

christianity questions that cannot be answered

Christianity: Questions That Cannot Be Answered

Introduction:

Faith is a powerful force, a cornerstone of countless lives. Christianity, with its rich history and profound teachings, offers answers to many of life's big questions. Yet, nestled within its inspiring narratives and unwavering beliefs lie questions that have perplexed theologians, philosophers, and believers for centuries. This article delves into some of these enduring mysteries, exploring the inherent paradoxes and unanswered questions within the Christian faith. We won't offer definitive answers – that's not the point. Instead, we aim to stimulate thought, encourage critical engagement, and acknowledge the space for mystery within a faith that emphasizes grace and belief. We'll explore the problem of evil, the nature of God's omnipotence, and the complexities of free will versus predestination, among other challenging concepts.

The Problem of Evil: A Persistent Paradox

The existence of suffering and evil in a world supposedly created and governed by an all-powerful, all-knowing, and all-good God presents a significant challenge to Christian theology. If God is truly omnipotent (all-powerful), why does he allow suffering? If he is omniscient (all-knowing), why doesn't he prevent it? If he is omnibenevolent (all-good), why doesn't he alleviate it? This classic theological problem has spawned countless books and debates. While various attempts to reconcile God's goodness with the existence of evil have been made (e.g., free will defense, soul-making theodicy), none fully and satisfactorily answer the question of why a loving God permits such widespread suffering. The sheer scale and brutality of human suffering, coupled with natural disasters, often leave believers grappling with this profound enigma.

The Nature of the Trinity: A Mystery of Faith

The Christian doctrine of the Trinity – the belief in one God existing in three co-equal, co-eternal persons (Father, Son, and Holy Spirit) – is a central tenet of the faith but remains conceptually challenging. How can three distinct persons be one God? This concept transcends human understanding and relies on faith rather than logic or empirical evidence. While theological explanations attempt to clarify the Trinity, the inherent mystery remains at the heart of the doctrine. It is a belief embraced through faith, accepted as a revealed truth, not fully grasped by human reason.

The Extent of God's Foreknowledge: Free Will vs. Predestination

The concept of God's omniscience brings another set of unanswered questions. If God knows everything that will happen, including every choice we will make, does this negate human free will? The tension between God's foreknowledge and human free will has led to centuries of theological

debate, with differing viewpoints emerging, such as Calvinism (emphasizing predestination) and Arminianism (emphasizing free will). Reconciling divine foreknowledge with genuine human agency remains a complex and unresolved issue. The seemingly paradoxical nature of a pre-ordained future alongside individual choice continues to puzzle and challenge Christian thinkers.

The Nature of Heaven and Hell: Beyond Human Comprehension

The Christian descriptions of heaven and hell, while offering comfort and warning, largely remain beyond human comprehension. What is the nature of eternal life in heaven? What is the experience of hell? Are these literal places, or are they metaphorical representations of spiritual states? The lack of concrete, empirical evidence makes it difficult to fully grasp these concepts. They remain objects of faith and theological speculation, with different denominations and individuals holding diverse interpretations.

The Problem of Miracles: Evidence and Faith

Miracles, often cited as evidence of God's intervention, present a significant challenge for those seeking rational explanations. While some claim to witness or experience miracles, providing verifiable proof remains difficult. The subjective nature of faith makes it hard to objectively verify the occurrence of miraculous events. The question of how miracles fit into the natural order of the universe, and how to distinguish between genuine miracles and other phenomena, continues to be a point of contention.

The Silence of God: The Absence of Divine Intervention

Many believers wrestle with the perceived silence of God in the face of personal suffering or global crises. Why doesn't God intervene more directly in the lives of individuals or prevent catastrophic events? This perceived lack of divine intervention leads to questions about God's presence, involvement, and the nature of prayer and divine response. The silence can cause doubt and raise profound questions about God's nature and relationship with humanity.

The Inherent Mystery of God: The Limits of Human Understanding

Ultimately, many unanswered questions in Christianity stem from the inherent mystery of God. The divine is, by its very nature, beyond complete human comprehension. Trying to fully understand God through human reason may be akin to trying to grasp the infinite with finite tools. Embracing the mystery and acknowledging the limitations of human understanding can be a path towards deeper faith, accepting the space for questions and the limitations of our cognitive capacity to fully grasp the divine.

