Bon Secours Wellness Arena Seating View: Your Guide to the Perfect Seat

Planning a trip to the Bon Secours Wellness Arena? Securing the perfect seat can make or break your experience. This comprehensive guide dives deep into the Bon Secours Wellness Arena seating view, offering detailed insights to help you choose the ideal location for your next concert, sporting event, or show. We'll cover everything from seat locations and views to accessibility options and tips for buying tickets, ensuring you have an unforgettable time. So, let's get started and find your perfect spot!

Understanding the Bon Secours Wellness Arena Layout

The Bon Secours Wellness Arena boasts a versatile design, capable of accommodating a wide range of events and audiences. Its seating chart, however, can initially appear complex. The arena's seating arrangement generally follows a standard multi-level configuration, encompassing:

Floor Seats: These coveted seats offer the closest proximity to the stage or playing area, providing an unparalleled, immersive experience. However, they often come at a premium price.

Lower Bowl: Located directly above the floor seats, the lower bowl provides excellent views, typically with minimal obstruction. These seats usually offer a good balance between proximity and affordability.

Upper Bowl: Situated on higher levels, the upper bowl seats are generally more affordable but may offer a slightly more distant perspective. However, with modern arena design, even upper-bowl seats often offer surprisingly clear views.

Suite Level: For a truly luxurious experience, the Bon Secours Wellness Arena offers various suites. These private areas provide premium seating, catering, and other exclusive amenities.

Bon Secours Wellness Arena Seating View: A Detailed Breakdown by Section

Analyzing the seating view requires understanding specific sections. Unfortunately, a generalized description isn't sufficient. The optimal view significantly depends on the specific event. A basketball game will have different ideal seating than a concert featuring a large stage setup. To get the best possible view for your chosen event, consider the following:

Check the Venue's Official Website: The official Bon Secours Wellness Arena website is your best resource. Their interactive seating charts often allow you to select a seat and view a simulated perspective from that location. This virtual view dramatically improves your decision-making process.

Utilize Ticket Reseller Websites: Many reputable ticket resale platforms offer detailed seat views. Look for images and videos showing the view from specific seats. Remember to be cautious and only use trusted platforms to avoid scams.

Read Reviews: Online reviews from past attendees can provide invaluable insights. Search for reviews referencing specific sections to get an understanding of the view quality from those areas.

Tips for Choosing the Best Bon Secours Wellness Arena Seats

Beyond the basic layout, several factors can influence your seating choice:

Your Budget: Floor seats offer the best view but come at a higher price. Upper-bowl seats are more affordable but offer a further perspective. Finding the right balance between view quality and cost is crucial.

Event Type: The ideal seating location depends on the event. For concerts, you might prefer center-stage views. For sporting events, sideline seats might offer a better angle to watch the action.

Personal Preferences: Some prefer a close-up, intimate experience, while others are comfortable with a slightly more distant view. Consider your own preferences and comfort levels when making your selection.

Accessibility Needs: The Bon Secours Wellness Arena offers various accessibility options, including wheelchair seating and companion seating. Check the venue's website for detailed information and to ensure you select suitable and accessible locations.

Beyond the Seats: Enhancing Your Bon Secours Wellness Arena Experience

Choosing the perfect seat is just the beginning. To enhance your experience, consider these factors:

Arrive Early: Beat the crowds and secure your spot, allowing ample time to explore the venue and grab refreshments before the event begins.

Check the Venue's Policies: Familiarize yourself with the arena's policies regarding bags, food, and beverages to avoid any surprises upon arrival.

Plan Transportation and Parking: Parking can be limited, especially for popular events. Plan your transportation and parking in advance to avoid delays.

Conclusion

Selecting the ideal seating for your Bon Secours Wellness Arena event is crucial for maximizing enjoyment. By understanding the arena's layout, utilizing available resources to visualize views, and considering your budget and personal preferences, you can ensure a memorable experience. Remember to use the venue's official website and reputable ticket resale sites to get the clearest picture of the seating options and choose the perfect spot for your next event!

