Business Purpose Statement Examples: A Guide to Defining Your "Why"

Crafting a compelling business purpose statement is crucial for guiding your company's decisions, attracting investors, and inspiring your team. A well-defined purpose statement clarifies your company's reason for existence beyond simply making a profit. This guide provides insightful business purpose statement examples, explaining their components and offering practical advice to help you create your own. We'll explore diverse examples across various industries, highlighting best practices and key considerations for effective communication.

Article Outline:

1. What is a Business Purpose Statement? (Defining the concept and its importance)
2. Key Components of a Strong Purpose Statement: (Mission, Vision, Values)
3. Business Purpose Statement Examples Across Industries: (Showcasing diverse examples)

Technology Company
Non-profit Organization
Small Retail Business
Manufacturing Company

1. Crafting Your Own Purpose Statement: A Step-by-Step Guide: (Practical steps and tips)
2. How to Effectively Communicate Your Purpose Statement: (Internal and external communication strategies)

1. What is a Business Purpose Statement?

A business purpose statement articulates the core reason for your company's existence.

It goes beyond profit maximization, outlining your organization's broader impact on the world and the problems it aims to solve. A clearly defined purpose statement provides a guiding compass for all strategic decisions and inspires employees, customers, and stakeholders.

A strong purpose statement differentiates your company from competitors and strengthens your brand identity.

It's a fundamental building block of your brand strategy, communicating your values and aspirations in a concise and memorable way.

2. Key Components of a Strong Purpose Statement:

A compelling purpose statement integrates your mission, vision, and values.

Your mission statement outlines your current activities and goals, your vision statement describes your long-term aspirations, and your values define your guiding principles. These elements work in synergy to create a coherent and powerful purpose statement.

The mission statement focuses on the present, detailing what your company does daily.

For example, "To provide high-quality, affordable healthcare to underserved communities."

The vision statement looks toward the future, expressing your long-term aspirations.

For example, "To become the leading provider of accessible and equitable healthcare in the region."

Your values guide your actions and decision-making, shaping your company culture.

These could include integrity, innovation, customer focus, and social responsibility.

3. Business Purpose Statement Examples Across Industries:

Technology Company Example:

"To empower individuals and businesses through innovative technology solutions that foster connection and growth."

This example highlights the impact on users, emphasizing empowerment and growth.

Non-profit Organization Example:

"To alleviate poverty and promote sustainable development in marginalized communities through education, healthcare, and economic empowerment programs."

This example clearly states the social impact and specific initiatives.

Small Retail Business Example:

"To provide customers with high-quality, handcrafted goods while fostering a sense of community and supporting local artisans."

This example focuses on customer experience and community engagement.

Manufacturing Company Example:

"To produce sustainable and reliable products that meet the evolving needs of our customers while minimizing our environmental impact."

This example prioritizes sustainability and customer satisfaction.

4. Crafting Your Own Purpose Statement: A Step-by-Step Guide:

Begin by defining your company's core values.

What principles guide your decisions and shape your culture?

Clearly articulate your mission: What do you do?

What are your current activities and goals? Be specific and concise.

Envision your long-term aspirations: What do you hope to achieve?

Paint a picture of your future impact and contributions.

Integrate your mission, vision, and values into a concise and

inspiring statement.

Keep it short, memorable, and easy to understand.

Test your statement with your team and stakeholders.

Gather feedback and refine your statement accordingly.

5. How to Effectively Communicate Your Purpose Statement:

Integrate your purpose statement into your company website and marketing materials.

Make it prominent and easily accessible.

Share your purpose statement with your employees and encourage them to embrace it.

It should guide their daily work and decision-making.

Communicate your purpose statement to your customers and stakeholders.

Highlight your commitment to your values and the impact you are striving to make.

Regularly revisit and update your purpose statement as your company evolves.

Ensure it remains relevant and reflects your current mission and vision.

Conclusion:

A well-crafted business purpose statement serves as a powerful tool for guiding your company's growth, attracting talent, and inspiring loyalty. By clearly defining your "why," you establish a foundation for long-term success and create a positive impact on the world. Remember to regularly evaluate and refine your statement to ensure it remains a true reflection of your company's values and aspirations.

Frequently Asked Questions (FAQs):

Q: What's the difference between a mission statement and a purpose statement?

A: A mission statement describes what you do and how you do it, while a purpose statement explains why you do it – the larger impact and meaning behind your work.

Q: How long should a purpose statement be?