The Origin of Evil: A Source Unknown

While the problem of evil is well-discussed, the origin of evil itself remains a profound mystery within Christian thought. Did evil originate with the Fall of humanity, or was it always present, somehow inherent in creation? Understanding the root cause of evil and its relationship to God's creation is a crucial element in grappling with the theological problem of suffering.

The Afterlife and the Soul: Unprovable yet Believed

The nature of the soul and the existence of an afterlife are central tenets of Christian faith yet remain unprovable by scientific or empirical means. The Christian belief in the immortality of the soul and a life after death relies fundamentally on faith and divine revelation, not on demonstrable evidence. This reliance on faith, rather than empirical proof, leaves the question of the afterlife within the realm of the unknown and the believed.

Article Outline: Christianity's Unanswerable Questions

- I. Introduction: Briefly introducing the concept of unanswered questions within Christianity.
- II. The Problem of Evil: Examining the classic theological challenge of reconciling God's goodness with the existence of suffering.
- III. The Nature of the Trinity: Exploring the paradoxical concept of one God in three persons.
- IV. Free Will vs. Predestination: Analyzing the tension between divine foreknowledge and human agency.
- V. Heaven and Hell: Discussing the enigmatic nature of the afterlife.
- VI. Miracles and Faith: Examining the evidence for and challenges to the concept of miracles.
- VII. The Silence of God: Exploring the perceived absence of divine intervention.
- VIII. The Inherent Mystery of God: Acknowledging the limits of human understanding of the divine.
- IX. The Origin of Evil: Delving into the unresolved question of evil's source.
- X. The Afterlife and the Soul: Discussing the unprovable yet fundamental beliefs.
- XI. Conclusion: Summarizing the central themes and emphasizing the importance of faith and mystery within Christianity.

(Detailed explanation of each point is provided above in the main body of the article.)

FAQs:

1. Is it okay to have unanswered questions about Christianity? Absolutely. Wrestling with difficult questions is a sign of intellectual engagement and a deeper search for faith.

1. Do all Christians agree on these unanswered questions? No. Different denominations and

individuals within Christianity hold diverse perspectives on these issues.

1. Does the existence of unanswered questions disprove Christianity? No. Many faiths embrace mystery and acknowledge that some questions may remain beyond human understanding.
1. How can I reconcile faith with these unanswered questions? Through prayer, reflection, study, and engagement with the broader Christian community.
1. Are these questions unique to Christianity? No. Many religions grapple with similar questions about the nature of God, suffering, and the afterlife.
1. Is it wrong to doubt? Doubt is a natural part of the faith journey. It's important to explore doubts honestly and engage in thoughtful reflection.
1. Does acknowledging unanswered questions weaken my faith? Not necessarily. It can strengthen your faith by prompting deeper reflection and a more nuanced understanding of your beliefs.
1. Where can I find more information on these topics? Consult theological texts, engage with Christian scholars, and participate in discussions within your faith community.
1. Should I abandon my faith if I can't answer these questions? The decision is personal. Many find that grappling with these questions leads to a richer and more meaningful faith.

christianity questions that cannot be answered: *The Case for Christianity Answer Book* Lee Strobel, 2014-08-12 Answers to the most-asked questions about Christian faith! The Case for Christianity Answer Book is a great book for both newer and seasoned Christians alike. The Q&A format lends itself to helping believers know how to effectively defend their faith. Perfect for those

ready to consider Jesus, longtime believers, someone seeking the truth, or even a skeptic. This book is great for anyone looking for a handy reference. The Case for Christianity Answer Book provides succinct answers to real questions about Christianity. Strobel, a former atheist, uses his investigative journalism skills to dig deep into the Bible to provide compelling and concise answers about Christianity. In this answer book, bestselling author Lee Strobel offers biblically based answers to questions such as: Did God use evolution when He created the world? If God is loving, why is there so much suffering? Do the resurrection accounts in the four Gospels contradict each other? Can you have doubts and still be a Christian?

christianity questions that cannot be answered: Give Me an Answer Cliffe Knechtle, 1986-03-31 Cliffe Knechtle offers clear, reasoned and compassionate responses to the tough questions skeptics ask.

