Don't Be Afraid to Make Mistakes: Mistakes are an inevitable part of the learning process. Embrace them as opportunities to learn and improve. Don't be discouraged if you don't understand something

immediately; seek help from your teacher or classmates.

Focus on Communication: Remember the communicative approach of Interchange. The goal isn't just to memorize grammar rules, but to use the language effectively in real-world situations. Practice speaking English as much as possible, even if it feels uncomfortable at first.
