Best Accounting Jokes: A Hilarious Look at the World of Numbers

Introduction:

Let's face it, the world of accounting isn't exactly known for its riotous laughter. Spreadsheets, tax codes, and debits and credits aren't exactly the stuff of stand-up comedy. But fear not, fellow number-crunchers! Behind the serious spreadsheets and meticulous calculations lies a hidden world of surprisingly funny accounting jokes. This blog post is your ultimate destination for the best accounting jokes, guaranteed to make you chuckle, even if you're knee-deep in a year-end audit. We'll explore a variety of jokes, from puns to one-liners, that will resonate with anyone who's ever wrestled with a balance sheet or battled a recalcitrant tax form. Get ready to unleash your inner accountant comedian!

Chapter 1: Punny Accounting Jokes – A Balancing Act of Humor

Accounting puns are a unique breed of joke, requiring a specific sense of humor and a keen understanding of accounting terminology. These jokes play on words, often twisting the meaning of accounting terms for comedic effect. Here are a few gems:

Why did the accountant bring a ladder to the party? Because he heard the drinks were on the house!
What do you call a lazy kangaroo? Pouch potato! (Okay, maybe not strictly accounting, but it's relevant to the profession's often sedentary nature).

Why did the two accountants break up? Because they couldn't see eye to eye on the bottom line.

What's an accountant's favorite type of tree? A money tree!

What do you call an accountant who's also a superhero? A super-visor!

Chapter 2: One-Liners That Will Make You Say "Debit-ably Funny!"

One-liners offer a quick punchline, perfect for a casual conversation or a quick chuckle during a stressful audit. These are short, sharp, and to the point:

I'm not sure what's tighter, my jeans or my budget.

My accountant is so good, he can make money disappear. (I'm still looking for it, though...)

I've got 99 problems, but a tax refund ain't one.

Why don't scientists trust atoms? Because they make up everything! (Again, stretching the accounting theme, but related to the analytical nature of the work)

Accountants are like ninjas: silent, deadly, and always working on something you don't understand.

Chapter 3: Longer Jokes – For Those Who Appreciate a Bit More Detail

For those who prefer a longer, more involved joke, here are a few that require a bit more setup but deliver a bigger payoff:

An accountant, a lawyer, and a doctor are sitting in a bar. The accountant says, "I'm so busy, I haven't had time to file my taxes yet!" The lawyer replies, "I'm swamped too, I haven't even started prepping for my client's case." The doctor says, "I can't believe how many patients I've had recently, I'm completely overworked!" Suddenly, a guy walks in, pulls out a giant wad of cash, and throws it on the bar. "Guys," he says, "Who wants to make some money?" All three professionals jump up simultaneously and start fighting over the money. A waitress walks by and shakes her head. "Typical," she sighs. "Always fighting over the tips."

Why was the accountant sad? Because he didn't balance.

Chapter 4: Situational Jokes – Relatable Accounting Humor

These jokes hit close to home for anyone who has experienced the realities of working in the accounting field:

Why did the CPA get fired? Because he couldn't find his balance. (This plays on the common accounting term "balance sheet" and the idea of someone literally losing their balance, adding a layer of humour)

What's the difference between an accountant and a pizza? A pizza can feed a family.

What's an accountant's least favorite holiday? April Fool's Day.

Article Outline: Best Accounting Jokes

Introduction: Hooking the reader with the concept of surprising humor in the accounting world.

Chapter 1: Punny Accounting Jokes: A collection of puns utilizing accounting terminology.

Chapter 2: One-Liners: Short, sharp, and to-the-point jokes.

Chapter 3: Longer Jokes: Jokes with more complex setups and punchlines.

Chapter 4: Situational Jokes: Jokes relatable to the experiences of accountants.

Conclusion: Reinforce the humor found in the accounting field and encourage further exploration of accounting-related jokes.

FAQs: Address common questions related to accounting humor.

Related Articles: Suggest further reading on related topics.

(Detailed explanation of each point is provided above in the body of the blog post.)

Conclusion:

So there you have it – a comprehensive collection of the best accounting jokes to brighten your day, even if your spreadsheet is overflowing. Remember, laughter is the best medicine, even when you're dealing with complex financial statements. Share these jokes with your colleagues, clients, and anyone who appreciates a good chuckle (especially if they understand the nuances of double-entry bookkeeping).