christianity questions that cannot be answered: Confronting Christianity Rebecca McLaughlin, 2019-04-17 Although many people suggest that Christianity is declining, research indicates that it continues to be the world's most popular worldview. But even so, the Christian faith includes many controversial beliefs that non-Christians find hard to accept. This book explores 12 issues that might cause someone to dismiss orthodox Christianity—issues such as the existence of suffering, the Bible's teaching on gender and sexuality, the reality of heaven and hell, the authority of the Bible, and more. Showing how the best research from sociology, science, and psychology doesn't disagree with but actually aligns with claims found in the Bible, these chapters help skeptics understand why these issues are signposts, rather than roadblocks, to faith in Christ.

christianity questions that cannot be answered: *Grill a Christian* Roger Carswell, 2011-01-01

christianity questions that cannot be answered: 10 Questions Every Teen Should Ask (and Answer) about Christianity Rebecca McLaughlin, 2021-03-09 Written by Rebecca McLaughlin, Author of *Confronting Christianity* In a world of increasing ideological diversity, kids are being challenged to think through their own beliefs at an early age. Questions like How can you believe the Bible is true?; Why can't we just agree that love is love?; and Isn't Christianity against diversity? can seem like roadblocks for kids who are following Jesus, as well as for those who might otherwise consider faith in Christ. In this helpful book—written both for Christian kids and for those who think Jesus is just a fairy tale character—Rebecca McLaughlin invites readers ages 12-15 to dig deep into hard questions for themselves and perhaps discover that the things that once looked like roadblocks to faith might actually be signposts.

christianity questions that cannot be answered: *The Questions Christians Hope No One Will Ask* Mark Mittelberg, 2010-10-29 2011 Retailers Choice Award winner! “Why are Christians against same-sex people getting married? . . . Why do you believe God exists at all? . . . Why would God allow evil and suffering? . . . Why trust the Bible when it’s full of mistakes? . . . How could a loving God send people to hell? . . . What makes you think Jesus was more than just a good teacher? . . . Why are Christians so judgmental?” Some questions can stop a conversation. Today, more than ever, people are raising difficult, penetrating questions about faith, God, and the Bible. Based on an exclusive new Barna survey of 1,000 Christians, *The Questions Christians Hope No One Will Ask* presents compelling, easy-to-grasp answers to ten of the most troubling questions facing Christians today. These include everything from the existence of heaven to the issues of abortion and homosexuality, as well as the question of whether evolution eliminates our need for a God.

christianity questions that cannot be answered: **Christianity for People Who Aren't Christians** James Emery White, 2019-11-05 I wish this book had been around when I was an atheist and started to seek God. It's a no-nonsense, practical, and insightful guide that will help all those on a quest for spiritual truth. If you're investigating whether there's any substance to the Christian faith, you must read this important book.--Lee Strobel, former award-winning legal editor of the Chicago Tribune and bestselling author of more than twenty books *** In our post-Christian age, the old answers for skeptics are no longer cutting it. Why? Because they largely seek to answer the wrong questions. Our world is changing, and while the gospel never changes, the way we talk about

it and learn about it must. *Christianity for People Who Aren't Christians* answers both classic and bleeding-edge questions that skeptics have about the faith, such as - Is there a God? - Why do the life, death, and resurrection of Jesus matter? - Why is there so much suffering in the world? - Why do Christians think there is only one way to know God? - How do I reconcile the Bible's picture of Christ's followers with the actual Christians I know who have disappointed me? Covering such topics as astrophysics, social justice, and acceptance of the LGBTQ community, this one-of-a-kind book is perfect for those skeptical of Christianity and for those who love them and want to keep the line of communication open.

christianity questions that cannot be answered: Short Answers to Big Questions about God, the Bible, and Christianity Clinton E. Arnold, Jeff Arnold, 2015-09-01 This accessible reference offers short and to-the-point answers to fifty pressing questions people have about God, the Bible, and Christianity, including - Are there errors or contradictions in the Bible? - Do science and faith conflict? - Is hell a real place? - What will heaven be like? - Is it possible to prove God exists? - Why did Jesus have to die? - Does God hate sex? - Do Christians have to go to church? - and many more This book is for those who want a clear introduction to the essential teachings of Christianity to help them grow in faith and in preparation to share the basics of Christian belief.

christianity questions that cannot be answered: Introduction to World Christian History Derek Cooper, 2016-06-03 In this brief history of the church from a global perspective, Derek Cooper explores the development of Christianity across time and the continents. Guiding readers to places like Iraq, Ethiopia and India, Scandanavia, Brazil and Oceania, he reveals the fascinating—and often surprising—history of the church.