A: Aim for brevity and clarity. A few concise sentences are ideal. Avoid lengthy, jargon-filled statements.

Q: Can I change my purpose statement?

A: Yes, as your company grows and evolves, your purpose statement might need to be updated to reflect your changing priorities and goals.

business purpose statement examples: Measure What Matters John Doerr, 2018-04-24 #1 New York Times Bestseller Legendary venture capitalist John Doerr reveals how the goal-setting system of Objectives and Key Results (OKRs) has helped tech giants from Intel to Google achieve explosive growth—and how it can help any organization thrive. In the fall of 1999, John Doerr met with the founders of a start-up whom he'd just given \$12.5 million, the biggest investment of his career. Larry Page and Sergey Brin had amazing technology, entrepreneurial energy, and sky-high ambitions, but no real business plan. For Google to change the world (or even to survive), Page and Brin had to learn how to make tough choices on priorities while keeping their team on track. They'd have to know when to pull the plug on losing propositions, to fail fast. And they needed timely, relevant data to track their progress—to measure what mattered. Doerr taught them about a proven approach to operating excellence: Objectives and Key Results. He had first discovered OKRs in the 1970s as an engineer at Intel, where the legendary Andy Grove (the greatest manager of his or any era) drove the best-run company Doerr had ever seen. Later, as a venture capitalist, Doerr shared Grove's brainchild with more than fifty companies. Wherever the process was faithfully practiced, it worked. In this goal-setting system, objectives define what we seek to achieve; key results are how those top-priority goals will be attained with specific, measurable actions within a set time frame. Everyone's goals, from entry level to CEO, are transparent to the entire organization. The benefits are profound. OKRs surface an organization's most important work. They focus effort and foster coordination. They keep employees on track. They link objectives across silos to unify and strengthen the entire company. Along the way, OKRs enhance workplace satisfaction and boost retention. In Measure What Matters, Doerr shares a broad range of first-person, behind-the-scenes case studies, with narrators including Bono and Bill Gates, to demonstrate the focus, agility, and explosive growth that OKRs have spurred at so many great organizations. This book will help a new generation of leaders capture the same magic.

business purpose statement examples: 48 Days to the Work You Love Dan Miller, 2010 Practical instructions from leading vocational thinker Miller reveal how to approach work as more than just a paycheck, but as part of the calling God has placed on each life.

business purpose statement examples: What Great Brands Do Denise Lee Yohn, 2014-01-07 Discover proven strategies for building powerful, world-class brands It's tempting to believe that brands like Apple, Nike, and Zappos achieved their iconic statuses because of serendipity, an unattainable magic formula, or even the genius of a single visionary leader. However, these companies all adopted specific approaches and principles that transformed their ordinary brands into industry leaders. In other words, great brands can be built—and Denise Lee Yohn knows exactly how to do it. Delivering a fresh perspective, Yohn's *What Great Brands Do* teaches an innovative brand-as-business strategy that enhances brand identity while boosting profit margins, improving company culture, and creating stronger stakeholder relationships. Drawing from twenty-five years of consulting work with such top brands as Frito-Lay, Sony, Nautica, and Burger King, Yohn explains key principles of her brand-as-business strategy. Reveals the seven key principles that the world's best brands consistently implement Presents case studies that explore the brand building successes and failures of companies of all sizes including IBM, Lululemon, Chipotle Mexican Grill, and other remarkable brands Provides tools and strategies that organizations can start using right away Filled with targeted guidance for CEOs, COOs, entrepreneurs, and other organization leaders, *What Great Brands Do* is an essential blueprint for launching any brand to meteoric heights.

business purpose statement examples: Find Your Why Simon Sinek, David Mead, Peter Docker, 2017-09-05 *Start With Why* has led millions of readers to rethink everything they do – in their personal lives, their careers and their organizations. Now *Find Your Why* picks up where *Start With Why* left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As *Start With Why* has spread around the world, countless readers have asked me the same question: How can I apply *Start With Why* to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, *Find Your Why* can help you address many important concerns, including: * What if my WHY sounds just like my competitor's? * Can I have more than one WHY? * If my work doesn't match my WHY, what should I do? * What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on! -- Simon

business purpose statement examples: Start with Why Simon Sinek, 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. *START WITH WHY* asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. *START WITH WHY* shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all

starts with WHY.

