christ is the answer fr john riccardo: Rerouting Fr. John Riccardo, 2018-04-02 When we lack a basic understanding of what the Church teaches, we can feel as if we're on a road without a map, or have the wrong map, or only pieces of the map. So how can we journey to the Father and the eternal life Christ won for us? Rerouting addresses this problem head on, putting the map once again into our hands—or, in today's language, providing us with the voice of a GPS device telling us where we must go in order to come safely home. Fr. Riccardo, in his distinctive, incisive way, brings us face-to-face with Christ as the Church has proclaimed him from its earliest days. Guiding us around obstacles we often face as we try to understand our faith, this book answers questions Catholics commonly ask: What is the goal of human life? What really happens at Mass? Why is sexuality holy, and why must it be treated as such? In the culture in which we live, we can often be blinded to transcendence—and therefore to the saving work of Christ's passion, death, and resurrection. Rerouting presents us with a sweeping vista of what we believe in a way that makes sense and causes our faith to grow and flourish, both in our hearts and in the world.

christ is the answer fr john riccardo: Forming Intentional Disciples Sherry A. Weddell, 2015-11-30 How can we transmit a living, personal Catholic faith to future generations? By coming to know Jesus Christ, and following him as his disciples. These are times of immense challenge and immense opportunity for the Catholic Church. Consider these statistics for the United States. Only 30 percent of Americans who were raised Catholic are still practicing. Fully 10 percent of all adults in America are ex-Catholics. The number of marriages celebrated in the Church decreased dramatically, by nearly 60 percent, between 1972 and 2010. Only 60 percent of Catholics believe in a personal God. If the Church is to reverse these trends, the evangelizers must first be evangelized—in other words, Catholics-in-the-pew must make a conscious choice to know and follow Jesus before they can draw others to him. This work of discipleship lies at the heart of Forming Intentional Disciples, a book designed to help Church leaders, parish staff and all Catholics transform parish life from within. Drawing upon her fifteen years of experience with the Catherine of Siena Institute, Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity, charisms, and vocation that flow from that relationship for the sake of the Church and the world. Learn about the five thresholds

of postmodern conversion, how to open a conversation about faith and belief, how to ask thought-provoking questions and establish an atmosphere of trust, when to tell the Great Story of Jesus, how to help someone respond to God's call to intentional discipleship, and much more. And be prepared for conversion because when life at the parish level changes, the life of the whole Church will change.

christ is the answer fr john riccardo: Dangers to the Faith Al Kresta, 2013-05-28 A storm has been brewing in society and its treatment, views, and activities toward the Catholic Faith. Some are subtle, others are more brazen -- New Age thought, questionable spirituality, creedless Christianity, relativism, scientific skepticism, the triumph of technology, and even the self-styled spirituality of Oprah Winfrey. All these masquerade as truth, making it tough for the average Catholic to know how to resist, let alone respond. No one is more qualified to pull back the curtain on the challenges the Catholic Church faces today than Al Kresta, popular Catholic author, speaker, and radio show host. A revert to Catholicism, Kresta is well known for his rigorous examination of topics in art, religion, academia, and business. *Dangers to the Faith: Recognizing Catholicism's 21st Century Opponents* is the perfect springboard for discussing the new world in which the Catholic Church exists today. Learn how to better carry out the missionary mandate of the Church. The question isn't whether you will be a witness to Christ, but whether you will be an effective witness.

Riccardo addresses the obstacles we all face in becoming mature disciples. How do we learn to forgive? How do we combat fear and understand suffering? christ is the answer fr john riccardo: These Beautiful Bones: An Everyday Theology of the Body Emily Stimpson, 2013-09-01 It was Blessed John Paul II's greatest gift to the Church: The theology of the body. A window into who we are, the theology of the body is a theology for the rooms where we make love. But it's also a theology for the rooms where we work, where we eat, where we laugh, and where we pray. *These Beautiful Bones* takes you on a walk through those rooms. With both humor and practical wisdom, it sheds light on what the theology of the body has to say about life beyond the bedroom, about the everyday moments of life, helping you discover how to let grace enter into those moments and make of them something extraordinary.

