- a. Round Face
- b. Oval Face
- c. Square Face
- d. Long Face

V. Essential Grooming Tips for Business Professionals:

- a. Hair Product Selection

- b. Regular Trims
- c. Maintaining Cleanliness

Explanatory Sentences:

I. Classic & Timeless Business Hairstyles:

The Side Part offers a sophisticated and versatile look, easily adaptable to different hair lengths and textures.

This classic style projects an air of professionalism and refinement, suitable for various workplace environments.

The Undercut combines a short, clean-cut sides with longer hair on top, offering a balance between formality and contemporary style.

The contrast in lengths creates a visually interesting look, ideal for those seeking a modern yet professional edge.

The Comb Over, when styled correctly, can be a surprisingly stylish and professional option, particularly for those with thinning hair.

The key is to ensure it looks natural and well-groomed, avoiding a dated or artificial appearance.

The Slick Back offers a sleek and polished appearance, perfect for formal settings and events.

This style requires a strong hold product and often works best with thicker hair types.

II. Modern & Stylish Business Hairstyles:

The Textured Crop provides a low-maintenance yet stylish option, characterized by its short, textured top and tapered sides.

This versatile cut is suitable for most hair types and offers a modern twist on a classic look.

The Quiff, a voluminous style with height on top, offers a touch of personality while still maintaining a professional demeanor.

It's important to ensure the volume is controlled and not overly exaggerated for a business setting.

The Pompadour, a bold and stylish choice, involves a high volume of hair swept back from the forehead.

While this style can be more daring, it can still work in professional contexts depending on the company culture and personal styling.

Fade Variations (High, Mid, Low) can significantly alter the overall look of any hairstyle.

A high fade offers a more modern and edgy look, while a low fade provides a more subtle and conservative style.

III. Hair Type Considerations:

Fine Hair benefits from shorter cuts and texturizing products to create volume and avoid a limp appearance.

Avoid styles that require excessive length or weight, as these can flatten fine hair.

Thick Hair can be styled in a variety of ways, from classic cuts to more modern styles with volume and texture.

Regular trimming and the use of appropriate styling products are crucial to manage thick hair effectively.

Curly Hair requires careful consideration of length and styling products to avoid frizz and maintain a neat, professional appearance.

Products designed for curly hair are essential to define curls and control volume.

IV. Face Shape Considerations:

Round Faces benefit from hairstyles that add height and length to create a more defined look.

Styles with volume on top and tapered sides are generally flattering for round faces.

Oval Faces are versatile and can accommodate a wide range of hairstyles.

This face shape offers more flexibility in styling choices.

Square Faces benefit from hairstyles that soften the strong angles of the jawline.

Styles with softer layers and less structured lines can create a more balanced appearance.

Long Faces can be balanced with styles that add width and volume on the sides.

Avoid styles that make the face appear even longer; instead, opt for styles that add volume at the sides.

V. Essential Grooming Tips for Business Professionals:

Hair Product Selection is crucial to achieve the desired style and hold.

Choose products suitable for your hair type and the desired level of hold and shine.

Regular Trims are essential to maintain a neat and professional appearance.

Regular visits to a barber will help prevent split ends and maintain the shape of your hairstyle.

Maintaining Cleanliness is paramount to projecting a professional image.

Ensure hair is always clean and well-groomed, avoiding unkempt or greasy appearances.

Conclusion:

Choosing the right business hairstyle is a crucial aspect of professional image management. By considering your hair type, face shape, and workplace environment, you can select a style that enhances your appearance and projects confidence. Whether opting for a classic or modern style, remember that proper grooming and regular maintenance are essential for maintaining a consistently polished look. Investing time and effort in your hairstyle will contribute positively to your overall professional presentation and success.

Frequently Asked Questions (FAQs):

Q: How often should I get a haircut for a business hairstyle? A: Ideally, aim for a haircut every 3-4 weeks to maintain your style and prevent unkempt growth.

Q: What are some good hair products for business hairstyles? A: The best products depend on your hair type, but pomades, clays, and gels are popular choices for many styles.

Q: Can I have a beard with a business hairstyle? A: Absolutely! A well-groomed beard can complement many business hairstyles, creating a sophisticated and stylish look.

Q: What if my hair is thinning? A: Choose shorter styles that don't draw attention to thinning areas. A comb-over, when styled correctly, can be an effective solution. Consider consulting a stylist for personalized advice.