business purpose statement examples: The Heart of Business Hubert Joly, 2021-05-04 A Wall Street Journal Bestseller Named a Financial Times top title How to unleash human magic and achieve improbable results. Hubert Joly, former CEO of Best Buy and orchestrator of the retailer's spectacular turnaround, unveils his personal playbook for achieving extraordinary outcomes by putting people and purpose at the heart of business. Back in 2012, Everyone thought we were going to die, says Joly. Eight years later, Best Buy was transformed as Joly and his team rebuilt the company into one of the nation's favorite employers, vastly increased customer satisfaction, and dramatically grew Best Buy's stock price. Joly and his team also succeeded in making Best Buy a leader in sustainability and innovation. In *The Heart of Business*, Joly shares the philosophy behind the resurgence of Best Buy: pursue a noble purpose, put people at the center of the business, create an environment where every employee can blossom, and treat profit as an outcome, not the goal. This approach is easy to understand, but putting it into practice is not so easy. It requires radically rethinking how we view work, how we define companies, how we motivate, and how we lead. In this book Joly shares memorable stories, lessons, and practical advice, all drawn from his own personal transformation from a hard-charging McKinsey consultant to a leader who believes in human magic. *The Heart of Business* is a timely guide for leaders ready to abandon old paradigms and lead with purpose and humanity. It shows how we can reinvent capitalism so that it contributes to a sustainable future.

business purpose statement examples: Author In Progress Therese Walsh, 2016-11-01 Empower Your Writing Through Craft and Community! business purpose statement examples: The Corner Office Adam Bryant, 2011-04-12 Dozens of top CEOs reveal their candid insights on the keys to effective leadership, and the qualities that set high performers apart. *The Corner Office* draws together lessons from chief executives like Steve Ballmer (Microsoft) and Jeffrey Katzenberg (DreamWorks).

business purpose statement examples: Governance in the Digital Age Brian Stafford, Dottie Schindlinger, 2019-04-16 A new edition of the #1 text in the human computer Interaction field! This book seeks to chart the technology-fueled changes taking place in the field of corporate governance and describes the impact these changes are having on boards and the enterprises they govern. It also describes what the future could look like once companies truly embrace the power of technology to change governance. Additionally, this book will provide a set of suggested action steps for companies and their boards focused on ways they can leverage technology tools to enhance governance immediately. Through a review of the latest governance research, interviews with key thought leaders, and case studies of enterprises that have embraced governance technology, readers will be armed with new insights and approaches they can take to enhance the work of their boards and senior leaders to reach new levels of performance. Explains how to use design and evaluation

techniques for developing successful interactive technologies Demonstrates, through many examples, the cognitive, social and affective issues that underpin the design of these technologies Provides thought-provoking design dilemmas and interviews with expert designers and researchers Uses a strong pedagogical format to foster understanding and enjoyment An accompanying website contains extensive additional teaching and learning material including slides for each chapter, comments on chapter activities, and a number of in-depth case studies written by researchers and designers.

business purpose statement examples: Good Is the New Cool Afdhel Aziz, Bobby Jones, 2016-10-25 “We are at a crossroads: either we can try to prop up the old, broken marketing model, or we can create a new model, one that is fit for the unique challenges of today.” —From Good Is the New Cool Marketing has an image problem. Media-savvy millennials, and their younger Gen Z counterparts, no longer trust advertising, and they demand increased social responsibility from their brands—while still insisting on cutting-edge products with on-trend design. As always, brands need to be cool—but now they need to be good, too. It’s a tall order, and with new technology empowering consumers to bypass advertisements altogether, it won’t be long before the old, advertising-based marketing model goes the way of the major label. If only there was a new model, one that allowed companies to address environmental, civic, and economic issues in a way that grew their brand and business, while giving back to society, and re-branding branding as a powerful force for good. Enter Good is The New Cool, a bold new manifesto from marketing experts Afdhel Aziz and Bobby Jones. In provocative, whip-smart, and streetwise style, they take aim at conventional marketing, posing the questions few have had the vision and courage to ask: If the system is broken, how can we fix it? Rather than sinking money into advertising, why not create a new model, in which great marketing optimizes life? With seven revolutionary new principles—from “Treat People as Citizens, Not Consumers,” to “Lead with the Cool”—and insights and interviews from a new generation of marketers, social entrepreneurs, and leaders of such brands as Zappos, Citibank, The Honest Company, as well as the culture creators working with artists like Lady Gaga, Pharrell, and Justin Bieber, this rule-breaking book is the new business model for the twenty-first century, and a call to action for anyone committed to building a better tomorrow. This visionary book won’t just change your business—it will change the world.

