retreats. This is spiritual practice for the lives we live.

awaken wellness columbia md: Heal Kelly Noonan Gores, 2019-10-22 Go on a fascinating scientific and spiritual journey in this eye-opening book that explores the body's incredible ability to heal itself - perfect for fans of Deepak Chopra and Anita Moorjani. When we receive diagnoses from medical professionals, we are often so overwhelmed that we give up authority over our own health and wellbeing. But the truth is, we have more control over our health and life than we have been led to believe, and that belief is at the core of our body's capacity to heal itself. Based on the groundbreaking documentary of the same name, director Kelly Noonan Gores follows two people on their healing journeys, while combining science-backed research and real-world testimonials from experts like Marianne Williamson, Bruce Lipton, Deepak Chopra, Bernie Siegel, Anita Moorgani, Kelly Brogan, and many others, to offer hope and alternative treatments for the many people suffering from a variety of chronic illnesses. By identifying the emotional roots of illnesses, we can tap into the body's healing powers and discover that although healing can be complex and deeply personal, it can also happen spontaneously in a moment. *Heal* shows us that science and spirituality are united and demonstrates that our thoughts, beliefs, and emotions have a huge impact on our overall health and the ability to recover from illness and injury.

awaken wellness columbia md: Intuitive Wellness Laura Alden Kamm, 2012-12-11 In 1982, at the age of 26, 'ordinary wife and mother' Laura Kamm recovered from a painful and terrifying near-death experience with an amazing new ability - she could tell just from looking at someone if they were suffering from a medical or spiritual malaise. The arrival of this incredible gift changed her life, and she went on to study with shamans and healers from around the world. In her amazing book, she clearly explains the philosophies that guide her work, and reveals how identifying the emotional 'messages' trapped in our bodies can liberate us from conditions such as depression and overweight. She offers practical exercises that help readers learn about their own unique energy systems, develop confidence in their intuition, and resolve their emotional and physical pain. Filled

with inspiring stories and written with the down-to-earth warmth of a trusted friend, Kamm's profound insight teaches us how we can heal ourselves of ailments both physical and emotional through working with our innate 'forgotten' power.

awaken wellness columbia md: Life Is Your Best Medicine Tieraona Low Dog, M.D., 2012-09-04 The division between conventional and traditional medicine is as artificial as the division between science and nature. They can be woven together in a fashion that meets our physical, emotional, and spiritual needs. This is the foundation upon which integrative medicine is built. -- Tieraona Low Dog, M.D. In Life Is Your Best Medicine, Dr. Low Dog weaves together the wisdom of traditional medicine and the knowledge of modern-day medicine into an elegant message of health and self-affirmation for women of every age. This is a book that can be read cover to cover but also dipped into for inspiration or insight about a particular physical or mental health issue or remedy. We learn that, despite the widespread availability of pharmaceutical medications, advanced surgical care, and state-of-the-art medical technology, chronic illness now affects more than 50% of the American population. The evidence is overwhelmingly clear that much of the chronic disease we are confronting in the United States has its roots in the way we live our lives. Research shows that if Americans embraced a healthier lifestyle, which includes a balance between rest and exercise; wholesome nutrition; healthy weight; positive social interactions; stress management; not smoking; limited alcohol use; and no or limited exposure to toxic chemicals; then 93% of diabetes, 81% of heart attacks, 50% of strokes, and 36% of all cancers could be prevented! This means that each one of us has the power to shift the odds of being healthy in our favor. And if you do get sick, being fit gives you a much better chance for getting well. Your health has a great deal more to do with your lifestyle and a lot less to do with taking prescription drugs than most people realize. Part I. The Medicine of My Life is a personal and passionate introduction to the book Part II. Honoring the Body includes Food, Supplements, Illness, Wholeness Part III. Awakening the Senses includes Nature, Garden, Music Part IV. Listening to Spirit includes Humor, Relationships, Play, Meditation, Animals Epilogue. Contentment

