Borrowed Answered Prayers: Finding Faith and Hope in Others' Blessings

Introduction:

Have you ever felt a deep longing for a specific blessing, a fervent prayer unanswered despite your unwavering faith? While we often focus on our own individual petitions to a higher power, a powerful and often overlooked source of strength and hope lies in recognizing and celebrating the answered prayers of others. This concept, which we'll explore as "borrowed answered prayers," offers a unique perspective on faith, resilience, and the interconnectedness of our spiritual journeys. This post delves into the profound spiritual and emotional benefits of drawing inspiration and hope from the blessings bestowed upon others, exploring how it can strengthen our own faith and navigate life's challenges. We'll examine practical ways to cultivate this approach and discover the transformative power of shared joy and spiritual community.

Understanding the Concept of "Borrowed Answered Prayers"

The phrase "borrowed answered prayers" doesn't imply taking credit for someone else's blessing. Instead, it refers to the act of finding strength, hope, and inspiration from the answered prayers of others. When we witness the positive outcomes of someone else's faith and perseverance, it can ignite our own hope and bolster our belief that miracles do happen. This isn't about envy or covetousness; it's about recognizing the universal nature of divine grace and the power of collective faith. Seeing a friend overcome a significant challenge through prayer, for instance, can instill a renewed sense of faith in our own ability to persevere through adversity.

The Spiritual and Emotional Benefits

Strengthened Faith: Witnessing answered prayers in the lives of others serves as tangible evidence of a responsive divine presence. It reinforces our belief in a higher power's ability to intervene and bring about positive change. This can be especially crucial during times of personal struggle when our own faith may feel tested.

Renewed Hope: When our own prayers seem unanswered, despair can easily set in. However, observing the blessings received by others can reignite our hope and remind us that miracles are possible. It's a powerful antidote to hopelessness and discouragement.

Increased Empathy and Compassion: Focusing on the answered prayers of others cultivates empathy and compassion. We begin to understand the struggles and triumphs of those around us on a deeper level, fostering stronger relationships and a more connected community.

Reduced Isolation: The feeling of isolation is common when facing challenging

circumstances. By sharing in the joy of others' answered prayers, we break down these barriers of isolation and find solace in shared experiences.

Enhanced Gratitude: Acknowledging and celebrating the answered prayers of others fosters an attitude of gratitude. We appreciate the blessings in our own lives and recognize the abundance of grace present in the world.

Practical Steps to Cultivate "Borrowed Answered Prayers"

Actively Listen to Others' Stories: Make a conscious effort to listen attentively when others share their stories of answered prayers. Pay attention to their faith and perseverance, and learn from their experiences.

Celebrate Others' Blessings: Express genuine joy and celebrate the blessings received by others. Your support can strengthen their faith and deepen your own connection with them.

Join a Supportive Community: Surround yourself with a community of faith where you can share your struggles and celebrate each other's victories. This creates a powerful network of support and shared hope.

Practice Gratitude: Regularly reflect on the blessings in your own life and express gratitude for them. This fosters a positive mindset and opens you up to receiving the inspiration from others' answered prayers.

Maintain a Positive Outlook: A positive outlook can enhance your ability to see and appreciate the blessings in the lives of others, even amidst your own challenges.

Overcoming Potential Challenges

It's important to acknowledge that the concept of "borrowed answered prayers" can be challenging for some. Feelings of envy or inadequacy might arise. To navigate this, remember:

It's not about comparison: The goal is not to compare your blessings to others', but to find inspiration and hope in their journeys.

Focus on gratitude: Cultivating gratitude for your own blessings, however small, helps alleviate feelings of inadequacy.

Seek guidance: If you struggle with these feelings, consider seeking guidance from a spiritual advisor or counselor.