business purpose statement examples: Principles of Management David S. Bright, Anastasia H. Cortes, Eva Hartmann, 2023-05-16 Black & white print. Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

business purpose statement examples: Lead with Purpose John Baldoni, 2011-11-30 Discover why purpose and passion is key in giving your organization a reason to believe in itself and it’s success. Internationally recognized speaker, executive coach, writer, and leader John Baldoni believes it’s up to those at the top to bring meaning to employees’ day-to-day work. In this encouraging guide, he’ll show you what it takes to build a company of committed employees from your current workforce--using nothing more than a toolkit of powerful leadership skills. Featuring illuminating stories, interviews, and profiles of leaders from a variety of fields, Lead with Purpose will help all leaders take their organizations to the next level. You’ll learn how to: instill your team with a sense of ownership; spotlight your organization’s mission; encourage resourcefulness and flexibility; harness creativity and the desire to succeed; transform a shared vision into real results; and develop the next generation of leaders. At successful organizations, people know what they do and why they do it. With these practical tips and applicable techniques, you’ll not only improve your leadership skills--you’ll bring a sense of purpose to your workplace that produces incredible

outcomes.

business purpose statement examples: Getting Results the Agile Way J. D. Meier, 2010 A guide to the Agile Results system, a systematic way to achieve both short- and long-term results that can be applied to all aspects of life.

business purpose statement examples: They Ask, You Answer Marcus Sheridan, 2019-08-06 The revolutionary guide that challenged businesses around the world to stop selling to their buyers and start answering their questions to get results; revised and updated to address new technology, trends, the continuous evolution of the digital consumer, and much more In today's digital age, the traditional sales funnel—marketing at the top, sales in the middle, customer service at the bottom—is no longer effective. To be successful, businesses must obsess over the questions, concerns, and problems their buyers have, and address them as honestly and as thoroughly as possible. Every day, buyers turn to search engines to ask billions of questions. Having the answers they need can attract thousands of potential buyers to your company—but only if your content strategy puts your answers at the top of those search results. It's a simple and powerful equation that produces growth and success: They Ask, You Answer. Using these principles, author Marcus Sheridan led his struggling pool company from the bleak depths of the housing crash of 2008 to become one of the largest pool installers in the United States. Discover how his proven strategy can work for your business and master the principles of inbound and content marketing that have empowered thousands of companies to achieve exceptional growth. They Ask, You Answer is a straightforward guide filled with practical tactics and insights for transforming your marketing strategy. This new edition has been fully revised and updated to reflect the evolution of content marketing and the increasing demands of today's internet-savvy buyers. New chapters explore the impact of technology, conversational marketing, the essential elements every business website should possess, the rise of video, and new stories from companies that have achieved remarkable results with They Ask, You Answer. Upon reading this book, you will know: How to build trust with buyers through content and video. How to turn your web presence into a magnet for qualified buyers. What works and what doesn't through new case studies, featuring real-world results from companies that have embraced these principles. Why you need to think of your business as a media company, instead of relying on more traditional (and ineffective) ways of advertising and marketing. How to achieve buy-in at your company and truly embrace a culture of content and video. How to transform your current customer base into loyal brand advocates for your company. They Ask, You Answer is a must-have resource for companies that want a fresh approach to marketing and sales that is proven to generate more traffic, leads, and sales.

business purpose statement examples: Leading with Purpose Richard R. Ellsworth, 2002 An exploration of corporate purpose - a company's expressed overriding reason for existing - and its effect upon strategy, executive leadership, employees, and ultimately, on competitive performance. It argues that the path to financial success lies in a customer-focused corporate purpose.

business purpose statement examples: Strategy That Works Paul Leinwand, Cesare R. Mainardi, 2016-01-12 How to close the gap between strategy and execution Two-thirds of executives say their organizations don't have the capabilities to support their strategy. In Strategy That Works, Paul Leinwand and Cesare Mainardi explain why. They identify conventional business practices that unintentionally create a gap between strategy and execution. And they show how some of the best companies in the world consistently leap ahead of their competitors. Based on new research, the authors reveal five practices for connecting strategy and execution used by highly successful enterprises such as IKEA, Natura, Danaher, Haier, and Lego. These companies: • Commit to what they do best instead of chasing multiple opportunities • Build their own unique winning capabilities instead of copying others • Put their culture to work instead of struggling to change it • Invest where it matters instead of going lean across the board • Shape the future instead of reacting to it Packed with tools you can use for building these five practices into your organization and supported by in-depth profiles of companies that are known for making their strategy work, this is your guide for reconnecting strategy to execution.