awaken wellness columbia md: Dreaming Wide Awake David Jay Brown, 2016-08-15 A detailed guide to mastering lucid dreaming for physical and emotional healing, enhanced creativity, and spiritual awakening • Offers methods to improve lucid dreaming abilities and techniques for developing superpowers in the dream realm • Explains how to enhance dreaming with supplements, herbs, and psychedelics • Explores the ability of lucid dreamers to communicate with the waking realm and the potential for shared lucid dreaming and access to our unconscious minds In a lucid dream, you "awaken" within your dream and realize you are dreaming. With this extraordinary sense of awakening comes a clear perception of the continuity of self between waking and sleeping and the ability to significantly influence what happens within the dream, giving you the opportunity to genuinely experience anything without physical or social consequences. In this way, lucid dreaming offers therapeutic opportunities for fantasy fulfillment, fear confrontation, and releasing the trauma of past experiences. With development and practice, lucid dreaming can provide a powerful path to greater awareness, heightened creativity, spiritual awakening, and communication with the vast interconnected web of cosmic consciousness. In this detailed guide to mastering the practice of lucid

dreaming, David Jay Brown draws from his more than 20 years' experience using these techniques and his interactions with dozens of experts on consciousness, physics, dreaming, and entheogens, such as Stanley Krippner, Rupert Sheldrake, Stephen LaBerge, Robert Waggoner, Dean Radin, Terence McKenna, and many others. He explores the intimate relationship between lucid dreaming, shamanic journeying, visionary plants, and psychedelic drugs and how they are used for healing and spiritual development. Offering methods for improving both lucid dreaming and shamanic journeying abilities, he explains how to enhance dreaming with oneirogens, supplements, herbs, and psychedelics and offers techniques for developing superpowers in the dream realm. Summarizing the scientific research on lucid dreaming, Brown explores the ability of lucid dreamers to communicate with people in the waking realm and the potential for dream telepathy, shared lucid dreaming, and access to the vast unconscious regions of our minds, opening up a path that takes us beyond dreaming and waking to dreaming wide awake.

awaken wellness columbia md: Return of the Children of Light Judith Bluestone Polich, 2001-08-01 A personal exploration of the conjunction between ancient Mesoamerican prophecy and New Age higher consciousness. • Selected by the Independent Publisher's Book Awards as one of the top two New Age books of the year. • Explores ancient prophecies and their relevance in the contemporary world. The Incan and Mayan cultures saw themselves as "children of light"--descended from celestial realms--and their prophecies foretell a time of great spiritual awakening. They prophesied a time when the gateways to higher consciousness would open once again. That time is now. Award-winning author Judith Bluestone Polich draws on her extensive research in quantum physics, archaeoastronomy, holography, cosmology, and pioneering studies of human consciousness to show how science and contemporary thought are consistent with this ancient knowledge. As the ancients predicted, the human god-seed is beginning to awaken, and modern civilization is finally beginning to perceive human potential in ways that the ancient cultures accepted as truth. Polich introduces techniques for awakening our own human potential through dreaming, meditations, and the power of sacred sites.

awaken wellness columbia md: The Lotus and the Bud Christopher S. Kilham, 2020-12-29 An in-depth guide to blending the practice of yoga with cannabis • Examines the physical, mental, spiritual, and energetic effects of cannabis and yoga, including their effects on the nervous system and chakras • Explains how yoga practice offers a way to tune the human nervous system and how, through the endocannabinoid system, cannabis harmonizes a multitude of functions, from respiration to pain control, in ways that enhance yoga • Offers an illustrated sequence of cannabis-yoga asanas (postures) developed to awaken kundalini, open energy channels, accelerate healing, and unlock access to unbounded states of consciousness In India, both yoga and cannabis are considered gifts from the Hindu god Shiva. They are seen as twin currents of wisdom and enlightenment, allies for healing and consciousness expansion. As ethnobotanist and yogi Chris Kilham explains, when wisely and thoughtfully combined, cannabis and yoga offer profound benefits for body, mind, and spirit. Kilham examines the history and lore of both cannabis and yoga, with a special focus on the role of cannabis in Indian and Himalayan yoga traditions where it has been used for thousands of years. He investigates cannabis and yoga's effects on the chakras and energy body and how they assist in opening energy channels and awakening kundalini energy. He explains how yoga practice offers a way to tune the human nervous system and how, through the endocannabinoid system, cannabis harmonizes a multitude of functions, from respiration to pain control, in ways that enhance yoga. He looks at the effects of both THC and CBD as well as the different methods of consuming cannabis, with advice on selecting the right method for your yoga practice. In addition to instructions for breathwork and cannabis meditation practices, Kilham offers an illustrated guide to his own system of cannabis yoga, a sequence of asanas (postures) developed to arouse the kundalini,