FAQs

1. Are there obstructed views at the Bon Secours Wellness Arena? Yes, some seats, especially in certain upper-bowl sections, may have partially obstructed views. Check the interactive seating chart on the official website or a reputable ticket reseller for a clear view of potential obstructions.
1. Does the Bon Secours Wellness Arena offer wheelchair-accessible seating? Yes, the arena provides designated wheelchair-accessible seating areas. Details on accessibility and booking this seating are usually available on the venue's official website.
1. What is the best section for a concert at the Bon Secours Wellness Arena? The best section depends on the stage setup and your budget. Generally, center sections in the lower bowl offer excellent views, but floor seats provide the closest proximity. Consult the seating chart for your specific event.
1. How can I find reviews of specific seat locations? Search online for reviews mentioning the specific section or seat numbers you're considering. Websites like Yelp, Google Reviews, and dedicated concert/event review sites may offer valuable user insights.
1. Can I bring my own food and drinks into the Bon Secours Wellness Arena? The arena's policy on outside food and beverages varies depending on the event. Check the official website or your event ticket information for the specific regulations before your visit.

bon secours wellness arena seating view: Feel Your Way Through Kelsea Ballerini, 2021-11-16 NATIONAL BESTSELLER • The personal and poignant debut poetry collection from the award-winning singer, songwriter, and producer revolves around the emotions, struggles, and experiences of finding your voice and confidence as a woman. "I've realized that some feelings can't be turned into a song . . . so I've started writing poems. Just like my songs, they are personal and honest. Just like my songs, they have hooks and rhymes. Just like my songs, they talk about what it's like to be twenty-something trying to navigate a wildly beautiful and broken world." Deeply emotional and candid, *Feel Your Way Through* explores the challenges and celebrates the experiences faced by Kelsea Ballerini as she navigates the twists and turns of growing into a woman today. In this book of original poetry, Ballerini addresses themes of family, relationships, body image, self-love, sexuality, and the lessons of youth. Her poems speak to the often harsh, and sometimes beautiful, onset of womanhood. Honest, humble, and ultimately hopeful, this collection reveals a new dimension of Ballerini's artistry and talent.

bon secours wellness arena seating view: *Songs of America* Jon Meacham, Tim McGraw, 2019-06-11 NEW YORK TIMES BESTSELLER • A celebration of American history through the music that helped to shape a nation, by Pulitzer Prize winner Jon Meacham and music superstar Tim McGraw "Jon Meacham and Tim McGraw form an irresistible duo—connecting us to music as an unsung force in our nation's history."—Doris Kearns Goodwin Through all the years of strife and triumph, America has been shaped not just by our elected leaders and our formal politics but also by our music—by the lyrics, performers, and instrumentals that have helped to carry us through the dark days and to celebrate the bright ones. From "The Star-Spangled Banner" to "Born in the U.S.A.," Jon Meacham and Tim McGraw take readers on a moving and insightful journey through eras in American history and the songs and performers that inspired us. Meacham chronicles our history, exploring the stories behind the songs, and Tim McGraw reflects on them as an artist and performer. Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation. Beginning with the battle hymns of the revolution, and taking us through songs from the defining events of the Civil War, the fight for women's suffrage, the two world wars, the Great Depression, the civil rights movement, the Vietnam War, and into the twenty-first century, Meacham and McGraw explore the songs that defined generations, and the cultural and political climates that produced them. Readers will discover the power of music in the lives of figures such as Harriet Tubman, Franklin Roosevelt, Eleanor Roosevelt, and Martin Luther King, Jr., and will learn more about some of our most beloved musicians and performers, including Marian Anderson, Elvis Presley, Sam Cooke, Aretha Franklin, Bob Dylan, Duke Ellington, Carole King, Bruce Springsteen, and more. *Songs of America* explores both famous songs and lesser-known ones, expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as "My Country, 'Tis of Thee," "God Bless America," "Over There," "We Shall Overcome," and "Blowin' in the Wind." As Quincy Jones says, Meacham and McGraw have "convened a concert in *Songs of America*," one that reminds us of who we are, where we've been, and what we, at our best, can be.