business purpose statement examples: The Restaurant Manager's Handbook Douglas Robert Brown, 2007 Book & CD. This comprehensive book will show you step-by-step how to set up, operate, and manage a financially successful food service operation. This Restaurant Manager's Handbook covers everything that many consultants charge thousands of dollars to provide. The extensive resource guide details more than 7,000 suppliers to the industry -- virtually a separate book on its own. This reference book is essential for professionals in the hospitality field as well as newcomers who may be looking for answers to cost-containment and training issues. Demonstrated are literally hundreds of innovative ways to streamline your restaurant business. Learn new ways to make the kitchen, bars, dining room, and front office run smoother and increase performance. You will be able to shut down waste, reduce costs, and increase profits. In addition, operators will appreciate this valuable resource and reference in their daily activities and as a source of ready-to-use forms, Web sites, operating and cost cutting ideas, and mathematical formulas that can be easily applied to their operations. Highly recommended!

business purpose statement examples: Beyond Digital Paul Leinwand, Mahadeva Matt Mani, 2022-01-04 Two world-renowned strategists detail the seven leadership imperatives for transforming companies in the new digital era. Digital transformation is critical. But winning in today's world requires more than digitization. It requires understanding that the nature of competitive advantage has shifted—and that being digital is not enough. In *Beyond Digital*, Paul Leinwand and Matt Mani from Strategy&, PwC's global strategy consulting business, take readers inside twelve companies and how they have navigated through this monumental shift: from Philips's reinvention from a broad conglomerate to a focused health technology player, to Cleveland Clinic's engagement with its broader ecosystem to improve and expand its leading patient care to more locations around the world, to Microsoft's overhaul of its global commercial business to drive customer outcomes. Other case studies include Adobe, Citigroup, Eli Lilly, Hitachi, Honeywell, Inditex, Komatsu, STC Pay, and Titan. Building on a major new body of research, the authors identify the seven imperatives that leaders must follow as the digital age continues to evolve: Reimagine your company's place in the world Embrace and create value via ecosystems Build a system of privileged insights with your customers Make your organization outcome-oriented Invert the focus of your leadership team Reinvent the social contract with your people Disrupt your own leadership approach Together, these seven imperatives comprise a playbook for how leaders can define a bolder purpose and transform their organizations.

business purpose statement examples: A Personal Mission Statement Michal Stawicki, 2014-09-04 Discover the most powerful, yet simple tool for revealing happiness from within A personal mission statement is the most powerful tool you can develop in your life. By identifying your single motivating purpose and incorporating it into your philosophy, you will have the tools to achieve happiness and success on a daily basis. This book was written to teach you what a personal mission statement is, how to create one and, if you already have one, how to use it effectively. Create your own personal compass for life's adventures! A personal mission statement is a compass to guide your life. Though the terrain of life can change rapidly, using this compass will ensure you always find your way back home to happiness and success. Am I an expert in this field? I may not have letters like Ph.D. after my name, but I have discovered the secrets of creating personal mission statements, and the amazing power they have to change lives. I have made my own and use it daily. But, don't take my word for it, see what this reader had to say: You convinced me to review, rewrite and resume my Personal Mission Statement. Michal, I don't know how to thank you. You have given me so much....now to do it. May you be blessed with much more! - Nina Malinda, Malaysia Knowledge is great, but success requires action! There are plenty of resources available online with advice on creating a personal mission statement. In today's world we are overloaded with information, what we need is motivation to actually implement the knowledge we've gained. My book not only shares the why, but also the how. Another benefit of my book is that it includes the story of my personal struggle in crafting my own mission statement, offering encouragement as you create your own. Get started immediately Buy A Personal Mission Statement: Your Road Map to Happiness

now and take the first step on your very own road to happiness.

business purpose statement examples: Strategic Management (color) , 2020-08-18

Strategic Management (2020) is a 325-page open educational resource designed as an introduction to the key topics and themes of strategic management. The open textbook is intended for a senior capstone course in an undergraduate business program and suitable for a wide range of undergraduate business students including those majoring in marketing, management, business administration, accounting, finance, real estate, business information technology, and hospitality and tourism. The text presents examples of familiar companies and personalities to illustrate the different strategies used by today's firms and how they go about implementing those strategies. It includes case studies, end of section key takeaways, exercises, and links to external videos, and an end-of-book glossary. The text is ideal for courses which focus on how organizations operate at the strategic level to be successful. Students will learn how to conduct case analyses, measure organizational performance, and conduct external and internal analyses.