open up energy channels throughout your body, and unlock access to unbounded states of consciousness. Sharing his experiences combining yoga and cannabis around the world, the author shows that the fusion of cannabis and yoga dissolves the boundaries of the mind, accelerates healing, and imparts a greater understanding of the intrinsic unity of all things.

awaken wellness columbia md: Womb Awakening Azra Bertrand, Seren Bertrand, 2017-08-15
Rediscover the lost ancient mystery teachings of the Cosmic Womb • 2017 Nautilus Silver Award • Explains how each of us has a holographic blueprint of the Womb of Creation, our spiritual Womb • Offers practices to help awaken your spiritual Womb, experience the Womb of God within, and activate the Womb's sacred magic of creation and manifestation • Looks at the power of the moon and its connection to sacred Womb Consciousness • Explores how the lost Womb mystery teachings were encoded in folk and fairy tales, the legends of the Holy Grail, and the traditions of Mary Magdalene and Sophia • Includes access to three guided Womb Awakening audio journeys
The Ancients lived by a feminine cosmology of creation, where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation, connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love. Drawing on mythical and spiritual traditions from almost every culture, Dr. Azra and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales; the legends of the Holy Grail; the traditions of Mary Magdalene and Sophia; the maiden, queen, and crone archetypes; and the teachings of alchemy and the chakras. They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood. The authors look at the power of the Moon and its connection to sacred Womb Consciousness, offering meditations and practices to help awaken your spiritual Womb and activate its sacred magic of creation and manifestation. They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love. Revealing how we must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world, they show how, as we reawaken the powerful ancient path of the Womb Mysteries, we help return our world to harmony with the wild, untamed creative flows and cyclical rhythms of the cosmos.

awaken wellness columbia md: Spirit Weaver Seren Bertrand, 2022-05-24 • Explains how to awaken your spiritual Womb to find strength within and how to reclaim your softness and vulnerability as a feminine superpower • Explores Earth Magic, the Moon Mysteries, Flower of Life teachings, Dragon wisdom, the shamanic powers of grief, the feminine archetypes of the Witch and the Priestess, and powerful goddesses from around the world • Reveals sacred spaces in the world where the power of the Goddess lives on The Womb is the seat of our primal power and intuition--our "wild knowing." Spirit weavers are those who have heard this wild voice from within and have followed that call--embarking on a grail quest to follow the feminine path of magic, awaken

to the depths of their soul, and embody their true feminine essence. Inviting you onto the spiral path of the spirit weaver, Seren Bertrand shares wisdom teachings and rituals from the feminine path of magic and her own ancestral lineage of old European witches and faerie folk, spirit keepers and story weavers. She explores Flower of Life teachings, the moon mysteries, and dragon wisdom. She unveils the shamanic powers of grief and deeply examines the feminine archetypes of the witch and the priestess. Drawing on powerful feminine spiritual icons from around the world, such as Kali, Isis, Teresa of Ávila, and Mary Magdalene, she explains how to awaken your spiritual Womb to find strength within and how to reclaim your soft powers of heart-opening vulnerability. She explores the lost traditions of the Goddess lineage and reveals sacred spaces in the world where her memory lives on. She shares the Womb Mysteries of alchemical union, revealing how to awaken the wild feminine and wild masculine and become sacred lovers who balance their light and shadow. From working with the cycles of the moon and learning how to root your power into the earth to healing the ancestral wounds left by the generations before you, Seren's medicine teachings, like secret spells, cast an enchantment over your feminine soul, awakening its fertility and wild inner magic.

awaken wellness columbia md: Ayurveda Maya Tiwari, 2005 Forced by cancer to reexamine and redirect her life Maya Tiwari left a highly successful New York design career and returned to her native India to study Ayurvedic medicine. Her book a profound but practical testament to the healing power of balanced living shows how Ayurveda's ancient principles of health can help you achieve the highest levels of physical emotional and spiritual well being. The traditional form of medicine in India for more than five thousand years Ayurveda relies primarily on the proper use of foods and herbs to maintain or restore the body's natural state of balance. While Ayurvedic healing has in recent years become increasingly well known in the west Maya Tiwari is the first author to provide us with a comprehensive working guide to ayurveda as a way of life.