FAQs:

1. Where can I find more accounting jokes? You can search online for "accounting jokes," "finance jokes," or "tax jokes." Many websites and forums dedicated to accounting professionals share jokes.
2. Are there any accounting joke books? While not widely available, some joke compilations may include accounting-themed humor. A general joke book might contain some applicable material.
3. Why are accounting jokes so niche? Because they require a certain understanding of accounting terminology and practices to fully appreciate the humor.
4. Can I use these jokes in a professional setting? Use caution. Some jokes may be appropriate for informal settings with colleagues, but avoid potentially offensive or inappropriate material in client meetings.
5. Are there any accounting jokes specific to different accounting areas (auditing, tax, etc.)? Yes, some jokes may lean towards specific areas, but many are applicable across the profession.
6. How can I create my own accounting joke? Consider playing on words related to accounting terms, common situations faced by accountants, or the stereotypical image of accountants.
7. Are there any websites or communities dedicated to accountant humor? While not exclusively dedicated, many online accounting forums and communities sometimes share jokes and anecdotes.
8. Is there a difference between accounting jokes and finance jokes? The lines can be blurry, as many jokes apply to both fields. Finance jokes might involve broader financial concepts, whereas accounting jokes are usually more focused on the recording and reporting aspects.
9. Can I tell accounting jokes to non-accountants? Yes, but be prepared to explain some of the terms! Explain the joke briefly to help others understand the humor.

best accounting jokes: The Accountant's (Bad) Joke Book: Have You Heard the One about ... ? Rick Telberg, 2011-03 Need a Laugh? Okay, maybe just a chuckle and the occasional groan? We've done our best to compile all the (mostly) decent jokes we can find about accountants. (Some are even funny)

best accounting jokes: *Financial Jokes for Financial Folks* Andrew Worden, 2019-09-05 This financial joke book (full of all original accounting and finance dad jokes) is the perfect gift for any businessman or businesswoman who loves telling cheesy jokes, corny jokes, or just plain awful dad jokes! A fantastic novelty gift for an Office Party, Corporate Event, Fathers Day, Dads Birthday & Christmas. All the jokes in this book are clean family friendly jokes. When you open it up, you'll see that the first page has space for a TO: and a FROM:, a cool alternative to a card. Wikipedia describes a Dad Joke as a short bad joke, typically a pun, presented as a one-liner or a question and answer. That means you end up with a lot of groaners and headshakers during gatherings. Your friend/coworker/parent who works in accounting/finance/business will be laughing for the rest of the day after you give them this joke book!

best accounting jokes: *Auditor Jokes* Chester Croker, 2019-07-13 Have lots of fun and laughter with this hilarious auditors joke book. You will simply be holding your sides and laughing out loud at some of the auditor gags. Some would say this is the definitive, conclusive, final, approved collection of funny jokes for auditors. This book is brand new in July 2019, and it would make a great gift for an auditor that you know who enjoys a laugh. Inside you will find many quality jokes, many cheesy jokes and many stories to make you laugh out loud. Put your calculator away, and buy it now!

best accounting jokes: *Humor, Seriously* Jennifer Aaker, Naomi Bagdonas, 2021-02-02 WALL STREET JOURNAL, LOS ANGELES TIMES, AND USA TODAY BESTSELLER • Anyone—even you!—can learn how to harness the power of humor in business (and life), based on the popular class at Stanford's Graduate School of Business. Don't miss the authors' TED Talk, "Why great leaders take humor seriously," online now. "The ultimate guide to using the magical power of funny as a tool for leadership and a force for good."—Daniel H. Pink, #1 New York Times bestselling author of *When and Drive* We are living through a period of unprecedented uncertainty and upheaval in both our personal and professional lives. So it should come as a surprise to exactly no one that trust, human connection, and mental well-being are all on the decline. This may seem like no laughing matter. Yet, the research shows that humor and laughter are among the most valuable tools we have at our disposal for strengthening bonds and relationships, diffusing stress and tension, boosting resilience, and performing when the stakes are high. That's why Jennifer Aaker and Naomi Bagdonas teach the popular course *Humor: Serious Business* at the Stanford Graduate School of Business, where they help some of the world's most hard-driving, blazer-wearing business minds infuse more humor and levity into their work and lives. In *Humor, Seriously*, they draw on findings by behavioral scientists, world-class comedians, and inspiring business leaders to reveal how humor works and—more important—how you can use more of it, better. Aaker and Bagdonas unpack the theory and application of humor: what makes something funny, how to mine your life for material, and simple ways to identify and leverage your unique humor style. They show how to use humor to

rebuild vital connections; appear more confident, competent, and authentic at work; and foster cultures where levity and creativity can thrive. President Dwight David Eisenhower once said, "A sense of humor is part of the art of leadership, of getting along with people, of getting things done." If Dwight David Eisenhower, the second least naturally funny president (after Franklin Pierce), thought humor was necessary to win wars, build highways, and warn against the military-industrial complex, then you might consider learning it too.

best accounting jokes: Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

best accounting jokes: The Phantom Tollbooth Norton Juster, 1988-10-12 With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic. Enriched by Jules Feiffer's splendid illustrations, the wit, wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever. "Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too." --Phillip Pullman For Milo, everything's a bore. When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions (you get there by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

best accounting jokes: Best Ever 101 Accountant Jokes Matthew Burgess, 2018-06 Matthew Burgess is one of the directors and founders of specialist firm View Legal. Having the opportunity to help all those he has interaction with achieve their dreams is what he is passionate about. As an author Matthew is published across a range of topics including: 1. Technical legal books - see www.viewlegal.com.au/product-category/books/ 2. Children's books, under the pseudonym 'Lily Burgess' - see www.wordsfromdaddysmouth.com.au 3. Business book - *The Dream Enabler* - see www.thedreamenabler.com.au For many years Matthew has collected virtually every accountant joke shared with him. This book - '101 Accountant Jokes' - gives the collection a public release for the first time. Two warnings however. First - Matthew has an accounting degree; however realised he must have been a lawyer when he narrowly avoided failing his final accounting exams. Second - if you have previously read Matthew's publication '101 Lawyer Jokes' you may be bitterly disappointed

if you were thinking that any of the jokes in '101 Accountant Jokes' would be something other than globally replacing 'lawyer' with 'accountant'.