bon secours wellness arena seating view: *The Frozen Hours* Jeff Shaara, 2018-05-22 NEW YORK TIMES BESTSELLER • The master of military historical fiction turns his discerning eye to the Korean War in this riveting novel, which tells the dramatic story of the Americans and the Chinese who squared off in one of the deadliest campaigns in the annals of combat: the Battle of Chosin Reservoir, also known as Frozen Chosin. June 1950. The North Korean army invades South Korea, intent on uniting the country under Communist rule. In response, the United States mobilizes a force to defend the overmatched South Korean troops, and together they drive the North Koreans back to their border with China. But several hundred thousand Chinese troops have entered Korea, laying massive traps for the Allies. In November 1950, the Chinese spring those traps. Allied forces, already battling stunningly cold weather, find themselves caught completely off guard as the Chinese advance around the Chosin Reservoir in North Korea. A force that once stood on the precipice of victory now finds itself on the brink of annihilation. Assured by General Douglas MacArthur that they would be home by Christmas, the soldiers and Marines fight for their lives against the most brutal weather conditions imaginable—and an enemy that outnumbers them more than six to one. *The Frozen Hours* tells the story of Frozen Chosin from multiple points of view: Oliver P. Smith, the commanding general of the American 1st Marine Division, who famously redefined retreat as “advancing in a different direction”; Marine Private Pete Riley, a World War II veteran who now faces the greatest fight of his life; and the Chinese commander Sung Shi-Lun, charged with destroying the Americans he has so completely surrounded, ever aware that above him, Chairman Mao Tse-Tung watches his every move. Written with the propulsive force Jeff Shaara brings to all his novels of combat and courage, *The Frozen Hours* transports us to the critical moment in the history of America’s “Forgotten War,” when the fate of the Korean peninsula lay in the hands of a brave band of brothers battling both the elements and a determined, implacable foe. “A military story as dramatic and heroic as any that exists.”—*The American Interest* “*The Frozen Hours* . . . illustrates again Shaara’s mastery. . . . This is fiction and history at their blended best.”—*Marine Corps Gazette* “Marvelously effective storytelling . . . that shows us what warfare feels like both to those who plan campaigns and those who execute them . . . gripping, precisely detailed historical fiction.”—Booklist (starred review)

bon secours wellness arena seating view: *Ireland and the Magdalene Laundries* Claire McGettrick, Katherine O'Donnell, Maeve O'Rourke, James M. Smith, Mari Steed, 2021-08-12

Between 1922 and 1996, over 10,000 girls and women were imprisoned in Magdalene Laundries, including those considered 'promiscuous', a burden to their families or the state, those who had been sexually abused or raised in the care of the Church and State, and unmarried mothers. These girls and women were subjected to forced labour as well as psychological and physical maltreatment. Using the Irish State's own report into the Magdalene institutions, as well as testimonies from survivors and independent witnesses, this book gives a detailed account of life behind the high walls of Ireland's Magdalene institutions. The book offers an overview of the social, cultural and political contexts of institutional survivor activism, the Irish State's response culminating in the McAleese Report, and the formation of the Justice for Magdalenes campaign, a volunteer-run survivor advocacy group. Ireland and the Magdalene Laundries documents the ongoing work carried out by the Justice for Magdalenes group in advancing public knowledge and research into Magdalene Laundries, and how the Irish State continues to evade its responsibilities not just to survivors of the Magdalenes but also in providing a truthful account of what happened. Drawing from a variety of primary sources, this book reveals the fundamental flaws in the state's investigation and how the treatment of the burials, exhumation and cremation of former Magdalene women remains a deeply troubling issue today, emblematic of the system of torture and studious official neglect in which the Magdalene women lived their lives. The Authors are donating all royalties in the name of the women who were held in the Magdalenes to EPIC (Empowering People in Care).