Examining the traumatic stress of "root shock" in three African American communities and similar widespread damage in other cities, she makes an impassioned and powerful argument against the continued invasive and unjust development practices of displacing poor neighborhoods.

awaken wellness columbia md: Womb Wisdom Padma Aon Prakasha, Anaiya Aon Prakasha, 2011-01-21 Tools to awaken the creative powers of the womb • Contains exercises to open the womb's energetic pathways, release toxic emotions, and harness creative potential • Reveals how the womb's energies are crucial for the spiritual shift of 2012: birthing a new civilization • Shows how the awakened womb can also bring about male spiritual transformation In the past and in present-day indigenous traditions, women have known that the womb houses the greatest power a woman possesses: the power to create on all levels. Utilized in the process of giving birth, this power of creation can also be tapped in the birth of projects, careers, personal healing, spirituality, and relationships. However, because the womb stores the energetic imprint of every intimate encounter--loving or not--the creative voice of the womb is often muffled or absent altogether, affecting the emotional, mental, and spiritual health of women and their relationships. Drawing on sacred traditions from ancient India, Tibet, Egypt, Gnostic Christianity, and Judaism, the practice of Womb Wisdom empowers women to become aware of the intuitive voice of the womb outside of pregnancy and the moon cycle to unlock this potent inner source for creativity, birthing the new conscious children, spiritual growth, and transformation not only for themselves but also for their male partners. The authors include exercises to clear the past, release toxic emotions, open the womb's energetic pathways, activate the sacred sensual self, bring balance to relationships, and harness creative potential. Including intimate, individual stories of women experiencing the opening of the womb, this book also explores the forgotten sacred sites of the womb around the world as well as how the womb's energies are crucial to birth a new civilization in the spiritual shift of 2012.

awaken wellness columbia md: Gabbard's Treatments of Psychiatric Disorders Glen O. Gabbard, 2014-05-05 The definitive treatment textbook in psychiatry, this fifth edition of Gabbard's

Treatments of Psychiatric Disorders has been thoroughly restructured to reflect the new DSM-5® categories, preserving its value as a state-of-the-art resource and increasing its utility in the field. The editors have produced a volume that is both comprehensive and concise, meeting the needs of clinicians who prefer a single, user-friendly volume. In the service of brevity, the book focuses on treatment over diagnostic considerations, and addresses both empirically-validated treatments and accumulated clinical wisdom where research is lacking. Noteworthy features include the following: Content is organized according to DSM-5® categories to make for rapid retrieval of relevant treatment information for the busy clinician. Outcome studies and expert opinion are presented in an accessible way to help the clinician know what treatment to use for which disorder, and how to tailor the treatment to the patient. Content is restricted to the major psychiatric conditions seen in clinical practice while leaving out less common conditions and those that have limited outcome research related to the disorder, resulting in a more streamlined and affordable text. Chapters are meticulously referenced and include dozens of tables, figures, and other illustrative features that enhance comprehension and recall. An authoritative resource for psychiatrists, psychologists, and psychiatric nurses, and an outstanding reference for students in the mental health professions, Gabbard's Treatments of Psychiatric Disorders, Fifth Edition, will prove indispensable to clinicians seeking to provide excellent care while transitioning to a DSM-5® world.