best accounting jokes: Calorie Accounting Mandy Levy, 2015-04-21 Dieting is ridiculous. It's a never-ending roller-coaster ride of ups and downs, corkscrews and loop-the-loops, rattled brains and upset stomachs. Every day a new morning show nutritionist announces the latest yogalates pose or rare strain of kale designed to attack those stubborn ass dimples, but every day, no matter what new acai Kool-Aid you're drinking, your ass dimples are multiplying! It's not adding up, and it's time to do the math. Calorie Accounting is a fun and funny, cool and creative, visual and vibrant lifestyle how-to that delivers the skinny on the arithmetic of weight loss. Typically, there's nothing less enjoyable than being fat and preferring not to be, but Calorie Accounting finally allows us to cut the crap and face this thing head on—with jokes, puns, humiliating photos, and self-deprecation! Because after all, in the all-too-heavy world of health and fitness, can't we afford to lighten up a bit? Calorie Accounting is a tried-and-true diet plan, developed, followed, and documented by Mandy Levy, your author and sarcastic best friend. Her been-there-done-that words and pictures will inspire, mentor, and guide you through your own weight-loss success story with step-by-step instructions and extended metaphors for: Checks and balances! Shopping! Shakin' that moneymaker! Recipes (for disaster)! And more!

best accounting jokes: Glasbergen Cartoons Randy Glasbergen, 2022-04-19 The last works of Randy Glasbergen were found in his office as the family were sorting through items on his desk after his unexpected passing in 2015. The contents of this book are a compilation of new cartoons in just about every topic Randy wrote and drew about. Randy's intention was to add these cartoons to his extensive online cartoon catalog. Rather than adding these cartoons to the catalog, the family decided to release them in book form as a tribute to his legacy in cartooning.

best accounting jokes: Improv Is No Joke Peter A. Margaritis, 2015-04-09 Improve your life, where everything's not made up and the points do matter. Drew Carey's show *Whose Line Is It Anyway?* has turned improvisational comedy into a pop culture phenomenon. But improv is more than just laughs—it's a valuable training tool that will make you a more effective business professional. Inside, you will discover how to: • Replace negative phrases like "Yes, but..." with successful terms like "Yes, and..." • Park your agenda and really hear your client out. By listening to understand, you can adapt to their ideas and produce a more positive outcome. • Grow your client relationships beyond the numbers to build rapport, comfort, and trust. *Improv is no Joke* is must-read for accountants, bankers, and other financial professionals to sharpen the invaluable leadership and communication skills you need to successfully relate to clients and communicate complex information in a user-friendly way. "Peter is the first CPA speaker who actually made me laugh. Who knew accountants could be funny AND inspiring? Now, if I could just get my taxes to not be a joke!" —Judy Carter, author of *The Comedy Bible* and *The Message of You*

best accounting jokes: Model Rules of Professional Conduct American Bar Association. House of Delegates, Center for Professional Responsibility (American Bar Association), 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

best accounting jokes: Neptune's Brood Charles Stross, 2013 After being stalked across the galaxy by an assassin, post-human Krina Alzon-114 journeys to the water-world Shin-Tethys in search of her sister.

best accounting jokes: Financial Intelligence, Revised Edition Karen Berman, Joe Knight, 2013-02-19 Explains what business numbers mean and why they matter, and addresses issues that

have become more important in recent years, including questions about the financial crisis and accounting literacy.

best accounting jokes: *Step by Step to Stand-up Comedy* Greg Dean, 2000 If you think you're funny, and you want others to think so too, this is the book for you! Greg Dean examines the fundamentals of being funny and offers advice on a range of topics, including: writing creative joke material rehearsing and performing routines coping with stage fright dealing with emcees who think they're funnier than you are getting experience and lots more. Essential for the aspiring comic or the working comedian interested in updating his or her comedy routine, *Step by Step to Stand-Up Comedy* is the most comprehensive and useful book ever written on the art of the stand-up comedian.

