Look for clues on the cover or in the book's description specifying the intended age range or reading level. Don't be afraid to browse through the book before purchasing to assess the content and ensure it's a good fit. Consider factors such as:

Your Child's Native Language: The book will need to translate from your child's native language into English. Ensure you select the appropriate version.

Your Child's Reading Level: Choose a book that challenges your child without being overly frustrating. A book that's too easy may not provide sufficient learning, while a book that's too difficult can lead to discouragement.