Q: How do I find a good barber for business hairstyles? A: Look for barbers with experience in classic and modern men's cuts. Check online reviews and portfolios to see their work.

business hairstyles for men: The Men's Hair Book Rogelio Samson, 2013-04-04 The Men's Hair Book: A Male's Guide To Hair Care, Hair Styles, Hair Grooming, Hair Products and Rocking It All Without The Baloney is exactly what it says in the title. Written by popular men's hair expert Rogelio Samson, The Men's Hair Book gives the modern male an in-depth blueprint to getting his hair looking as he wants it to look without the baloney that abounds the men's hair field. The Men's Hair Book: A Male's Guide To Hair Care, Hair Styles, Hair Grooming, Hair Products and Rocking It All Without The Baloney is based on Rogelio's hair-management equation: a pioneering system that optimizes the profiling, grooming, styling and caring of your hair so as to yield the overall solution of great-looking, convenient hair. The hair-management equation covers and optimizes everything that has to do with having hair that you can finally be happy with, and this system serves as the backbone of The Men's Hair Book and Rogelio's goal of spreading the word so as to have men worldwide carrying their hair with pride and in a self-actualizing manner. What's more is that The Men's Hair Book is related to the real world through barbershop case studies in every chapter so that you are able to relate your newly-acquired knowledge to the practical side of male hair care. This is what you will find in the 240+ pages of The Men's Hair Book: - A hair-profiling system that puts your hair into a type and length category and that also measures how much your hair may curl, altogether creating your particular hair ID. - The Norwood male-balding classification explained in detail so

that you can identify any current or future hair loss you may suffer. - Rogelio's popular hair-grooming method, including his No Shampoo method and his Sebum Coating method. - All about cleaning your hair, from how to use shampoo to cleaning your hair without shampoo and via natural alternatives. - All about conditioners and how to make the most of the sebum you secrete (yes, your hair follicles secrete sebum!). - A full analysis of all hair products and how to select the appropriate ones according to your unique hair ID. - An in-depth coverage of how to style your hair, including the relevant hairstyles that suit your hair ID. - The correct methods to optimally using hair dryers and hair straighteners as a male without frying your hair. - Guidelines for growing your hair long and working out how long your hair will take to reach certain lengths and hairstyles. - A guide on how to shop for the correct barber or hairdresser. - A plan of action that has you seeing the optimizing of your hair as a journey that follows an optimal and efficient order and that is made up of a set of steps and actions to be implemented. - A big list of busted myths that will not only be extremely helpful for your hair-optimizing efforts but will also be great for bar talk! - The last chapter contains 36 miscellaneous questions that Rogelio has answered in depth so as to bulletproof your journey. - An appendix section with 29 visual references used throughout the book. - Every chapter is neatly summarized at the end with a Conclusion section to ensure that you have picked all the important knowledge taught in the chapter. - Each chapter is ended with a real-life case study that has occurred in a professional barbershop and that is related to the lesson learnt in the given chapter. The Men's Hair Book is of great use and benefit for: - Men who want to finally master their hair and stop wasting time with Mickey-Mouse stuff. - Men who want to stop wasting money on their hair and want their hair to become economically viable. - Men desiring to spice up their image and improve their self-esteem. - Men with sons who need help managing and embracing their hair. The same applies for any other male family members who need a solution for their hair.

business hairstyles for men: The Unspoken Rules Gorick Ng, 2021-04-27 Named one of 10 Best New Management Books for 2022 by Thinkers50 A Wall Street Journal Bestseller ...this guide provides readers with much more than just early careers advice; it can help everyone from interns to CEOs. — a Financial Times top title You've landed a job. Now what? No one tells you how to navigate your first day in a new role. No one tells you how to take ownership, manage expectations, or handle workplace politics. No one tells you how to get promoted. The answers to these professional unknowns lie in the unspoken rules—the certain ways of doing things that managers expect but don't explain and that top performers do but don't realize. The problem is, these rules aren't taught in school. Instead, they get passed down over dinner or from mentor to mentee, making for an unlevel playing field, with the insiders getting ahead and the outsiders stumbling along through trial and error. Until now. In this practical guide, Gorick Ng, a first-generation college student and Harvard career adviser, demystifies the unspoken rules of work. Ng distills the wisdom he has gathered from over five hundred interviews with professionals across industries and job types about the biggest mistakes people make at work. Loaded with frameworks, checklists, and talking points, the book provides concrete strategies you can apply immediately to your own situation and will help you navigate inevitable questions, such as: How do I manage my time in the face of conflicting priorities? How do I build relationships when I'm working remotely? How do I ask for help without looking incompetent or lazy? The Unspoken Rules is the only book you need to perform your best, stand out from your peers, and set yourself up for a fulfilling career.