best accounting jokes: *The Space Between Worlds* Micaiah Johnson, 2020-08-04 NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • An outsider who can travel between worlds discovers a secret that threatens the very fabric of the multiverse in this stunning debut, a powerful examination of identity, privilege, and belonging. WINNER OF THE COMPTON CROOK AWARD • FINALIST FOR THE LOCUS AWARD • "Gorgeous writing, mind-bending world-building, razor-sharp social commentary, and a main character who demands your attention—and your allegiance."—Rob Hart, author of *The Warehouse* ONE OF THE BEST BOOKS OF THE YEAR—NPR, Library Journal, Book Riot Multiverse travel is finally possible, but there's just one catch: No one can visit a world where their counterpart is still alive. Enter Cara, whose parallel selves happen to be exceptionally good at dying—from disease, turf wars, or vendettas they couldn't outrun. Cara's life has been cut short on 372 worlds in total. On this dystopian Earth, however, Cara has survived. Identified as an outlier and therefore a perfect candidate for multiverse travel, Cara is plucked from the dirt of the wastelands. Now what once made her marginalized has finally become an unexpected source of power. She has a nice apartment on the lower levels of the wealthy and walled-off Wiley City. She works—and shamelessly flirts—with her enticing yet aloof handler, Dell, as the two women collect off-world data for the Eldridge Institute. She even occasionally leaves the city to visit her family in the wastes, though she struggles to feel at home in either place. So long as she can keep her head down and avoid trouble, Cara is on a sure path to citizenship and security. But trouble finds Cara when one of her eight remaining doppelgängers dies under mysterious circumstances, plunging her into a new world with an old secret. What she discovers will connect her past and her future in ways she could have never imagined—and reveal her own role in a plot that endangers not just her world but the entire multiverse. "Clever characters, surprise twists, plenty of action, and a plot that highlights social and racial inequities in astute prose."—Library Journal (starred review)

best accounting jokes: *The No Asshole Rule* Robert I. Sutton, 2007-02-22 The definitive guide to working with -- and surviving -- bullies, creeps, jerks, tyrants, tormentors, despots, backstabbers, egomaniacs, and all the other assholes who do their best to destroy you at work. What an asshole! How many times have you said that about someone at work? You're not alone! In this groundbreaking book, Stanford University professor Robert I. Sutton builds on his acclaimed Harvard Business Review article to show you the best ways to deal with assholes...and why they can be so destructive to your company. Practical, compassionate, and in places downright funny, this guide offers: Strategies on how to pinpoint and eliminate negative influences for good Illuminating case histories from major organizations A self-diagnostic test and a program to identify and keep your own inner jerk from coming out *The No Asshole Rule* is a New York Times, Wall Street Journal, USA Today and Business Week bestseller.

best accounting jokes: *What I Was Doing While You Were Breeding* Kristin Newman, 2014-05-20 A "truly hilarious" (Glamour), sexy, and ultimately poignant memoir about mastering the art of the "vacationship" from a writer and co-executive producer of Hulu's *Only Murders in the Building*—now with a new afterword "What I Was Doing While You Were Breeding is kind of like if *Eat, Pray, Love* were written by your funniest friend."—Rachel Dratch Kristin Newman spent much of her twenties and thirties buying dresses to wear to her friends' weddings and baby showers. Not ready to settle down and in need of an escape from her fast-paced job as a sitcom writer, Kristin

instead traveled the world, often alone, for several weeks each year. In addition to falling madly in love with the planet, Kristin fell for many attractive locals, men who could provide the emotional connection she wanted without costing her the freedom she desperately needed. Kristin introduces readers to the Israeli bartenders, Finnish poker players, sexy Bedouins, and Argentinean priests who helped her transform into “Kristin-Adjacent” on the road—a slower, softer, and, yes, sluttier version of herself at home. Equal parts laugh-out-loud storytelling, candid reflection, and wanderlust-inspiring travel tales, *What I Was Doing While You Were Breeding* is a compelling debut that will have readers rushing to renew their passports.

best accounting jokes: *Lacan, Psychoanalysis, and Comedy* Patricia Gherovici, Manya Steinkoler, 2016-08-02 Cutting-edge philosophers, psychoanalysts, literary theorists, and scholars use Freud and Lacan to shed light on laughter, humor, and the comic. Bringing together clinic, theory, and scholarship this compilation of essays offers an original mix with powerful interpretive implications.

best accounting jokes: *Mixed Plate* Jo Koy, 2021-03-23 A stunning, hilarious memoir from beloved comedian Jo Koy, “far and away one of the funniest people out there” (Chelsea Handler). *Mixed Plate* illuminates the burning drive and unique humor that make Jo Koy one of today’s most successful comedians. Includes never-before-seen photos. Well guys, here it is—my story. A funny, sad, at times pathetic but also kick-ass tale of how a half-Filipino, half-white kid whose mom thought (and still thinks) his career goal was to become a clown became a success. Not an overnight success, because that would have made for a really short read, but an All-American success who could give my immigrant mom the kind of life she hoped for when she came to this country, and my son the kind of life I wished I’d had as a kid. With all the details of what it felt like to get the doors closed in my face, to grind it out on the road with my arsenal of dick jokes, and how my career finally took off once I embraced the craziness of my family, which I always thought was uniquely Filipino but turns out is as universal as it gets. In this book, I’ll take you behind the mic, behind the curtain—OK, way behind it. From growing up with a mom who made me dance like Michael Jackson at the Knights of Columbus, to some real dark stuff, the stuff we don’t talk about often enough as immigrants. Mental health, poverty, drinking. And show you the path to my American Dream. Which was paved with a lot of failure, department store raffle tickets to win free color televisions, bad jokes, old VHS tapes, a motorcycle my mom probably still hates, the only college final I aced (wasn’t math), and getting my first laugh on stage. There’s photo evidence of it all here, too. In this book, I get serious about my funny. And I want to make you laugh a little while I do it. I’m like Hawaii’s favorite lunch—the mixed plate. Little bit of this, a little bit of that. My book *Mixed Plate* is too.