christianity questions that cannot be answered: Reasonable Faith William Lane Craig, 2008 This updated edition by one of the world's leading apologists presents a systematic, positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities. Brilliant and accessible.

christianity questions that cannot be answered: The Works of His Hands Dr. Sy Garte, 2019-11-19 Raised in a militant atheist family, Sy Garte fell in love with the factual world of science. He became a respected research biochemist with an anti-theistic worldview to bolster his work—and he had no intention of seeking a God he didn't believe in. That is, until the very science he loved led him to question the validity of an atheistic worldview. His journey to answer the questions that confronted him drew him into becoming a fully committed Christian, determined to show others the truth: modern science doesn't contradict God at all but instead supports Christianity. In the first half of the book, Sy begins with how his experiences and quest for knowledge as a student and early in his career brought him to question his materialist assumptions. He goes on to reveal how lessons from physics, biology, and human nature—all presented for lay readers to easily understand—actually argue for belief in God. In the second half of the book, Sy looks at the arguments often presented against God in academic and scientific settings and explains the false foundations on which they rest. For those who have been told that the realities of science call for a rejection of God—but can't quite get rid of the feeling that this shouldn't be true—*The Works of His Hands* is an ideal reminder that the two don't have to be bitter enemies. Instead, this transformative book shares the beauty of the marriage between science and faith—and how, together, they can bring even the most unlikely to salvation.

christianity questions that cannot be answered: 10 Questions Every Christian Must Answer Alex McFarland, Elmer L. Towns, 2011 Respected scholars provide thorough yet accessible answers to the deep spiritual questions that most often challenge one's faith and the ability to share it with others.

christianity questions that cannot be answered: The 21 Toughest Questions Your Kids Will Ask about Christianity Alex McFarland, 2013-08-01 University apologist, director, and popular speaker Alex McFarland has spent the last two decades answering questions about Christian worldview and the Bible from children, teens, and parents. In *The 21 Toughest Questions Your Kids Will Ask about Christianity*, he summarizes questions today's children and teens are asking about

God, the Bible, and the problem of evil. Alex's experiences have taught him that how adults answer questions about God is as important as, if not more important than, what kids ask. He provides parents with teaching strategies that will help them reach their children intellectually and spiritually. Today's kids and teens are looking for authenticity, integrity, and straightforward truth. Alex comes alongside parents and gives them tools to effectively answer not only their children's toughest academic questions but also the questions that plague their hearts.

christianity questions that cannot be answered: Key Questions about Christian Faith

John Goldingay, 2010-11 A biblical theologian explores what the Old Testament says about twenty-five important questions of the Christian faith, drawing practical, sensible applications for today's church.

christianity questions that cannot be answered: A Reasonable Response William Lane Craig,

Joe Gorra, 2013-09-01 Followers of Jesus need not fear hard questions or objections against Christian belief. In A Reasonable Response, renowned Christian philosopher and apologist William Lane Craig offers dozens of examples of how some of the most common challenges to Christian thought can be addressed, including: Why does God allow evil? How can I be sure God exists? Why should I believe that the Bible is trustworthy? How does modern science relate to the Christian worldview? What evidence do we have that Jesus rose from the dead? Utilizing real questions submitted to his popular website ReasonableFaith.org, Dr. Craig models well-reasoned, skillful, and biblically informed interaction with his inquirers. A Reasonable Response goes beyond merely talking about apologetics; it shows it in action. With cowriter Joseph E. Gorra, this book also offers advice about envisioning and practicing the ministry of answering people's questions through the local church, workplace, and in online environments. Whether you're struggling to respond to tough objections or looking for answers to your own intellectual questions, A Reasonable Response will equip you with sound reasoning and biblical truth.

christianity questions that cannot be answered: Are Miraculous Gifts for Today?

Zondervan,, 2011-10-11 Are Miraculous Gifts for Today? takes you to the heart of one of the most dividing questions in the Church today: how are the Holy Spirit's miracles at work among God's people now? Is he still actively giving the gifts of tongues, prophecy, and healing that fill the book of Acts? Is he driving out demons when Christians command them to flee? Or are these events confined to the time of the early church and the apostles? This volume of the Counterpoints series provides an impartial format for comparing the four main positions on present-day miracles (including the history and distinctions between the three positions that affirm miraculous gifts) with voice also given to a large sector of open-but-cautious evangelicals: Cessationist: there are no miraculous gifts of the Holy Spirit today. Pentecostal: gifts are intended for today, with certain nuances focused on baptism and speaking in tongues. Charismatic: gifts are intended for today and should be actively practiced. Third Wave: gifts are intended for today, with greater emphasis on baptism and less on tongues. This thought-provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

christianity questions that cannot be answered: Yes or No? Peter Kreeft, 2009-11-05