business hairstyles for men: Getting Naked Patrick M. Lencioni, 2010-02-02 Another extraordinary business fable from the New York Times bestselling author Patrick Lencioni Written in the same dynamic style as his previous bestsellers including The Five Dysfunctions of a Team, Lencioni illustrates the principles of inspiring client loyalty through a fascinating business fable. He explains the theory of vulnerability in depth and presents concrete steps for putting it to work in any

organization. The story follows a small consulting firm, Lighthouse Partners, which often beats out big-name competitors for top clients. One such competitor buys out Lighthouse and learns important lessons about what it means to provide value to its clients. Offers a key resource for gaining competitive advantage in tough times Shows why the quality of vulnerability is so important in business Includes ideas for inspiring customer and client loyalty Written by the highly successful consultant and business writer Patrick Lencioni This new book in the popular Lencioni series shows what it takes to gain a real and lasting competitive edge.

business hairstyles for men: *Of Beards and Men* Christopher Oldstone-Moore, 2015-12-02 Beards—they're all the rage these days. Take a look around: from hip urbanites to rustic outdoorsmen, well-groomed metrosexuals to post-season hockey players, facial hair is everywhere. The New York Times traces this hairy trend to Big Apple hipsters circa 2005 and reports that today some New Yorkers pay thousands of dollars for facial hair transplants to disguise patchy, juvenile beards. And in 2014, blogger Nicki Daniels excoriated bearded hipsters for turning a symbol of manliness and power into a flimsy fashion statement. The beard, she said, has turned into the padded bra of masculinity. *Of Beards and Men* makes the case that today's bearded renaissance is part of a centuries-long cycle in which facial hairstyles have varied in response to changing ideals of masculinity. Christopher Oldstone-Moore explains that the clean-shaven face has been the default style throughout Western history—see Alexander the Great's beardless face, for example, as the Greek heroic ideal. But the primacy of razors has been challenged over the years by four great bearded movements, beginning with Hadrian in the second century and stretching to today's bristled resurgence. The clean-shaven face today, Oldstone-Moore says, has come to signify a virtuous and sociable man, whereas the beard marks someone as self-reliant and unconventional. History, then, has established specific meanings for facial hair, which both inspire and constrain a man's choices in how he presents himself to the world. This fascinating and erudite history of facial hair cracks the masculine hair code, shedding light on the choices men make as they shape the hair on their faces. Oldstone-Moore adeptly lays to rest common misperceptions about beards and vividly illustrates the connection between grooming, identity, culture, and masculinity. To a surprising degree, we find, the history of men is written on their faces.

business hairstyles for men: *Going Gray* Anne Kreamer, 2007-09-10 Anne Kreamer considered herself a youthful 49 until a photo of herself with her teenage daughter stopped her in her tracks. In one unguarded moment she saw herself for what she really was -- a middle-aged woman with her hair dyed much too harshly. In that one moment Kreamer realized that she wasn't fooling anyone about her age and decided it was time to get real and embrace a more authentic life. She set out for herself a program to let her hair become its true color, and along the way discovered her true self. *Going Gray* is Kreamer's exploration of that experience, and a frank, warm and funny investigation of aging as a female obsession. Through interviews, field experiments, and her own everywoman's chronicle, Kreamer probes the issues behind two of the biggest fears aging women face: Can I be sexually attractive as a gray-haired, middle-aged woman? Will I be discriminated against in the work world? Her answers will surprise you. In searching for the balance between attractiveness and authenticity, Kreamer's journey of middle-aging illuminates in a friendly, useful, and entertaining way the politics and personal costs of this generation's definition of aging gracefully.

business hairstyles for men: *Haircutting For Dummies* Jeryl E. Spear, 2011-03-10 A little off the top? Want to cut hair but think you don't have the talent? If you've ever dreamed of becoming a painter, a sculptor, or a home decorator, you can cut hair. If you love sewing, drawing, or craft projects, you can cut hair. This book is designed to help you discover your inner artist, easily enhancing your loved one's hairstyles while trimming big bucks off your family budget. *Haircutting For Dummies* is for people who want to cut their family and friends' hair, as well as those who are entering the field of cosmetology. Cutting hair at home will allow you to save money, be creative, and do something nice for your loved ones. If you're looking to become a licensed stylist, this book will show you how to do simple trims and styles while giving your own creativity room to roam. You'll see how to: Prepare men's and women's hair for cutting Create short, mid-length, and long

styles Choose and care for your cutting tools Apply advanced haircutting techniques Seek a career in cutting hair In this easy-to-follow guide, you'll find step-by-step instructions for the latest short, medium, and long hairstyles as well as more involved techniques such as notching and texturing. You get plenty of expert advice in using your tools, following lengths and angles, and creating show-stopping styles, as well as proven guidance in how to: Cut and style straight, curly, or kinky hair Give the perfect shampoo Judge the texture, strength, and health of hair Handle bangs, layers, and sliced hair Use a blow dryer, curling iron, and flat iron Pump up the volume and fight the frizzies Win your family's and friends' haircutting trust Featuring detailed illustrations and model shots, tips on maintaining your own haircut between salon appointments, and special advice on cutting children's hair, *Haircutting For Dummies* will have you achieving salon- or barbershop-quality results on all types of hair!