best accounting jokes: *Unwrap My Heart* Alex Falcone, Ezra Fox, 2016-11-15 Sofia is just a normal high school girl, worried about getting her homework done and looking cool in the lunchroom, when HE shows up: a devastatingly handsome new kid, mysteriously covered in decaying bandages and staring at her from the empty holes where his eyes should be. She thinks he’s just a hipster, but is there more to this handsome stranger than meets the eye? Yes. He’s a mummy. We’re not really making a secret about this. The twist is he’s a mummy. It’s a book about a girl who falls in love with a mummy. We’ve read young adult books about teenage girls unknowingly falling in love with vampires, werewolves, angels, demons, fairies, mermen, warlocks, dreamwalkers, and trolls. Seriously, there was one about trolls. It’s time for mummies, dammit. It’s time for mummies.

best accounting jokes: *The Humor Code* Peter McGraw, Joel Warner, 2015-04-28 Part road-trip comedy and part social science experiment, a scientist and a journalist travel the globe to discover the secret behind what makes things funny, questioning countless experts, including Louis C.K., along the way.

best accounting jokes: *Results* Bruce A. Pasternack, Gary L. Neilson, 2005-10-18 Every company has a personality. Does yours help or hinder your results? Does it make you fit for growth? Find out by taking the quiz that’s helped 50,000 people better understand their organizations at OrgDNA.com and to learn more about Organizational DNA. Just as you can understand an individual’s personality, so too can you understand a company’s type—what makes it tick, what’s

good and bad about it. Results explains why some organizations bob and weave and roll with the punches to consistently deliver on commitments and produce great results, while others can't leave their corner of the ring without tripping on their own shoelaces. Gary Neilson and Bruce Pasternack help you identify which of the seven company types you work for—and how to keep what's good and fix what's wrong. You'll feel the shock of recognition ("That's me, that's my company") as you find out whether your organization is: • Passive-Aggressive ("everyone agrees, smiles, and nods, but nothing changes"): entrenched underground resistance makes getting anything done like trying to nail Jell-O to the wall • Fits-and-Starts ("let 1,000 flowers bloom"): filled with smart people pulling in different directions • Outgrown ("the good old days meet a brave new world"): reacts slowly to market developments, since it's too hard to run new ideas up the flagpole • Overmanaged ("we're from corporate and we're here to help"): more reporting than working, as managers check on their subordinates' work so they can in turn report to their bosses • Just-in-Time ("succeeding, but by the skin of our teeth"): can turn on a dime and create real breakthroughs but also tends to burn out its best and brightest • Military Precision ("flying in formation"): executes brilliant strategies but usually does not deal well with events not in the playbook • Resilient ("as good as it gets"): flexible, forward-looking, and fun; bounces back when it hits a bump in the road and never, ever rests on its laurels For anyone who's ever said, "Wow, that's a great idea, but it'll never happen here" or "Whew, we pulled it off again, but I'm tired of all this sprinting," Results provides robust, practical ideas for becoming and remaining a resilient business. Also available as an eBook From the Hardcover edition.

best accounting jokes: Wired Bob Woodward, 2012-03-06 This reissue of Bob Woodward's classic book about John Belushi—one of the most interesting performers and personalities in show business history—"is told with the same narrative style that Woodward employed so effectively in *All the President's Men* and *The Final Days*" (Chicago Tribune). John Belushi was found dead of a drug overdose March 5, 1982, in a seedy hotel bungalow off Sunset Boulevard in Hollywood. Belushi's death was the beginning of a trail that led Washington Post reporter Bob Woodward on an investigation that examines the dark side of American show business—TV, rock and roll, and the movie industry. From on-the-record interviews with 217 people, including Belushi's widow, his former partner Dan Aykroyd, Belushi's movie directors including Jack Nicholson and Steven Spielberg, actors Chevy Chase, Robin Williams, and Carrie Fisher, the movie executives, the agents, Belushi's drug dealers, and those who live in the show business underground, the author has written a close portrait of a great American comic talent, and of his struggle to succeed and to survive that ended in tragedy. Using diaries, accountants' records, phone bills, travel records, medical records, and interviews with firsthand witnesses, Woodward has followed Belushi's life from childhood in a small town outside Chicago to his meteoric rise to fame. Bob Woodward has written a spellbinding account of rise and fall, a cautionary tale for our times, and a poignant and gentle portrait of a young man who had so much, gave so much, and lost so much.