awaken wellness columbia md: *Rebuilding the Corporate Genome* Johan C. Aurik, Gillis J. Jonk, Robert E. Willen, 2003-06-16 Praise for *Rebuilding the Corporate Genome* Whether you talk about capability-driven organizations, modular approaches, or networked economies, the implications of very low costs for transactions, information exchanges, and communications are clear: Business boundaries are dissolving and re-forming. Aurik, Jonk, and Willen show how innovators are creatively exploiting this trend to their decided advantage. —Gerard Hoetmer, Senior Vice President, Unilever Bestfoods If you set your strategy at lower levels of the business, you can more effectively compete and grow-and fend off unexpected rivals. *Rebuilding the Corporate Genome* shows that once you look through capability lenses, new horizons and new possibilities suddenly come into focus. —Jan Oosterveld, Member, Group Management Committee, Royal Philips Electronics This book is a compelling and prescient look at the future of the modern corporation. While the 'corporate genome project' may be a work in progress, the authors take important steps towards the goal of understanding how corporations really work, and how capability-based corporations will emerge as the organizations of tomorrow. Read this book carefully, because this is as close as you will get to a key for unlocking innovation and value in your industry. —Mohanbir Sawhney, McCormick Tribune Professor of Technology and Director, Center for Research in Technology & Innovation, Northwestern University, Kellogg School of Management *Rebuilding the Corporate Genome* reveals the future before it arrives. The authors masterfully extrapolate from a set of current trends to paint a picture of how businesses and strategies will evolve. The book is a must-read for anyone charged with charting the direction of a business in these turbulent times. —Toby E. Stuart, Fred G. Steingraber-A.T. Kearney Professor of Organizations and Strategy, University of Chicago, Graduate School of Business

awaken wellness columbia md: *Self-Compassion for Educators* Lisa Baylis, 2021-06-15 There has never been a time in history when educators have felt such overwhelming levels of stress, burnout, and exhaustion. Still, we depend on teachers to be a positive guiding force in our children's lives - often playing simultaneous roles as educator, parent, mental health counselor, and caring friend. For educators to fulfill these vital roles, it's abundantly clear that they need to develop resiliency both inside and outside the classroom. Written by fellow educator and mindful self-compassion expert, Lisa Baylis, MEd, this book provides educators with simple, accessible, and easy-to-use practices that will inspire them to care for themselves - instead of adding to their chaos - so they can continue doing the profession they love. Within *Self-Compassion for Educators*, busy and overwhelmed teachers can learn how to: - Reduce feelings of shame, criticism, and self-doubt - Anchor themselves to the present moment - Develop greater compassion for themselves and others - Mitigate the effects of chronic stress and develop resilience - Cultivate a sense of gratitude - Practice self-care routines that create sustainable well-being - Avoid exhaustion and burnout

awaken wellness columbia md: *Clean* James Hamblin, 2020-07-21 Named a Best Book of 2020 by NPR and Vanity Fair One of Smithsonian's Ten Best Science Books of 2020 "A searching and vital explication of germ theory, social norms, and what the modern era is really doing to our bodies and our psyches." —Vanity Fair A preventative medicine physician and staff writer for *The Atlantic* explains the surprising and unintended effects of our hygiene practices in this informative

and entertaining introduction to the new science of skin microbes and probiotics. Keeping skin healthy is a booming industry, and yet it seems like almost no one agrees on what actually works. Confusing messages from health authorities and ineffective treatments have left many people desperate for reliable solutions. An enormous alternative industry is filling the void, selling products that are often of questionable safety and totally unknown effectiveness. In *Clean*, doctor and journalist James Hamblin explores how we got here, examining the science and culture of how we care for our skin today. He talks to dermatologists, microbiologists, allergists, immunologists, aestheticians, bar-soap enthusiasts, venture capitalists, Amish people, theologians, and straight-up scam artists, trying to figure out what it really means to be clean. He even experiments with giving up showers entirely, and discovers that he is not alone. Along the way, he realizes that most of our standards of cleanliness are less related to health than most people think. A major part of the picture has been missing: a little-known ecosystem known as the skin microbiome—the trillions of microbes that live on our skin and in our pores. These microbes are not dangerous; they’re more like an outer layer of skin that no one knew we had, and they influence everything from acne, eczema, and dry skin, to how we smell. The new goal of skin care will be to cultivate a healthy biome—and to embrace the meaning of “clean” in the natural sense. This can mean doing much less, saving time, money, energy, water, and plastic bottles in the process. Lucid, accessible, and deeply researched, *Clean* explores the ongoing, radical change in the way we think about our skin, introducing readers to the emerging science that will be at the forefront of health and wellness conversations in coming years.