christ is the answer fr john riccardo: Learning to Trust from Mary Fr. John Riccardo, 2021-12-01 "She had to learn to trust..." How often do we think of Mary's trust in the Lord? How often do we imagine what it must've been like for her as she accepted the Lord's invitation to become the mother of Our Savior, as she watched Him grow from child to man, and witnessed the power of His adult ministry ending in His Death and Resurrection? What must have trust been like for her? And how can we live as she did? The Rosary can guide us to this same trust of what Mary herself learned: that when we place everything we have in the hands of the Lord, He will guide us.

christ is the answer fr john riccardo: Because of Our Fathers Tyler Rowley, 2020-08-11 A father—the head of the household, as Saint Paul says—has a crucial role and responsibility in his family, not only materially, but spiritually. This is no outdated biblical cliché, but a biological, sociological, and metaphysical reality that we too often fail to recognize. The example of a father can leave an indelible imprint on the character of his children. In *Because of Our Fathers*, twenty-three Catholics—including Patrick Madrid, Abby Johnson, Bishop Joseph Strickland, Father Paul Scalia, Jesse Romero, Anthony Esolen, Father Rocky, Christopher Check, and Father Gerald Murray—give portraits of their own fathers as conduits and models of Christian love. Ranging from the heroic to

the ordinary, these powerful testimonies will inspire men to consider more deeply the amazing privilege that God has given them to become, despite their imperfection, a living image of our Father in Heaven. The introduction and conclusion by editor Tyler Rowley serve as a wake-up call. Illustrating the Church's teaching on fatherhood with current research on the family, he makes clear the urgent need for men who take seriously the God-given, grace-filled task of raising children.

christ is the answer fr john riccardo: Radiating Christ Raoul Plus, 2003-06 To be a Christ is the whole meaning of Christianity. To radiate Christ is the whole meaning of the Christian Apostolate. But to be a Christ for one's own personal benefit is not enough; we have to Christianize those around us; in a word, we have to radiate Christ. There are so many holy people that have radiated Christ in our times, but none as powerfully and effectively as Pope John Paul II and Mother Theresa of Calcutta. May we be granted the gift to radiate Christ. This beautiful book lays a foundation to help us to radiate and Christianize our fellow man, especially in these times of decadence and non-believing Christians.

christ is the answer fr john riccardo: Hope to Die Scott Hahn, 2020-04-17 As Catholics, we believe in the resurrection of the body. We profess it in our creed. We're taught that to bury and pray for the dead are corporal and spiritual works of mercy. We honor the dead in our Liturgy through the Rite of Christian burial. We do all of this, and more, because when Jesus Christ took on flesh for the salvation of our souls he also bestowed great dignity on our bodies. In *Hope to Die: The Christian Meaning of Death and the Resurrection of the Body*, Scott Hahn explores the significance of death and burial from a Catholic perspective. The promise of the bodily resurrection brings into focus the need for the dignified care of our bodies at the hour of death. Unpacking both Scripture and Catholic teaching, *Hope to Die* reminds us that we are destined for glorification on the last day. Our bodies have been made by a God who loves us. Even in death, those bodies point to the mystery of our salvation.

He presents a systematic, organic synthesis of the essential and fundamental Catholic teachings in the light of the Second Vatican Council and the whole of the Church's Tradition. Jesus asks questions that challenge and unsettle. Questions that cut to the heart of human experience. Questions that -- like a plow plunging deeply into hard soil -- split life open. Distinguished theologian Michael Buckley in this book meditates on fourteen key personal questions that Jesus asks in the Gospel of John -- such questions as What do you seek? christ is the answer fr john riccardo: At the Heart of the Gospel Christopher West, 2012-01-31 The sexual revolution brought a terribly distorted vision of the body and sex into the mainstream. How should Christians respond? With his illuminating Theology of the Body, Pope John Paul II challenged the modern world not to stop at the surface, but to enter the depth of the "great mystery" that the body and sex reveal: a mystery that lies at the heart of the Gospel itself. Since he first discovered John Paul II's teaching in 1993, Christopher West has devoted himself to sharing its life-transforming message with the world. In this highly anticipated work, West leads us into the depth of Christ's "nuptial union" with the Church, demonstrating how authentic Catholic teaching on the body and sex saves us from both the libertine perspective of popular culture and the cold puritanism that has sometimes infected Christianity. In the process, West provides a blueprint for reaching our sexually broken world in the "new evangelization."