Prose that makes the heart sing and the narrative fly. —The New York Times Book Review Tracing the career of a writer of uncertain parentage and omnivorous erotic tastes, Answered Prayers careens from a louche bar in Tangiers to a banquette at La Côte Basque, from literary salons to high-priced whorehouses. It takes in calculating beauties and sadistic husbands along with such real-life supporting characters as Colette, the Duchess of Windsor, Montgomery Clift, and Tallulah Bankhead. Above all, this malevolently finny book displays Capote at his most relentlessly observant and murderously witty.

borrow answered prayers: 100% Answered Prayer Francis Jonah, 2019-12-04 The master key to answered prayer has nothing to do with the prayer itself Prayer is not mysterious. It was not meant to be. Prayer is not man disturbing God. It is rather God disturbing man. Prayer is actually God calling man to come to Him. Prayer is abundance calling lack. Prayer is supply calling demand. Prayer is plenty calling few. Prayer is divinity calling humanity. It is strength calling weakness. Look at the verse below carefully: Jer 33:3 Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not. Jeremiah 33:3 The verse is clear with no ambiguity. God says we should call unto him. Who is asking who to call? Yes, you are right. God is asking us to call unto Him. That is God disturbing us to pray. He wants us to pray. He wants us to commune with Him. He wants to do things for us and with us. He is only limited because we are not praying. I understand His frustration. When you have 500 million cars and no one is asking you for just one, it becomes a thing of frustration to you. You want to bless people because it is too much for one person. It is the same with God. He is too loaded. His promise when we call unto Him is simple. He says He will answer

us. God is more willing to give to us than we are willing to receive from Him. That is what makes Him a generous God. Jas 1:5 If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. James 1:5 He gives liberally, he gives generously. If He is your God, you have all the confidence to approach Him. This book will make you a master in receiving 100% answers to prayer. It is sure to cause a revolution

In this latest masterpiece from bestselling author, Daniel Okpara, you'll discover that most of your prayers have been answered. Most times what you need is to listen. That's how to turn your prayer points into visible answers. He says: My life changed completely when I stopped seeing God as the one responsible for my unanswered prayers. I learned that all my prayers are quickly turned from praying to manifestation when I listen and receive instruction than when I continue to beg and wait. Listening in the place of prayer is the most powerful way to receive answers to your prayers. Fortunately, listening is not rocket science. Everyone can listen when they pray and, in turn, receive the answers to their prayers. In this book, you will learn from true-life stories that this is the greatest mystery of receiving answers not often practised by many of us in prayers. This mystery is responsible for why we spend months and years praying, and it would seem as if God is not answering our prayers. And when you master this mystery and listen more in prayers, you will begin to pray... => Prayers that work, => Prayers that move mountains, => Prayers that heal the sick, => Prayers that rout demons and obtain breakthrough, => Prayers that command financial blessing, => And lots more. Your life will not remain the same again.

New York Times bestselling author Laurence Leamer reveals the complex web of relationships and scandalous true stories behind Truman Capote's never-published final novel, *Answered Prayers*—the dark secrets, tragic glamour, and Capote's ultimate betrayal of the group of female friends he called his swans. There are certain women, Truman Capote wrote, who, though perhaps not born rich, are born to be rich. Barbara Babe Paley, Gloria Guinness, Marella Agnelli, Slim Hayward, Pamela Churchill, C. Z. Guest, Lee Radziwill (Jackie Kennedy's sister)—they were the toast of midcentury New York. Capote befriended them, received their deepest confidences, and ingratiated himself into their lives. Then, in one fell swoop, he betrayed them in the most surprising and shocking way possible. Bestselling biographer Laurence Leamer delves into the years following the acclaimed publication of *Breakfast at Tiffany's* in 1958 and *In Cold Blood* in 1966, when Capote struggled with a crippling case of writer's block. While enjoying all the fruits of his success, he was struck with an idea for what he was sure would be his most celebrated novel...one based on the remarkable, racy lives of his very, very rich friends. For years, Capote attempted to write what he believed would have been his magnum opus, *Answered Prayers*. But when he eventually published a few chapters in *Esquire*, the thinly fictionalized lives (and scandals) of his swans were laid bare for all to see, and he was banished from their high-society world forever. Laurence Leamer recreates the lives of these fascinating women, their friendships with Capote and one another, and the doomed quest to write what could have been one of the

greatest novels of the twentieth century.