business hairstyles for men: *Bad Hair* James Innes-Smith, Henrietta Webb, 2002-11-20 Men's and women's hairstyles from the 1970s, so bad you can't look away. Cf. dust jacket.

business hairstyles for men: *Hair's How* Hair's How, 2008-07-17 Text in English, Spanish & French. This men's resource book features 170 of the season's hottest commercial cuts created by many industry greats.

business hairstyles for men: *Social Q's* Philip Galanes, 2012-11-27 A series of whimsical essays by the New York Times Social Q's columnist provides modern advice on navigating today's murky moral waters, sharing recommendations for such everyday situations as texting on the bus to splitting a dinner check.

business hairstyles for men: *My Eighth Grade Almost Romance* K. Tibbetts, 2017-08-27 While comparing class schedules on the first day of school with her friend Will, Elle is distracted by Nate, a new boy at school. But as atypical eighth grader, she lacks the confidence to talk to the object of her crush. To top it off, the memories of being teased as a Kindergartener, and the secret she's been keeping since then, make her even more nervous as she starts the new school year. Nate's parents' recent divorce turns his life upside down. He's got a new home, a new school, and a new friend. Plus, he's trying to keep up with his school work while helping to take care of his younger brother. When he meets Elle, the shy boy doesn't have the courage to tell her how he feels. Throughout the school year, the pair become friendly, despite a series of mishaps and misunderstandings. But their relationship stalls until Will intervenes. Will one of them finally take a chance on romance before the year is over? *My Eighth Grade (almost) Romance* is told in alternating chapters by Elle and Nate themselves. Recommended for ages 9 to 12.

business hairstyles for men: *The Creative Process* Arthur Asa Berger, 2021-09-16 This fascinating and highly readable book, illustrated with many drawings by the author, uses semiotics, psychoanalytic theory, Marxist theory, and sociological theory to analyze creativity. It also includes short "inserts" by a communications scholar, a psychiatrist, a psychoanalyst, a semiotician, a humor scholar, and a media scholar offering their perspectives on the subject. The book relates creativity to humor, deals with the way Freud's and Marx's ideas can be applied to humor, and discusses many aspects of everyday life such as smart speakers, TikTok, hairstyles, bagels, and personal taste. It argues that creativity is not limited to a small number of people in the arts, but that everyone is, to varying degrees, creative. An unusual feature of the book is that it offers notes from the author's journal to show his thinking processes in writing the book.

business hairstyles for men: *The Barber Book* Phaidon Press, 2016-03-21 A fun and instructive guide to the most popular men's hairstyles of the 20th century *The Barber Book* is a fun guide to the most popular men's hairstyles of the 20th century, including quirky line drawings to achieve the 'total look' and instructions on how to cut each style. Packed with information this smart handbook uses quirky illustrations and vintage photographs to explore the most popular hairstyles of the 20th century from the undercut and the afro to the classic Madison Avenue look. With a focus on personalities, culture and fashions and cultural events that inspired each look, the book opens with an illustrated introduction exploring the most popular styles of the 1940s, 50s and 60s through archival photography. The book includes a brand new directory of the world's finest barber shops.

business hairstyles for men: Drinking Coffee Elsewhere ZZ Packer, 2004-02-03 The acclaimed debut short story collection that introduced the world to an arresting and unforgettable new voice in fiction, from multi-award winning author ZZ Packer Her impressive range and talent are abundantly evident: Packer dazzles with her command of language, surprising and delighting us with unexpected turns and indelible images, as she takes us into the lives of characters on the periphery, unsure of where they belong. We meet a Brownie troop of black girls who are confronted with a troop of white girls; a young man who goes with his father to the Million Man March and must decide where his allegiance lies; an international group of drifters in Japan, who are starving, unable to find work; a girl in a Baltimore ghetto who has dreams of the larger world she has seen only on the screens in the television store nearby, where the Lithuanian shopkeeper holds out hope for attaining his own American Dream. With penetrating insight, ZZ Packer helps us see the world with a clearer vision. Fresh, versatile, and captivating, *Drinking Coffee Elsewhere* is a striking and unforgettable collection, sure to stand out among the contemporary canon of fiction.