best accounting jokes: Dad Jokes Dad Says Jokes, 2019-05-14 A collection of the very best jokes from the hilarious Instagram account @dadsaysjokes - so bad they're good. From the most-followed dad jokes page on Instagram, @dadsaysjokes, comes a collection of hilariously cheesy jokes that will leave your friends and family laughing and groaning in equal measure. This is the perfect gift for dads who want to expand their repertoire and anyone who fancies reminiscing about a childhood full of these no-nonsense 'bad' puns. Here are a couple of tasters: Q: Why do cows have hooves instead of feet? A: Because they lactose. Q: Are you today's date? A: Cuz you're 10/10.

best accounting jokes: Comedy and Distinction Sam Friedman, 2014-04-24 This book was shortlisted for the 2015 BSA Philip Abrams Memorial Prize. Comedy is currently enjoying unprecedented growth within the British culture industries. Defying the recent economic downturn, it has exploded into a booming billion-pound industry both on TV and on the live circuit. Despite this, academia has either ignored comedy or focused solely on analysing comedians or comic texts. This scholarship tends to assume that through analysing an artist's intentions or techniques, we can somehow understand what is and what isn't funny. But this poses a fundamental question - funny to

whom? How can we definitively discern how audiences react to comedy? Comedy and Distinction shifts the focus to provide the first ever empirical examination of British comedy taste. Drawing on a large-scale survey and in-depth interviews carried out at the Edinburgh Festival Fringe, the book explores what types of comedy people like (and dislike), what their preferences reveal about their sense of humour, how comedy taste lubricates everyday interaction, and how issues of social class, gender, ethnicity and geographical location interact with patterns of comic taste. Friedman asks: Are some types of comedy valued higher than others in British society? Does more 'legitimate' comedy taste act as a tangible resource in social life – a form of cultural capital? What role does humour play in policing class boundaries in contemporary Britain? This book will be of interest to students and scholars of sociology, social class, social theory, cultural studies and comedy studies.

best accounting jokes: *Riots I Have Known* Ryan Chapman, 2020-11-17 Longlisted for the 2019 Center for Fiction First Novel Prize, Ryan Chapman's "gritty, bracing debut" (Esquire) set during a prison riot is "dark, daring, and laugh-out-loud hilarious...one of the smartest—and best—novels of the year" (NPR). A largescale riot rages through Westbrook prison in upstate New York, incited by a poem in the house literary journal. Our unnamed narrator, barricaded inside the computer lab, swears he's blameless—even though, as editor-in-chief, he published the piece in question. As he awaits violent interruption by his many, many enemies, he liveblogs one final Editor's Letter. *Riots I Have Known* is his memoir, confession, and act of literary revenge. His tale spans a childhood in Sri Lanka, navigating the postwar black markets and hotel chains; employment as a Park Avenue doorman, serving the widows of the one percent; life in prison, with the silver lining of his beloved McNairy; and his stewardship of *The Holding Pen*, a "masterpiece of post-penal literature" favored by Brooklynites everywhere. All will be revealed, and everyone will see he's really a good guy, doing it for the right reasons. "Fitfully funny and murderously wry," *Riots I Have Known* is "a frenzied yet wistful monologue from a lover of literature under siege" (Kirkus Reviews).

best accounting jokes: *Before and Laughter* Jimmy Carr, 2022-05-10 *A memoir and self-help manual by one of the country's most treasured comedians - for anyone who feels stuck in a rut but doesn't have the tools or self-belief to shake things up* In his mid-twenties, Jimmy was bored, boring, unfulfilled and underachieving. He wasn't exactly depressed, but he was very sad. Think of a baby owl whose mum has recently died in a windmill accident. He was that sad. This book tells the story of how Jimmy turned it around and got happy, through the redemptive power of dick jokes. Written to take advantage of the brief window between the end of lockdown and Jimmy getting cancelled for saying something unforgivable to Lorraine Kelly, this book is as timely as it is unnecessary. Because you might be interested in Jimmy's life but he's damn sure you're a lot more interested in your own, *Before & Laughter* is about both of you. But mainly him. It tells the story of Jimmy's life - the transformation from white-collar corporate drone to fake-toothed donkey-laugh plastic-haired comedy mannequin - while also explaining how to turn your own life around and become the you you've always dreamt of being. At just £20, it's cheaper than Scientology, quicker than therapy, and significantly less boring than church. *Before & Laughter* contains the answers to all the big questions in life, questions like: · What's the secret to happiness? · Is Jimmy wearing a wig? · What happened with that tax thing? · What's the meaning of life? · Is Jimmy's laugh real? · Can those teeth bite through vibranium? And for readers in the West Country: yes, there are pictures (actually, sorry, there are no pictures, but there's a book about a hungry caterpillar you'll love). Because it's Jimmy Carr - recently scientifically proved to be the funniest comedian in the UK - there are jokes, jokes and more jokes throughout. If laughter really was the best medicine, the NHS would be handing out this book in Nightingale Hospitals. Fascinating, thoughtful and insightful - are all words that appear in the book.