The popular Christian apologist Kreeft tackles many of the tough questions of our day concerning Christianity. In a series of imaginative dialogues, Sal the Seeker and Chris the Christian deal with the profound mysteries of the Gospel. The result is a book that is both engaging and profound, a book that leads readers to initial faith—or to deeper faith. The stakes in these dialogues are high. Christianity is God's marriage proposal to the soul, says Kreeft, and the answer must be yes or no. We can evade the claims of Jesus Christ for a while, but death brings evasion to an end. It is wiser to look at Christianity honestly now. Yes or No? shows the truth of Jesus' promise that those who sincerely seek the truth shall find it. It is a road map for those who are honestly seeking the truth and a source of greater faith for those how have already found God. It presents the full challenge of

the gospel in a way modern men and women can understand.

christianity questions that cannot be answered: Common Sense Atheism Barry Goldberg, 2017-09-29 For some atheists, it's enough to simply not believe in God. Some people believe, but you don't. And that's OK. Other atheists, however, find themselves constantly being asked to justify why they don't believe in God, to explain how they can possibly have morals without believing in God, to respond to various arguments that supposedly prove the existence of God, to acknowledge that America was founded as a Christian nation, etc. And if you don't have a background in philosophy, formal logic, comparative religions, ancient history, and various scientific fields, it can be a bit daunting to attempt to respond to questions and assertions like these. Well, fear not! Common Sense Atheism is a collection of original essays that address these issues and many others in clear and easy to understand language, with just a dollop of humor to make it all go down smoothly. These essays will help you understand and explain to others why a lack of belief in God really is the only rational choice. After all, you shouldn't need a PhD to defend your lack of belief.

christianity questions that cannot be answered: Questioning the Bible Jonathan Morrow, 2014-07-15 The Bible is the most influential book in human history. But what are we supposed to do with it in the 21st century? And even more importantly, can it still be trusted as the Word of God? Confusion and doubt about the Bible are becoming as common inside the church as they are outside. Questions come from all sides: Is the Bible anti-intellectual? Has the biblical text been corrupted over the centuries? Who really chose the books of the Bible and why? Which interpretation of the Bible is correct? Are the gospels full of contradictions? There are an unprecedented number of sophisticated attacks on the origin, credibility, and reliability of the Bible today. Secularism has tried to undercut even the possibility of spiritual or moral knowledge. Skepticism toward institutional religion is at an all-time high. Yet, the Bible claims that truth is knowable and God is actively involved in our world. What are we to do? Pray for wisdom. Think clearly. Pick up your Bible. Read through the 11 major challenges presented in these pages. And be ready.

christianity questions that cannot be answered: Talking with Your Kids about God Natasha Crain, 2017-10-17 Christian parenting is hard work--and it's getting harder. Parents have a deep desire to pass on their faith, but fear that today's increasingly skeptical and hostile world will eventually lead their kids to reject the truth of Christianity. That leaves many parents feeling overwhelmed--uncertain of what they can do to help their children, given the difficulty and extent of the faith challenges they will face. This practical and timely resource gives parents the confidence of knowing what to discuss with their children and how to discuss it in order to facilitate impactful conversations that will form the basis of a lifelong faith. In a friendly, parent-to-parent voice, Natasha Crain identifies 30 specific conversations about God that parents must have with their children, organizing them under the categories of - the existence of God - science and God - the nature of God - believing in God - the difference God makes Chapters are sequenced in a curriculum-oriented way to provide a cumulative learning experience, making this book a flexible resource for use in multiple settings: homes, church classes, youth groups, small groups, private Christian schools, and homeschools. Every chapter has a step-by-step conversation guide with discussion questions and tips, and content is readily adaptable for use with kids of any age (elementary through high school). Endorsements: My prayer is that God will use this book to both motivate and equip you to help your kids develop convictions about their faith.--From the foreword by Sean McDowell, PhD, Biola University professor, speaker, and author of more than eighteen books, including A New Kind of Apologist I can't think of a more relevant or more needed book for parents raising kids in today's culture. This book on apologetics will lead parents in critical conversations that will help grow and guide kids to be lifelong followers of Christ.--Kristen Welch, author of Raising Grateful Kids in an Entitled World Hey parents: Do you want to reduce the chances that your child will follow the crowd to the point of rejecting Christ and the values and truths you hold so dearly? Then you need to have the conversations that Natasha Crain so brilliantly describes in this book. Prevent heartbreak later by reading and heeding this book now!--Frank Turek, PhD, president of CrossExamined Ministries and author of I Don't Have Enough Faith to Be an Atheist and