bon secours wellness arena seating view: *A Personal Stand* Trace Adkins, 2008-12-30

Country music superstar Trace Adkins isn't exactly known for holding back what's on his mind. And if the millions of albums he's sold are any indication, when Trace talks, people listen. Now, in *A Personal Stand*, Trace Adkins delivers his maverick manifesto on politics, personal responsibility, fame, parenting, being true to yourself, hard work, and the way things oughta be. In his inimitable pull-no-punches style, Trace gives us the state of the union as he sees it, from the lessons of his boyhood in small-town Louisiana to what he's learned headlining concerts around the world. Trace has worked oil rigs in the Gulf of Mexico, been shot in the heart, been inducted into the Grand Ole Opry, and braved perhaps the greatest challenge of all: being the father of five daughters. And shaped by these experiences, he's sounding off. • I'm incredibly frustrated with the state of American politics. If there were a viable third party, I'd seriously consider joining it. • If anybody wonders who the good guys are and who the bad guys are in this world, just look at the way we teach our children as opposed to the way the fundamentalist Muslims teach their children. •

Organized labor now exists for the sake of organized labor, and not for the workers it once protected. • I believe the easiest way to solve the illegal immigration enforcement problem is to go after the employers who hire illegal aliens. • As a society, we're unwilling to sacrifice our luxuries and our conveniences in order to conserve. We won't change until we're forced to. • The war on terror is like herpes. People can live with it, but it'll flare up from time to time. Brash, ballsy, persuasive, and controversial, *A Personal Stand* isn't just the story of Trace Adkins's life; it's the story of what life can teach all of us.

bon secours wellness arena seating view: Rhapsody in Blue George Gershwin, Herman Wasserman, 1994-11-02 To provide greater availability for a work of such importance, the original publishers secured from Gershwin a solo piano version wherein the orchestral parts are fused together with the solo piano part (PS0047). Due to concerns that the composer's arrangement presented too many technical demands to pianists not possessing the requisite technique, a modified arrangement was delicately solicited from pianists of the time. (Gershwin's untimely death precluded any modification from the composer himself.) Many attempts at technical modifications were rejected on ethical grounds until Herman Wasserman—who taught Gershwin to play the piano—submitted a manuscript which became this edition. Several prominent pianists who reviewed the score all attested to the amazing reduction in technical demands while retaining the clarity, sonority, and brilliance of the original. This edition is designed for Early Advanced pianists, although some sections, including the well-known Moderato middle section, are accessible to those performing at less-advanced levels.

bon secours wellness arena seating view: Find Your Path Carrie Underwood, 2020-03-03 Carrie Underwood's instant New York Times bestseller on honoring your body, fueling your soul, and getting strong—a great gift idea for fans of fitness and the megastar country singer. I want to be healthy and fit 52 weeks of the year, but that doesn't mean I have to be perfect every day. This philosophy is a year-round common-sense approach to health and fitness that involves doing your best most of the time—and by that I don't mean being naughty for three days and good for four. I mean doing your absolute best most of the time during every week, 52 weeks of the year.—Carrie Underwood Carrie Underwood believes that fitness is a lifelong journey. She wasn't born with the toned arms and strong legs that fans know her for. Like all of us, she has to work hard every day to look the way that she does! In *FIND YOUR PATH* she shares her secrets with readers, with the ultimate goal of being the strongest version of themselves, and looking as good as they feel. Carrie's book will share secrets for fitting diet and exercise into a packed routine—she's not only a multi-Platinum singer, she's a businesswoman and busy mom with two young children. Based on her own active lifestyle, diet, and workouts, *FIND YOUR PATH* is packed with meal plans, recipes, weekly workout programs, and guidelines for keeping a weekly food and workout journal. It also introduces readers to Carrie's signature Fit52 workout, which involves a deck of cards and exercises that can be done at home—and it sets her fans on a path to sustainable health and fitness for life. Fit52 begins with embracing the Pleasure Principle in eating, making healthy swaps in your favorite recipes, and embracing a long view approach to health—so that a cheat a day won't derail you. Throughout the book, Carrie shares her personal journey towards optimal health, from her passion for sports as a kid, to the pressure to look perfect and fit the mold as she launched her career after winning *American Idol*, to eventually discovering the importance of balance and the meaning of true health. For Carrie, being fit isn't about crash diets or a workout routine that you're going to dread. It's about healthy choices and simple meals that you can put together from the ingredients in your local grocery store, and making the time, every day, to move, to love your body, and to be the best version of yourself.