best accounting jokes: Double Entry Jane Gleeson-White, 2014-06-19 Our world is governed by the numbers generated by the accounts of nations and corporations. We depend on these numbers to direct our governments, our institutions, corporations, economies, societies. But where did they come from and how did they become so powerful? The answer to these questions begins in the Dark Ages in northern Italy with a new form of record keeping perfected by the merchants of Venice called double-entry bookkeeping. The story of double entry starts a Renaissance monk, mathematician, magician and constant companion of Leonardo da Vinci, his 27-page treatise for merchants, re.

best accounting jokes: Mean Myriam Gurba, 2017-11-07 True crime, memoir, and ghost story, Mean is the bold and hilarious tale of Myriam Gurba's coming of age as a queer, mixed-race Chicana. Blending radical formal fluidity and caustic humor, Gurba takes on sexual violence, small towns, and race, turning what might be tragic into piercing, revealing comedy. This is a confident, intoxicating, brassy book that takes the cost of sexual assault, racism, misogyny, and homophobia deadly seriously. We act mean to defend ourselves from boredom and from those who would cut off our breasts. We act mean to defend our clubs and institutions. We act mean because we like to laugh. Being mean to boys is fun and a second-wave feminist duty. Being mean to men who deserve it is a holy mission. Sisterhood is powerful, but being mean is more exhilarating. Being mean isn't for everybody. Being mean is best practiced by those who understand it as an art form. These virtuosos live closer to the divine than the rest of humanity. They're queers. Myriam Gurba is a queer spoken-word performer, visual artist, and writer from Santa Maria, California. She's the author of *Dahlia Season* (2007, Manic D) which was a finalist for the Lambda Literary Award, *Wish You Were Me* (2011, Future Tense Books), and *Painting Their Portraits in Winter* (2015, Manic D). She has toured with Sister Spit and her work has been exhibited at the Museum of Latin American Art in Long Beach. She lives in Long Beach, where she teaches social studies to eighth-graders.

best accounting jokes: Laughter and Ridicule Michael Billig, 2005-10-03 From Thomas Hobbes' fear of the power of laughter to the compulsory, packaged fun of the contemporary mass media, Billig takes the reader on a stimulating tour of the strange world of humour. Both a significant work of scholarship and a novel contribution to the understanding of the humourous, this is a seriously engaging book' - David Inglis, University of Aberdeen This delightful book tackles the prevailing assumption that laughter and humour are inherently good. In developing a critique of humour the author proposes a social theory that places humour - in the form of ridicule - as central to social life. Billig argues that all cultures use ridicule as a disciplinary means to uphold norms of conduct and conventions of meaning. Historically, theories of humour reflect wider visions of politics, morality and aesthetics. For example, Bergson argued that humour contains an element of cruelty while Freud suggested that we deceive ourselves about the true nature of our laughter. Billig discusses these and other theories, while using the topic of humour to throw light on the perennial social problems of regulation, control and emancipation.

best accounting jokes: Social Science Research Anol Bhattacharjee, 2012-04-01 This book is designed to introduce doctoral and graduate students to the process of conducting scientific research in the social sciences, business, education, public health, and related disciplines. It is a one-stop, comprehensive, and compact source for foundational concepts in behavioral research, and can serve as a stand-alone text or as a supplement to research readings in any doctoral seminar or research methods class. This book is currently used as a research text at universities on six continents and will shortly be available in nine different languages.

best accounting jokes: You are Awful (but I Like You) Tim Moore, 2013 A hilarious account of an odyssey across 'unloved Britain'. It began with an accidental daytrip to an intriguingly awful resort on the Thames Estuary, and ended 3,812 miles later: one man's journey through deep-fried, brownfield, poundshop Britain, a crash course in urban blight, deranged civic planning and commercial eccentricity. Following an itinerary drawn up from surveys, polls, reviews and lazy personal prejudice, Tim Moore goes to all the places that nobody wants to go to -- the bleakest towns, the shonkiest hotels, the scariest pubs, the silliest sea zoos. He visits the grid reference

adjudged by the Ordnance Survey to be the least interesting point in Britain, and is chased out of the new town twice crowned Scotland's Most Dismal Place. His palate is flayed alive by horrific regional foodstuffs, his ears shrivelled by the 358 least loved tracks in the history of native popular music. With his progress entrusted to our motor industry's fittingly hopeless finale, he comes to learn that Britain seems very much larger when you're driving around it in a Bulgarian-built Austin Maestro. Yet as the soggy, decrepit quest unfolds, so it evolves into something much more stirring: a nostalgic celebration of our magnificent mercantile pomp, and an angry requiem for a golden age of cheerily homespun crap culture being swept aside by the faceless, soul-stripping forces of Tesco-town globalisation.