business hairstyles for men: PRESENCE, PROFICIENT, PROFESSIONAL Agnes Koh, 2014-05 Enhancing Professional Effectiveness provides tips and important concepts on contemporary business image, etiquette and wellness. Hone your inner awareness on your professional image grooming, predict business faux pas and build and maintain platonic relationships. Apply appropriate power and influence positive impression in this book. Package yourself and communicate your credible, authentic and presence to achieve a total well being from inside-out.

business hairstyles for men: The Signifying Self Arthur Asa Berger, 2024-10-21 The Signifying Self is a study in people watching. It uses semiotics, psychoanalytic theory and sociological perspectives to consider how people present themselves to the world and are assessed by those watching them. It deals with people's physical attributes, such as their age, teeth, bodies and the brands of things they wear and use to suggest how those watching them make decisions about them.

business hairstyles for men: Do Bald Men Get Half-price Haircuts? Vince Staten, 2001 And the enthusiasm of a barbershop connoisseur, Staten captures a world, both intimate and universal, that nearly every American man grew up with.

business hairstyles for men: USA Pop Arthur Asa Berger, 2020-09-23 This book, written in an accessible style and illustrated with drawings by the author and numerous photographs, uses semiotics, psychoanalytic theory, and other cultural studies disciplines to analyze pop culture and everyday life in America. Each chapter contains numerous quotations of interest from writers and thinkers of all kinds, giving the book a documentary quality. Among the topics discussed are the social, psychological, and cultural significance of blue jeans, women's handbags, hairstyles, hip hop fashion, nudism, wrestling, Donald Duck, and many other aspects of popular culture and everyday life in America. The book will be of use as a secondary text for courses in pop culture, cultural studies, fashion studies, American culture and society, material culture, and, since it is written in a lively and entertaining style, for the general reader.

business hairstyles for men: Searching for a Self: Identity in Popular Culture, Media and Society Arthur Asa Berger, 2022-03-22 How do people turn out the way they do? How do they "arrive" at themselves and attain an identity? How are our identities affected by our birth order, our hair color, how tall or short we are, our intelligence, our occupation, our race, our religion, our nationality, the socio-economic level of our parents (or our being raised in a single-parent family), where we are born and where we grow up, the language we learn, the way we use language, our fashion tastes, our gender, our education, our psychological makeup, chance experiences we have, the people we marry (if we marry), and countless other factors? There are numerous matters to consider when dealing with identity, which, as Nigel Denis, the author of 'Cards of Identity', reminds us, "is the answer to everything." 'Searching for a Self' takes a deep dive into the question of identity formation from various perspectives; it is written in a reader-friendly accessible style and makes use of insightful quotations from seminal thinkers who have dealt with the topic. Split into two parts, the first "Theories of Identity," offers evaluations of identity from semioticians, psychologists,

sociologists and Marxists while the second, "Applications," offers case studies on topics such as Russian identity, Donald Trump's identity, fashion and identity, LGBTQIA+ identity, Orthodox Jewish identity, elite university education and identity, tattoos and identity, travel and identity, and politics and identity. Covering a wide array of subject areas, this book will be a valuable resource for undergraduate students taking courses in identity, sociology, psychology, cultural studies, and other related fields.

business hairstyles for men: Global Business Regulation John Braithwaite, Peter Drahos, 2000-02-13 How has the regulation of business shifted from national to global institutions? What are the mechanisms of globalization? Who are the key actors? What of democratic sovereignty? In which cases has globalization been successfully resisted? These questions are confronted across an amazing sweep of the critical areas of business regulation--from contract, intellectual property and corporations law, to trade, telecommunications, labor standards, drugs, food, transport and environment. This book examines the role played by global institutions such as the World Trade Organization, World Health Organization, the OECD, IMF, Moodys and the World Bank, as well as various NGOs and significant individuals. Incorporating both history and analysis, Global Business Regulation will become the standard reference for readers in business, law, politics, and international relations.

business hairstyles for men: Mullet Madness! Alan Henderson, 2013-03 An indispensable guide to the mullet -- its glorious past, resurgent present, and uncertain...