christ is the answer fr john riccardo: Go to Heaven Fulton J. Sheen, 2017-08-07 Why is it, asks Bishop Fulton Sheen, that one hears so often the expression Go to hell! and almost never the expression Go to heaven! Here, at his most penetrating, challenging, and illuminating best is Bishop Sheen with his answer, in a book that breathes new meaning into the truths about heaven and hell, and new life into the concepts of faith, tolerance, love, prayer, suffering, and death. Beginning with The First Faint Summons to Heaven, Sheen shows how unpopular it is today to be a true Christian, and describes the struggle for living our faith amid the disorders of our times. Keenly aware of evil in the myriad forms it takes in today's world, Bishop Sheen writes about the constant battle man faces with the seven pallbearers of character - pride, avarice, envy, lust, anger, gluttony and sloth -

linking them with the corrosive forces that never cease in their attacks on the Church and those who earnestly desire to be serious Christians. In *Go to Heaven*, a great spiritual teacher and writer, deeply aware of the human and spiritual conflicts being waged in the world, shows us the way to heaven in a most eloquent book, encouraging the reader to choose heaven now, and to understand the reality of hell.

christ is the answer fr john riccardo: A Pope and a President Paul Kengor, 2023-07-18 Even as historians credit Ronald Reagan and Pope John Paul II with hastening the end of the Cold War, they have failed to recognize the depth or significance of the bond that developed between the two leaders. Acclaimed scholar and bestselling author Paul Kengor changes that. In this fascinating book, he reveals a singular bond—which included a spiritual connection between the Catholic pope and the Protestant president—that drove the two men to confront what they knew to be the great evil of the twentieth century: Soviet communism. Reagan and John Paul II almost didn't have the opportunity to forge this relationship: just six weeks apart in the spring of 1981, they took bullets from would-be assassins. But their strikingly similar near-death experiences brought them close together—to Moscow's dismay. Based on Kengor's tireless archival digging and his unique access to Reagan insiders, *A Pope and a President* is full of revelations. It takes you inside private meetings between Reagan and John Paul II and into the Oval Office, the Vatican, the CIA, the Kremlin, and many points beyond. Nancy Reagan called John Paul II her husband's closest friend; Reagan himself told Polish visitors that the pope was his best friend. When you read this book, you will understand why. As kindred spirits, Ronald Reagan and John Paul II united in pursuit of a supreme objective—and in doing so they changed history.

christ is the answer fr john riccardo: Villains of the Early Church: And How They Made Us Better Christians Mike Aquilina, 2018-12-01 The early Church faced its share of villains—persecutors like Nero and Julian, heretics like Marcion and Arius. And what good were they? Plenty, say the Church Fathers. The threat of persecution made Christians strong and bold. As noted author Mike Aquilina demonstrates in *Villains of the Early Church: And How They Made Us Better Christians*, the menace of heresy made Christians smarter — and deepened their knowledge of the divine mysteries. The villains of the ancient world proved the mettle of heroes like Peter and Paul, Irenaeus and Athanasius. Treachery and adversity inspired the Fathers' clearest teaching, most entertaining invective, and more than a few memorable jokes. The time of villains—and heroes—is hardly over. Through *Villains of the Early Church*, you'll learn how you can keep your good humor through trials and opposition, and all the while grow sharper in doctrine and warmer in devotion.