business purpose statement examples: Business Trends in Practice Bernard Marr,

2021-11-15 WINNER OF THE BUSINESS BOOK OF THE YEAR AWARD 2022! Stay one step ahead of the competition with this expert review of the most impactful and disruptive business trends coming down the pike Far from slowing down, change and transformation in business seems to come only at a more and more furious rate. The last ten years alone have seen the introduction of groundbreaking new trends that pose new opportunities and challenges for leaders in all industries. In *Business Trends in Practice: The 25+ Trends That Are Redefining Organizations*, best-selling business author and strategist Bernard Marr breaks down the social and technological forces underlying these rapidly advancing changes and the impact of those changes on key industries. Critical consumer trends just emerging today—or poised to emerge tomorrow—are discussed, as are strategies for rethinking your organisation's product and service delivery. The book also explores: Crucial business operations trends that are changing the way companies conduct themselves in the 21st century The practical insights and takeaways you can glean from technological and social innovation when you cut through the hype Disruptive new technologies, including AI, robotic and business process automation, remote work, as well as social and environmental sustainability trends *Business Trends in Practice: The 25+ Trends That Are Redefining Organizations* is a must-read resource for executives, business leaders and managers, and business development and innovation leads trying to get – and stay – on top of changes and disruptions that are right around the corner.

business purpose statement examples: Selling With Noble Purpose Lisa Earle McLeod,

2020-09-09 Don't let anyone tell you that you have to choose between making money and making a difference. *Selling With Noble Purpose: How to Drive Revenue and Do Work That Makes You Proud*, 2nd Edition is an update of the acclaimed book that changed the game in sales. Using real-world data, compelling stories and psychological research, *Selling With Noble Purpose* explains why salespeople who genuinely understand how they can make a difference to customers outsell those who only focus on internal targets and quotas. Sales leadership experts McLeod and Lotardo reveal how a Noble Sales Purpose (NSP) can drive a team to outstanding sales numbers. Whether you're an executive, manager or aspiring sales leader, you'll discover how to find your own Noble Sales Purpose and create a sales force of True Believers. This new edition covers: How firms overcome ferocious competition and how you can do the same Why sales organizations with a clear NSP outperform traditional sales teams How to avoid the trap of behaving like a transactional salesperson Why well-intended leaders often unknowingly erode purpose and differentiation How to use your NSP to increase customer engagement Why an NSP gives you clarity during times of uncertainty In an era where organizations often believe that money is the primary way to motivate salespeople, *Selling with Noble Purpose* offers an exciting and sustainable alternative.

business purpose statement examples: Dare to Lead Brené Brown, 2018-10-09 #1 NEW

YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead.

Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

business purpose statement examples: Escaping the Build Trap Melissa Perri, 2018-11-01 To stay competitive in today's market, organizations need to adopt a culture of customer-centric practices that focus on outcomes rather than outputs. Companies that live and die by outputs often fall into the build trap, cranking out features to meet their schedule rather than the customer's needs. In this book, Melissa Perri explains how laying the foundation for great product management can help companies solve real customer problems while achieving business goals. By understanding how to communicate and collaborate within a company structure, you can create a product culture that benefits both the business and the customer. You'll learn product management principles that can be applied to any organization, big or small. In five parts, this book explores: Why organizations ship features rather than cultivate the value those features represent How to set up a product organization that scales How product strategy connects a company's vision and economic outcomes back to the product activities How to identify and pursue the right opportunities for producing value through an iterative product framework How to build a culture focused on successful outcomes over outputs

business purpose statement examples: Ten Years to Midnight Blair H. Sheppard, 2020-08-04 "Shows how humans have brought us to the brink and how humanity can find solutions. I urge people to read with humility and the daring to act." —Harpal Singh, former Chair, Save the Children, India, and former Vice Chair, Save the Children International In conversations with people all over the world, from government officials and business leaders to taxi drivers and schoolteachers, Blair Sheppard, global leader for strategy and leadership at PwC, discovered they all had surprisingly similar concerns. In this prescient and pragmatic book, he and his team sum up these concerns in what they call the ADAPT framework: Asymmetry of wealth; Disruption wrought by the unexpected and often problematic consequences of technology; Age disparities--stresses caused by very young or very old populations in developed and emerging countries; Polarization as a symptom of the breakdown in global and national consensus; and loss of Trust in the institutions that underpin and