Stealing from God May this book lead to thousands more Moms and Dads engaging with their kids through an intelligent faith. And may there be tens of thousands more kids who feel loved because the adults in their lives take their questions seriously.--Jeff Myers, PhD, president, Summit Ministries

christianity questions that cannot be answered: *50 Simple Questions for Every Christian* Guy P. Harrison, 2013 A friendly and conversational inquiry from a skeptic about basic Christian belief. Designed to promote constructive dialogue, Christians will find the book useful as a basis for developing their apologetics, while skeptics will welcome Harrison's probing rational analysis of religious claims.

christianity questions that cannot be answered: *Letters from a Skeptic* Dr. Gregory A. Boyd, Edward Boyd, 2010-01-01 Explore the profound dynamics between a Christian son and his skeptical father in this powerful book, as it delves into the big questions of Christianity with a compelling blend of intelligent answers and heartfelt faith. Greg Boyd and his father, Ed, were on opposite sides of a great divide. Greg was a newfound Christian, while his father was a longtime agnostic. So Greg offered his father an invitation: Ed could write with any questions on Christianity, and his son would offer a response. *Letters from a Skeptic* contains this special correspondence. The letters tackle some of today's toughest challenges facing Christianity, including: Do all non-Christians go to hell? How can we believe a man rose from the dead? Why is the world so full of suffering? How do we know the Bible was divinely inspired? Does God know the future? Each response offers insights into these difficult questions, while delivering intelligent answers that connect with both the heart and mind. Whether you're a skeptic, a believer, or just unsure, these letters can provide a practical, common-sense guide to the Christian faith.

christianity questions that cannot be answered: *Bullies and Saints* John Dickson, 2021-05-11 Is the world better off without Christianity? Combining narrative with keen critique of contemporary debates, author and historian John Dickson gives an honest account of 2,000 years of Christian history that helps us understand what Christianity is and what it's meant to be. To say that the Christian Church has an image problem doesn't quite capture it. From the Crusades and the Inquisition to the racism and abuse present in today's Church--both in Catholic and Protestant traditions--the institution that Christ established on earth has a lot to answer for. But the Church has also had moments throughout history when it has been in tune with Jesus' teachings--from the rise of charity to the invention of hospitals. For defenders of the faith, it's important to be able to recognize the good and bad in the church's history and be inspired to live aligned with Christ. For skeptics, this book is a thought-provoking introduction to the idea that Christianity is, despite all, an essential foundation of our civilization. *Bullies and Saints* will take you on a big-picture journey from the Sermon on the Mount to the modern church: Giving contextual accounts of infamous chapters of Christian history, such as the Crusades, and acknowledging their darkness. Outlining the great movements of the faith and defending its heroes and saints, some of whom are not commonly recognized. Examining the Church beside the teachings and life of Jesus and how it has succeeded in its mission to imitate Christ.

christianity questions that cannot be answered: *Unanswered* Jeremiah J. Johnston, 2015-10-06 We live in a radically skeptical age. Tough questions are being asked about Christianity. And most believers are ill-equipped to provide the answers our culture and communities desperately need. Many in today's church do not know the Bible as well as they should and they struggle with their own "big questions" about the faith. After receiving more than four thousand questions at his Christian Thinkers Society events over the span of six years, Dr. Jeremiah Johnston began to recognize six categories of recurring, trending questions that dominated the rest. In *Unanswered*, he tackles these tough issues that plague the minds of believers but are rarely addressed in church, such as... Why is it that God often seems to remain silent? How can we trust in the bodily resurrection of Jesus, and what does it mean for us today? What do Christians need to understand about suicide and mental illness? How should Christians respond to spiritual darkness and the obsession with paranormal activity? Why is biblical illiteracy so dangerous for Christians and the church? Why do we experience suffering and pain? *Unanswered* will leave you enriched,

characterized by a thinking faith, capable to communicate confidently, and committed to escape the tendency to offer trite answers to a skeptical world.