christ is the answer fr john riccardo: The Crucifixion Fleming Rutledge, 2015 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome, degrading, public manner of his death by crucifixion, a mode of execution so loathsome that the ancient Romans never spoke of it in polite society. Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ. She shows how each of the biblical themes contributes to the whole, with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model.

christ is the answer fr john riccardo: LET ALL CREATION REJOICE Fr Stavros N. Akrotirianakis, 2016-08-31 HEAR THE CHRISTMAS STORY AS YOU'VE NEVER HEARD IT BEFORE MAKE THE JOURNEY TO THE MANGER ALONG WITH MARY AND JOSEPH, THE SHEPHERDS AND THE MAGI Has the Christmas season become the most stressful time of the year instead of the most wonderful time? Do you struggle to keep Christ in Christmas? The story of the Nativity is told in a mere 40 verses of scripture-19 in the Gospel of Matthew, 20 in the Gospel of Luke and 1 in the Gospel of John. Yet nearly each word of every verse is packed with meaning. We are all familiar with holiday words like joy and glory. Have you ever wondered about their deeper meaning? The glory of the Lord (Luke 2:9) is not just part of the Christmas story but something we can experience in our own lives. Joy reminds us of the child-like innocence we used to have and can recapture. In Luke 2:20 we read And the shepherds returned. The shepherds were still shepherds; witnessing the miracle of the Incarnation of Christ didn't change their status. It changed their hearts. *Let All Creation Rejoice: Reflections for Advent, the Nativity and Epiphany* is a series of short daily reflections on the scripture readings of the season, to be read during the Orthodox Christian Advent and Nativity season between November 15 and January 7. Spending a few minutes each day reading and reflecting on these scriptures will not change your status either. It will change your heart. You will better understand the good news of a great joy, and why the Word became flesh and dwelt among us. AND AS YOU PREPARE TO AGAIN CELEBRATE GOD'S GREATEST GIFT TO US, YOU WILL BE ABLE TO OFFER WITH A MORE GRATEFUL HEART YOUR GIFTS TO HIM. Father Stavros N. Akrotirianakis is a Greek Orthodox Priest who serves St. John the Baptist Greek Orthodox Church in Tampa, Florida.

christ is the answer fr john riccardo: A Companion to Joachim of Fiore Matthias Riedl, 2017-10-23 Joachim of Fiore (c.1135-1202) remains one of the most fascinating and enigmatic figures of medieval Christianity. In his own time, he was an influential advisor to the mighty and powerful, widely respected for his prophetic exegesis and decoding of the apocalypse. In modern times, many thinkers, from Thomas Müntzer to Friedrich Engels, have hailed him as a prophet of progress and revolution. Even present-day theologians, philosophers and novelists were inspired by Joachim's vision of a Third Age of the Holy Spirit. However, at no time was Joachim an uncontroversial figure. Soon after his death, the church authorities became suspicious about the explosive potential of his theology, while more recently historians held him accountable for the fateful progressivism of Western Civilization. Contributors are: Frances Andrews, Valeria De Fraja, Alfredo Gatto, Peter Gemeinhardt, Sven Grosse, Massimo Iiritano, Bernard McGinn, Matthias Riedl, and Brett Edward Whalen.

christ is the answer fr john riccardo: Waiting for Eli Chad Judice, 2010-01 What would you do if you knew your unborn child would be born with a serious birth defect? That's the question that was facing Chad and Ashley Judice of Lafayette, Louisiana, when their unborn son was diagnosed with spina bifida in a 16-weeks ultrasound. If brought to term, the child could be paralyzed from the waist on down. He would probably have little or no control of his bowels or bladder. And he could have any number of learning disabilities associated with a related birth defect called hydrocephalus, commonly referred to as water on the brain. When the doctor gave the Judices the diagnosis, she expressed her sincere sympathy, then proceeded to ask Ashley if she wanted to terminate the pregnancy. The medical literature on this birth defect indicates 80 percent of parents who are given this diagnosis do close abortion. Ashley and Chad did not want to be in that number. Instead, they would pray for a miracle --Cover, p. 2.