best accounting jokes: The Confetti Pact Michele Gorman, Lilly Bartlett, 2020-01-06 She needs a groom. He needs a Green Card... When rising social media star, Nelly, is left in the lurch with not just a wedding but also the country's biggest magazine feature on the line, she has no choice but to substitute one groom for another. Luckily, Rafael Moreno Cortes needs a visa, so they make a deal: act the perfect couple for as long as it takes to get them both what they want. The catch? Absolutely nobody can know the truth. With the magazine following their every move, Nelly's ex re-emerges with a change of heart just as her pretend feelings for Rafael start to be anything but pretend. What could possibly go wrong? Perfect for fans of Green Card, Christina Lauren and Jasmine Guillory! Simply perfect for a quiet evening romcom book sat on the sofa with a tub of ice cream. Nelly is hilarious! My Yorkshire Litmosphere, GoodreadsA quick, enjoyable read with plenty of warm fuzzies!! The story is engaging right from the start, the characters are charming, the dialogue is witty, and the fun doesn't stop till the very last page. Lisa, GoodreadsPacks so much heart into just a few pages Jenny, GoodreadsIt's like a happy Hallmark movie in book form. If you need something light and funny, this is a great book to pick up! 5* BookishbrookeishThis was a super fun read! Just the pick to help boost my mood and make me smile. Marti, goodreadsThere were times where I legit LOled! If you're into Sophia Kinsella, this is a book for you! SavbeebooksThis book is friggin' adorable Chandra, goodreadsIt's a quick read that left me happy! If you enjoy chick lit and romcoms like Sophie Kinsella or Jane Green then I really think you'd like this book! Nature.books.and.coffee

best accounting jokes: Math Jokes 4 Mathy Folks G. Patrick Vennebush, 2010 Professor and Mathemagician, Harvey Mudd College, Claremont, CA --

best accounting jokes: How Much Money Do I Need to Retire? Todd Tresidder, 2020-01-02 Learn how retirement really works before it's too late... This book is the best I've seen on how to navigate the retirement savings question. (Forbes) Most so-called experts plug your numbers into a retirement formula to tell you how much money you need to retire. Unfortunately, the conventional approach is fundamentally flawed. If you fail to learn how retirement savings truly works, then you'll either underspend and be miserable or overspend and run out of money. How Much Money Do I Need to Retire takes you beyond the scientific facade of modern retirement planning. Author and former hedge fund manager Todd R. Tresidder has helped thousands of people find financial freedom through his website and podcast. Now you too can use his advice to take the guesswork out of your retirement planning. In this book, you'll learn: Why the best way to describe most retirement estimates is garbage-in/garbage-out The five critical assumptions that can destroy your financial

security How to reduce the amount you need to retire by as much as \$600,000 Three strategies to maximize spending today while protecting for the future How to calculate the amount of money you really need to retire on the first try without software, online calculators, or being a math genius Read this book to know more about your retirement planning than your financial adviser. Tresidder's book contains refreshingly straightforward, easy-to-understand, and concise advice on how to retire wealthy. This missing link of personal finance books will make you sleep easier. No retirement is secure without it. Buy the book today so you can retire with confidence!

best accounting jokes: *The Return of the King* J. R. R. Tolkien, 2008 Fantasy fiction. The first ever illustrated paperback of part three of Tolkien's epic masterpiece, *The Lord of the Rings*, featuring 15 colour paintings by Alan Lee.

best accounting jokes: *The Producers* Mel Brooks, Tom Meehan, 2001-11-28 This is the laugh-out-loud story of two scheming men, Bialystock, a shady producer, and Bloom, his nervous accomplice. Together they come up with the ultimate con: raise more money than needed, produce a show that is bound to flop, and pocket the change. Of course, all best laid plans are subject to be mucked up.

best accounting jokes: *The Radical CPA* Jody Padar Cpa, 2015-01-14 *** Save! Get The Radical CPA direct from the publisher at <https://store.cpatrendlines.com/shop/radical/> *****
----- There are four characteristics of a radical CPA: -- 1. Their approach to technology. -- 2. Their use of social media. -- 3. Their understanding the relationship between pricing and value. -- 4. And their conviction that customer experience must drive a firm's internal processes. They Call Them The 'Radical' Practitioners There's an uprising of innovative CPAs in the accounting profession. This group created a new support community that is no longer driven by the establishment. The establishment can't control the conversation. In fact, they almost missed it. Now they endorse and support us. But it didn't begin with them. When Jody Padar first started doing this, she wasn't aware of anyone doing what she was doing. Then she went to Twitter. That's where she really met her peers. They were learning from each other from day one and that same community of support is still happening today. A radical practitioner is a person that calls upon himself and others to redefine their firms and their lives by moving away from the traditional firm business model. The term radical applies because what they are doing to their firms and indirectly to the profession is fundamental to its core. It's abrupt, disruptive, unexpected, and far reaching. They are shaking up the status quo. They are changing because their customers and the world are changing around us all. Some might also perceive radical to be a negative term. It's not. The movement is more likely following the happy expression, that's radical, dude. Everyone can learn and join the movement. The Radical CPA Community Is Here To Help You Be Radical, Too The best part about these radical professionals is that we believe in abundance. We promote and celebrate a new way of doing business and encourage the rest of the profession to move forward and change as a whole. *** Save! Buy direct from the publisher at <https://store.cpatrendlines.com/shop/radical/> ***** -----
