basketball trivia for kids with answers: Games of Deception Andrew Maraniss, 2021-03-02
*Rivalling the nonfiction works of Steve Sheinkin and Daniel James Brown's *The Boys in the Boat*....Even readers who don't appreciate sports will find this story a page-turner. --School Library Connection, starred review *A must for all library collections. --Booklist, starred review Winner of the 2020 AJL Sydney Taylor Honor! From the New York Times bestselling author of *Strong Inside* comes the remarkable true story of the birth of Olympic basketball at the 1936 Summer Games in Hitler's Germany. Perfect for fans of *The Boys in the Boat* and *Unbroken*. On a scorching hot day in July 1936, thousands of people cheered as the U.S. Olympic teams boarded the S.S. *Manhattan*, bound for Berlin. Among the athletes were the 14 players representing the first-ever U.S. Olympic basketball team. As thousands of supporters waved American flags on the docks, it was easy to miss the one courageous man holding a BOYCOTT NAZI GERMANY sign. But it was too late for a boycott now; the ship had already left the harbor. 1936 was a turbulent time in world history. Adolf Hitler had gained power in Germany three years earlier. Jewish people and political opponents of the Nazis were the targets of vicious mistreatment, yet were unaware of the horrors that awaited them in the coming years. But the Olympians on board the S.S. *Manhattan* and other international visitors wouldn't see any signs of trouble in Berlin. Streets were swept, storefronts were painted, and every German citizen greeted them with a smile. Like a movie set, it was all just a facade, meant to distract from the terrible things happening behind the scenes. This is the incredible true story of basketball, from its invention by James Naismith in Springfield, Massachusetts, in 1891, to the sport's Olympic debut in Berlin and the eclectic mix of people, events and propaganda on both sides of the Atlantic that made it all possible. Includes photos throughout, a Who's-Who of the 1936 Olympics, bibliography, and index. Praise for *Games of Deception*: A 2020 ALA Notable Children's Book! A 2020 CBC Notable Social Studies Book! Maraniss does a great job of blending basketball action with the horror of Hitler's Berlin to bring this fascinating, frightening, you-can't-make-this-stuff-up moment in history to life. -Steve Sheinkin, New York Times bestselling author of *Bomb* and *Undeclared* I was blown away by *Games of Deception*....It's a fascinating, fast-paced, well-reasoned, and well-written account of the hidden-in-plain-sight horrors and atrocities that underpinned sports, politics, and propaganda in the United States and Germany. This is an important read. -Susan Campbell Bartoletti, Newbery Honor winning author of *Hitler Youth* A richly reported and stylishly told reminder how, when you scratch at a sports story, the real world often lurks just beneath. --Alexander Wolff, New York Times bestselling author of *The Audacity of Hoop: Basketball and the Age of Obama* An insightful, gripping account of basketball and bias. --Kirkus Reviews An exciting and overlooked slice of history. --School Library Journal

basketball trivia for kids with answers: The Other Wes Moore Wes Moore, 2011-01-11 NEW YORK TIMES BESTSELLER • From the governor of Maryland, the "compassionate" (People), "startling" (Baltimore Sun), "moving" (Chicago Tribune) true story of two kids with the same name: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, The Other Wes Moore tells the story of a generation of boys trying to find their way in a hostile world.

basketball trivia for kids with answers: My Losing Season Pat Conroy, 2003-08-26 NEW YORK TIMES BESTSELLER • A deeply affecting coming-of-age memoir about family, love, loss, basketball—and life itself—by the beloved author of The Prince of Tides and The Great Santini. During one unforgettable season as a Citadel cadet, Pat Conroy becomes part of a basketball team that is ultimately destined to fail. And yet for a military kid who grew up on the move, the Bulldogs provide a sanctuary from the cold, abrasive father who dominates his life—and a crucible for becoming his own man. With all the drama and incandescence of his bestselling fiction, Conroy re-creates his pivotal senior year as captain of the Citadel Bulldogs. He chronicles the highs and lows of that fateful 1966-67 season, his tough disciplinarian coach, the joys of winning, and the hard-won lessons of losing. Most of all, he recounts how a group of boys came together as a team, playing a sport that would become a metaphor for a man whose spirit could never be defeated. Praise for My Losing Season "A superb accomplishment, maybe the finest book Pat Conroy has written."—The Washington Post Book World "A wonderfully rich memoir that you don't have to be a sports fan to love."—Houston Chronicle "A memoir with all the Conroy trademarks . . . Here's ample proof that losers always tell the best stories."—Newsweek "In My Losing Season, Conroy opens his arms wide to embrace his difficult past and almost everyone in it."—New York Daily News "Haunting, bittersweet and as compelling as his bestselling fiction."—Boston Herald

basketball trivia for kids with answers: They Eat Their Young: Doc King Cole, 2013-11-04 They Eat Their Young; The Character Assassination of A Teacher! During the years of 1995-2008 I fought the law (Secondary School Administrators) and the law won. I taught with my heart and not my head. I gave my all but did not know this was not allowed. I was nominated Teacher of the Year

Twice. Yet lost it because I was teaching out of my area. I left twice in the middle of the year, well three times because the Law was not doing its job. This is a book I feel every new teacher or even a veteran should read. It is a tale all, no holds barred, except changing the names, locations to protect from any law suits. At first I labeled this "Teaching Black While White" because many districts I worked in were minority based or "At Risk." Now I must warn my readers; this is a male, Caucasian teacher not realizing this game is ruled by the opposite sex. Though most of my enemies were male Principals. I will be able to give you some subtle guides as to what to do and what not to do at any school. This book is dedicated to students every where who are stereo typed as low achievers. Also to teachers or educators who are thinking of giving up; don't give them the satisfaction. Stay in the game!