bon secours wellness arena seating view: The Palmetto State Jack Bass, W. Scott Poole, 2012-06-05 A concise approach to the major themes and events that define contemporary South Carolina The captivating, colorful, and controversial history of South Carolina continues to warrant fresh explorations. In this sweeping story of defining episodes in the state's history, accomplished historians Jack Bass and W. Scott Poole trace the importance of race relations, historical memory,

and cultural life in the progress of the Palmetto State from its colonial inception to the present day. In the discussion of contemporary South Carolina that makes up the majority of this volume, the authors map the ways through which hard-won economic and civil rights advancements, a succession of progressive state leaders, and federal court mandates operated in tandem to bring a largely peaceful end to the Jim Crow era in South Carolina, in stark contrast to the violence wrought elsewhere in the South. This volume speaks directly to the connections between the state's past, present, and future, and it serves as a valuable point of entrance for new inquiries into South Carolina's diverse and complex heritage.

bon secours wellness arena seating view: Bypass Joseph Anthony Amato, 2000 This inquiry into matters of heart, conducted under the shadows of pending surgery, awakens themes of boyhood, education, and marriage and prompt questions about loyalty to a deceased father, connections with immigrant grandparents, loss and rediscovery of faith, and solitude versus community. A medical narrative, the book also chronicles a span of contemporary American life. Throughout Amato's account, the consistent reminder of his upcoming bypass invites readers to reflect on their own lives and selves. This is an intelligent and witty guide to an immensely common operation that nevertheless for each patient constitutes a unique experience—a veritable rite of passage.

bon secours wellness arena seating view: Called Out Paula Faris, 2020-04-21 Too often we lean into the wrong things and burn out. We buy society's lie that our worth is our work, our value is our vocation, our calling is our career. Confusing what we do with who we are wreaks havoc on our bodies, our souls, and our relationships. Called Out is a deeply personal book from Paula Faris, the beloved on-air reporter for ABC News and former co-host of *The View*. She shares her journey through conquering fears that nearly kept her from the high-profile, high-stakes world of broadcast journalism, and then the dangers when that world threatened to consume her. She burned out and faced public humiliation, physical breakdowns, and family struggles. But along the way, she heard God gently calling her out of that dangerous place. As she struggled to find who she was outside of what she did, she discovered her true purpose and true calling. Today, she is the host of ABC's popular podcast *Journeys of Faith*. Written with passion and conviction, this book reflects on what it truly means to be called, how to move past the fear holding you back, and how to walk in God's path for you.