business hairstyles for men: 1940s Hairstyles Daniela Turudich, 2012-05 Expanded and back in print, this popular resource to recreating authentic period hairstyles covers everything from short hairdos popular in the early 1940s to the cut-to-fit look made popular by Christian Dior in the late 1940s. Hundreds of vintage illustrations, photographs, and diagrams accompany detailed instructions and techniques for replicating the styles of the decade. Fun facts and trivia related to the hairstyles of the time are included, as is a look at wartime hair and regulations brought about by the government. Comprehensive lists of the beauty tools needed to create these hairdos, where to purchase the various hard-to-find items discussed, and hairstyles based on hair length and type are all included for those interested in revisiting the period beauty of the 1940s.

business hairstyles for men: Fashions in Hair Richard Corson, 1970 The definitive text on hair fashions through the ages, now brought up to the present day by the well-known fashion historian Caroline Cox, Fashions in Hair is an essential work of reference for historians of fashion, theatrical designers, hair artists, illustrators, and anyone else interested in the changing fashions in hair.

business hairstyles for men: The Case for Christ Lee Strobel, 2010-11 The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, Can the Biographies of Jesus Be Trusted?), scientific evidence, (Does Archaeology Confirm or Contradict Jesus' Biographies?), and psychiatric evidence (Was Jesus Crazy When He Claimed to Be the Son of God?). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

business hairstyles for men: Anatomy of a Barber, the Hair Professionals Guide to Success Al Reid, 2016-01-14

business hairstyles for men: Dressing for the Culture Wars Betty Luther Hillman, 2015-10-01 Style of dress has always been a way for Americans to signify their politics, but perhaps never so overtly as in the 1960s and 1970s. Whether participating in presidential campaigns or Vietnam protests, hair and dress provided a powerful cultural tool for social activists to display their politics to the world and became both the cause and a symbol of the rift in American culture. Some Americans saw stylistic freedom as part of their larger political protests, integral to the ideals of self-expression, sexual freedom, and equal rights for women and minorities. Others saw changes in style as the erosion of tradition and a threat to the established social and gender norms at the heart of family and nation. Through the lens of fashion and style, Dressing for the Culture Wars guides us

through the competing political and social movements of the 1960s and 1970s. Although long hair on men, pants and miniskirts on women, and other hippie styles of self-fashioning could indeed be controversial, Betty Luther Hillman illustrates how self-presentation influenced the culture and politics of the era and carried connotations similarly linked to the broader political challenges of the time. Luther Hillman's new line of inquiry demonstrates how fashion was both a reaction to and was influenced by the political climate and its implications for changing norms of gender, race, and sexuality.

business hairstyles for men: *Country Music Hair* Erin Duvall, 2016-11-08 "...this collection is a fabulously illustrated sociocultural commentary on how the Nashville sound is reflected through its hair." — Elle "The men and women of country music have rocked some interesting hair over the years, and we get to see the best of it...Country Music Hair has mullets, beehives, and wigs, plus interviews with famous hairstylists." — Bustle

business hairstyles for men: *Spaceman of Bohemia* Jaroslav Kalfar, 2017-03-07 An intergalactic odyssey of love, ambition, and self-discovery. Orphaned as a boy, raised in the Czech countryside by his doting grandparents, Jakub Prochv^ozka has risen from small-time scientist to become the country's first astronaut. When a dangerous solo mission to Venus offers him both the chance at heroism he's dreamt of, and a way to atone for his father's sins as a Communist informer, he ventures boldly into the vast unknown. But in so doing, he leaves behind his devoted wife, Lenka, whose love, he realizes too late, he has sacrificed on the altar of his ambitions. Alone in Deep Space, Jakub discovers a possibly imaginary giant alien spider, who becomes his unlikely companion. Over philosophical conversations about the nature of love, life and death, and the deliciousness of bacon, the pair form an intense and emotional bond. Will it be enough to see Jakub through a clash with secret Russian rivals and return him safely to Earth for a second chance with Lenka? Rich with warmth and suspense and surprise, *Spaceman of Bohemia* is an exuberant delight from start to finish. Very seldom has a novel this profound taken readers on a journey of such boundless entertainment and sheer fun. A frenetically imaginative first effort, booming with vitality and originality . . . Kalfar's voice is distinct enough to leave tread marks.-Jennifer Senior, New York Times

business hairstyles for men: *Amusing Ourselves to Death* Neil Postman, 1986 Examines the effects of television culture on how we conduct our public affairs and how entertainment values corrupt the way we think.