christianity questions that cannot be answered: Questioning Christianity Dan Paterson, Rian Roux, 2021-06-02 Have you ever seriously questioned Christianity? If so, you're not alone. A lot of people have wondered if this faith is outdated . . . irrelevant . . . maybe even harmful. But what if everything is not as it seems? What if there's more to the story? Questioning Christianity explores the nature and relevance of the Christian story in an accessible and compelling way. No slogans. No politics. No simple solutions to complex problems. After many years of exploring issues of faith with skeptics, seekers, and new believers, Dan Paterson and Rian Roux serve as guides to help you navigate what can be a disorienting and confusing journey. Perhaps you're feeling lost, unable to find your bearings, and you need some help to map out the terrain around you. Or maybe you've encountered obstacles and have hard questions that need to be addressed before you can move ahead. Whatever it is that has made you curious about this faith, there are good answers waiting to be discovered. So go ahead. Question Christianity. Just give Christianity the chance to answer back.

christianity questions that cannot be answered: Can a Scientist Believe in Miracles? Ian Hutchinson, 2018-09-11 Plasma physicist Ian Hutchinson has been asked hundreds of questions about faith and science. Is God's existence a scientific question? Is the Bible consistent with the modern scientific understanding of the universe? Are there scientific reasons to believe in God? In this comprehensive volume, Hutchinson answers a full range of inquiries with sound scientific insights and measured Christian perspective.

christianity questions that cannot be answered: Think Christianly Jonathan Morrow, 2011-11-01 Think Christianly is about seizing the opportunities we have every day to speak the life Jesus offers into our culture. Tragically, many such opportunities pass us by unclaimed—either because we don't notice them or we have not prepared ourselves to enter into them. And those around us seem to grow increasingly unwilling to hear anything the church has to say. Jonathan Morrow helps church leaders envision and implement ways for their congregations to "think Christianly" about contemporary questions and to speak in informed, engaging ways. Morrow explores many of the important issues that Christians often hear raised with regard to faith—questions about who Jesus was, the good and bad of religion, pain and evil in the world, the reliability of the Bible, sexuality and intimate relationships, and hope for change, among others. The life and faith issues that Think Christianly addresses lead to cultural moments where Christianity and contemporary culture intersect. This book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world.

christianity questions that cannot be answered: The Dawkins Delusion? Alister McGrath, Joanna Collicutt McGrath, 2011-05-18 Alister McGrath and Joanna Collicutt McGrath present a reliable assessment of The God Delusion by Richard Dawkins, famed atheist and scientist, and the many questions this book raises—including, above all, the relevance of faith and the quest for meaning.

christianity questions that cannot be answered: Paradoxology Krish Kandiah, 2017-01-14 Many of us have big questions about God that the Christian faith seems to leave unanswered. But what if that tension is exactly where faith comes alive? Paradoxology boldly claims that the paradoxes that seem to undermine belief are actually the heart of our vibrant faith, and it is only by continually wrestling with them that God is most clearly revealed.

christianity questions that cannot be answered: Plugged In Dan Strange, 2019-05 Enjoy culture in a way that feeds your faith and helps you share it with others

christianity questions that cannot be answered: An Introduction to Christian Worldview Tawa J. Anderson, W. Michael Clark, David K. Naugle, 2017-10-10 Why do worldviews matter? What characterizes a Christian worldview? Part of being a thoughtful Christian means being able to understand and express the Christian worldview as well as developing an awareness of the variety of worldviews. Well organized, clearly written, and featuring aids for learning, this is the essential text for either the classroom or for self-study.

christianity questions that cannot be answered: Where Is God in All the Suffering? Amy Orr Ewing, 2020-09-01 Suffering and evil affect us all, both at a general level, as we look at a world filled with injustice, natural disasters and poverty, and at a personal level, as we experience grief, pain and unfairness. And how we think about and process the reality of pain is at the heart of why many people reject God. Dr. Amy Orr-Ewing is no stranger to pain and gives a heartfelt yet academically rigorous examination of how different belief systems deal with the problem of pain. She explains the unique answer that is found in Christ and how he can give us hope in the reality of suffering. This empathetic, easy-to-read and powerful evangelistic book is good for both unbelievers and believers alike. It will help those hoping to answer one of life's biggest questions as well as those who are either suffering personally or comforting others.