borrow answered prayers: E. M. Bounds on Prayer E. M. Bounds, 2006 Methodist minister and Civil War chaplain Edward McKendree Bounds (1835-1913) considered conversation with God as fundamentally vital to the Christian's life as physical breath. He devoted the last 17 years of his life to intense intercession and to penning some of the most perennially popular works about prayer. This attractive volume features the very best of his beloved writings. God shapes the world by prayer. Prayers are deathless. The lips that uttered them may be closed in death, the heart that felt them may have ceased to beat, but the prayers live before God, and God's heart is set on them and prayers outlive the lives of those who uttered them; they outlive a generation, outlive an age, outlive a world. --from E.M. borrow answered prayers: CONDITIONS FOR ANSWERED PRAYERS GODSWORD GODSWILL ONU, 2015-03-31 God wants to answer our prayers, because He loves us and wants to bless us and meet us at the points of our needs. For everyone who asks receives, and he who seeks finds, and to him who knocks it will be opened (Matt. 7:7-8). But are there some things which are required from us in order to have our prayers answered and our requests met? We will see the answer to this question in this book.

borrow answered prayers: Keys to Answered Prayers Jemima Alara, 2014-08-15 Prayer is a two way communication between man and God. Christians commune with God through Prayer, but most Christians complain that they don't receive answers to their prayers. The *KEY TO ANSWERED PRAYERS* is very simple and it has only one name, it is called *COMMUNICATION*. It is not your length of prayers that matters, what matters is are you communicating? Imagine picking up your cell

phone to make a call, the only way for you to be able to communicate with the person on the other side is to ensure that you have a dialing tone, and that there is a communication link available, to signify you have access to the receiver, without these in place you can't communicate nor even get a response. In this book you will learn the art of effective communication, the proper channel to link heaven directly and get rapid answers to your prayers. You will also learn how to walk under an open heavens every second, every minute, every hour, 24 hours a day, 365 days a year and continually till Jesus comes.

borrow answered prayers: *The Daniel Prayer* Anne Graham Lotz, 2016-05-19 Many people today find that their prayers don't 'work'. And like a broken phone or TV remote, they throw prayer out as unnecessary 'clutter' in their busy lives. Anne Graham Lotz has found that while prayer does work, sometimes the 'pray-ers' don't. So she has turned to the prophet Daniel for help. The Daniel Prayer is born deep within your soul, erupts through your heart, and pours out on your lips - words created by and infused with the Spirit of God, quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure, sometimes heartache or grief. It can be triggered by a sudden revelation of hope: an answer to prayer, a promise freshly received, a miracle that lies just over the horizon... This book will help you to pray - effectively - for your nation, for your family, and for yourself. In it, Anne answers such questions as... Does God only hear the prayers of good people? How do I know the God to whom I pray will listen? How do I know God cares about my prayer? How do I know God will answer my prayer? Why should I pray at all? Does it matter where I am when I pray? Are words in prayer all that matter, or does my attitude affect prayer? And most crucial of all - what difference does my prayer actually make? Join Anne in a thrilling discovery of prayer that really works.

borrow answered prayers: *Prayers God Always Answers* Nancy Kennedy, 2011-05-18 I have a secret prayer, confesses humorist Nancy Kennedy. Every night before I go to sleep, I pray that I will wake up with a body like Cindy Crawford's...that the pile of Hershey kisses I ate won't go directly to my thighs...that one day someone will push a refrigerator-size check in my face and say, 'You've just won 11 million dollars!' But Kennedy has also prayed for nobler things - like patience, strength, and a deeper trust in God. But, as she's found, prayers are not always answered in the way one expects. Like many others, she has wondered: Why do I sometimes get immediate answers to my prayers, completely unexpected answers to others, and occasionally no answer at all? What can I legitimately pray for, according to the Bible? Will God respond to my prayers if I lack faith that He'll

answer? Does God even need my prayers, since He must know what He wants to do already? With lighthearted humor and godly wisdom, Nancy Kennedy explores readers' most burning questions about prayer, solving a great deal of the mystery through an examination of those wonderful prayers God always answers: ones that lovingly conform us to the image of Christ.