bon secours wellness arena seating view: New Kids on the Block Nikki Van Noy, 2012-10-02 An authorized biography of supergroup New Kids on the Block—tracking their rise, fall, and triumphant return as one of the biggest acts of all time (with a special focus on the fans who have supported them every step of the way). Jordan Knight, Jonathan Knight, Joey McIntyre, Donnie Wahlberg, and Danny Wood. They set the bar for every boy band that followed and changed the course of pop music forever. In the 1980s, for millions of young girls around the world, they were gods. But behind the scenes, they were just kids. In this authorized biography of the band, the New Kids tell it all to rock author Nikki Van Noy. “What distinguishes this from similar biographies is Van Noy’s inclusion of the voices of dozens of NKOTB fans both in the story itself—commenting on events from a fan’s perspective—and sharing personal tales of kindnesses shown by the band members at the end of each chapter” (*The Boston Globe*). With frankness and honesty, each New Kid recalls nearly thirty years of experience with the group, both on and off the stage. Like a time machine, this book will take you right back—giving you an inside look at the New Kids like you’ve never seen them before.

bon secours wellness arena seating view: Sisters of the Great War Suzanne Feldman, 2021-10-26 Inspired by real women, this powerful novel tells the story of two unconventional American sisters who volunteer at the front during World War I August 1914. While Europe enters a brutal conflict unlike any waged before, the Duncan household in Baltimore, Maryland, is the setting for a different struggle. Ruth and Elise Duncan long to escape the roles that society, and their

controlling father, demand they play. Together, the sisters volunteer for the war effort—Ruth as a nurse, Elise as a driver. Stationed at a makeshift hospital in Ypres, Belgium, Ruth soon confronts war's harshest lesson: not everyone can be saved. Rising above the appalling conditions, she seizes an opportunity to realize her dream to practice medicine as a doctor. Elise, an accomplished mechanic, finds purpose and an unexpected kinship within the all-female Ambulance Corps. Through bombings, heartache and loss, Ruth and Elise cherish an independence rarely granted to women, unaware that their greatest challenges are still to come. Illuminating the critical role women played in the Great War, this is a remarkable story of resilience, sacrifice and the bonds that can never be vanquished.

bon secours wellness arena seating view: *Easter Is Coming!* , 2019-02-01 Mommy and her little ones are settling in for story time, and this time it's the biblical story of Easter that she's telling. As the youngsters hear God's tale unfold with its sometimes somber notes about sin and death, they are softly and continually reminded, "But Easter is coming!" By the end of the book, the anticipation has built and the children can celebrate the ending and the glory of Easter Sunday. In a time when children's Easter excitement often focuses on only egg hunts and candy, this book offers a different—and true—reason for joy and expectancy. It's designed to be read and reread on the days leading up to Easter, telling the greatest story and building a sense of anticipation and celebration in little hearts. Go to bhkids.com to find this book's Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. We're all about connecting parents and kids to each other and to God's Word.

bon secours wellness arena seating view: *The Saints of Swallow Hill* Donna Everhart, 2022-01-25 Where the Crawdads Sing meets The Four Winds as award-winning author Donna Everhart's latest novel immerses readers in its unique setting—the turpentine camps and pine forests of the American South during the Great Depression. This captivating story of friendship, survival, and three vagabonds' intersecting lives will stay with readers long after turning the final page. It takes courage to save yourself... In the dense pine forests of North Carolina, turpentiners labor, hacking into tree trunks to draw out the sticky sap that gives the Tar Heel State its nickname, and hauling the resin to stills to be refined. Among them is Rae Lynn Cobb and her husband, Warren, who run a small turpentine farm together. Though the work is hard and often dangerous, Rae Lynn, who spent her childhood in an orphanage, is thankful for it--and for her kind if careless husband. When Warren falls victim to his own negligence, Rae Lynn undertakes a desperate act of mercy. To keep herself from jail, she disguises herself as a man named Ray and heads to the only place she can think of that might offer anonymity--a turpentine camp in Georgia named Swallow Hill. Swallow Hill is no easy haven. The camp is isolated and squalid, and commissary owner Otis Riddle takes out his frustrations on his browbeaten wife, Cornelia. Although Rae Lynn works tirelessly, she becomes a target for Crow, the ever-watchful woods rider who checks each laborer's tally. Delwood Reese, who's come to Swallow Hill hoping for his own redemption, offers Ray a small measure of protection, and is determined to improve their conditions. As Rae Lynn forges a deeper friendship with both Del and Cornelia, she begins to envision a path out of the camp. But she will have to come to terms with her past, with all its pain and beauty, before she can open herself to a new life and seize the chance to begin again. "Fans of Sarah Addison Allen won't be able to put it down."