stabilize society. These concerns are in turn precipitating four crises: a crisis of prosperity, a crisis of technology, a crisis of institutional legitimacy, and a crisis of leadership. Sheppard and his team analyze the complex roots of these crises--but they also offer solutions, albeit often seemingly counterintuitive ones. For example, in an era of globalization, we need to place a much greater emphasis on developing self-sustaining local economies. And as technology permeates our lives, we need computer scientists and engineers conversant with sociology and psychology and poets who can code. The authors argue persuasively that we have only a decade to make headway on these problems. But if we tackle them now, thoughtfully, imaginatively, creatively, and energetically, in ten years we could be looking at a dawn instead of darkness.

business purpose statement examples: Business Plans Kit For Dummies® Steven D. Peterson, Peter E. Jaret, Barbara Findlay Schenck, 2010-04-07 Discover the ins and outs of constructing a great business plan When you're establishing, expanding, or re-energizing a business, the best place to start is writing your business plan. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

business purpose statement examples: Meaning Inc Gurnek Bains, 2011-05-26 Meaning, Inc. is about achieving happiness, motivation and performance at work for you and your organisation. Well-motivated people who are happy with their work and where they work are more likely to deliver high performance. People who work for organisations whose purpose they believe in are more likely to go the extra mile to help achieve that purpose. Yet modern organisations too often stifle the enthusiasm and skills of those who work for them. Instead of providing meaning, they prevent it. Meaning Inc. shows the way for organisations to provide meaning to their people through a clearly understood sense of purpose, unequivocal values and day-to-day leadership. This is joined-up business thinking for 21st century leaders and organisations.

business purpose statement examples: The Power of Purpose Richard J. Leider, 2015-09-14 In this third edition of his bestselling classic, the legendary personal coach offers brand-new tools and techniques for unlocking your life's purpose. Purpose is an active expression of our values and our compassion for others—it makes us want to get up in the morning and add value to the world. The Power of Purpose details a graceful, practical, and ultimately spiritual process for making it central to your life. This completely revised and updated edition will help you bring a sense of purpose to everything you do. In addition to new stories, examples, and resources, this third edition features four new chapters. "Purpose across the Ages" looks at how purpose can evolve during our lives. "The 24-Hour Purpose Retreat" includes seven mind-opening questions to help you unlock your purpose. "The Purpose Checkup" offers a new tool for periodically evaluating the health of your purpose. And in "Can Science Explain Purpose?" we learn what researchers are discovering about how purpose can improve our health, healing, happiness, longevity, and productivity

business purpose statement examples: Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not

because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

business purpose statement examples: *The Passion Test* Janet Bray Attwood, Chris Attwood, 2011-10-13 Accessible to anyone of any faith or background, The Passion Test takes readers on a journey to experience the transformation that occurs when they determine what really matters most to them. Combining powerful storytelling and profound wisdom from the world's leading experts in self-development, The Passion Test shows practical ways how the law of attraction can be used to bring a life of unlimited reward and unconditional love.

business purpose statement examples: *The Future of the Corporation* PLM (Firm), 1974 Papers from a conference sponsored by PLM in Malmo, Sweden, June 1970. Includes bibliographical references.

business purpose statement examples: *Our Code* Matthew Grisafe, 2015-08-12 Having built A/V Programming Associates Inc. from the ground up, CEO Matthew Grisafe has learned a lot of lessons not only about his industry, but also about the keys to running a successful business. In this second edition of *Our Code*, Grisafe reflects on the early days of his company, the various team members who have come and gone, some of AVPA's most memorable jobs, and the company's goals for the future. Learn how AVPA has adapted along with the ever-changing A/V industry, and how their commitment to consistency and customer service is helping them build loyalty in an industry where there typically is none. Grisafe's passion for his work comes through in this must-read for any A/V professional, and the stories of his experiences with AVPA encourage business owners in any industry to evaluate their own goals and priorities.