christianity questions that cannot be answered: The Historicity of the Patriarchal Narratives Thomas L. Thompson, 2016-05-24 In der Reihe Beihefte zur Zeitschrift f r die alttestamentliche Wissenschaft (BZAW) erscheinen Arbeiten zu s mtlichen Gebieten der alttestamentlichen Wissenschaft. Im Zentrum steht die Hebr ische Bibel, ihr Vor- und Nachleben im antiken Judentum sowie ihre vielfache Verzweigung in die benachbarten Kulturen der altorientalischen und hellenistisch-r mischen Welt.

christianity questions that cannot be answered: Revelation , 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

christianity questions that cannot be answered: King Manasseh and Child Sacrifice Francesca Stavrakopoulou, 2012-10-24 The Hebrew Bible portrays King Manasseh and child sacrifice as the most reprehensible person and the most objectionable practice within the story of 'Israel'. This monograph suggests that historically, neither were as deviant as the Hebrew Bible appears to insist. Through careful historical reconstruction, it is argued that Manasseh was one of Judah's most successful monarchs, and child sacrifice played a central role in ancient Judahite religious practice. The biblical writers, motivated by ideological concerns, have thus deliberately distorted the truth about Manasseh and child sacrifice.

christianity questions that cannot be answered: The Language of God Francis Collins, 2008-09-04 Dr Francis S. Collins, head of the Human Genome Project, is one of the world's leading scientists, working at the cutting edge of the study of DNA, the code of life. Yet he is also a man of unshakable faith in God. How does he reconcile the seemingly unreconcilable? In THE LANGUAGE OF GOD he explains his own journey from atheism to faith, and then takes the reader on a stunning tour of modern science to show that physics, chemistry and biology -- indeed, reason itself -- are not incompatible with belief. His book is essential reading for anyone who wonders about the deepest questions of all: why are we here? How did we get here? And what does life mean?

christianity questions that cannot be answered: The Christian and Government John MacArthur, 1986

christianity questions that cannot be answered: Tough Topics Sam Storms, 2013-04-30 Will there be sex in heaven? Are miraculous gifts for today? Does God ever change His mind? Such difficult questions often intrigue us, readily confuse us, and sometimes disturb us. Drawing on nearly 40 years of teaching and ministry experience, pastor-scholar Sam Storms answers 25 challenging questions Christians are often too afraid to ask, addressing thorny issues ranging from the eternal destiny of infants to the roles of demons and angels. The robust, thoughtful answers provided in this book offer a helpful alternative to relying on simplistic explanations, and will encourage you in the search for truth and clarity on such tough topics.

christianity questions that cannot be answered: Truth for Life Alistair Begg, 2021-11-01 A year of gospel-saturated daily devotions from renowned Bible teacher Alistair Begg. Start with the gospel each and every day with this one-year devotional by renowned Bible teacher Alistair Begg. We all need to be reminded of the truth that anchors our life and excites and equips us to live for Christ. Reflecting on a short passage each day, Alistair spans the Scriptures to show us the

greatness and grace of God, and to thrill our hearts to live as His children. His clear, faithful exposition and thoughtful application mean that this resource will both engage your mind and stir your heart. Each day includes prompts to apply what you've read, a related Bible text to enjoy, and a plan for reading through the whole of the Scriptures in a year. The hardback cover and ribbon marker make this a wonderful gift.

christianity questions that cannot be answered: God, Technology, and the Christian Life

Tony Reinke, 2021-12-09 What Does God Think about Technology? From smartphones to self-driving cars to space travel, new technologies can inspire us. But the breakneck pace of change can also frighten us. So how do Christians walk by faith through the innovations of Silicon Valley? And how does God relate to our most powerful innovators? To build a biblical theology of technology, journalist and tech optimist Tony Reinke examines nine key texts from Scripture to show how the world's discoveries are divinely orchestrated. Ultimately, what we believe about God determines how we respond to human invention. With the help of several theologians and inventors throughout history, Reinke dispels twelve common myths in the church and offers fourteen ethical convictions to help Christians live by faith in the age of big tech. Biblical, Informed Look at Technology: Written by the author of 12 Ways Your Phone Is Changing You and Competing Spectacles: Treasuring Christ in the Media Age Gathers Ideas from Industry Experts and Theologians: Interacts with Christian and non-Christian sources on technology and theology including John Calvin, Herman Bavinck, Wendell Berry, and Elon Musk Educational: Discusses the history and philosophy behind major technological innovations