business hairstyles for men: *Holy Bible (NIV)* Various Authors,, 2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

business hairstyles for men: *Staging Personhood* Guojun Wang, 2020-04-07 After toppling the Ming dynasty, the Qing conquerors forced Han Chinese males to adopt Manchu hairstyle and clothing. Yet China's new rulers tolerated the use of traditional Chinese attire in performances, making theater one of the only areas of life where Han garments could still be seen and where Manchu rule could be contested. *Staging Personhood* uncovers a hidden history of the Ming-Qing transition by exploring what it meant for the clothing of a deposed dynasty to survive onstage. Reading dramatic works against Qing sartorial regulations, Guojun Wang offers an interdisciplinary lens on the entanglements between Chinese drama and nascent Manchu rule in seventeenth-century China. He reveals not just how political and ethnic conflicts shaped theatrical costuming but also the ways costuming enabled different modes of identity negotiation during the dynastic transition. In case studies of theatrical texts and performances, Wang considers clothing and costumes as indices of changing ethnic and gender identities. He contends that theatrical costuming provided a productive way to reconnect bodies, clothes, and identities disrupted by political turmoil. Through careful attention to a variety of canonical and lesser-known plays, visual and performance records, and historical documents, *Staging Personhood* provides a pathbreaking perspective on the cultural dynamics of early Qing China.

business hairstyles for men: A Century of Hairstyles Pamela Church Gibson, 2014-04-10

Nothing defines a person like their hairstyle – and what a century it has been for hair! Bangs, bobs, buns, beehives and bouffants have vied with pixie cuts, pin curls, perms and pageboys for ascendancy in an ever-changing parade of ladies' looks and trends, and amongst the men we've seen caesars, comb overs, ducktails, faux hawks, flattops, quiffs and slick backs. From the Edwardian era through the seismic changes of the 1920s and '60s, and including every quirky twist hair history took on its way to the turn of the millennium, this book is a lush visual survey of a hundred years of hairstyles.

business hairstyles for men: True Roots Ronnie Citron-Fink, 2019-06-04 Like 75% of American women, Ronnie Citron-Fink dyed her hair, visiting the salon every few weeks to hide gray roots in her signature dark brown mane. She wanted to look attractive, professional, young. Yet as a journalist covering health and the environment, she knew something wasn't right. All those unpronounceable chemical names on the back of the hair dye box were far from natural. Were her recurring headaches and allergies telltale signs that the dye offered the illusion of health, all the while undermining it? So after twenty-five years of coloring, Ronnie took a leap and decided to ditch the dye. Suddenly everyone, from friends and family to rank strangers, seemed to have questions about her hair. How'd you do it? Are you doing that on purpose? Are you OK? Armed with a mantra that explained her reasons for going gray—the upkeep, the cost, the chemicals—Ronnie started to ask her own questions. What are the risks of coloring? Why are hair dye companies allowed to use chemicals that may be harmful? Are there safer alternatives? Maybe most importantly, why do women feel compelled to color? Will I still feel like me when I have gray hair? True Roots follows Ronnie's journey from dark dyes to a silver crown of glory, from fear of aging to embracing natural beauty. Along the way, readers will learn how to protect themselves, whether by transitioning to their natural color or switching to safer products. Like Ronnie, women of all ages can discover their own hair story, one built on individuality, health, and truth.

business hairstyles for men: The Riot Grrrl Collection Lisa Darms, 2015-01-19 Archival material from the 1990s underground movement “preserves a vital history of feminism” (Ann Cvetkovich, author of *Depression: A Public Feeling*). For the past two decades, young women (and men) have found their way to feminism through Riot Grrrl. Against the backdrop of the culture wars and before the rise of the Internet or desktop publishing, the zine and music culture of the Riot Grrrl movement empowered young women across the country to speak out against sexism and oppression, creating a powerful new force of liberation and unity within and outside of the women's movement. While feminist bands like Bikini Kill and Bratmobile fought for their place in a male-dominated punk scene, their members and fans developed an extensive DIY network of activism and support. The Riot Grrrl Collection reproduces a sampling of the original zines, posters, and printed matter for the first time since their initial distribution in the 1980s and '90s, and includes an original essay by Johanna Fateman and an introduction by Lisa Darms.

business hairstyles for men: Fashion Drawing For Dummies Lisa Arnold, Marianne Egan, 2012-04-06 The fast and easy way to learn the art of fashion drawing This fun guide gives you dozens of step-by-step diagrams that walk you through the process of preparing creative illustrations that you can later develop into dynamic presentations for your design portfolio. Learn the rules and techniques of fashion drawing Draw the fashion figure in different poses and from multiple angles Discover how to complement your drawings with accessories, clothing, and style If you're a fledgling designer looking for non-intimidating guidance on learning the ins and outs of fashion drawing, this friendly guide has you covered!