business purpose statement examples: *The Vision Driven Leader* Michael Hyatt, 2020-03-31 Having a clear, compelling vision--and getting buy-in from your team--is essential to effective leadership. If you don't know where you're going, how on earth will you get there? But how do you craft that vision? How do you get others on board? And how do you put that vision into practice at every level of your organization? In *The Vision Driven Leader*, New York Times bestselling author Michael Hyatt offers six tools for crafting an irresistible vision for your business, rallying your team around the vision, and distilling it into actionable plans that drive results. Based on Michael's 40 years of experience as an entrepreneur and executive, backed by insights from organizational science and psychology, and illustrated by case studies and stories from multiple industries, *The Vision Driven Leader* takes you step-by-step from why to what and then how. Your business will never be the same.

business purpose statement examples: *The Business of Personal Training* Scott Roberts, 1996 Whether you are considering a career as a personal trainer or searching for ways to increase revenue and gain new clients for your existing business, you'll find *The Business of Personal Training* to be an indispensable reference. Written by some of the most successful personal trainers

in the country, this book provides the foundation for building your personal training business. The Business of Personal Training discusses not only how to build a solid business but also how to be an effective trainer. After an outline of the history of the profession and the qualifications needed to be a personal trainer, the book explains how to develop a mission statement and business plan, create strategic and creative marketing plans, establish prices for services, hire and train staff members, improve client-trainer communication, motivate clients and help them set goals, and design appropriate exercise programs. Nineteen sample forms make it easy for you to put the ideas presented into practice. Learn from veteran personal trainers what it takes to succeed. The practical advice provided in The Business of Personal Training is valuable for new and established trainers as well as for health and fitness administrators who supervise personal trainers.

business purpose statement examples: Purpose-driven Organizations Carlos Rey, Miquel Bastons, Phil Sotok, 2019-06-17 A higher purpose is not simply about profit. Symbolising the motivations of our actions and efforts, it reflects something much more aspirational and contributes to our global society. This open access book offers novel solutions to ensure employees support a wider organizational meaning whilst guaranteeing that the company benefits from the employee's individual sense of purpose. Advocating a shift from previous models and theories, this book contributes to debate and offers insight for both scholars and practitioners. The chapters bring together academic rigour and practical models to help readers distinguish between the fads and influential strategies. Exploring the development of purpose at each level of business, from strategy and leadership to communication, this book avoids theoretical jargon and provides new approaches to building sustainable purpose-driven organizations. This is an Open Access book sponsored by DPMC Spain, UIC Barcelona and Corporate Excellence - Centre for Reputation Leadership

business purpose statement examples: Buffy and the Art of Story L. M. Lilly, 2020-05-31
What can you learn about fiction writing by watching Buffy the Vampire Slayer? More than you ever imagined. In this book, bestselling author L. M. Lilly takes apart every episode in the first season of Joss Whedon's cult TV series Buffy the Vampire Slayer. She examines major plot points and turns, character arcs, metaphor, and more to show how to: - Structure a strong plot; - Heighten conflict; - Create characters the audience loves; - Juggle multiple storylines; and - Keep readers coming back for more. Based on the podcast of the same name. If you love Buffy, and you love creating stories - or just taking them apart to see how they work - this book is for you. Download and start learning to write like a Slayer today.

business purpose statement examples: Corporate Defense and the Value Preservation Imperative Sean Lyons, 2016-09-19 This is the first book to finally address the umbrella term corporate defense, and to explain how an integrated corporate defense program can help an organization address both value creation and preservation. The book explores the value preservation imperative, which represents an organization's obligation to implement a comprehensive corporate defense program in order to deliver long-term sustainable value to its stakeholders. For the first time the reader is provided with a complete picture of how corporate defense operates all the way from the boardroom to the front-lines, and vice versa. It provides comprehensive guidance on how to implement a robust corporate defense program by addressing this challenge from strategic, tactical, and operational perspectives. This arrangement provides readers with a holistic view of corporate defense and incorporates the management of the eight critical corporate defense components. It includes how an organization needs to integrate its governance, risk, compliance, intelligence, security, resilience, controls and assurance activities within its corporate defense program. The book addresses the corporate defense requirement from various perspectives and helps readers to understand the critical interconnections and inter-dependencies which exist at strategic, tactical, and operational levels. It facilitates the reader in comprehending the importance of appropriately prioritizing corporate defense at a strategic level, while also educating the reader in the importance of managing corporate defense at a tactical level, and executing corporate defense activities at an operational level. Finally the book looks at the business case for implementing a robust corporate defense program and the value proposition of introducing a truly world class approach to addressing the value preservation imperative. Cut and paste this link (https://m.youtube.com/watch?v=u5R_eOPNHbI) to learn more about a corporate defense program and how the book will help you implement one in your organization.