bon secours wellness arena seating view: *Forging a Poison Prevention and Control System* Institute of Medicine, Board on Health Promotion and Disease Prevention, Committee on Poison Prevention and Control, 2004-09-16 Poisoning is a far more serious health problem in the U.S. than has generally been recognized. It is estimated that more than 4 million poisoning episodes occur annually, with approximately 300,000 cases leading to hospitalization. The field of poison prevention provides some of the most celebrated examples of successful public health interventions, yet surprisingly the current poison control system is little more than a loose network of poison control centers, poorly integrated into the larger spheres of public health. To increase their effectiveness, efforts to reduce poisoning need to be linked to a national agenda for public health promotion and injury prevention. Forging a Poison Prevention and Control System recommends a future poison control system with a strong public health infrastructure, a national system of regional poison control centers, federal funding to support core poison control activities, and a national poison information system to track major poisoning epidemics and possible acts of bioterrorism. This framework provides a complete system that could offer the best poison prevention and patient care services to meet the needs of the nation in the 21st century.

bon secours wellness arena seating view: *Carpenters* Mike Cidoni Lennox, Chris May, 2021-11-16 Introduction by Richard Carpenter The definitive biography of one of the most enduring and endeared recording artists in history—the Carpenters—is told for the first time from the perspective of Richard Carpenter, through more than 100 hours of exclusive interviews and some 200 photographs from Richard's personal archive, many never published. After becoming multimillion-selling, Grammy-winning superstars with their 1970 breakthrough hit (*They Long to Be*) *Close to You*, Richard and Karen Carpenter would win over millions of fans worldwide with a record-breaking string of hits including *We've Only Just Begun*, *Top of the World*, and *Yesterday Once More*. By 1975, success was taking its toll. Years of jam-packed work schedules, including hundreds of concert engagements, proved to be just too much for the Carpenters to keep the hits coming—and, ultimately, to keep the music playing at all. However, Richard and Karen never took their adoring public, or each other, for granted. In *Carpenters: The Musical Legacy*, Richard Carpenter tells his story for the first time. With candor, heart, and humor, he sheds new light on the Carpenters' trials and triumphs—work that remains the gold standard for melodic pop. This beautifully illustrated definitive biography, with exclusive interviews and never-before-seen photographs, is a must-have for any Carpenters fan.

Go-Go's were the first all-female rock group in history to write their own songs, play their own instruments, and reach the top of the Billboard charts with their #1 album, *Beauty and the Beat*. *Made In Hollywood* is drummer Gina Schock's personal account of the band, which includes a treasure trove of photographs and memorabilia collected over the course of her 40-year career. The Go-Go's debut album, *Beauty and the Beat*, rose to the top of the charts in 1981 and their hit songs *We Got the Beat*, *Our Lips Are Sealed*, "Vacation", and *Head Over Heels* (to name a few) served as a soundtrack to our lives in the '80s. Now, after the release of their Critics Choice Award-winning Showtime documentary, and in anticipation of their forthcoming induction into the Rock & Roll Hall of Fame and their 2021 West Coast shows, Gina takes fans behind the scenes for a rare look at her personal images documenting the band's wild journey to the heights of fame and stardom. Featuring posters, photographs, Polaroids, and other memorabilia from her archives, *Made In Hollywood* also includes stories from each member of the Go-Go's, along with other cultural luminaries like Kate Pierson, Jodie Foster, Dave Stewart, Martha Quinn, and Paul Reubens. With a style as bold and distinctive as any Go-Go's album, *Made In Hollywood* is the perfect tribute to one of the world's most iconic groups.