business hairstyles for men: Fangasm Katherine Larsen, Lynn S. Zubernis, 2013-10-01 Once

upon a time not long ago, two responsible college professors, Lynn the psychologist and Kathy the literary scholar, fell in love with the television show *Supernatural* and turned their oh-so-practical lives upside down. Plunging headlong into the hidden realms of fandom, they scoured the Internet for pictures of stars Jensen Ackles and Jared Padalecki and secretly penned racy fan fiction. And then they hit the road—crisscrossing the country, racking up frequent flyer miles with alarming ease, standing in convention lines at 4 A.M. They had white-knuckled encounters with overly zealous security guards one year and smiling invitations to the *Supernatural* set the next. Actors stripping in their trailers, fangirls sneaking onto film sets; drunken confessions, squeals of joy, tears of despair; wallets emptied and responsibilities left behind; intrigue and ecstasy and crushing disappointment—it's all here. And yet even as they reveled in their fandom, the authors were asking themselves whether it's okay to be a fan, especially for grown women with careers and kids. "Crazystalkerchicks"—that's what they heard from *Supernatural* crew members, security guards, airport immigration officials, even sometimes their fellow fans. But what Kathy and Lynn found was that most fans were very much like themselves: smart, capable women looking for something of their own that engages their brains and their libidos. Fangasm pulls back the curtain on the secret worlds of fans and famous alike, revealing *Supernatural* behind the scenes and discovering just how much the cast and crew know about what the fans are up to. Anyone who's been tempted to throw off the constraints of respectability and indulge a secret passion—or hit the road with a best friend—will want to come along.

business hairstyles for men: Suarez, Messi, Neymar Luca Caioli, 2014-12-04 Barcelona has long been regarded as a home of beautiful football. In July 2014, already boasting Lionel Messi and Neymar, Barça added Luis Suárez to complete a forward line that was undeniably special, even by their own high standards. They had taken greatly differing paths from South America to the starting line-up at the Nou Camp. Messi joined Barcelona aged just thirteen, Neymar served a spectacular apprenticeship in Brazil and Suárez enjoyed spells with Ajax and Liverpool – three prestigious educations with an emphasis on attractive play. Through exclusive testimonies from friends, families, managers and teammates, acclaimed football writer Luca Caioli documents their individual journeys and examines the phenomenal success of Barça's 'MSN' years to date, including the 2015/16 league and cup double.

business hairstyles for men: Neymar Luca Caioli, 2020-01-02 FROM THE BESTSELLING AUTHOR OF MESSI AND RONALDO. Tipped for greatness from an early age, it's easy to think that every moment of Neymar's life has been played out under the glare of a spotlight. But did you know that Real Madrid were just €60,000 away from signing him in 2006? Or that a phone call from Pelé stopped Neymar leaving Santos for Chelsea in 2010? Or that his move to Paris Saint-Germain in 2017 caused tension with his new teammates? Find out about all this and more in Luca Caioli's tirelessly researched biography, featuring exclusive interviews with those who know him best, including friends, family, coaches and teammates. Includes all the action from the 2018/19 season.

business hairstyles for men: Encyclopedia of African American Business [2 volumes] Jessie Smith, 2017-11-27 This two-volume set showcases the achievements of African American entrepreneurs and the various businesses that they founded, developed, or promote as well as the accomplishments of many African American leaders—both those whose work is well-known and other achievers who have been neglected in history. Nearly everyone is familiar with New York City's Wall Street, a financial center of the world, but much fewer individuals know about the black Wall Streets in Durham and Tulsa, where prominent examples of successful African American leaders emerged. *Encyclopedia of African American Business: Updated and Revised Edition* tells the fascinating story that is the history of African American business, providing readers with an inspiring image of the economic power of black people throughout their existence in the United States. It continues the historical account of developments in the African American business community and its leaders, describing the period from 18th-century America to the present day. The book describes current business leaders, opens a fuller and deeper insight into the topics chosen, and includes numerous statistical tables within the text and in a separate section at the back of the

book. The encyclopedia is arranged under three broad headings: Entry List, Topical Entry List, and Africa American Business Leaders by Occupation. This arrangement introduces readers to the contents of the work and enables them to easily find information about specific individuals, topics, or occupations. The book will appeal to students from high school through graduate school as well as researchers, library directors, business enterprises, and anyone interested in biographical information on African Americans who are business leaders will benefit from the work.

business hairstyles for men: Business Statistics David F. Groebner, 2005 This comprehensive text presents descriptive and inferential statistics with an assortment of business examples and real data, and an emphasis on decision-making. The accompanying CD-ROM presents Excel and Minitab tutorials as well as data files for all the exercises and examples presented.
